Pres. W. J. Kerr

Logan Utah.

Dear Sir:-

I am a graduate of Park College or will be in a short time and contemplate taking an engineering course. I am a native of Utah and would like to ^{be} in or as near the state as possible for the reason that I want to locate somewhere in the vicinity afterwards. I have been attending college at Parkville Mo. for the last seven years entirely on my own resources and must continue to do so in my further study. I would like to find a school where I can teach for my entire expenses while taking the engineering course. If you have such a place in your institution I shall be very thankful and endeavor to give full equivalent in willing and faithful service to my best ability.

I take pleasure in referring you to Pres. L. M. McAfee, Prof. Stephens, Mr. H. B. McAfee, and others if you should desire.

Enclosed find references and choice of subjects for which I have a special liking.

Hoping to hear from you soon I am obligingly yours.
