Bakley the 3th of April

Dear Sir,

My name is Alfred von Ussedom.
I am a German. I have passed my
examination as a high-school teacher
in Germany and have the title "Professor".
Here I am Teacher of German at the
Cassia State Academy. They call me
here "brother Ussedom". I am pensioned
by Germany. I am able to give German
and French lessons and those in history
geography, literature. Besides I teach
the elements of Latin, Italian mathematics
etc. like all German high-class teachers.
I have given German and English and
French in England, Italy, Switzerland
and France and in Germany at high
schools. I want an employment at

at your school for the summer term
at present. I know of course German
and French just as well as English
(German better) having studied these
languages theoretically in Germany
and practically in the respective
countries. As to my capacity as a
teacher, our president, brother W.
P. Jack has agreed to give reference.
The same will brother O. M. Sanderson
being teacher here in Oakley like
myself. Dr J. Tanner has heard me
speaking English here in the Academy
as an orator, and in case, he is not
to be seen by you at the time this letter
reaches you, President Jack may tell
you what Tanner thinks about my ability.
In expecting an answer I am dear
ly yours truly. Professor A. V. Usedom
Oakley, Cassia County, Idaho. Box 16.
