Ogden, Utah, Mar. 23, 1903.

Pres. W. J. Kerr,
Logan, Utah.

Dear Sir: - Replying to your request
of Mar. 21st concerning my preparation
for and experience in teaching, I send
you the following statements:

My preparation was made in the
Iowa State Normal School where I took

the complete pedagogical Course and in the University of Michigan from which I hold the degree of Bachelor of Philosophy, together with a Special Diploma in English.

As to my experience in teaching, I have spent five years in the high schools of Ind. Chiefly in the departments of English and Latin; one year as the head of the English Department in Santa Ana, California; and

Am now in my second year's work in English in the Ogden High School. Before entering high school work, I gained some little, but valuable experience in a Fifth Grade.

I have talked over your proposition with Mr. Wilson and find him very favorably inclined. Since I know of nothing, as yet, that should hinder my accepting your kind offer,

You may consider me a willing
Candidate for the position, pro-
viding the salary is satisfactory.
I think you will agree with me
that my preparation and experience
should command \$1000 per year.

If I should decide to go abroad
and find it impossible to visit the
College after our High School closes,

I shall try to come up some Saturday,
if that would be satisfactory.

Hoping to receive a favorable
reply in the near future,

I am

Very respectfully Yours,
Elizabeth Hyant.
