ii. Name Change: Bachelor of Science in Human Movement Sciences degree with emphasis in “Teaching” to an emphasis in “Physical Education Teaching”

Request:
The Department of Health, Physical Education and Recreation (HPER) in the Emma Eccles Jones College of Education and Human Services at Utah State University requests an emphasis name change from a “Teaching” to a “Physical Education Teaching” emphasis under the Bachelor of Science in Human Movement Sciences degree.

Need:
The Bachelor of Science (BS) degree was recently renamed from a BS in Physical Education to a BS in Human Movement Sciences. Under the new name, the existing “Teaching” emphasis does not designate the discipline in which a student will be prepared to teach. This proposed name change will designate the specific teaching discipline of Physical Education.

Institutional Impact:
There will be no institutional, college or departmental impact. All required courses are currently taught by existing faculty in HPER and the Emma Eccles Jones College of Education and Human Services.

Finances:
No additional costs are anticipated for this emphasis name change.
