# Focused Fridays *sharpen. explore. aspire.*

10/31/2016

A new initiative at the Huntsman School, Focused Fridays provides programming to build skill sets and explore opportunities for life after school. After considerable conversations between students, faculty, and USU administration, the Huntsman School altered class schedules to a M-W and T-H schedule, with Fridays devoted to extracurricular programming to better prepare students to enter the workforce.

Events include résumé workshops, industry panels, skill-specific bootcamps, and the signature leadership forum, which brings senior executives to discuss leadership.

Videos of past leadership forums can be found at: [huntsman.usu.edu/focusedfridays](https://huntsman.usu.edu/focusedfridays)
