Dear Sir:-

The general secretary of the French Association for the development of technical and commercial education in France, has sent to this office several inquiry blanks, with the request that they be sent to our technical and commercial schools for answer. I take the liberty of sending to you one of these inquiry blanks, and ask you kindly to have the inquiries answered so far as possible. The blank may be returned to this office or it may be sent direct to the secretary named at Paris.

Very respectfully yours,
