

# Table of Contents

## **Letter from the Associate Editor**

State of bird damage management *George M. Linz*.....341

## **In the News**

*Jason Matthews*.....343

## **Special Topic: Bird Damage**

### **Managing Bird Strikes**

Population increases of large birds in North America pose challenges for aviation safety *Richard A. Dolbeer*.....345

Line of sight: simulated aerial avian predators can reduce problematic bird flyovers of airfieldss *William O'Shea, Neil E. Coughlan, Thomas C. Kelly, Neil Mitham, and Jeremy Nicholson*.....358

ND2 as an additional genetic marker to improve identification of diving ducks involved in bird strikes *Sarah A. M. Luttrell, Sergei Drovetski, Nor Faridah Dahlan, Damani Eubanks, and Carla J. Dove*.....365

### **Black Vultures**

Black vulture conflict and management in the United States: damage trends, management overview, and research needs *Bryan M. Kluever, Morgan B. Pfeiffer, Scott C. Barras, Brett G. Dunlap, and Lee A. Humberg*.....376

Serum chemistry values in wild black vultures in Mississippi, USA *Fred L. Cunningham, Sherman W. Jack, Amanda R. Deese, Eric R. Wengert, Kyle Van Why, Carla L. Huston, Scott Lemmons, and Richard B. Minnis*.....390

### **European Starlings**

Movement behavior of radio-tagged European starlings in urban, rural, and exurban landscapes *Page E. Klug and H. Jeffrey Homan*.....398

Repellent surface applications for pest birds *Shelagh T. DeLiberto, James C. Carlson, Hailey E. McLean, Caroline S. Olson, and Scott J. Werner*.....409

One step closer to a better starling trap *James R. Thiele*.....419

### **Managing Blackbirds**

Using bioenergetics and radar-derived bird abundance to assess the impact of a blackbird roost on seasonal sunflower damage *Bonne A. Clark, Page E. Klug, Phillip M. Stepanian, and Jeffrey F. Kelly*.....427

Supporting farmer adoption of sustainable bird management strategies *Catherine A. Lindell*.....442

The emerging conflict of common ravens roosting on electric power transmission line towers in Montana, USA *Marco Restani and James S. Lueck*.....451

Management of the brown-headed cowbird: implications for endangered species and agricultural damage mitigation *Brian D. Peer, Barbara E. Kus, Mary J. Whitfield, Linnea S. Hall, and Stephen I. Rothstein*.....461

# Contents

## Research Articles/Notes

### Human–Mammal Conflicts

- Resident perceptions of human–beaver conflict in a rural landscape in Alberta, Canada *Nicholas T. Yarmey and Glynnis A. Hood*.....476
- Viewing Bornean human–elephant conflicts through an environmental justice lens *Elena C. Rubino, Christopher Serenari, Nurzhafarina Othman, Marc Ancrenaz, Fauzie Sarjono, and Eddie Ahmad*.....487
- Baboon and vervet monkey crop-foraging behaviors on a commercial South African farm: preliminary implications for damage mitigation *Leah J. Findlay and Russell A. Hill*.....505
- Field guarding as a crop protection method: preliminary implications for improving field guarding *Leah J. Findlay and Russell A. Hill*.....519

### Commentary

- Tolerance of bearded vultures to human activities: response to Comor et al. (2019) *Olivier Duriez, Antoni Margalida, Luc Albert, Beatriz Arroyo, Virginie Couanon, Hélène Loustau, Martine Razin, and Jean-Baptiste Mihoub*.....531

### Letter to the Editor

- Modeling migratory nongame birds: a plea for data *George M. Linz*.....538

### Book Review

- The Figure of the Animal in Modern and Contemporary Poetry *Yan Yunxia*.....541

### The Back Page

- Rebuttals, retractions, and the peer-review process: clarifying HWI policies *Terry A. Messmer*.....545

### Call for Papers

- Special Topic: Raven Management.....547

### Awards and Scholarships

- Berryman Institute Professional and Program Awards.....548
- Berryman Institute Scholarships.....549

### Epilogue

- Monograph Reduced Box Price: Managing Human–Deer Conflicts.....550
- Follow Us on Social Media.....551
- Why Advertise in HWI?.....552

## Human-Wildlife Interactions

### A Publication of the Jack H. Berryman Institute

THE JACK H. BERRYMAN INSTITUTE is an academic center of excellence dedicated to a mission of resolving human–wildlife conflicts through its research, education, and outreach programs. It is based at Utah State University. To learn more about the Jack H. Berryman Institute, visit [www.BerrymanInstitute.org](http://www.BerrymanInstitute.org).
