## Patriotic Service Key-note of Round-Up

OPENS JANUARY 21—CLOSES JANUARY 26

The Annual Farmers' Roundup and Housekeepers conference will be held at the college January 21 to 26, 1918. The special purpose of the Roundup this year will be that of patriotic service and conservation.

Due to the unsettled conditions this year and the need for as large a production of crops as possible the Roundup promises to be of more than ordinary interest and help to the farmers and housewives of this state and the surrounding country.

The program will be carried out in much the same way as heretofore. Practical courses will be held in the mornings in the various class rooms and laboratories of the departments. Meetings featuring discussions along different lines will be held in the afternoons, and social conjoints evenings. National experts will be present and will lecture. State authorities will, along with our own faculty keep the time card of the farmers and housewives all filled.

Red Cross guides will give practical information and demonstrations in the work of the Red Cross including bandage making, knitting and all that pertains to the work of this organization.

Exhibits and demonstrations will be arranged in the various departments of the college to present information in an available and easily recognized way. The various departments will be open to our visitors and the faculty of the school will be at the service of those who come to learn how to produce more at less cost.

## Nelson Changes Positions

NOW IN THE GOVERNMENT SERVICE

Lowry Nelson has a new title. He is now, instead of Secretary to the President of the Utah Agricultural College, Assistant Emergency Demonstration Leader.

This office was created by the Emergency Food Bill of September 1, 1917. Its purpose is to stimulate national agricultural production. This is a very important office in these times of Hooverizing and food shortage throughout the nation and the world, but we think that Mr. Nelson will be fully equal to the task.

Lowry Nelson is one of the most brilliant students who has ever attended the U. A. C. His dramatic ability is far above the mediocre usually found at college, and he has taken important parts in the college and Periwig club plays for the past several years. He is a member of the Cosmos and other clubs. He is a very capable writer, one of the best the college has ever produced, and one of his poems gained national recognition. Mr. Nelson also was an orator and debator of note in the college. He was editor of Student Life in addition to his otherwise long list of activities.

We are glad that we will not lose Lowry from the college because of his change of positions. His headquarters are a Logan and his office is in the college building.

## DEBATING TRY-OUTS HELD

TEN MEN CHOSEN

Debating tryouts for the triangular debates were held Friday December twenty-first. Six out of the fifteen who entered were selected to represent the school this year. They are L. H. Hatch, Russel Croft, Lewis Balliff, Geo. H. Hansen and L. M. Sorensen. With this line-up there is no doubt but what our sister schools will again feel we are in the race.

The railroad question chosen for the triangular debate will not be debated owing to the fact that the government has already taken over and will operate the railroads, thus putting into operation one of the clauses included in the proposition.

A new question will be selected within a few days and the men can begin their work.

Dual debates will be held with the University of Wyoming and the Montana State College. Two men teams will represent the school in each of these debates.

The Montana question is: "Resolved, That naturally as a condition of the terms of peace Allsace, Lorraine be returned to France." The question assumes that the Allies will be in a position to dictate terms of peace at the end of the war. The U. A. C. has the affirmative side of the proposition. The Wyoming question is: "Resolved, That the United States should own and operate all coal mines having coal for sale." Aggies debate the negative side of this question.

Tryouts for the dual debates will be held Friday, Jan. 18, Room 230, at 2:00 p. m. All wishing to enter are required to prepare an eight minute talk on either question. Four men will be selected at the tryouts to represent us against the two schools.

## Periwig's Present Flag

OLD GLORY NOW HANGS IN CHAPEL

The Periwig Club a short time after their last performance presented a large flag to the college. The flag is sixteen by twenty-four feet and makes an imposing appearance hanging on the wall directly above the choir in the chapel. It is hung so that it covers the two top windows through which the sun was wont to shine in all its glory and brilliancy full in the eyes of students. It gives a pleasing appearance to the otherwise somewhat barren walls of the chapel. Something of the sort was sorely needed in the chapel. The flag flies a long felt want and is deservedly appreciated by the college.

## THE PLAY GOES MERRILY ON

The cast for the college play "Reforming Themselves" is ardently endeavoring to reform themselves of the vices of procrastination acquired during the holidays and are attempting to allay the famed ill nature Miss Huntsman has when things go not as they should. Their success has been appreciable so far and with nightly rehearsals the play will be ready for production at some out of town performance on January 16th and the main performances at Nibley Hall during the Roundup.

## THE U. A. C. GETS TOURNAMENT

SCHOLASTIC HOOP TITLE TO BE SETTLED HERE

The State High School Basketball tournament will again be staged in the Smart gymnasium under the auspices of the Utah Agricultural College, March 7, 8, and 9th. Four teams will participate. Division champions will meet until there remains only four teams, the latter four being the teams that will battle for the state title at Logan.

The Aggies are very fortunate in securing the hoop tournament for Logan again this year as it affords an opportunity for the school to give the High School athletes an idea of what we have to offer them in the way of higher education. The University of Utah is given the state track meet every year, and it is no more than right, therefore, that the Aggies get the hoop tournament.

The Smart gymnasium is an ideal place for just such a tournament, as it is large, has a large seating capacity and affords the players ample room in which to play with no disadvantages whatsoever.

## New Secretary Arrives

BRIMLEY SUCCEEDS NELSON

Mr. Wilford C. Brimley, successor to Mr. Lowry Nelson, as secretary to President Peterson, must be good-natured. At any rate he submitted to an interview by a member of the staff and gave us a short biography to be published in Student Life.

Mr. Brimley was born in Mantli, Utah. He received his education in the grade schools of Salt Lake city and the West Side High School of the same city.

He worked as a stenographer in a law office for one and one-half years and six years as minute clerk and correspondent in office of the State Board of Land Commissioners and the last thirteen months as clerk of the Granite School District, Salt Lake county.

Mr. Brimley says he is glad to have his present position; he appreciates the privilege of working for an institution which is so practical and which is doing so much to meet the urgent needs of the nation in this great crisis.

He is a thorough believer in military drill. He said:

"I believe that military drill in schools is an effective means of adding dignity to young men and securing for them voluntary discipline."

He also admires the spirit of loyalty possessed by the students of the Utah Agricultural College.

Mr. Brimley is a man of pleasing personality and pleasant manners and we are confident that he will gain many strong friends at the college.

FROSH TO BE REWARDED

At the weekly meeting of the student body executive committee yesterday a motion was passed giving Freshmen awards for football. Hitherto the only trophies Frosh have been able to show for their labors have been bruises and charley horses. Henceforth however, Frosh will have something to look forward to besides the nightly grind. Sixteen men will receive blue sweaters with the white numerals 1921.

## DR. WEST GIVES CHAPEL ADDRESS

URGES EFFICIENT CITIZENSHIP

President Peterson opened chapel by asking the students to secure their seat numbers and be found in their assigned places Tuesday. He also asked that they do not loiter in the hall before entering chapel. He emphasized the fact drill is required of all male students and is rigidly enforced this year due to our country's present condition. Our present battalion is the largest ever known at this institution and it may permit of regimental maneuvering later on.

President Peterson reminded the students that our institution prides itself on its absence of regulations which makes it necessary that we as students be sensible about our conduct that we act as self-respecting citizens with due regard to our privileges. While we enjoy freedom we must also have conscientious devotion to the ideals of the U. A. C. The youth of our nation between the ages of 18 and 25 years carry the responsibility of today and we can best show our efficiency in this responsibility by the degree of effort we put into our work while at college.

Prof. Johnson and Arno Kirkham sang the duet, "Calm as the Night." After the prayer given by Dr. Hill the "Sextette from Lucia" quartette arrangement was sung by Layton Bennion, Gladys Smith, Prof. Johnson and Arno Kirkham.

Dr. Frank West urged the students to become efficient citizens of our glorious country. He told us that the men and women whom this institution sends out must stand for righteousness, joy and peace, that knowing how to apply our education is not all that is required of us. It is our business as students to keep in touch with all that is good, to form our judgments carefully and then possess the power to force through and win. We must have an attitude of respect for other people's opinions, and a consideration for other people's mistakes. The student who is ever ready in the service for others and who establishes his ideals and holds firmly to them never falls when crossing the chasms of life.

The singing of Prof. Johnson, Layton Bennion, Gladys Smith and Arno Kirkham was much appreciated. "Sleep Kentucky Babe," was given as a closing number.

## War Record For A. C. Men

COLLEGE TO HAVE SERVICE FLAG

A war service record of all students past and present of the Agricultural College is being prepared by a committee of faculty members. The record includes all information in regard to everyone who is in war service either military or civil. To facilitate movement in the gathering of the data all presidents of clubs and fraternities are asked to call in the registrar's office and receive war record blanks. Other students able to give records of former A. C. students will also confer a favor on the committee by calling for blanks. After all data has been gathered a mammoth service flag will be prepared and hung from the main building.

## BASKETBALL IN FULL SWING

PRACTICE GAME ARRANGED

It was evident at the first two nights' practice that Christmas holidays offered no advantages whatsoever to the Aggie basketeers. Most of the fellows spent their holidays at home, which was somewhere else than Logan, and consequently they had very little practice during this period of recreation. They also indulged in many parties which kept them out at nights, sapping their "pep," and did not return in the best of condition.

Several of the fellows however got together in their home towns and participated in a few practices. Especially is this true of the fellows who reside in Salt Lake. There were just five men who live in Salt Lake who are on the squad, and these fellows—Spencer, Jarvis, Hanson, Nielson and Sid. Spencer, put in several days of hard licks.

The Coach was very lenient with the fellows this week, however, as he realizes that Christmas comes but once a year, and with the present war conditions under which we are striving to keep plugging detracting our attention from school duties, he also realizes that it will probably be the last that many of the fellows will spend at home for many a long, weary month, and also will be the last for many of these same fellows. But he promises them that strict training rules must be complied with from this date on and that anyone coming out for anything but hard work might just as well hand in his suit now, as he desires to spend no time on material of this kind.

The schedule has been completed and we are not exaggerating when we say that the Aggies have as "tough" a proposition to buck as any they ever had.

The material with which the Coach has to work is inexperienced. Most of the men are freshmen, but among them are some of the fastest men who ever took part in High School basketball. They have ability and only lack the confidence and ex-

## Governor Addresses Students

COMMENDS UTAH SPIRIT

Christmas chapel was given over to Governor Simon Bamberger and the Board of Trustees who were making their annual inspection of the institution. Governor Bamberger delivered the Christmas address, paying tribute to the loyal and self-sacrificing spirit of the people of Utah in meeting every demand of the country. He quoted figures showing that wherein Utah has oversubscribed her apportionment for the Red Cross by \$190,000; wherein she has furnished more than her quota of volunteers and told of the excellent record of the 123 33444090 excellent record the Utah troops are making. In closing he complimented the Agricultural College on the excellent works and made a tentative promise of a new auditorium for us, to be erected on the occasion of his next visit here.

President Stohl of the Board of Trustees in a short speech congratulated us on our athletic victories.

The State of Utah has always followed a progressive policy in matters educational, but the recent action of the U. E. A. in convention at Salt Lake, taboos everything German in Utah Schools is a sore departure from the former admirable policy. In taking the steps taken the educators were presumably actuated by patriotic motives, but to us it seems a very short-sighted patriotism. The cultural and practical value of German has long been recognized. Surely the war has not obliterated this value. If the matter were looked into it would be found that now and after the war, a knowledge of German will be even more beneficial than at any time in our history. Germany is at present contributing great things in applied chemistry which will be ours after the war. Men going to war must have a knowledge of German. At Harvard a course in military French was one-half German.

Students going east to complete their courses in science will have to know German to do their reading in the more advanced works of science.

Taken all in all, the action of the educators was really unworthy of them. They should bear in mind that patriotism and reason are not incompatible.

Presumably many of the students spent a goodly portion of their vacations at show houses. At least the habit of handclapping for everything that pleases them still remains. There is a difference between a vaudeville performance and a devotional service and while hand-clapping is very appropriate at the former, it is not so at the latter.

#### MR. THOMAS WRITES

Editor Student Life,

Dear Sir:

Will you permit an old friend to congratulate the college upon its wonderful athletic season. I trust that it is a fore-runner of what is in store for the A. C. It is a delight to note the many student activities engaged in, and I, from the outside, note a most decided improvement in the college tone of the old institution to which I gave so many hours of earnest endeavor. The A. C. is now beginning to have a memory and a tradition. I noted with pleasure the recent visit of the distinguished French officer to a portion of the student body. Viewing it from the pure college aspect, it was a most splendid thing. It helps lay the ground for rich memory. With kindest wishes,

Sincerely,

MATHONIAH THOMAS.

#### NEW CLUB ORGANIZED

On New Year's eve on mezzanine floor of the Hotel Eccles was born what promises to be the most successful club in the institution. Gathered around a single candle were a dozen or more spectre like figures clad in apparel of the night. Their activities were mysterious and unintelligible to the bell hop. All he could make out was that a club was being organized. Questioning him as to the identity of the figures we were exceedingly surprised to ascertain that all were from the U. A. C. and that they answered to such names as Mechanic Arts, Quill, Swim, Book-lover, General Science, Camera and Cosmopolitan.

Further information we were unable to gain except that in the middle of the meeting a recess was taken for a siesta and that as the party broke up all the spooks sang in solemn and tomby voices, "Long sleep the Somnolence Club."

The officers of the club are announced but the next meeting will be held either at Lindquist's parlors or the Hyrum cemetery.

perience which is necessary to be successful in any line of athletics. However, this faculty is expected to be acquired with a few practice games, which are being arranged for by "Stubby" Peterson, who is handling the business end of basketball.

So far the only game that has been scheduled before the league season opens, is slated for next Saturday night in the Smart Gymnasium when the West Side High School of Salt Lake will be taken on for two twenty minute rounds. The High School boys have a strong aggregation and no easy time is expected when these two teams meet. It will be a game worth seeing, and the student body should begin the year right and back our hoop artists just as they did during football season. This is what wins championships and we are not going to let down now that we made such a wonderful start. During the first part of next week, the squad will journey to Preston where they will tackle the Oneida Stake Academy in a return game. This team was defeated sometime ago by the Aggies, but they declare that they will have revenge. At the end of the week, another high school aggregation will be brought up from Salt Lake, and this will be the last practice game for the Aggies.

Don't forget that the fellows need the support of the student body! Let's bring home another championship for the Aggies! You can do it students! Will you?

#### BASKETBALL SCHEDULE

Basketball will begin in the Utah colleges on January 25, and will run until March 9.

The first game for the Aggies will be on February 2, when the U. of U. hoopers will be our opponents in Salt Lake.

The complete schedule is as follows:

January 25—B. Y. C. and B. Y. U. at Provo.

January 26—B. Y. C. and U. of U. at Salt Lake.

February 2—U. A. C. and U. of U. at Salt Lake.

February 9—U. of U. and B. Y. U. at Provo.

February 15—B. Y. U. and B. Y. C., at Logan.

February 16—B. Y. U. and U. A. C., at Logan.

February 22—B. Y. C. and U. A. C., at Logan.

February 23—B. Y. U. and U. of U. at Salt Lake.

March 2—U. A. C. and B. Y. U. at Provo.

March 8—U. of U. and B. Y. C. at Logan.

March 9—U. of U. and U. A. C. at Logan.

## Locals

Miss Bessie Morrison spent the holidays on California.

Ellen Holmes spent Xmas in San Francisco with Somebody in Khaki.

Alma L. Wilson of the Botany department has left the college to work for Uncle Sam as an extension worker in Pathology.

Mrs. E. G. Peterson entertained at a dancing party at their home Friday evening, December 21, in honor of Hulme Nebeker.

This man, Captain Dan Cupid, sure does work fast these days. One of his last jobs was the marriage of Laura Cooper and Ray Cardon.

All students registered in the School of Agriculture will kindly see either Jensen, Silvers, Nuffer, Jennings or Kirkham before Jan. 12th. Very important.

Lest the spirit of revelry of the holidays be interred a student body dance will be held Saturday night in the Smart gymnasium after the game with the West High.

Mrs. M. C. Merrill entertained the Thetas Wednesday at her home on South center, at a knitting bee. At the close of the afternoon a dainty luncheon was served.

A report, as yet unsubstantiated, has it that Doug Smith, captain-elect of this year's basketball team and now with the 10th U. S. Engineers in France, has been wounded. Here's hoping the scrappy little boy soon recovers if the report is true.

Monday afternoon, December 24, Pan-Hellenics of sororities and fraternities led by Coach and Mrs. J. W. Watson entertained at a children's Xmas party. About seventy-five children met in the gym, where games, stories, songs and swimming were indulged in. Around a prettily decorated Xmas tree, Santa Claus greeted the kiddies with a toy and a stocking filled with goodies. It is to be hoped this will be an annual affair.

The Fraternity Meloe put in its annual appearance Wednesday, December 19th. With the girls this party has always been the most popular of the year. Although many of the fraternity men are in the army the ball equaled its past reputation. The pavilion was attractive with Xmas decorations. Two step-dancing began at 8 o'clock and the joy of it was there were enough dances.

A very gay Christmas party was given Thursday evening, December 27 by the Beta Delta sorority at their home. The house was tastefully decorated in holly and mistletoe while a gigantic Christmas tree—its branches loaded with gifts—greeted one and all. The early part of the evening was spent in playing cards, but when Saint Nick arrived and distributed a tuneless instrument to the guests each and every one gave way to the spirit of revelry and soon a carnival was in progress. An exceedingly artistic and tempting luncheon was served in the wee small hours after which the party dispersed.

## COBURN LEAVES

John L. Coburn, graduate manager of athletics leaves today for Colorado to attend the Rocky Mountain Conference convention at Denver to arrange for our football interests next year. Nine schools are represented in the conference and due to our showing this year we shall be very likely able to arrange for several good games in Colorado.

## WEEKLY BUNK

(By Plato Beans)

After eating in the cafeteria a fellow figures he might just as well be in the army.

Gilligan has joined the ministers' reserves.

George Ward tried to enlist as a baker but after trying his biscuits he was transferred to the blacksmith shop.

When Jack Hale tried to enlist they asked him for his full name and he said it was the same, full or sober.

"Pistol" Cannon was a guard at the prison during vacation. "Pistol" just can't get away from his old playmates.

Young Watson said he was so patriotic he wanted to die in his own country.

The Seven-Come-Eleven club will stage a game for the benefit of the fatherless orphans in the Conkright suite of rooms at the Central Hotel next Friday. Stiefel will be barred so as to give the new members a chance.

"Jimmy Valentine" Spencer alias "Good Looken" had a poor vacation as he only got away with one jersey.

"Swede" Lindquist will be an undertaker just like his father. The "Swede" should start up a place in France as business is picking up in that line over there. He would no doubt have more customers there than in Providence where he is thinking of locating.

George Gilligan, known in pugilistic circles as "Kid Forgetit," has taken up a new occupation. George is now instructor of boxing. If he can't teach the fellows to protect themselves, he at least can show them what fleet-footedness counts for when in an argument, especially when your opponent is larger than you. Some of the pupils that George has of course, make us think of "Mutt and Jeff" when we see them "square-off" for the initial round.

Don't forget the basketball contest Saturday night!

"Lolo" Spencer reported for basketball practice in a nice new green jersey Monday. Oh Girls! you certainly are missing something! Coach Edson has locked the doors to the gym so there's no use of you trying to get in because you can't. The only way in which you can see "Lolo" in action is by getting that "man of yours" to take you to the same Saturday night, and we'll promise that you will not be disappointed.

Eight o'clock Saturday night, Smart gymnasium.

"Bismarck" Anderson has organized a knitting club. They meet each Sunday evening in the parlor of the Beta Delta Sorority. He states that he is well pleased with its members. She offers rare entertainment. The club feels satisfied with its present membership, so until further notice, they will stage no "rush" parties.

The Time—Eight o'clock.  
The Place—Smart Gymnasium.  
The Night—Saturday, January 12, 1918.  
Aggies vs. West High School.

LE CERCLE FRANCAIS MEETING  
Le Cercle Francaise will meet Friday, January 11 at 4:30 precisely, in the Bluebird Hall. Mrs. Stephen Abbot will talk. All members be there on time.

## LOCAL NEWS

(Continued)

A "war letter" was received this week from Howard Hudman. He is "over there."

Other letters were received from Clyde Stratford and Elmo Coffman.

Sigma Alpha Fraternity is floating a service flag of thirty-six stars.

### LYCEUM NUMBER

Jean Wormser's Alpine Singers and Yodlers will appear at the Tabernacle January 21, 1918 at 8 p. m. Admission to the public will be 25 cents. Student body cards are good. This company comes highly recommended from the large cities. Their specialties are American, German, Bavarian, Tyrolean and Swiss Folk songs and solos, quartets, etc.

Lila Harmon and Jesse Woodhouse were married during the vacation and announce that they will be at home to their friends after the war.

Mildred Crabb, a last year's dramatic star is again with us to take up her studies, fussing, etc.

Saturday evening before the holidays the Sorosis house was the scene of a dainty tea given in honor of Mr. Feed M. Stuff Jr., on the occasion of his 600th visit to the house. Twenty guests besides the guest of honor were present and each charming maid insisted on pouring tea for the honored one.

The Delta Nu Fraternity has just secured a service flag to serve as a reminder of its men at the front.

Jack Wright who is now at American Lake will attend the Reserve Officers Training camp at Camp Lewis instead of the one at Leon Springs because of the fact that part of the camp is under quarantine.

The next few days the Handball club will be organized. Those interested in the game should watch the bulletin board for the time and place of the meeting. It is the wish of the club that as many new students as possible attend the meeting.

Bill MacLean, '20, is at San Antonio, Texas, as a truck driver in the Aviation Corps. Unofficial word comes that he will sail for France this week after having been in the service for only five weeks.

Azmon White has passed his exams for the Aviation Corps and will leave shortly.

W. J. Snow, last year Frosh leader, has passed the ground school exams at Princeton and will go to the fliers school in Texas.

VALUE depends upon the amount and the quality of service the article gives you—what you get out of it.

You get by far the greatest actual VALUE for your money when you buy a De Laval—BECAUSE it will give you much better and longer SERVICE than any other separator.

From the standpoint of its greater durability alone, the De Laval is the most economical cream separator to buy, and when you also take into consideration its cleaner skimming, easier running, greater capacity and less cost for repairs, the price of the "cheapest" machine on the market is most exorbitant compared with that of the De Laval.
