Championship Hopes At Stake

TOMORROW'S GAME VITAL TO THE AGGIE FIVE

The clash between the University of Utah and the Aggies, to be staged in the Thomas Smart Gymnasium tomorrow night, has promises of being one of the best games of the season. Both teams are stinging under the lash of defeat, and both are equally anxious to again make good before the basketball fans of the state. The University has already fallen victim to the local aggregation once by a decisive score, and has besides been twice trounced by the Provo five. The Aggies, until this week, had been defeated but once. The defeats in Montana and that at the hands of the B. Y. C. team have no bearing on the state championship, and have only served to fill the boys with a determination to make good in the next two games, and thus remain in the race for the title. Whether or not they continue to be contenders will depend upon the outcome of tomorrow's game.

It must not be supposed that the Aggies are hitting an easy mark in tomorrow's contest. It is well known that Norgren will pit his best talent against us and that his men are in the pink of condition. Jensen's men, on the other hand, as shown in the B. Y. performance, have no doubt been slightly overworked and may appear at a slight disadvantage.

In any event, and under any conditions, however, there is one thing certain, that is, that when the U. and the U. A. C. meet, there is bound to be a battle royal.

PRESIDENT PETERSON URGES TRUE SPORTSMANSHIP

Being unable to attend the basketball rally Tuesday morning, President Peterson left the following message to be read to the Student Body, a message full of sound advice and worthy the careful study of every student who desires to cultivate the highest type of sportsmanship:

Athletic competition is an activity to be engaged in by gentlemen. It requires restraint. Especially should intercollegiate competition be of such a high order that ladies may be present without offense to them. The Agricultural College is known favorably for the genuine sportsmanship which for the last quarter century has characterized its athletics. It is the very essence of sportsmanship to give your opponent the fairest possible chance to prove that he is your equal or superior in the test. I should like to have it always said that the Agricultural College, win or lose, is big enough to take the decision without a murmur or protest. Let us also keep the College name free from the taint which comes from engaging in rowdiness, ill-tempered personal combat and offensive jeering. Keep the institution out of the class of small town fights.

There is no greater victory than the victory of complete restraint and composure. There is no more complete defeat and humiliation than that which comes from giving unwisely vent to anger. Let the other fellow do all that. Don't let any opponent have the satisfaction of

(Continued on Page Four)

HABITS WHICH HAMPER

CHAPEL EXERCISES GIVEN OVER TO TIMELY THEME

Prof. Wm. Peterson, in reviewing the habits which hamper college efficiency, sounded a note of warning to the students assembled in Chapel exercises Wednesday morning. It was shown by reading testimonials from heads of large business concerns throughout the country, who have in their employ college graduates, that only those persons remain in their employ who are free from bad habits. Brilliant, capable young fellows were required to leave because they had acquired one of these hampering habits, which were: procrastination, disloyalty, word unreliable, laziness, constant smoker, drinker, no initiative, dishonesty, and immorality.

The added efficiency of a college education will be lost if these habits are acquired or are not checked during college life.

A well rendered selection by the choir was much appreciated.

Many Lyceum Numbers Coming

The biggest and best part of our Lyceum numbers are yet to come. It is unfortunate that the appearances of our best entertainers come so close together, but this is no fault of the Lyceum Committee, as these numbers are signed for a year ahead and the dates are arranged to suit the convenience of the performers who usually have an extensive itinerary. Hence we must take them when they can come.

The music that stirred the soul of Miss Helen Keller, who many said could not hear music, is coming to us on March 13, in the splendid Zoellner String Quartette. This is a wonderful aggregation of musical artists, known the world over for its ensemble, tone and spontaneity.

The highest priced single attraction of all comes March 16, when Mr. James Goddard, Grand Opera Soloist, will give his interesting recital. Mr. Goddard is one of the finest bass-baritones of the present musical world. He is classed by many along with Caruso, Scotti and Madame Kirby Lund. For six years he sang the leading role in the Imperial Opera of Vienna, one of the greatest, if not the greatest, musical centers of the world.

Following this regular number of the Lyceum course on March 30, comes the Schilkret Hungarian Orchestra, which pleased so well the Chautauqua attendants of the Ridpath organization last summer in Salt Lake City.

On April 2, Rudolph Ganz, pianist, and Albert Spaulding, violinist, will give one of their artistic performances. This is not a regular Lyceum number. They are coming on a percentage basis, the Student Body getting twenty per cent of the proceeds. Half prices will be obtained for all students.

The last of the Lyceum numbers is scheduled for April 27. Ed. Amhurst Ott, a reader of special merit, will close the season with his exceptionally interesting program. Mr. Ott appeared in the A. C. Lyceum course a few years ago and proved so interesting that the committee has engaged him to entertain us again on the above date.

Seniors And Sophomores Win In Class Debates

The two preliminary debates in the race for the Thomas medals leave the Sophomores and the Seniors as the final contenders for the interclass debating honors. By virtue of more experience and a slightly better grasp of the subject, these classmen succeeded in eliminating from the race the Freshman and Junior aggregations. The question debated was, Resolved, that through appropriate legislation the United States should adopt a minimum wage scale.

Friday the Freshmen, represented by Ward Stevens and William Sargeant lost to Waldo Parry and Russell Croft of the Sophomore class. That the debate was closely contested is shown by the two to one decision rendered in favor of the affirmative. The result would probably have been different had not the Freshmen overstepped the bounds of debating rule and introduced considerable new material in the rebuttal speeches. Lowry Nelson, Samuel Morgan and Harold Peterson acted as judges.

Saturday the Juniors and Seniors clashed on the same question, with a similar two to one decision in favor of the affirmative. Asael Palmer and Jack Wright represented the Seniors, while Lyle Judd and Don C. Merrill spoke for the Juniors.

The final debate for the medals will be held about a month from now in chapel, the contestants to be composed of the winning Sophomore and Senior teams. The question will probably be, Resolved, that an international police force should be established to enforce international treaties and agreements and to preserve international peace. A choice of sides has not yet been made.

MILITARY BALL INFORMAL

ABSENCE OF FORMALITY ADDED TO GENUINE ENJOYMENT OF LARGE CROWD.

The Military Ball on Monday night, February 26, after the rather unfortunate postponement occasioned by the recent cataclysmic weather disturbances, was declared to be the most sociable Military Ball held in the last three years. It was minus the "captains and the rings," the "tumult and the shouting"; it lacked the usual splendor and distinction characteristic of a ball of this nature. In short, the party may be characterized by its informality.

There was an excellent crowd, according to Captain Santachi's estimate, upwards of 900 in number. They were also estimated by the Captain as being exceptionally dry.

The decorations, in our opinion, outdid those of previous years, and the music was a constant stimulant. We should say that the orchestra was alive and generous, and entered into the spirit of the occasion.

We have said that the music was stimulating. The refreshments were very lubricating. There were "sticks," but they were of harmless constituency, and were entirely separate from the punch.

About 50 students from Salt Lake and Ogden High Schools were in attendance, in addition to many other

(Continued on Page Four)

HIGH SCHOOL TOURNAMENT FOR U. A. C.

INDICATIONS ARE THAT HIGH SCHOOL CHAMPIONSHIP WILL BE DECIDED IN SMART GYM

From present indications, the U. A. C. will stage the State High School Basketball Tournament next Thursday, Friday and Saturday. Mr. Coburn has guaranteed the expenses of the four teams, which will contend for the High School Championship, and has received assurances from Chairman Moss that Logan stands the best chance of any bidding town to obtain the meet.

The U. A. C. being a state institution, the Smart Gym being the best in Utah, except the L. D. S., the people of Logan being known throughout the state for their interest in basketball, everything points to the College as the best place to hold the tournament, once the expenses of the teams are cared for.

Four teams will have to be brought to Logan, and it will cost upwards of \$700 dollars to finance the tournament. With the hearty support of A. C. and B. Y. C. students and the townspeople of Logan, there should be no trouble in raising this amount.

The best "dope" on basketball points to the B. A. C., Springville, L. D. S. U. and Boxelder High School teams as the contenders for high school honors. These teams, or their vanquishers, will play Thursday and Friday nights, two games each night, in a series of elimination contests. Saturday night the two winning teams will clash, after which the B. Y. U. A. C. game will be staged. If the Aggies succeed in defeating the U. team, the games Saturday night will involve two state championships. No better basketball bill could possibly be provided.

Logan is enthusiastic over the prospects of seeing the championship high school boys in action, and assure the visitors a pleasant time while in the Cache Valley metropolis.

U. A. C. Debates U. Of Wyoming

HATCH AND MERRILL LEAVE FOR LARAMIE. MAY TALK BEFORE NEUTRAL AUDIENCE

Thursday morning W. J. Merrill and L. H. Hatch, left for Laramie, Wyoming, where they will represent the U. A. C. in the first of the interstate intercollegiate debates with the University of Wyoming.

Our representatives will argue the negative side of the question, Resolved that the Monroe Doctrine as developed and applied by the United States should be abandoned as part of our foreign policy.

At present writing, it has not been definitely decided as to how the debate will be judged. It is possible that the debate will be held before a neutral audience at the C. A. C. at Fort Collins. In that event, the audience would act as judges, each member being provided with a ballot with which to cast his decision. No definite decision has yet been reached, however, the final arrangements having been left to the Wyoming management.

This debate will be the first ever held between the Wyoming school and our own institution. From reports concerning the Laramie debaters, though, it is evident that we are to meet some keen and experienced men. Neither of the Aggie representatives has had previous collegiate debating experience, but both are competent public speakers and can be depended upon to give the Wyoming men a race for the decision.

Coach George D. Casto accompanied the men on the trip.

(Continued on Page 4)

AGGIES LOSE TO CRIMSON

B. Y. C. BOYS WIN IN A FIERCE BATTLE ON OWN FLOOR. THE SCORE WAS 28-25 AT END OF EXTRA SESSION

Pandemonium reigned at the B. Y. C. gym, Tuesday night, when at the end of an extra five minutes session of ferocious basketball, the score stood, B. Y. 28; A. C. 25.

From the first minute of play to the sound of the third gun, feeling ran high, and when victory was assured to the Crimson, the supporters of Coach Knapp's boys went wild with joy. Aggie students filed out of the "dry goods box," glum and silent, and left the triumphant fans of the B. Y. to celebrate their victory.

The game in which Coach Jensen's men went down to defeat was the roughest exhibition which has been seen in Logan this year. It was bound to be a fiercely fought contest and the narrow confines of the crowded gym served to make anything but football impossible.

Half the time of the game was spent in jumping. In reporting the progress of the contest it is not easy to avoid using football terms.

For the victors, Bernston played a star game, caging four pretty field goals and dropping in half his chances from the foul line. Kapple was not playing his usual game and failed to hold the speedy forward as he was expected to.

McMullen and Neeley furnished one of the prettiest fights that fans have seen this season. Tommy was fighting savagely and Neeley was after him every minute. The shifty little forward had poor luck with his shooting, but managed to roll in three counters from difficult angles.

Neither Evans nor McKay were up to the standard, while Barlow was playing in exceptional form.

It was evident from the first sound of Tommy Fitzpatrick's whistle that the game was to be a real battle. Bernston missed a free throw and Kapple counted one when Neeley fouled. McKay progressed

A PRECEDENT BROKEN

Students of the College are to be congratulated upon the manner in which they responded to the appeal of President Peterson and restrained themselves during the game at the B. Y. C., Tuesday night. Never has feeling surged higher than during that contest. The least provocation would have touched off the pent up animosity that was clearly evidenced. The rooters of both schools wisely refrained from giving vent to their feelings by other means than cheering. At last we can record a basketball game in the "dry goods box" without being compelled to chronicle a fight. A bad precedent has been broken.

ADAMS FIELD AGAIN

A committee is again investigating the "Adams Field Problem", the question which has vexed the Student Body since the first dollar was spent on the new athletic field. Leaving the details of the situation for the committee to report, we only wish to reaffirm the opinion which we have expressed before that the place for the athletic field is on the hill, that Adams Field is not suited to the needs of the College, that further expenditure of money on Fifth East will be a waste; in short, that Adams Field is a "white elephant" on the hands of the Student Body, and the sooner we rid ourselves of it the better off we will be. An agitation to that end would be one of the best things that could come to the College athletics.

OUR HOME TALENT

When Utah men are appointed to positions in our College, we sometimes hear expressions of dissatisfaction that more Easterners are not employed here. There may be advantages in bringing in instructors from the East, but there are also adequate reasons for employing local men. The matter of permanency must be taken into consideration. There can be no doubt that Western men are more contented in the West than are Easterners. Naturally, men look toward their homes and are eager to accept positions which take them nearer to their native states. It is not easy to keep such men, if openings nearer home appear. This consideration has some weight in the choice of men to occupy important positions at the College.

Again, Western men are peculiarly fitted to deal with local problems, being acquainted with conditions here. Especially is this true in our agricultural school, where practical problems have to be dealt with, problems which are peculiar to the West. As long as our instructors keep abreast of the times in their various departments, there is no mistake in retaining Western men in the majority of important positions at the College.

The Spirit of the West, those ideals which have played so large a part in the development of Utah and adjoining states, should be fostered. They are fundamental and should be emphasized in Western educational institutions. One who has grown up in Utah and who is in sympathy with the ideals on which our great commonwealth is founded is peculiarly adapted to work among the builders of our future "Inland Empire."

We are proud of the Utah men on our faculty and are glad to welcome another in the person of Mr. Henderson, who will be at the head of the Department of Zoology and Entomology next year.

Perhaps O. W. J. is correct in his contention that we should not blame parents for any lack of true sportsmanship on the part of college students. But couldn't "parentage" refer to Alma MATER?

The Hood

"FIGHT 'EM FAIR,
FIGHT 'EM SQUARE"

That consistency in word and deed is difficult of attainment is well illustrated in the writup of the recent southern trip of the Aggie hoopers as it appeared in Student Life of February 23.

The scribe, no doubt, often joins in the laudable, most popular war cry of the A. C. rooters, "Fight 'em fair, fight 'em square," yet in the very paragraph wherein he complains of the undignified treatment accorded our representatives while guests of a competing team, he illustrates the story of the skillet calling the kettle black. His insinuation regarding the parentage of the Provo students, made in our college paper, savors strongly of the "Prep School" type of conduct he criticizes in the other fellows.

While not excusing either the accusing or the accused parties for any thoughtlessness that may be interpreted as lack of courtesy in conduct towards competitors, we must not forget the trite saying that "Example is better than precept," and

the admonition in H. P.'s excellent editorial should be heeded: "When they play on our floor, just show them how real college students can be both loyal to our own team and generous to our opponents."

O. W. JARVIS.

COSMOPOLITAN CLUB
NEXT THURSDAY

The Cosmopolitan Club will meet next Thursday night at 8 o'clock at the Commercial Boosters Club. R. Leo Rallison will talk on Australia and his trip through the war zone. Some misunderstanding exists as to eligibles for club membership. Travelers who have spent any amount of time outside of the United States proper are invited to join. There are no fees and the club is the most interesting and informal in school.

Remember the place and date.

They tell me you room-mate's an awful roughneck.
Well, he's sure hard on my col-lars.

Registrar—And you are the oldest of the family.

Prosh—Nope, Pa and Ma are both older than I am.

Efficiency Class Visits Down Town Business Houses

Last Friday afternoon Professor Hendricks took his class in Efficiency (Finance and Banking 9) to visit two down town business houses where scientific business principles are being practically applied. The class first inspected the new home of the Union Knitting Mills and listened to an interesting discussion of the business methods employed there by Mr. Skidmore. They next visited the new Shambart-Christian-son department store, where Mr. Christiansen showed them through the entire building and explained the reasons for the special system employed by the management.

The members of the class considered the afternoon extremely profitable, and greatly appreciated the kindness displayed by Mr. Skidmore and Mr. Christiansen in explaining their business methods.

"Yes, sir" said the man
With the wooden peg,
"When I was in the war
I sure shook a leg."

Locals

Miss Rae Lofgreen returned home after a pleasant week at the A. C.

Misses Georgene and Myrtle Davidson entertained their Beta sisters at a dinner, Sunday.

Mrs. Ray Downs (nee Claire Parrish) has resigned her position on the Extension Division.

The Misses Amelia Mathews and La Rette Dahlquist, returned to their Idaho homes Tuesday, after spending a week at the Beta House.

Mr. Jeff Howells entertained a few of his intimate Hyrum friends at the "Rough-Neck" Saturday evening.

Miss Ruth Allen came from Salt Lake City Monday, to attend the Military Ball. She spent several days at Sorosis House.

The Misses Augusta and Fulvia Ivins, of Salt Lake, were in town for the dance Monday. They were guests of Margaret Nibley.

A Sigma Chi sister pin was lost at the Military Ball. The owner would appreciate having the pin returned to the registrar's office.

Harold Turpin has asked to have Student Life sent to him at Ithaca, New York. Mr. Turpin is now working at Cornell for his Doctor's degree.

Be sure and be at the game Saturday next between the University and the Aggies. There you can buy the always favored popcorn balls, sold by the loyal Club of Home Economists.

Joviality and mirth welcomed back the old Beta Delta girls to the Military Ball. In their honor the active members revived reminiscences with music and refreshments Friday evening.

The Freshmen are considering the production of a play, but have not made definite plans for its presentation. A committee is now working on the details, such as choosing a play and someone to take charge of the coaching.

Miss Jennie Olson lost her Student Body card at the B. Y. C. - A. C. game in the Smart Gymnasium. Miss Olson would greatly appreciate having her card returned to the registrar's office, if anyone has found it.

On Washington's Birthday the Delta Nu house members entertained a few friends at their home on North Main street. The rooms were decorated with flags. Games were played, prizes being given. Light refreshments were served.

Periwig Club

Again Busy

The members of the Periwig Club are busy preparing to present a play before the close of this month. They have chosen "The Importance of Being Earnest," a comedy by Oscar Wilde. With Periwiggers playing Wilde, students will be assured an evening of real entertainment.

Remember the date for the Theta Ball, March 17.

Mr. Leroy Hillam, '16, and wife attended the Military Ball.

The H. E. C. girls will sell popcorn at the game tomorrow night.

Tenny Cannon spent the last week end with his parents in Salt Lake.

Mrs. Ray Dorius (nee Claire Parrish) a guest at the Theta house last week end.

The Juniors held their first work party Thursday night at the Women's building.

The Phi Kaps announce the loss of their cook. Do not confuse with Grove's "Cook."

Reid Gardner went to his home in Lehi on Thursday, where he will undergo an abdominal operation.

The Military Ball was conspicuous for the few flowers worn by the ladies. Still, there were enough to make the floor bad in many spots.

CASTO DELIVERS PRIZE ORATION IN TABERNACLE

Last Sunday afternoon Professor George D. Casto delivered his prize oration on the journey of the Utah pioneers.

Mr. Casto's description of the Mormon pilgrimage is most vivid, filled with touches of realism, displaying a deep sympathy for the early settlers of Utah. The oration is a valuable contribution to the literature on western colonization.

H. E. C. HEARS PURCELL

The H. E. C. girls enjoyed a very pleasant hour and a half in going with Mr. Purcell to the Paradise Islands. The girls learned of the home keeping duties of the romantic maidens of the Islands. He took them across the water to the Islands and then to the very heart of the wilderness, showing the girls washing by the sides of rivers and cooking food between banana leaves. He also gave us the beautiful music that originated on these Isles of Romance. The trip closed with the song Alohae.

Bobcats Too Much For Utah Aggies

JENSON'S MEN FURNISH BEST
 BRAND OF BASKETBALL SEEN
 IN BOZEMAN THIS YEAR

Though defeated in both their

 at Bozeman last week, Coach Jen-
 son's hoopsters furnished the fans
 of Bozeman with some of the best
 basketball that has ever been seen
 in Montana. The Weekly Expon-
 ent is lavish in its praise of the
 Utah Aggies, crediting them with
 both speed and science. As a result
 of the victories over the Blue and
 White, the Bobcats consider them-
 selves entitled to a trip to Chicago
 to compete for the National Ama-
 teur Championship of the United
 States. Their record of fourteen
 straight victories would seem to
 justify them in considering them-
 selves fit representatives of the
 Northwest.

The first game, Friday night, was
 fast and furious. To quote the
 State College paper: "In what was
 probably the fastest and most sci-
 entific exhibition of basketball ever
 seen in the state of Montana, the
 Bobcats defeated the wonderful
 Utah Aggie team by a score of 24
 to 19. * * * The speed on both
 sides was terrific and the two ag-
 gregations were so evenly matched
 in this respect that a great deal of
 rough play resulted. In spite of the
 roughness the game was free from
 any evidence of hard feeling."

The second game was not as fast
 as the first and proved to be even
 rougher. Nine personal fouls were
 called on the Bobcats and eight on
 the Aggies. Kapple's work from
 the foul line was one of the fea-
 tures of this game. Captain Dick
 rolled in nine out of ten free shots.
 Coach Jensen, Manager Sharp,
 and the members of the team are
 unanimous in their praise of the
 Montana team. All concede that in
 the "old barn" the Bobcats deserv-
 ed to win. Even more enthusiastic,
 however, are the men over the
 treatment they received while in
 Bozeman. Never on any former
 trip have they been so warmly wel-
 comed and so royally entertained.
 Manager Sharp says, "The sports-
 manship displayed by the students
 of the Montana State College rep-
 resents the very highest type of col-
 lege spirit."

Here's hoping to see the Bobcats
 in the Smart Gym a year from now.

PRESIDENT PETERSON URGES TRUE SPORTSMANSHIP

(Continued from Page One)
 seeing you make yourself ridicu-
 lous.

The above is not meant for the
 team, composed of fine clean men,
 which represent this institution. It
 is meant for the College spectators
 who in their loyalty are often tempt-
 ed to do unwise things. Only the
 smaller schools and colleges these
 days engage in rough usages and
 fist fights. The bigger institutions
 have put it behind them. It is be-
 hind the Agricultural College.

I regret that I am not able in
 person, on account of other busi-
 ness, to say these and other things
 to the students. I do not think what
 I have asked Mr. Watson to convey
 to you is needed as a warning. But
 I want to impress upon you the fact
 that the College is now entering
 upon a most promising future of
 greater growth, higher scholarship,
 and greater achievement in all lines
 including athletics.

Let us keep the name clean to
 the very bone.

COSMOS CLUB NOTICE

The Cosmos Club will meet to-
 night at 7:30 at the Delta Nu house.
 Officers are to be elected and all
 members are requested to be pres-
 ent.

Glee Club Sings At Hyrum

The Glee Club made a successful
 appearance before an appreciative
 audience of music lovers at Hyrum
 on Wednesday night. The concert
 was held in the Third Ward meeting
 house, which is one of the best places
 for ensemble singing which the
 Glee Club has yet found in its tour
 of the state. Every courtesy was
 shown the club by the Hyrum peo-
 ple.

The concert was a success. The
 boys sang well. Messrs. Parkinson,
 Blackner, and Johnson were very
 effective in their solo numbers and
 "Old Black Joe," by the quartette,
 pleased the crowd immensely.

AGGIES LOSE TO CRIMSON

(Continued from Page 1)
 and Berntson evened up the score.
 Then the Aggies took a lead of two
 points, and were not headed until
 within one minute of the end of the
 half, when pretty baskets by Barlow
 and Berntson placed the Y. boys one
 to the good. The half ended 14 to
 13. Kapple had dropped in seven
 foul throws without a miss.

After moving back the crowd,
 Tommy Fitzpatrick started the team
 out on the fiercest twenty minutes
 of basketball that has been witness-
 ed in Logan for many a day. It was
 a rough and tumble affair void of
 any indication of science. Once the
 Aggie boys hit their stride and
 dropped in three goals in quick suc-
 cession. It looked bad for the Y.
 but Berntson calmly sat down in
 the middle of the floor and called
 "time out." It was a plain case of
 "stalling" for time, and whatever
 may be said for such tactics, it saved
 the game for his teammates.

When the gun sounded, the score
 stood 25-25.
 The Aggies started the extra ses-
 sion with a rush and worked the
 ball down to their basket three
 times, only to fail at easy chances.
 Then, the Y. lads took a brace and
 easily outplayed the visitors. Bernt-
 son dropped in one from the foul
 line and Haws slipped a pretty over-
 erhand throw through the hoop.
 The Aggies failed to register and
 the tense excitement ended with the
 score 28 to 25.

The Crimson men fought like de-
 mons throughout the entire game.
 The horseshoe was with Berntson
 and Barlow, while Dame Luck shield
 clear of every representative of the
 Blue and White.

SWIMMING MEET TOMORROW

(Continued from Page One)
 of "water-dogs." This is the first
 time that a swimming meet has
 been staged at the A. C. Coach
 promises that you will be well paid
 for attending. Everybody is invited.

The team for the A. C. will be
 composed of the following men:
 Dalquist, Drinen, Purcell, Can-
 non, Jones, Geddes, Hobusch, Wit-
 more, and Caffey.

In these men the Salt Lake lads
 will have a hard team to buck. The
 reports from Salt Lake lead us to
 believe that the L. D. S. U. team
 is a strong one, so that a good con-
 test should be staged.

The events are as follows:

20 yard dash.
 60 yard dash.
 100 yard dash.
 40 yard back stroke.
 40 yard breast stroke.
 220 yard dash.
 Long dive under water.
 Plunge for distance.
 Points will be awarded in the usual
 way, 5 for first, 3 for second, and
 1 for third. Remember, 3:30 at
 the gym.

MILITARY BALL INFORMAL

(Continued from Page One)

Patrons and patronesses were:
 Dr. and Mrs. E. G. Peterson, Prof.
 and Mrs. J. T. Caine III, Mr. and
 Mrs. B. G. Thatcher, and Mr. and
 Mrs. Asa Bullen.

The reception committee consisted
 of Mrs. Geo. B. Hendricks, Mrs. Ray
 B. West, Mrs. Eugene Santschi, Jr.,
 Lieut. Lee Dean and Major M. F.
 Cowley.

SCIENCE CLUB MEETS TONIGHT

Tonight at 7:30 Dr. Titus will
 give an illustrated lecture on "So-
 cial Life Among Insects," before the
 members of the Science Club. The
 lecture will be held in the main
 building, room 179.

Here is
 The Heart
 Of The
 NEW
 DE LAVAL

THE new De Laval Sepa-
 rator bowl, with patented
 tangential tubular milk pas-
 sages and patented removable
 milk conveyor, makes possible in a bowl of given size and weight,
 operated at a given speed, greater skimming efficiency and capacity
 than has ever before been attained in any other cream separator bowl.

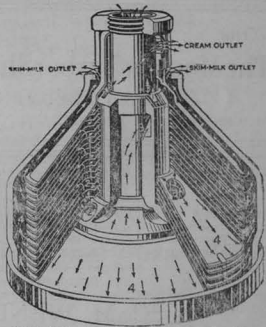

But aside from the big advantages of greater capacity and closer
 skimming, there are many other important improvements in the New
 De Laval.

All discs are now interchangeable and are unnumbered. There
 are fewer discs. On account of greater simplicity of bowl construction,
 the New De Laval is easier to wash and, capacity considered, is
 still easier to run than before. High grade construction and design,
 together with perfect automatic lubrication, are a guarantee that the
 splendid De Laval record for durability will be maintained in the new
 style machine.

New Catalog will be mailed upon request
