Learning to live with wolves: community-based conservation in the Blackfoot Valley of Montana

SETH M. WILSON, College of Forestry and Conservation, University of Montana, 32 Campus Dr., Missoula, MT 59812, USA *swilson@bigsky.net*

ELIZABETH H. BRADLEY, Montana Department Fish, Wildlife and Parks, 3201 Spurgin Rd., Missoula, MT 59804, USA

GREGORY A. NEUDECKER, U.S. Fish and Wildlife Service - Montana Partners for Fish and Wildlife Program, Upsata Lake Office, P.O. Box 66, 196 Lower Lake Side Lane, Ovando, MT 59854, USA

On p. 246, right column, first paragraph, lines 13–20 should be replaced by:

This allowed us to work across public and private lands to leverage a community-level response that may have helped to keep confirmed livestock losses to wolves at low levels, <3 confirmed livestock depredations

per year, while the wolf population rapidly increased and eventually leveled off.

Wilson, S. M., E. H. Bradley, and G. A. Neudecker.
