**Other Business**

The request from the Jon M. Huntsman School of Business to require a mandatory international trip for the full-time, on campus MBA program which will be integrated into MGT 6300 was withdrawn from the agenda.

John Mortensen brought the following up for discussion: Higher Education Reauthorization Act – Full Disclosure of Costs

Do we disclose these items in the General Catalog in a section titled course materials and have footnotes referring to this page? How detailed do we get in listing the course materials? Should the costs be listed in the syllabi? John will keep the committee informed on the progress of this item.

Meeting adjourned 2:30 p.m.
