## AGGIES LOSE FIRST CONFERENCE GAME

### TIGERS ROLL UP BIG SCORE OF 53-0

In the first inter-collegiate football game of the season, the Utah Aggies met defeat at the hands of the Colorado Aggies, Rocky Mountain champions of last year. The husky veterans from Fort Collins succeeded in rolling up a score of 53 to 0 against our lighter team which was hampered by the presence of several new inexperienced players, lacking self-confidence and the football art that goes with a thorough knowledge of the game.

The interference, tackling, tripping passing and running down of punts were features in the playing of the farmers from Colorado. At times Utah held for downs but the effective interference usually gave the Fort Collins men the necessary number of yards.

At the beginning of the second half Utah came back strong, displaying team work which resulted in the execution of two spectacular plays; a forward pass, Kapple to Lindquist 25 yards, and an end run by "Stubby" for 25 yards. Unfortunately the ball was taken back from "Stubby's" run because of an offside offense, thus upsetting Utah's chances to score at that time. Utah's offense was better than her defensive playing.

Fumbles were costly and frequent on both sides. In the first quarter Colorado when within the shadow of the goal fumbled and Brig Johnson recovered the ball.

Captain Judd playing tackle, followed the ball tenaciously, tackling sure and hard. Twitchell and Kapple figured prominently in every play, while the rest of the fellows gave their strength with vim and determination. Coach Watson's men are fighters, wanting only in experience to make a smooth running gridiron machine.

While the score was larger than the students expected it would be.

## DEBATING SCHEDULE ANNOUNCED

Debating Coach Casto and Manager Harold Peterson made a trip to Salt Lake last week to meet representatives and renew the debating compact existing between the U. of U., B. Y. U. and U. A. C. With a few changes, the triangular debates for the next three years, will be conducted in the same fashion as formerly. One important item was the change from two men teams to three men teams, making each school represented by six men in the annual contest. This practice has been adhered to in the past by the University and the B. Y. U., but on account of expenses, presumably, the U. A. C. has limited her team to a duet. This year, however, all objections were overcome and it was decided to maintain three men teams throughout. In view of this move, the time for speeches was also changed from 15 minute main speeches and 7 minute rebuttals, to 12 minute main speeches and 5 minute rebuttals. The time for the triangular debate was not altered, so it will occur this year on the usual date in February. Questions are to be submitted by each school in the near future, so that the final question will be decided upon in time to give students ample study period.

The compact with the University

of Idaho has also been renewed. Idaho will debate at Logan this year, late in March. An attempt is being made to debate the Montana Agricultural College, but nothing definite has yet been drawn up.

With a field for eight or ten men open this year, opportunities for followers of the debating art were never brighter. With the exception of Mose Cowley and Harold Peterson, none of last year's debaters have returned. This means that practically all of the men for the intercollegiate debates must be chosen from high school debaters and other students of more or less debating experience. The tryouts are to be held early in December and will probably be made a discussion of the regular question for the annual triangular debate.

An organization has been drawn up between the state schools. Coach Casto was chosen president, Coach Jensen of the B. Y. U., vice president and Manager Spencer of the U. of U., secretary. It was also decided to hold a regular meeting of the committee each year just prior to the deciding of the question.

## LYCEUM COURSE ANNOUNCED

### HIGH CLASS PROGRAM FOR COMING SEASON

The Lyceum committee, working in conjunction with a committee from the Brigham Young College, has completed arrangements for four Lyceum numbers to be presented to the students of the U. A. C. and B. Y. C. during the present school year. The course this year consists of two lectures and two musical numbers. Quantity has been sacrificed for quality and high class entertainment is assured.

The first of the Lyceum lectures, here November 16, is Dr. David Starr Jordan, world-famed advocate of peace. On April 27th Edward Amherst Ott, who is a regular Lyceum platform lecturer, will make his second appearance in Logan. Between these two lectures will come James Goddard on March 14th, and the Schidkret Hungarian Orchestra March 30. It is possible that one more entertainment may be provided.

The Lyceum committee is composed of Dr. Thomas, N. A. Pederson, A. J. Hansen, Professor Arnold, John L. Coburn, and Raymond Becraft.

## PERIWIG CLUB AWAKE

Following the precedent established two years ago by Miss Huntsman, to open the Dramatic Calendar the Periwig Club is planning to present next Friday a one-act play entitled "Hyacinth Halvey" by Lady Gregory. This is a clever little Irish sketch, portraying the country folk and sprinkled liberally with Irish humor. It should prove very popular with the students.

These opening plays have previously been presented out-of-doors on the campus, and the Club is expecting to follow that rule this year if the weather permits. It will be given in the afternoon and will be free to all. Watch for the announcement.

### SOPH-FRESHIE "SCRAP"

Tonight at 8:00 o'clock the Sophs and Freshies will hold their annual "scrap" on the corner of Main and Center streets.

## MISS DUKES ON BOOKS

### ADDRESSES STUDENTS AT THE CHAPEL EXERCISES

Students of the College were very agreeably entertained and instructed in the chapel exercises of Wednesday when Miss Ella M. Dukes, of the Salt Lake high school English department lectured on books and reading. Due to a long teaching experience, an exceptional training and a broad general sympathy in the field of books and reading material, Miss Dukes was able to portray with extraordinary force and interest the real value of a wide book acquaintance. The relationship between literature and life as explained by the lecturer, is coming to be more clearly recognized every day and the question of giving to this relationship the proper substance is of utmost importance to both students and teachers. Experience must come to every human being; he must gain it either by actual contact with the world at large or by a study of the experiences of others, sifted and placed into an appreciative form by the genius of great authors.

That reading exerts a great influence on human character building is attested by the history of the race. The Puritans recognized it and accordingly limited their books to those of a religious nature. Later as public sentiment became stronger and as the demand became greater books reacting every phase of activity were produced so that now the problem of the reader is to distinguish between the commonplace and the idealistic elements in the world of book written experience.

Of special interest to students of literature were the statistics given by Miss Dukes which showed that from an aggregate of eight hundred students a very few only—not exceeding six—were interested in dead authors like Dickens, Scott, Stevens, Hugo, George Eliot, Shakespeare and others of a similar standing, while more than half of the students failed to read anything except that prescribed in their regular courses.

## PAN-HELLENIC ENTERTAINS

The delightful matinee given in the gymnasium Wednesday afternoon by the boys Pan-Hellenic Association (united fraternities) was held for the purpose of acquainting Freshmen with the object and aims of fraternal organization. Alma Wilson, president of the Pan-Hellenic Association outlined clearly and forcibly the attitude of the fraternities toward the College and toward Freshmen. Those Freshmen present were fortunate in having the meaning of fraternity life so clearly explained to them.

### CLASS IN SOCIAL DANCING TO BE ORGANIZED

Mrs. Johnson, in charge of physical education for women, announces that a class in social dancing will commence this afternoon (Friday) at 4:00 o'clock. The class must necessarily be limited to 20 couples, but arrangements will be made to complete several classes in the course of the year.

While no credit is given for this course, regular attendance will be insisted upon. Any students are also free to attend other classes without credit provided they will come regularly.

## COWBOYS AND FARMERS TO MIX TOMORROW

### Wyoming and Utah Match Strength On Adams Field

Tomorrow afternoon at 3:00 o'clock Adams Field will be the scene of what promises to be a real football struggle, when the Utah Aggies face the Wyoming Cowboys in their second conference game of the season. From the showing made by these two teams against the Tigers, they are fairly evenly matched. The Colorado Aggies defeated the Wyoming boys 40 to 0 and the Utah Aggies 53 to 0.

The changes made by Coach Watson during the past week should make his team a great improvement over what it was last Saturday.

Judd has been shifted to center and Twitchell and Mohr to tackle, while Grove Lewis has been called back to play between Stubby Peterson and Brig Johnson. With Toney Peterson, Gardner and Reese working at guard, Morrell and Sutton fighting to replace Twitchell at tackle, and Doug Smith, Swede Lindquist, and "Sun" Hatch caring for the end positions, and Kapple engineering the play, the Aggies should present a mighty barrier to the Cowboys.

Tomorrow's game should be a fight from start to finish.

## SORORITIES ANNOUNCE PLEDGES

The hurry and flurry of rushing season is over for the sororities. The members tread again this mundane sphere and take up their neglected studies; the rose scales fall from the eyes of the newly-made pledges—they have been surfeited with moneyed words and "gaudious" parties. They see themselves now as they are—a mass of humbly pledged at the beck and call of their masters, the sorority members. However, take heart, hapless ones; your servitude will not gall long and your entrance into the "blessed ranks" will be worth the pain.

The three sororities are well pleased with the results of the rushing season. Each filled its vacancies with the necessary number of new members. Oct. 20 will be the official public pledge day. The sororities report the following new pledges:

Sorosis—Mabel Hendricks, Bessie Spencer, Ara Hunsaker, and Barbara Larsen.

Sigma Theta Phi—Annie Hansen, Irene Smith, Mildred Crabbe, Della Ostler, Zelda Kirkham, Muriel Horsley, Marion Cutler, Bessie Morrison, Olivia Lee, Gertrude Mott, La Von Mason, Laura Steele, Lucile Nebeker, Mabel Larsen, Katherine Uro, Marjorie Knudsen, Elizabeth Cannon, Grace Cardon, and Irma Knudsen.

Beta Delta—Luella Anderson, Zina Beers, LaPriel Cutler, Myrtle Davidson, Myrtle Koepf, Leona Krumpnerman, Estella Larsen, Naomi Larsen, Ella Matthews, Eva Nielson, Stella Perrine, Lillian Pond, Pearl Theurer, Mabel Williams, Stella Young.

## AG. CLUB BALL NOVEMBER 6th

The first BIG ball of the 1916 social season has passed through its initiation stages. Wednesday at a large meeting of the Ag. Club. Mr. Delore Nichols was elected chairman of the Ag. Club Ball committee. Mr. Nichols is especially prepared through years of training to give, with the aid of Mr. Leo B. Sharp, W. J. Snow, and two others whom they may select, the most enjoyable time of the year.

Already the committee has met and the plans are well begun.

The Ball is scheduled to take place on Nov. 11, but this date must be changed as that is the day the Aggies are going to get the U's goat, which means that all A. C. students will be in Salt Lake. The ball will therefore occur on Monday of the same week, which will make it the sixth instead of the eleventh. Keep your ear near the ground for you do not want to miss any of the news of what is going to happen the night of the Ag. Club Ball. Remember that now is the time to engage a partner.

Mr. George D. Casto, instructor in the Department of Commerce, has been appointed librarian to fill the vacancy caused by the marriage of Miss Smith.

### OUR MANNERS

It has been suggested that we devote part of a column of Student Life to suggestions as to what constitutes good breeding. Even before this matter was brought to our attention we had felt the need of some method whereby the common rules of etiquette might be brought to the notice of our students. We have long observed a distressing lack of attention to even the simplest rules of propriety on the part of our students, a neglect arising either from ignorance or indifference; we hope not indifference. It is the place of a college to send out men and women who can mingle freely with people of the best class, without displaying a lack of attention to the prescribed conventional forms. We shall welcome any suggestions which are dropped in Student Life box and hope that an improvement in decorum may result from our efforts in this connection.

### "STAGS"

Last Saturday night we were forcibly reminded of a deplorable condition which exists at the College, a condition which should not be encouraged. During every dance the west wall of the Smart gymnasium was lined with young men unable to obtain partners. At the same time, there were many College girls at their boarding houses wishing they were at the gym, disappointed, almost determined to return to their homes.

Something is radically wrong, when scores of young men attend dances without partners, while young ladies refrain from attending because of the lack of escorts. In a school where the number of boys far exceeds the number of girls, it is a reproach to those boys if the girls do not find it possible to attend social functions. It is safe to say that out of the 230 girls now attending the U. A. C. not more than 130 attended the dance last Saturday night. Are the boys unacquainted or are they simply indifferent as to the pleasure of our girls? Whatever the cause of the failure of the boys to perform this pleasant duty toward the girls, they should blush with shame at the thought of that line of "stags" which decorated the gym Saturday night.

Is Adams Field part of the campus? One would not have thought so last Saturday. Some students were smoking on the bleachers.

### SIDELIGHTS ON SATURDAY'S GAME

Coach Hughes has been at Colorado A. C. for four years. The first year he lost everything, the second year he won a few games, the third more, and last year captured the championship. He has an excellent chance of duplicating his achievement this year.

Colorado College, Colorado School of Mines, and U. of U. had scouts looking over the Colorado Aggies last Saturday. They must have some respect for the Tigers to send men here for that purpose.

Briefly, Coach Hughes' system is this: All Freshmen who are likely to win a place on the Varsity squad are drilled with the first team the first year they are at school, the idea being to give them all the chance in the world to learn signals, style of play, and men of the first team. It took Hughes four years with this system to win a championship. Last year he lost his entire backfield and one linebacker, but he had men who "knew" to fill vacancies with. The result is the backfield is fully as good as last year and the line is better.

It was the frank assertion of the Colorado boys that Logan has a scrappier team this year than last. Colorado players average 180 lbs. Coach Hughes used 18 men; Coach Watson 16.

Colorado players were heard to make this remark: "This town, Logan, gets me."

Colorado A. C. has a large High School at Fort Collins to draw from. When Logan city builds her new High School will we have something to draw from?

Crowley, the referee, is the football editor of the Denver Post. He writes his daily column.

The Student Body was "beat" be-

fore it went on the field. The cheering was not half as good to hear as it was the week before when we were winning.

### EXCHANGES

The following Campus Rules have been proclaimed by the upper classmen of the University of Utah:

1. Freshmen must wear distinctive caps (to be selected by the A. S. U. U. Executive Board) on all school days and at all athletic contests.
2. Freshmen and Sophomores are forbidden to loiter on the steps of the Administration building.
3. Freshmen are forbidden to use the main entrance of the Administration building between the hours of 8 a. m. and 5 p. m.

"Let me kiss those tears away," he begged tenderly. She fell into his arms and he was busy for the next few minutes and yet the tears flowed on.

"Can nothing stop them?" he asked breathlessly.

"No," she murmured, "It's hay fever you know, but go on with the treatment."—Round-Up.

"Underneath these granite stones lies the body of Ephraim Jones." His name was Smith, it wasn't Jones. We called him Jones to rhyme with stones. —Selected.

How stern he is!  
His skull is filled with air.

### SOCIETY

On the afternoon of Oct. 13 the Delta Nu fraternity held an open house reception in their new home on North Main. Prof. N. A. Pederson, Dr. G. Hill, Grant Ivins and Clyde Stratford formed a reception committee. Punch and wafers were served.

The second Student Body dance of the year was given Oct. 14. The Colorado Aggie team were the guests of honor. There was a fairly good attendance, which contained, however, a disgracefully large percentage of "stags." It might surprise those pur-blind specimens of humanity to hear the opinion passed by the visiting team on U. A. C. girls. In brief, they told the men who took them to the dance that never had they seen a classier, prettier or more charming bunch of "dames?" Wake up, fellows, does it take strangers to appreciate such self-evident facts?

The Phi Kappa Iota fraternity entertained their members and about 20 guests at a card party Monday evening, Oct. 16.

Oct. 15 the Sig Alphas entertained Sorosis informally at their house. Mr. and Mrs. Earl Robinson chaperoned the affair. A "pow-wow" was held which should bear fruit in the near future.

The U. A. C. Women's League announce that they will give a Halloween party Oct. 27 for the children of faculty members. It is to be held in the Smart gym at 3:30.

Last Thursday night the Sigma Theta Phi sorority entertained their pledges at a chaffing dish supper. The sorority house will be open the first of next week.

### A CORRECTION

Through a misunderstanding Sorosis' name was connected with the football players at the Sigma Theta Phi Pelican party last week. Sorosis had nothing to do with it.—Sigma Theta Phi.

Remember all the girls would like to attend the Ag. Club ball.

University. The holders of these scholarships are to be exempted from the payment of all regular fees during the year 1916-17. No doubt the cadet battalion at Montana U. will be much benefited by the above arrangement.

SPEAKERS DISCLAIM AGAINST  
CONDITIONS AT A. C.

Members of the Public Speaking  
class, directed by Miss Huntsman,  
took for their subjects Saturday  
morning topics concerning college  
life. The horse stable between the  
main building and the chemistry  
house was depicted as an eye sore  
on the campus, and a plea was made  
to have it removed. Shall we follow  
up this suggestion? The miserable  
accommodations for out-of-town  
girls afforded opportunity to speak  
on the crying need, A Girls' Dormi-  
tory. It is regrettable to say that  
"Light Fingers on College Students"  
made a timely theme. If EVERY  
ONE gave his fingers honest weight,  
bathing caps, etc., could be found  
where they are left.

If there were any magnet that  
would point to the countries and  
houses where are the persons who  
are intrinsically rich and powerful.  
I would sell all, and buy it, and put  
myself on the road today.—Emerson.

The book that does not really  
speak to you is not worth much. And  
unless you really hear something,  
and make some kind of an answer  
to it, you do not truly read.—Van  
Dyke.

## ANTI-STAG COLUMN

### THOSE RATTLING HEARTS

"Why don't men propose?  
 'Tis surely time!  
 I sit here gaily dressed;  
 I trill my rhyme;  
 I sport like any school girl,  
 Goodness knows;  
 I wonder why the 'fellahs'  
 Don't propose?  
 Judging from observations at our Student Body dances one just naturally comes to the lugubrious conclusion that the Student Body is made up of three classes of human beings—or we might say sexes—men, women, and "stags." Two College dances are now history and at both of them we have had the delightful sensation of seeing the Thomas Smart gymnasium beautifully—not to say artistically—decorated with "stags." At the first dance I thought perhaps some of the students had not had the chance to meet any girls and on that score might have been excused. But last Saturday night, again seeing the same thing, I was forced to the conclusion, though reluctantly, that a goodly percentage of the men of the College were decidedly lacking in one phase of their education.

College dances are for the girls as well as the boys, but rather than go unexcused most of our girls rightly prefer to stay at home. It is up to the men of the College to see that they get to the school entertainments. It is our duty—and should be a very pleasing privilege. How any one can pass up all of these "little, tiny, pretty, witty, charming darlings" and still have the effrontery to expect to be shown an "A No. 1" time by all the girls is anything but rationalism. It might be well to issue a general boycott against all "stags." Why to even benoid one of the fair co-eds that sit around these halls is an instantaneous check to ill-behavior; and to love one is a liberal education. But then some fellows' hearts are shrunk in them like dried nuts. You can hear them rattle as they walk. However, we hope and believe that nature has been so cruel to but a very few and that the rest will crawl out of their shells, or clandestine hiding places, and show forth in their true colors. To them we say—"Observe the maiden, innocently sweet;  
 She's fair white paper, an unsullied sheet,  
 On which the happy man whom fate ordains  
 May write his name and take her for his pains."  
 Let's get some life into our College activities! Be cosmopolitan! Get deep red blood running in our veins! Carry College spirit into our social activities! And above all show to those from whom we get our most delicate refinement the courtesy of a true blue gentleman!

Z. ROE.

### MEDITATION

Now make preparation  
 Without hesitation  
 We ain't mad nor nothin'  
 But next time come rushin'.

Oh! the mortification  
 Of a blasted temptation!  
 We all waited and waited  
 That we might be baited.  
 But there wasn't a madchen  
 Whose hints reached sensation.

Oh! the humiliation,  
 The utter damnation  
 To those honary men  
 Who failed us then.  
 'Ah, when?' do you ask?  
 The last Saturday past.  
 To you men lacking reason,  
 The first dance of the season.

Oh! men of creation  
 Thou wilt suffer cremation.  
 For lack of that dignity  
 That gives us the liberty  
 To say "yea, yea," instead of "nay, nay."  
 When a question of bids flies over,

our way.

Oh! snobs of the nation  
 You should be put on a ration  
 Suffer the tortures that we have endured  
 For we ironed out our dresses and  
 Kinked up our hair.  
 Hoping and hoping that we would  
 Get there.

Now start up a flirtation  
 And give us mirthination  
 That we might take shares  
 On the dancing affairs  
 We ain't asking a bid, Oh! no not  
 we

### UTAH AGGIES LOSE TO COLORADO

(Continued from page one)  
 It was not a disappointment. We were playing a veteran team, pronounced by many to be the strongest in the conference, at an early date when our depleted ranks had not been bolstered up sufficiently strong from new men to check effective offensive work. This experience together with hard work and that same spirit will make Utah Aggies a dangerous opponent for Wyoming, Nevada, Utah, Montana and Idaho.

#### Play by Quarters

1st—Kapple kicked to Reed who returned ball 20 yards. By straight football it was carried to Utah's one yard line. Colorado fumbled on next play, Brig Johnson recovering for Utah. Utah kicked. Colorado resumed attack. Robinson skirted Utah right end 20 yards for touchdown. Reed kicked goal. Kapple fumbled. Colorado makes gains and Johnson goes over. Goal missed. Score 13-0.

2nd—Colorado resumed offensive work, marching steadily to the goal. Loss 11h. went over. Goal kicked. Utah held Colorado for downs next play forcing her to kick. Utah held for downs. Kicks. Colorado unable to score. Score 20-0.

3rd quarter—Colorado kicked. "Stubby" returned ball 20 yards. Forward pass Kapple to Lindquist netted 25 yards. End run by "Stubby" 25 yards. Ball returned for off side offense. Utah held for downs. Loss goes over after a series of line bucks. Goal kicked. 27-0.

4th—Utah held for downs and forced to kick. Colorado went over for four touchdowns, one by Johnson, two by Rothrock and one by Scott. 2 goals kicked. Hutton intercepts forward pass during this quarter, making 25 yard gain. Score 53-0.

## DE LAVAL SEPARATED CREAM

The most important of all butter-scoring contests are those that take place at the National Convention of the National Buttermakers' Association, held in recent years in conjunction with the National Dairy Show. The first prize winners at every convention of the association since its organization in 1892 have been as follows—all De Laval users:

1892 Madison, Wis.—Louis Brahe, Washington, Ia.	Minn. World's Fair Grand Prize Butter.
1893 Dubuque, Ia.—C. W. Smith, Colvin's Park, Ill.	1906 Chicago, Ill.—A. Carlson, Rush City, Minn.
1895 Rockford, Ill.—F. C. Oltrogge, Tripoli, Ia.	1907 Chicago, Ill.—A. Lindblad, North Branch, Minn.
1896 Cedar Rapids, Ia.—Thomas Milton, St. Paul, Minn.	1908 St. Paul, Minn.—J. C. Past, Hector, Minn.—J. C. Past, Hector, Minn.
1897 Owatonna, Minn.—H. N. Miller, Randall, Ia.	1909 Milwaukee, Wis.—A. J. Anderson, Otisco, Minn.
1898 Topeka, Kan.—Samuel Haugdahl, New Sweden, Minn.	1910 Chicago, Ill.—Albert Camp, Owatonna, Minn.
1899 Sioux Falls, S. D.—A. W. McCall, Creston, Ia.	1911 Chicago, Ill.—A. J. Anderson, Otisco, Minn.
1900 Lincoln, Neb.—H. T. Sondergaard, Litchfield, Minn.	1912 Chicago, Ill.—A. L. Radke, Plato, Minn.

1904 St. Louis, Mo.—J. C. Joslin,	

(There were no national conventions in 1894, 1903 and 1905)

Such evidence of the superior quality of cream produced by the De Laval Cream Separator no cow owner considering the purchase of a cream separator can afford to overlook.
