Aggies Give Champs Scare

OUT PLAY B. Y. U. TEAM IN FIRST HALF—FINAL SCORE, B. Y. 34, A. C. 27

The Aggie hoopsters came back on the evening of March 8 and gave the B. Y. U. champions the worst scare they have had this season. It was a lucky thing for Coach Roberts' men that their pilot refused to allow them to meet the B. Y. C. five the night before the game on the hill. They needed every bit of pep they could muster to nose out a victory over Captain Kapple's men.

There was one thing especially noticeable about the game, which was very gratifying to the A. C. backers; every member of the College team was "among those present." Every man jumped right in from the first whistle and kept jumping until the last. The game was undoubtedly the fastest and most intensely interesting that has been played in the Smart Gym this season.

Nor was it a case of a fairly good team being pitted against a team that ordinarily would be far superior but was merely suffering under a slump. But rather, it was a game in which one much-heralded team was somewhat surprised and nearly beaten by a team which they almost forgot to number as a possible contender. The B. Y. U. team was certainly in it too for all they could do, and it was only in the last few minutes of play that they clearly outplayed our fellows.

The A. C. five led throughout the entire first half. True, they led only by one or two points, but still they led. The first half was characterized by the same feature which marked the whole game—the do or die spirit of both teams. And of necessity, it was somewhat rough, but not rough enough to mar the excitement of it. The first half ended 15 to 14 with the Aggies claimants of the one point lead.

There must have been some desperate talking done by the coaches (Continued on Page Four)

BASEBALL NOW IN LIMELIGHT

GOOD PROSPECTS IN NATIONAL SPORT

With the close of the basketball season, fans at the College are turning their attention toward baseball and track. Baseball has always been popular on the hill top, and the Aggies have always stood higher in this line than in any other branch of athletics. A fast team has always represented the College.

Last year Aggie students were keenly disappointed at not having an opportunity to meet the other colleges of the state on the diamond. The withdrawal of the U. of U. from the baseball field made an inter-collegiate league almost impossible. It is hoped that Norgren will be able to put out a team this year. If he can, a three team league will be formed and some keen competition in the national past-time can be expected.

Prospects for a winning team are bright. With Captain Holmstead, Dave Bowen, "Cupid" Ward, "Brig" Johnson, "Arizona" McBride, Perkins, and Ivins of last year's team for a foundation, Coach Joe Jensen expects to be able to build up a team which can step out in fast company. (Continued on Page Three)

Caine Receives Recognition

The Breeder's Gazette for March 8, contains a list of names of men recommended as judges by the board of directors of the Percheron Society of America and among these names we find that of Prof. John T. Caine III. It is a distinct honor for Mr. Caine to be named among those considered the best judges of Percherons in the United States.

Zoellner Quartet Pleases

JAMES GODDARD COMING—FAMOUS BASSO TO APPEAR TONIGHT

Probably no number of the Lyceum course has been more thoroughly appreciated and enjoyed than was the Zoellner String Quartet, which appeared last Tuesday evening at the Tabernacle.

The kind of music they rendered, known as chamber music, is the most delicate and aesthetic it is possible to produce, and because of this fact, is usually rendered in small rooms so that its full effect may be appreciated. It is a tribute to the Zoellners that in such a large audience attention should have been so centered that the finer points could be easily distinguished from any part of the spacious hall.

The opening numbers were very good, and were well received, as was also the succeeding one. The program as a whole was well selected, although a few declare it could have been improved by more variation. The selections which perhaps appealed to the audience more than the others were the Lullaby, and the two Indian War Dances.

The Zoellners certainly showed themselves to be finished artists—the more expressive parts were played with great feeling and the most difficult parts executed with graceful ease. All played like the true artist, but the technique and execution of Miss Antoinette Zoellner were especially delicate.

To supplement the finest in instrumental music, we are very fortunate to be able to hear tonight Mr. James Goddard, the famous opera singer, and perhaps the greatest Bass-Baritone in the world. We are able to procure him on the Lyceum because conditions in Europe forced him to cancel a six-years contract with the Vienna Imperial Opera. (Continued on Page 4)

Freshmen Cast Chosen

Considerable enthusiasm was displayed Wednesday afternoon in connection with the Freshmen try-outs for places in the class play, "Dandy Dick." The judges were Mrs. G. B. Johnson, Miss Mae Edwards, DeLore Nichols, and Lowry Nelson. There were several entries for each character from which the following cast was selected:

The Dean.....	Delroy Gardner
Blor.....	L. V. Jones
Sir Tristram.....	C. C. Wright
Hatcham.....	Eugene Robinson
Major Tarver.....	Leland Helner
Mr. Darbey.....	Francis Chelton
Noah.....	Cy Price
Hannah.....	Mildred Crabb
Salome.....	Eva Cragun
Shebe.....	Katherine Uhr

The cast met to begin rehearsals Thursday afternoon. Be sure to witness its presentation in the near future.

Dr. Thomas Honored

MADE TREASURER AND DIRECTOR OF FEDERAL RESERVE BANK OF THIS DISTRICT

Dr. George Thomas has just received notification that he has been appointed Treasurer and Director of the Federal Reserve Bank of this district located at Berkeley, California. This position calls for a man of wide experience, as it carries with it a load of responsibility.

Dr. Thomas' headquarters will be in Berkeley, California, which fact will necessitate his removal from here possibly at an early date.

The loss of Dr. Thomas from the College, Logan and the State, will be keenly felt. Especially are the students who know him reluctant to see him leave, although they extend every good wish to him in his new position.

McKay Talks On Three S's

SINCERITY, SELF-CONTROL AND SERVICE UPHELD AS FOUNDATION PRINCIPLES OF TRUE SUCCESS

In a speech, ringing with earnest conviction and pregnant with sound advice, Elder David O. McKay addressed the students of the College Wednesday morning in chapel exercise. "The three s's" Sincerity, Self-Control and Service, formed the subject for the speaker.

Success, said Mr. McKay, depends upon getting firmly fixed in mind the meaning of life. Without knowing this, man is without a definite point of view, is only traveling but going nowhere.

Life has but one aim, and that aim should be lived. The art of living is the greatest of all arts; to get out of life what there is of value in it is the task before everyone.

Get your education, for it will be invaluable to you, but remember that character is greater than intellect, that the "great man will be free to live as well as to think." No man can possibly be a success who builds upon a weak character.

There are three stepping stones to success. The first requirement of greatness is sincerity. Every really (Continued on Page Three)

TITUS OFFERS MEDAL AGAIN

Dr. Titus announces that he will offer medals again this year for the winners of the men's and ladies' tennis tournaments, to be conducted as soon as spring comes. We are sincerely in hope that spring will reach us before the middle of June, for the Titus Medal is one that is entirely worth having and one for which competition has been extremely keen in the past. Every man in the College who could even pretend to wield a racket was ambitious to obtain this trophy last year and the Titus tournament furnished tennis followers some high class playing.

Last year was the first time a medal was given for ladies' tennis, but great interest was shown by the pupils of Miss Vera Gamette and an interesting tournament was conducted.

The news of the prospects of a tennis medal this year will make that game the most popular on the hill.

Music Recitals Popular

The periodical recitals, under the direction of Professor Johnson, are becoming extremely popular. Friday afternoon an enthusiastic crowd of music lovers listened to an excellent program of musical numbers, rendered by the students of the Music Department. The work of the students was of a high order and elicited much praise from those present.

Tournament Visitors Banqueted

TEAMS, COACHES AND SUPPORTERS PARTAKE OF HOSPITALITY OF COLLEGE

Saturday afternoon the members of the visiting basketball teams, the coaches and many visitors and A. C. faculty members partook of a splendid banquet in the College Cafeteria. Mr. Cooley, with the aid of twenty-five co-eds, served an excellent dinner to over a hundred hungry basketball fans.

N. A. Pederson acted as toastmaster and introduced Dr. Peterson as the Boy President. President Peterson welcomed the basketball players and their supporters and praised the boys and coaches for the high standard of sportsmanship displayed in the games. He said that the high school men had surpassed the college players this season in real sportsmanship; that they seem to possess a slightly finer appreciation of the real merits of the game.

Mr. Pederson drew responses in turn from chairman James E. Moss, of the Board of Control, referee Homer Hoisington, Coach Barton, of Snow Academy, Principal Merrill of the B. E. H. S. and our own coach, big Jack Watson.

All visitors expressed warm appreciation of the cordial treatment received at the U. A. C.

Last Debate Today

The last intercollegiate debate of the season is scheduled for today at 11 o'clock, when the Aggies meet the U. of I. in the third annual debate. The question for debate is, Resolved that the Senate of the United States should adopt the following rule: The Senate may, at any time, when a bill, treaty, or other measure is under consideration, by vote of two-thirds of the senators present and acting, taken without debate, adopt an order fixing the time when debate upon such bill, treaty or measure shall cease, and when a vote upon the same, and all amendments pending, or that may be offered shall be taken without further debate, and, in the order fixing the time for taking such a vote; it may also limit the time which a senator may occupy in debate between the operation of such order and the final vote upon such bill, treaty or measure; it being agreed that if any such rule is desirable this is the best that can be devised for the purpose. We defend the negative side of the question. Our men will be George Hanson and Samuel Morgan who will talk in the order named.

The question as presented is very similar to the bill just recently passed by the United States Senate. It was even thought advisable at one time to postpone the debate, but it (Continued on Page Four)

Springville Takes High School Title

THREE TEAMS TIE FOR SECOND PLACE. FAST BASKETBALL FURNISHED BY THE HIGH SCHOOL BOYS

Last Saturday night the Smart gymnasium was the scene of the final battle for the high school basketball championship of the state, a battle in which Coach Eggertson's Springville boys won their third tournament victory and proved themselves the premier team of Utah. In three closely contested games the Utah County hoopsters had defeated in turn the teams of the L. D. S. U. Snow Academy and Box Elder High School. The other teams had lost two games each, thus tying for second place.

Fans who braved the stormy weather to see the high school boys defend their titles of division champions were treated to some of the fastest, snappiest basketball that the Smart Gym has seen this year. The "prep" teams displayed a very superior brand of the hoop game.

Thursday afternoon the Tournament opened when Springville defeated the Saints to the tune of 42 to 39 and the Box Elder team took the measure of the Snow Academy boys 33 to 39. The fight between the Springville five and the Saints was a pretty exhibition. Coach Eggertson's men had a distinct advantage in height, an advantage which the speed of the Salt Lake lads could not over-balance. In the second game, neither the southerners nor the "Peaches" were working, the former appearing bewildered at times, though showing flashes of speed.

Snow came back with a big surprise Friday night and played Springville to a standstill. The outcome of the game was in doubt up to the final whistle, when the score stood 47 to 42. Three baskets by Earl Sunmson who came in five minutes before the end of the game had (Continued on Page Four)

A. C. Swimmers Swamped By L. D. Lads

It now becomes our duty, for the sake of history, to chronicle a defeat which should have appeared in last week's issue of Student Life. Debaters fail to convince Judges, Aggies lose to Utah, and A. C. Swimmers Swamped by L. D. S. Lads all on one front page!

It was too much for the editor who has stared headlines announcing defeat in the face every week since September 16. The linotype machine fairly rattled in protest, when this account of a whipping by a crowd of high school boys appeared. It seemed to say, "Enough of defeat for today," and this little story was dropped back in the drawer to wait for seven days, at the end of which time it was hoped that a victory might balance up the front page. When shall we see victory in our headlines again?

It was the first swimming meet ever held at the College. The boys from the L. D. S. U. journeyed up to give our "water dogs" a workout. No contest of the season has attracted a more enthusiastic crowd of root-ers, every point from which the pool was visible was occupied and man, students failed to get so much as a keyhole to look through.

Our boys were beaten by the score of 28 to 40. The meet was close and most of the events were keenly (Continued on Page Three)

Volume XV. FRIDAY, MARCH 16, 1917. Number 24.

THE ELECTION

The first Friday in April is the day designated by the Constitution of the Student Body as the date for the nomination of officers for the ensuing year. Accordingly, it will be necessary, within the next three weeks, for students of the College to choose those whom they desire to make candidates for positions in the Student Body organization. Nine officers must be nominated April 6 and elected April 13. They are: President, Vice-President, and Secretary of the Student Body, three members of the Executive Committee, Cheer Leader, Song Leader, and Editor of Student Life. Each of these positions carries with it much responsibility and the success of the activities of the Student Body next year will depend to a great extent upon those officers who are elected. It is well that we all begin to think seriously of prospective candidates, that we undertake to provide a set of officers who will make next year the most successful in the history of the U. A. C.

The state high school basketball tournament was no doubt a big success. It brought many athletes and hundreds of students to the College who otherwise would never have made the opportunity to visit us. It brought hundreds of people to the city of Logan with a consequent influx of business and enthusiasm. As an advertising feature for both the school and town its value can hardly be overestimated.

Yet with all this influx of business, the college Athletic association actually lost money on the tournament. The students were loyal in their support, but it seems that our good towns people forget such little things as a state basketball tournament. Our local town papers overlooked the tournament absolutely as though it had neither news value nor boosting value. Of course it is not our plan to outline the policies of the local papers, but we are just egotistic enough to believe that we deserve occasional mention in the news columns. Further, we believe that had our newspapers given us fair advertising that there should have been no need for the Athletic association meeting a deficit in staging in our town one of the biggest athletic events of the state.

H. P.

AN. HUS. EXPERTS WANTED

Word has just been received from the Bureau of Animal Industry that increased activity in that department of government work will necessitate a large increase in the number of employees on the scientific staff of the Division. Experts in animal husbandry and poultry husbandry will be in special demand. A letter to President Peterson contains the information that seniors to be graduated in June are eligible to take the scientific assistant examinations. The salaries for such assistants range from \$1380 to \$1800.

Examinations will be held April 11, and anyone interested should write to the Civil Service Commission, Washington, D. C., for further information before that time.

SORORITIES PUBLISH SCHOLASTIC AVERAGES

High scholarship is a common aim of the three sororities of the College. Accordingly, these organizations have decided to publish their various scholastic standings, based on the first semester grades. They are listed as follows: Sorosis 86 1/2 per cent; Sigma Theta Phi, 85 1/2 per cent; Beta Delta, 84 1/2 per cent.

FACULTY WOMAN'S LEAGUE TO ENTERTAIN

The Faculty Woman's League again serves notice on members of the Faculty and their partners, that they are expected to be present at an entertainment in the Woman's Gym. Monday, March 19, at 8 p. m.

Anyone desiring that invitations for the Prom be sent their friends, please drop the names in the box outside Student Life door. This box will be there today and tomorrow only.

FAT STOCK SHOW NEXT MONTH

During Conference week, the first of next month, a fat stock show will be held in Salt Lake City. This show is of special interest to students of the College, as prizes are to be given for stock judging. Substantial prizes are offered for high school boys and college students. Anyone desiring to take part in the judging should see George Caine at once. Mr. Caine will hold a few special classes in judging between now and April 1, for those desiring to make the trip to Salt Lake.

THE CONFESSONAL

There breathes no man within our doors
Who has not clenched his fists and swore,
As reading o'er the "Student Life,"
He spies those things that irks raise,
There slams for us—for Utah praise
B. Y. beat them; therefore this strife.
But now, Oh, A. C., mark this well,
Fair Utah'll not thy praises tell;
Well tho you played and beat them,
too,
With you e'er long Utah'll be thru
Despite the boasts that you have made,
We'll show you that we're not afraid,
And if, perchance, you beat us, too,
Fear not, proud foe—we'll not flay you.
The course you recommend—let's see?
We think you need it worse than we.
—White and Blue.

FARM MANAGERS TO VISIT SEVIER

The classes in Farm Management and Agronomy Semnar are planning a trip to Sevier county, where they will spend two days studying the types of farming employed by the farmers of that part of the state. Professor Greene has recently returned from a visit to Salina, Richfield, and Monroe, and is enthusiastic about the prosperity of the farmers there. He is desirous of

DANCE HITS REACH LOGAN

Next Wednesday afternoon at four o'clock Mrs. Johnson will demonstrate the two latest dance "hits" to reach Logan. The "Toddle" and the "Two-two" represent the very newest in the art of social dancing. It is said that when Mr. J. Hepburn Wilson, President of the Inner Circle of Dancing Masters of New York, first conceived the idea which resulted in the Toddle, he toddled down stairs, out of the back door, around the house, out onto Fifth Avenue and down the street. Since then, all New York has been "Toddling."

Students are invited to attend the demonstration Wednesday afternoon, and if after seeing the new dances, enough desire to learn them, Mrs. Johnson will organize a special class and give instruction once a week.

The Toddle and the Two-two are entirely worth seeing.

having his students make first-hand observations of conditions there.

At the Semnar class Thursday afternoon Calder, Smith was elected to manage the trip. If present plans materialize, the class will leave for Richfield, Saturday, March 24.

Locals

Professor Johnson is working overtime preparing for the presentation of the opera.

Lillian Pond returned from Salt Lake Tuesday, after a short visit with her parents.

Lost—a copy of "Chief Contemporary Dramatists." Finder please return to Miss Billie Beaumann.

Dr. Davis is suffering the last few days with a severe cold. He has been unable to meet his classes this week.

Mary Clayton, Mary Hansen, of Salt Lake, and Lenora Ballentyne, were dinner guests at Sorosis House Monday.

Mr. Casto desires to announce that the contest for his medal will not be limited to the MEN of the College. Every student is eligible to compete.

The following girls are now active members of the Sorosis Sorority: Genera Wells, Nona Wright, Ara Hunsaker, Barbara Larsen and Mable Hendricks.

The Pi Zeta Pi Fraternity entertained at the Women's gym Wednesday night with a dancing party. Forty couples were present. Refreshments were served.

Miss Ida Jensen was called to her home in Idaho Falls Tuesday evening to attend her brother, who was seriously injured by a rotary snow plow.

The Misfit Social for the Sophomore class given in the Ladies' gymnasium Monday evening was a jolly success. The costumes were varied and funny. An exceptionally good representation of the class membership was present. The boys drew for the privilege of eating from the basket lunches with their owners. Punch and candy were served from a side booth. Games and dancing were the features of entertainment.

RECORD INDOOR TRACK MEET TO BE HELD

All track candidates for the events that can be carried out in the gymnasium will be interested to know that a record track meet will be held Saturday, March 24. This will end the indoor track work for the season as far as competition is concerned.

The records made at this meet together with the winners names will be filed away, these records to stand as official school indoor track records until broken at the official indoor meets to be held every year hereafter.

A. C. SWIMMERS SWAMPED BY L. D. S. LADS

(Continued from Page One)
contested. The stars for the L. D. S. U. were the two Nelsons, while Drinen and Geddes showed the best form for the A. C. each winning 9 points.

Events

100 Yard Dash—Nelson, L. D. S., first; Dahlquist, U. A. C., second; Gray, L. D. S., third. Time 1:06.

20 Yard Dash—Cannon, U. A. C., first; Drinen, U. A. C., second; Nelson, L. D. S., third. Time 38 1/2 seconds.

60 Yard Back Stroke—Nelson, L. D. S., first; Geddes, U. A. C., second; Gray, L. D. S., third. Time 4 1/2 seconds.

40 Yard Dash—Nelson, L. D. S., first; Geddes, U. A. C., second; Gray, L. D. S., third. Time 20 3/5 seconds.

Plunge—Drinen, U. A. C., first, distance 41.3 feet; Nelson, L. D. S., second, distance 39.6 feet; Jones, U. A. C., third. Distance, 39.5 feet.

Fancy Diving—Wood, L. D. S., first; Geddes, U. A. C., second; Drinen, U. A. C., third.

Relay—L. D. S.

60 Yard Dash—Daines, L. D. S., first; Cannon, U. A. C., second; Nelson, L. D. S., third. Time 10 seconds.

In the 60 yard dash Geddes of the A. C. was second, but was disqualified because he did not stay in his course.

BASEBALL NOW IN LIMELIGHT

(Continued from Page One)
Geddes and Skanchy of last year's B. Y. C. team, are speedy men, and Ballif from Oneida is a good infield man. The Freshmen class will furnish a dozen strong contenders for positions on the team.

A manager has not yet been appointed by the Executive Committee, but Mr. Coburn is wide awake to the baseball possibilities.

MCKAY TALKS ON THREE S'S

(Continued from Page One)
great man whom the world has produced has been sincere. We should pray God unceasingly to keep our hearts sincere. The basis of sincerity is living in harmony with conscience.

Self-control is of equal importance in the formation of character. Self mastery is the one great lesson to be learned in youth. It is the safest companion of the boy or girl, budding into manhood and womanhood. No one can afford to throw off restraint, either in thought, word or deed. Every person who aspires to higher things must master self, even in the smaller things of life.

Service completes the trio of s's. Everyone will learn sooner or later that service is the only road to real happiness, the only means of making the most of life.

The singing of the choir and the solo by Miss Merrill were greatly appreciated.

HOLSTEIN
CATTLE
Prof. Carlyle of the Wisconsin Experiment Station asserts that "It will be readily seen that the Holstein cow has the ability to digest coarser feeds and work them over to a better advantage than Jersey and Guernseys and this is a strong point, in which I contend that the Holstein has a great advantage over any of our smaller breeds, and it is a point which is going to appeal to the farmer in the future far more than it has in the past." There's big money in the big "Black and White" Holsteins.

SPRINGVILLE TAKES
HIGH SCHOOL TITLE
(Continued from Page 1)

saved the day for the destined champions. The Peaches and the Saints furnished a fast forty minutes of basketball, though both teams were inaccurate in their shooting. The score 25 to 17, was the lowest made in any game. The Saints easily outplayed the Box Elder boys, who as on the previous day, were clearly off form.

It remained for the final night to furnish the surprises of the tournament. In the first game Snow got going and startled the fans by getting the jump on the Saints and never allowing them to even up the score. Coach Rynearson made a fatal mistake when he misjudged the strength of Barton's men, and sent in four subs to start the game. By the time he replaced them with his regular team, there was no stopping the rush of the Southerners, and the game ended 38 to 31. This error undoubtedly robbed the Saints of a claim to second place.

Box Elder, with practically her entire student body rooting, staged the most spectacular comeback of the series. The Brigham City boys easily outplayed their larger opponents from Springville in the first half and it looked bad for the Utah County team.

In the second half the champions got their team work going beautifully, and before the game closed, had headed the Peaches and had six points to spare. The score stood 32 to 26.

There was hardly a man in the tournament who does not deserve praise for the brand of basketball he put up, but there were a few who stood out in every game and who deserve special mention. Three forwards, on as many teams, were clearly in a class by themselves. Dean, Captain of the Saints, was high point getter in every game in which he took part, except when Isaacson of the Snow Academy topped him by one point. Dean played a fighting game, his long shots were sensational, and his foul shooting was the best of the series. Watkins, Captain of the Box Elder team, proved himself the equal of any man on the floor. He is a scrapper, the shiftiest man seen at the tournament, accurate on field goals, and a good foul tosser. Owing to the difference in their style of play, it is not easy to compare him and Dean. Sumson of the championship team was a high scorer in every game. He has not the fight that Dean and Watkins displayed, but is an elusive little man and sure at both field and foul throws. He had more help from his teammates than the other two crack forwards.

All the pivot men were of first class caliber, but Weight, on whom the Springville boys depended to get their plays started, was easily the choice. Tingey played a fast game but showed too great an inclination to take long chances instead of playing a passing game. Olsen, for the Snow Academy, was a good scorer, but when in a tight place, Weight was always able to outjump and out play him.

Among the guards K. Weight, Isaacson, and Clawson stood out prominently, the former two for their habit of dropping in baskets, the latter for his ability to break up the plays of his opponents. Clawson played on one leg during two games, but even then he showed more snap and fight than any man on the floor. His dribbling was a feature but he seemed unable to locate the basket.

Everything considered, we would choose Dean and Watkins for forwards. W. Weight for center, and K. Weight and Clawson for guards, with Sumson, Tingey and Isaacson as subs on the inevitable all-state team.

AGGIES GIVE CHAMPS SCARE

(Continued from Page One)
during the halves, because the teams came out with the stamp of desperation impressed on their faces. If determination could win a game both teams would emerge victorious.

In the second half the teams stuck close to each other; neither succeeded in procuring a lead which was not easy to overcome. The B. Y. U. were at their best in this period and put up an exhibition of ball which was hard to follow, even with the eyes. In the last five minutes of play they rolled in one field basket after another and made the counters which gave them the game. The final score was 34 to 27 in favor of the B. Y. U.

Kapple and McKay were the shining lights for the A. C., while Andrus was the particular star for the B. Y. U. However, it was a glorious finish for our basketball season, and on it we can base hopes for a championship in '18, as all of the team, with the possible exception of Kapple, will be back.

Here's hoping that the B. Y. U. is successful in the tournament at Chicago and once more brings the Amateur Basketball Championship of the world to Utah! Luck to them!

ZOELLNER QUARTET PLEASES
(Continued from Page One)

perial Opera. Mr. Goddard has been in concert and operatic work for five years and has sung all over Europe, his most notable engagements being with the Vienna Imperial Opera and at Covent Garden, London. He is by far the highest priced single attraction on the Lyceum course. Recently in Chicago he was paid \$100 a song and now the Ellison-White Chautauqua people, with whom he has contracts, are going to substitute him for their Marine Band, which was so extremely popular on their course last year.

He has a range of 2-1-3 octaves, and besides having a voice to match his wonderful physique of 6 feet 7 inches, he is capable of the daintiest, most artistic interpretation of the most delicate songs, and puts such a wealth of soul into his work that critics know no limits in extravagant praise of him.

He is accompanied by Mr. Robert Yale Smith, the talented pianist, with whom he travels. Mr. Goddard is considered one of the greatest singers of the day, being placed by critics in a class with Caruso and Scotti, and those who fail to hear him will have failed to take advantage of a rare opportunity.

LAST DEBATE TODAY

(Continued from Page One)
was finally decided to debate it, even though the affirmative side has a distinct advantage due to the recent action.

Morgan and Hanson are both new in the debating ring, but both have shown; exceptional ability in reasoning in practice debates. We, no doubt, have the unpopular side of the question, but our men are prepared to put up an argument well worth listening to and one that will command the attention of the most skeptical judge.

Here is
The Heart
Of The
NEW
DE LAVAL

THE new De Laval Separator bowl, with patented tangential tubular milk passages and patented removable milk conveyor, makes possible in a bowl of given size and weight, operated at a given speed, greater skimming efficiency and capacity than has ever before been attained in any other cream separator bowl.

But aside from the big advantages of greater capacity and closer skimming, there are many other important improvements in the New De Laval. All discs are new interchangeable and are unnumbered. There are fewer discs. On account of greater simplicity of bowl construction, the New De Laval is easier to wash and, capacity considered, is still easier to run than before. High grade construction and design, together with perfect automatic lubrication, are a guarantee that the splendid De Laval record for durability will be maintained in the new style machine.
