Dear Sir,—If there is a vacancy in your faculty in the departments of English or History for the coming school year, will you please consider my application for the position? I am a graduate of Miami University, with degree A.B., have done graduate work in the Univ. of Michigan, and will take my Master's degree in History and English from Univ. of Denver next June. I have had four years experience teaching these branches, mostly English, in institutions of acknowledged standing. May I hear from you?

Very respectfully yours,

Mr. Chas. T. Jenkins,
