**Children's Folklore**

**Informant:**

Cali is a student at Utah State University. She's from Texas, served an LDS mission in Montana, and she's engaged!

**Context:**

We were just hanging out in our apartment and in her room when I was having another interviewee sign their release form when she overheard what we were talking about and mentioned that she used to speak Dwarfish in high school so I asked her more about it and it was casual.

**Text:**

Dwarfish is like what... Dwarfs.... Speak.

Me: like in Lord of the Rings too?

Yeah, my friend knew it and would write notes to me in it.

Me: Cool! How would you know what it said? Could you speak it too?

She would like write me.. a key. And I would just decipher it. [laughs]

Me: What grade were you in?

[laughs] um.... Senior year of high school. [laughs more]

**Texture:**

She was happy and just enjoying the conversation.
