HEIDI’S HAPPENINGS: STARTING THE NEW YEAR OFF WITH DR. SEUSS

February 13, 2012 by cpehrson

Heidi is our roving reporter at the Developmental Skills Laboratory, an adult day program of the CPD. Heidi loves to type and each month she shares the fun activities that are going on at DSL.

This past January, here at the worksite (DSL), we had green eggs and ham for lunch, that tasted good with orange juice.

Then we read this funny book about the things which made everyone come unglued, and laugh super hard! Then we had “Seussical the Musical.” Our day was really great!

We went bowling and also looked for books in the library. We also had a slumber party and we brought stuffed animals from home.

Music therapy has been great here on campus. Everybody played and sang in the band.

All in all it has been a good month at DSL!
