Dear Sir:-

You are hereby notified that a meeting of the State Board of Education will be held in the office of the State Superintendent Saturday, Sept. 19, 1903, beginning at 10 o'clock a.m. As there is considerable business awaiting the action of the Board, it is hoped that you will find it possible to be in attendance. It may be necessary to hold a meeting Saturday afternoon also.

Very respectfully yours,

Chairman State Board of Education.

Sept. 15, 1903.

Supt. A. C. Nelson,
Salt Lake City, Utah.

My dear Sir:

Your favor of the 14th inst. is just received. I regret that it will be impossible for me to attend the meeting of the State Board of Education Saturday. In addition to the work incident to the opening of the College, I am on a number of important committees connected with the work of the Irrigation Congress to be held in Ogden Sept. 15 to 18. Saturday the members of the Congress will visit Cache Valley and a banquet will be given them at the College; hence it will be impossible for me to be in Salt Lake on that day.

I understand that a special invitation has been tendered you by the general committee to come to Cache Valley with the delegates of the Irrigation Congress on Saturday. I would like very much to have you with us and participate in the exercises of the day.

Yours very truly,

W. J. KERR, President.
