SALT LAKE CITY, UTAH, July 25, 1903.

Prest. W. J. Kerr,
Agricultural College, Logan, Utah.

Dear Sir:-

Your letter of July 22nd is received in which you say that Mr. D. M. Bickmore of Paradise has been informed by the secretary of the State Board of Education that a state teachers' grammar grade certificate will be granted to him when he passes a satisfactory examination in elementary physics. You say that Mr. Bickmore is desirous of taking examination in this subject before the regular county teachers' examination which occurs the latter part of August.

I should be pleased to have you examine Mr. Bickmore in elementary physics at a time convenient to both of you. The expense connected with the examination, of course, will be borne by Mr. Bickmore.

Very respectfully yours,

A. C. Nelson

State Supt. of Public Instruction.
