Dear Sir,

I am by this letter to inform you that I have been granted leave of absence for two years, and I write to enquire whether you have made any arrangements for a substitute during that time, as I wish to find a modern language position for next year. I had charge of the modern languages last year during the absence of Mr. Arnold in Europe, and this year have been assisting in that department and in Latin and I wish to find a place where I may devote myself...
Exclusively to modern languages I have sent A. R. and O. W. for Brown College, Providence, R. I., and have lived three years in Europe, studying two in France and one in Germany, and I have also done graduate work three summers in the University of Chicago, and taught two French courses this last summer. Should you care to inquire into my record, Miss Emma E. Tioga, 156 ½ E. Brigham, and Mr. W. W. Peter, registrar of the university and living in this city, can give you information, especially Miss. Tioga. Also-President Brigham and any of the men.
on the faculty here. I am very eager to get a position there before summer as I want to spend the vacation studying in Spain, if I can arrange it. That some correspondence with Frank here last year about the position you held and perhaps he will remember me.

Sincerely yours,

Mr. Frank R. Arnold,

University of Utah,

Salt Lake City, Utah.

My dear Sir:—Prof. Wilson has just handed me your letter to him regarding the employment of a substitute in the department of Modern Languages in the College during Prof. Wilson's absence in Europe. I asked Prof. Wilson to write you regarding the work that would be required next year in languages.

No arrangements have been made for the work, and if, after you receive Prof. Wilson's letter, you think you would care to accept the position, it is quite probable that satisfactory arrangements can be made for your employment. I am not sure, however, that the work is such as to justify the payment of a salary that would warrant your accepting the position.

As I desire, as soon as possible, to arrange definitely for all of next year's work, I shall be pleased to have you write me at once, suggesting about what compensation you would expect.

Sincerely yours,

President.
