COLLEGES CLASH TONIGHT

RIVAL HOOFSTERS MEET IN THE
GYM. HOT CONTEST ASSURED.
DANCE AFTER GAME

What promises to be the best basketball game of the season, thus far, and one of the hottest contests of the entire year, will be staged this evening, at 8 o'clock in the Smart Gymnasium, when Coach Joe Jensen sends his Aggie team up against his former B. Y. C. boys.

Though the Crimson lads are not playing in the inter-collegiate league this year, rivalry between the Church School and the A. C. is as keen as in former years. Traditional rivals for the mastery of northern Utah, these two schools always fight each other in basketball as they do on other opponents. Tonight's contest promises to be not one whit less laden with pepper than have the battles of the past.

As usual, the Crimson supporters will invade the Smart Gym in force and will back their team to the last man.

Special interest attaches to the game tonight for several reasons. It will be the first time that Jensen has sent a team against the Crimson for six years. During the time he has been at the B. Y. he has been a popular coach and he has worked faithfully to put athletics there on a firm basis. Tonight his allegiance will be tested for the first time.

(Continued on Page 4)

Irrigation Congress Great Success

PERMANENT ORGANIZATION IS
EFFECTED. FOUR HUNDRED
IN ATTENDANCE

The first session of the Utah Irrigation and Drainage Congress, held at the U. A. C. Wednesday, January 31, was a marked success. About four hundred representatives from different parts of the State were in attendance and took an active part in the organization of the Congress.

Officers were elected, consisting of a president, three vice presidents, a secretary, a treasurer, and a board of governors composed of one representative from each of the seven judicial districts, one from each of the congressional districts, and two from the state at large.

Attorney Mathoniah Thomas was elected president, with W. D. Beers, state engineer, John C. Wheelon, of Garland, and A. F. Cardon, of Logan, vice presidents; Professor Israelson, U. A. C. secretary, and E. P. Ellison of Layton, treasurer.

The members of the board of governors were also elected as follows: Olof Cronquist, North Logan; D. D. McKay, Ogden; A. F. Dorems, Salt Lake City; R. S. Collett, Roosevelt; James A. Melville, Delta; R. D. Young, Richfield; Carl R. Marcuse, Price; Wilford Day, Parowan; C. F. Brown, Salt Lake City; F. B. Hammond, Moab, and J. R. Murdock, Heber City.

The board of governors will meet about March 1, in Salt Lake City, headquarters of the association, and determine details of the organization.

As far as is known at present, the Congress will be open to all interested in irrigation and drainage in Utah. An annual convention will be held, the place to be determined each year.

Those desiring to become mem-

bers may do so by forwarding \$5.00 to E. P. Ellison at Layton. Before leaving Logan twenty-five men contributed \$15.00 to start the organization on its way.

Orators Meet Today

TRY-OUTS FOR HENDRICKS
MEDAL AT FOUR O'CLOCK
THIS AFTERNOON

The tryouts for the Hendricks medal for extemporaneous speaking will be held this afternoon at three o'clock in room 280. A list of subjects will be found on the door of Professor Pederson's office at 11:50. Last year much interest was shown in this contest, Mr. A. E. Palmer being awarded the medal.

It is hoped that as many as have the time and inclination will enter the tryouts this afternoon and add interest to the contest for this valuable award.

BUSINESS MEN'S DAY POPULAR

GREAT INTEREST IS TAKEN BY
THE FARMERS

Saturday, the last day of the Round Up, was a most important day, because after all, what a farmer toils for is profit and it was this thing that was emphasized in Saturday's program.

The forenoon was occupied by lectures on the marketing of all farm produce, beef, sheep, hogs, horses, grain, fruit and hay. In the afternoon, joint sessions were held at which Professor George B. Hendricks, W. G. Farrell, of Salt Lake City, and Owen Nebeker, gave interesting talks.

Professor G. B. Hendricks of the Commerce department discussed the probable business and agricultural outlook after the war. He said, "As soon as the war is over, there will be a big demand in Europe for

(Continued on Page Four)

SENIORS TO ENTERTAIN JUNIORS

The Seniors, out of pure kindness for their younger friends, have decided to entertain the Juniors next Tuesday evening with a skating party at the Auditorium. A committee has given a girl to each boy possible but as there were not enough fair ones to go around, the unlucky Ags will have to tag it.

A list of Junior boys and their partners will be found on the chapel door and it is to the interest of every fellow to see who he is to take and make the date right away. Stuffers will be dealt with in the usual way; however, we do not believe there will be any such.

Indoor Class Track Meet

An inter-class track meet will be held tomorrow in the gymnasium. The purpose of the meet is to stir up interest in track athletics and to give the coaches an idea of what material they will have on which to build a winning track team for this spring. With this purpose in view the coaches and the captain of track have arranged the following meet:

Events

40 yard dash.

(Continued on Page Three)

STATE OFFICIALS VISIT COLLEGE

GOV. BAMBERGER AND OTHER
OFFICIALS ADDRESS LARGE
GATHERING

Over two thousand persons, consisting of Round Up visitors, townspeople and students gathered to hear the addresses of Governor Bamberger and others of the State officials in chapel last Friday afternoon.

The visitors, who in addition to Governor Bamberger, Secretary of State Bennion and the members of the State Legislature comprised other prominent citizens as well as various members of their families, were served upon their arrival at the College to luncheon in the library. Near the close of the meal the College Glee Club rendered several selections which were very much appreciated.

Leaving the library they were ushered into the chapel, long since crowded, save for the seats reserved for the visitors.

After an address of welcome by President of the Trustees, Mr. Stahl, and a selection by the choir, President Peterson took charge of the exercises, calling upon Governor Bamberger, Secretary of State Bennion, President of Senate, Mr. Funk, and Speaker of the House, Mr. Tolton.

Governor Bamberger interspersing his remarks with fragments of his usual wit, gave a very short, pointed address. He reiterated his statement of a few months previous saying that as long as he was governor of this State, the people need have no fear of the Agricultural College of Utah being consolidated with any other State institution regardless of the fact that such a consolidation may make for economy. He was converted to the mission of this school.

The addresses of Mr. Bennion, Mr. Funk and Mr. Tolton were likewise short, bearing upon the work being done by the school and the possibility for appropriations.

Following a selection by the College orchestra, President Peterson reported at some length the work being done and the growth of the College.

The exercises were concluded by two well rendered and appreciated selections by the Glee Club.

CABARET PLEASES FARMERS

The cabaret last Thursday night, under the direction of Professor Arnold, furnished the Round Up visitors an evening's diversion, which added greatly to the week's enjoyment. A good variety of music and dancing, with two readings by Mr. Robinson of the B. Y. C. made up a most successful program.

Mrs. Johnson's girls appeared in four well executed dances. The English Ox Dance was especially popular with the farmers and housekeepers. The ballet dance executed by the famous Russians, Mr. and Mrs. Nicholinsk, was enthusiastically received.

The musical numbers consisted of vocal solos by Benson Parkinson, Joseph E. Otte, Mrs. Willard Stevens, Mrs. George Holmstead, and Mr. Blackner, duets by Messrs. Purcell and Spencer; a violin solo by Gene Austin; ukulele choruses by the Sorosis girls, and two songs from the Glee Club. Each of the musical numbers was enthusiastically ap-

plauded, the visitors calling repeatedly for encores.

Professor Arnold and those who aided him in the preparation of the program may well feel satisfied with the result of their efforts.

Quill Club Takes In New Members

At the last meeting of the Quill Club, Wilford J. Merrill and Leroy Funk were voted into the Club. Mr. Merrill was admitted into the ranks of the scribes on the merit of his contributions to Student Life. Mr. Funk submitted two articles for the approval of the Club members.

A motion was passed requiring each active member of the Club to make at least one contribution a month. From these contributions it is hoped that it will be possible to publish Agri-Literose once a month until the close of the College year.

SONGSTERS TOUR- ING STATE

GLEE CLUB SINGING FROM LO-
GAN TO ST. GEORGE

The College Glee Club left last Monday morning for what the members are pleased to call their first annual tour of the State. Opening in Nephi on Tuesday evening, the boys were scheduled to sing in Hinckley, Wednesday; Cedar City, Thursday; Parowan, tonight, and St. George, tomorrow night.

The real objective of the Glee Club is the Round Up at Cedar City, but they could not resist the temptation to take a run into Dixie.

The trip of the Glee Club, composed of twenty-four singers, is expected to be a big advertisement for the College. Professor Johnson is in charge, William Peterson is acting as accompanist; J. E. Otte, as manager, and Calder Smith as secretary and treasurer.

SENIORS FINALLY ADOPT GARB

At last the worthy Seniors have reached an agreement on the matter of a class garb, the knotty question which has occupied the attention of the upper class solons for the past three months. Accepting the recommendation of a committee which had been investigating the matter, the members of the class voted to adopt white trousers and soft shirts as official garb for men, and white waists and blue ties for the women.

The date when the new garb is to make its appearance was not definitely set, but it is understood that it will not be before the last of April or the first of May.

A Chance For Poets

The following letter has been received from The Stratford Company: We are now preparing for publication an Anthology of the best poetry written by American College students during the present academic year, (1916-17). This Anthology will be uniform with our College Anthology for 1915-16, and like the above Anthology, will have an introduction by William S. Braithwaite, poetry editor of the Boston Transcript.

(Continued on Page Three)

RELIEF FUND PLANS UNDER WAY

At a meeting of the Student Body a week ago last Friday the report of the committee, composed of M. F. Cowley, H. Grant Ivins, and Erma Allen, appointed to investigate the advisability of establishing a Belgian Relief Fund in the Institution was heard. It was shown that so limited is the food supply in Belgium that the people must depend almost wholly upon charity for subsistence, and so small are the daily rations allowed that one dollar will feed a Belgian for thirty days. Also, every cent contributed is used directly for buying food. Nothing being deducted for postage, services, etc., which are all paid for by special contributions from some of the large societies.

Since, primarily, it is a very worthy cause, and since, secondly, ours would be the first Agricultural College in the country to take such a step, the committee recommended that we establish a permanent Belgian Relief Fund in our school.

Upon the motion of Mr. Meeks it was voted unanimously to establish such a fund as recommended, and as a first step the committee designated Friday, Governor's Day, at the Round Up, as Belgian Relief Day in the school. The sum of \$62.00 was contributed; \$30.00 by the faculty, a like amount by the students, and \$2.00 by the Round Up visitors.

The committee met yesterday with President Peterson to discuss plans for a permanent organization and recommendations will be made this morning in Student Body meeting.

It is a most worthy cause; lend your moral and financial support!

Salt Lake County Alumni Organize

At the recent banquet of U. A. C. Alumni, held at the Newhouse Hotel, a permanent organization to be known as the U. A. C. Club of Salt Lake County, was effected, and the following officers were elected:

W. F. Culmer, '95,—President
Alice Kewley, '10—Vice President

A. C. Carrington, '16—Secretary.
Rose H. Widtsoe, '00—Treasurer.
Directors for two years—W. D. Beers, '99; O. J. P. Widtsoe, '97, and Blanche C. Hyde.

Directors for one year—Earl Bennion, '09, and J. B. Walker, '15.

Mr. Culmer is the oldest member in Salt Lake County from the point of view of graduation. His was the second class to be graduated from the U. A. C. Professor L. A. Merrill was the other member of the graduating class of '95.

The following constitution was adopted:

Article I.

Section 1. The name of this association shall be the U. A. C. Club of Salt Lake County.

Section 2. The object of the U. A. C. Club shall be to associate U. A. C. men and women socially and to promote interest among its members in using their influence for the promotion and welfare of the Utah Agricultural College.

Article II.

Section 1. Membership in the U. A. C. Club shall be of two kinds; active and associate.

Section 2. Any one who has finished a regular college course at the Utah Agricultural College and has been graduated therefrom, with

Locals

Big basketball game tonight, and good candy.

Mr. and Mrs. Joseph Snow, are spending a short time in Logan.

Sorosis Sorority announces the pledging of Louella Thomas.

Remember about the Theta candy sale at tonight's game.

Stew Horsely, '15, and "Snipe" Knudsen, '15, were Round Up visitors.

Monday night the Ag. Engineers gave a delightful dancing party at Murdock's.

Gertrude Mott has discontinued school and has returned to her home in southern Utah.

Our newest exchange is the Dixie Owl, a well edited paper, from the Dixie Normal College, St. George, Utah.

Everybody bring ten cents to buy Theta candy tonight at the game.

Several Delta Nu pins have detached themselves from their owners' vests and are to be seen floating about on—Heaven forbid that we should be personal!

All students interested in the Inter-collegiate Peace Association Oratorical Contest to be held next March meet in room 359 at 3 o'clock p. m. next Wednesday.

A pair of spectacles was lost somewhere in the main building last week. The finder will receive a reward on bringing them to the registrar's office.

Miss Myrtle Gibson of Salt Lake, a popular U. of U. student, was a guest at the Beta House last week. Miss Gibson left Sunday for her home.

Dr. Clark Davis entertained with a dancing and card party at Murdock's February 2. Twenty couples were present. Light refreshments were served.

Sigma Theta Phi announces the pledging of Eva Cragun, of Ogden.

The Alumni Dance given in the Smart Gymnasium, Friday evening, was enjoyed by the small crowd in attendance. The noticeable feature was the absence of Alumni members.

At the recent basketball game with the West Side High School, a book entitled, "Heraldry," by Boutell and Aveling, Library No. 929.6 B66, was dropped from the track onto the gymnasium floor. Mr. Casto would like the person who picked it up to return it to the library.

The invitations are out for the annual Theta Valentine party.

Warren Knudsen, '13, spent a few days in town last week.

The Book Lovers' meeting has been postponed until next Friday.

Anna Taylor, '16, has returned to visit us. She is enjoying an enforced "measles vacation."

Miss Lillian Pond returned to Logan, Friday after having spent the week in Salt Lake with her parents, Mr. and Mrs. S. S. Pond.

Invitations have been issued for the annual dancing party to be given by the Beta Delta Sorority on Saturday evening in the ladies' gym.

Professor Greene desires the members of his class in advanced farm management, to meet him in Hyde Park at 1 p. m. Monday afternoon.

A CHANCE FOR POETS

(Continued from Page One)
All students who wish to submit poems for possible inclusion in this Anthology are requested to send their manuscripts to H. T. Schnittkind, Ph. D., care of the Editorial Department of the Stratford Company, Publishers, at the above address.

No poems submitted later than May 15, 1917, will be considered.
THE STRATFORD COMPANY.

INDOOR CLASS TRACK MEET

(Continued from Page One)
220 yard dash.
440 yard dash.
880 yard dash.
Shot Put.
High Jump.
Hop, Step and Jump.
Relay Race.
(Half mile four men racing.)
(Class managers enter relay team for class).

Rules

1. Any student registered in College is eligible to compete.
2. One man can enter no more than three events.
3. Class scoring greatest number of points wins the meet.
4. Five points will be awarded for first place, 3 points for second place, and 1 point for third place.
5. Enter under one of the following classes: Senior, Junior, Sophomore, Freshman, or Special.

To Enter

Sign your name under the event or events, and do not fail to place class after name. The card will be found in the gym on which to sign in order to enter.

This meet should see every student interested in track out in a suit, for such is necessary to build a strong track team.

Coach Watson desires every man who expects to be out for track work in the spring to report now, and begin training.

COLLEGES CLASH TONIGHT

(Continued from Page 1)
 The B. Y. C. team has met the
 B. Y. U. already and suffered de-
 feat at the hands of the Provo men.
 We shall have our first opportu-
 nity to get some idea of how our team
 compares in strength with that of
 the Utah County school. With the
 University and the B. Y. U. meeting
 tomorrow night, 'dopesters' will be
 able to get busy and predict the out-
 come of the hoop season.

There is every reason to expect a
 fast, close contest this evening. The
 B. Y. boys in their game with the
 Crescents, which they won 45-19,
 showed excellent form. Barlow at
 center is a fast man, and a sure bas-
 ket shooter; Haws, though lacking
 in experience, is a forward who
 has to be watched every minute, and
 Maughn, the big guard, has a dan-
 gerous habit of slipping up and
 dropping in counters.

Jenson's men are also showing
 up in a pleasing manner. McKay is
 picking up speed every night and
 should give Barlow a run for his
 money. In case of necessity, Reed
 Gardner is ready to take up the work
 at center. Kapple and Smith at
 guard, and McMullen at forward are
 working just a bit faster than ever
 before. In a game at Preston last
 Monday night, they won from the
 Onelda boys 69 to 17.

General admission to the game
 will be 25 cents, reserved seats 25
 cents extra. A Student Body dance,
 free to those attending the game
 will follow the contest.

The Line Up

U. A. C.	B. Y. C.
Kapple, Capt.	Maughn

BUSINESS MEN'S DAY

(Continued from Page One)
 capital, and in America for labor.
 The probability is that American
 capital will go to Europe to a greater
 degree than European labor
 will come here. If the present situ-
 ation leads the United States into
 war, all of these calculations will be
 upset."

W. G. Farrell spoke of, "The Col-
 lege Man on the Farm and in Busi-
 ness." In his discussion, he brought
 out the fact that in the past the
 College man had proved a failure in
 business and on the farm. But the
 Colleges were fast adjusting this
 difficulty, and especially is this true
 of all western colleges, and in particu-
 lar the Utah Agricultural College.

Owen Nebeker gave a talk on the
 subject of "Utah Made Goods," in
 which he pointed out the great coal
 deposits, our woolen mills, and the
 progressive way in which Utah is
 growing with respect to manufac-
 turing.

The Round Up was concluded
 most successfully on Saturday, be-
 cause after all, if a farmer is not a
 business man, he is not a good far-
 mer; the two must go together. The
 school of commerce is doing a great
 deal in this line to help the farm-
 ers.

BUZZER NOTICE TO STUDENTS

The Buzzer Staff desires the fol-
 lowing information concerning each
 student:

Name in full.
 Home address.
 School (i.e. Agriculture, Home
 Economics, etc.)
 Major subjects.
 Class and school activities partici-
 pated in.

Awards received and the clubs
 and societies to which you belong.

Please write such information and
 slip it under the door of the Buzzer
 room, south end of the basement of
 hall, or else write information on
 the back of proofs when they are re-
 turned.

THE NEW DE LAVAL

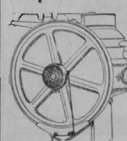

**A Bigger and Better Cream
 Separator for the Same Money**

THE FARMER who buys a De Laval this year will get big-
 ger and better value for his money than ever before. Not
 only will he get a better machine, a simpler machine, a
 machine that will skim even closer than any previous De
 Laval, but he will get a machine of larger capacity.

And the price has not been increased one cent. Just think what
 this means to cow owners in the face of rising prices on almost every
 thing else the farmer has to buy, including other cream separators.
 Only the tremendous volume of De Laval sales makes it possible to
 give the farmer more for his money when others are giving less.
 The NEW De Laval is the culmination of nearly forty years of ex-
 perience and development by the largest and oldest cream separator
 concern in the world.

Important Features of the NEW DE LAVAL

Every New De
 Laval is now
 equipped with a
 Bell Speed Indi-
 cator, the Warn-
 ing Signal which
 insures proper
 speed and uni-
 form cream.

Greater Capacity
 Without increasing the size or weight of the
 new bowl, its capacity has been increased.

Self-Centering Bowl
 The bowl is loosely supported upon the spindle
 and will run true and do perfect work even after
 long wear.

Skims Closer
 The improved bowl design, together with the pa-
 tented milk distributor, gives greater skimming
 efficiency.

Discs Interchangeable
 All discs are exactly alike, are unnumbered, and
 are interchangeable.

Fewer Discs
 There are fewer discs in the new bowl, although
 the capacity is greater.

Easier to Wash
 Simpler bowl construction and fewer discs, calk-
 ed only on the upper side, make the bowl easier
 to wash.

Easier to Turn
 The low speed of the De Laval bowl, large capacity for the size and
 weight of the bowl, automatic oiling and high grade workmanship,
 make the De Laval the easiest cream separator to turn.
