Dear Sir:

There have been several requests at this office, by members of our faculty and public school teachers, for copies the "Outline of Requirements for State Certificates and Diplomas". I have been unable to meet their requests, but I promised to write to you to see if you would be kind enough to furnish us with a few copies,—one or two dozen.

Regretting any inconvenience this will cause you and thanking you in advance, I am,

Truly yours,

Sec'y to the President
