KUDOS TO OUR CPD ADMINISTRATIVE ASSISTANTS!

April 25, 2012 by cpehrson

Can you identify these current and past administrative assistants?

They are the peanut butter in our pbj sandwiches; the hub in our wheels; the lightbulb in our lamps; the eye of our storms; and the key to our doors.

Who are they? They are the administrative assistants who work at the CPD. No office can function without at least one of them. Some offices need two or three!

Have you told your administrative assistant how much you appreciate him or her lately? Today, April 25th, is a good day to do that--National AdministrativeProfessional's Day across the nation.

We want them to know how much we all appreciate the great work they do, and how much we depend on their accuracy, dependability, knowledge, and cheerful attitudes. We truly have the best administrative assistants in the world, right here at the CPD!
