Business

Communication Intensive (CI) requirement discussions with Rhonda Miller and Brad Hall. In August, the Gen Ed Committee passed a clarification of CI designations for upper division courses, making it clear that the requirement is for CI courses to be “written OR oral” intensive, rather than “written AND oral” intensive. The Communications subcommittee has asked for further discussion of the criteria.

Information

Two USU Course Requirement: The recommendation of the Gen Ed Subcommittee to the EPC that the requirement of two USU courses be dropped was unanimously accepted by the EPC at its December 5 meeting, after a thorough discussion. The recommendation now goes to the Faculty Senate.

The subcommittees for USU 1330, 1340 and 1300 have all met and begun the revision of the web pages for those courses. Their work will continue in January.
