RECREATION ACTIVITIES FOR ALL--COMMON GROUND DOES IT ALL

February 6, 2012 by cephirson

Are you tired of sitting at home while all of your friends are out having fun skiing or snowshoeing? Would you love to learn how to ice fish or rock climb? Have you been out to Hardware Ranch yet to see the bull elk?

There’s a place that can make those dreams come true…and then some!

Common Ground Outdoor Adventures is a non-profit organization that organizes fun outdoor recreation for people with disabilities. For the month of February alone, they are hosting almost 20 different activities ranging from skiing at Beaver Mountain, night snowshoeing, and ice fishing, to a night at the Logan Recreational Center, indoor rock climbing, and a Valentine’s Day Party.

Just go to the CPD Calendar of Events on the CPD Home Page and you can find out more details about each of their activities through the month of February.

If you are interested in learning how to volunteer and help out with the Common Ground activities, they are holding a Volunteer Orientation on Tuesday, February 21st.

Check out their web site to see what other activities they have coming up this winter. And check back with on our Calendar of Events where we will list their activities month by month.
