AGGIES CONTINUE TO WIN

B. Y. C. DEFEATED 36-16 AFTER GAME FIGHT

The Aggies surprised their admirers last Saturday when they so decisively defeated the B. Y. C. quintette on the latter's floor, which has so often been the stumbling block to many opponent's success. The floor is the smallest in the state, and when a good crowd, such as always attends this great battle, crowds into this small hall, it affords a very limited playing court for the competing teams. For this reason the Aggies were anticipating one of the hardest battles of the present season. True, it was a hard one, and great credit must be given the losers for the game battle that they put up. Never did they quit fighting, and the final whistle found them fighting just as hard as when the two teams were called together for the initial toss-up. They lost, but it was an honorable defeat.

The game started out fast, and to the surprise of the crowd, but few fouls were called on either team, which added to its interest. There were few instances of unnecessary roughness, and altogether it was one

EXTENSION GETS RECOGNITION

WORK USED AS STANDARD

The Extension Division of the college may justly pride itself on its work with the boys and girls of the state, for it appears from a communication just received by Prof. Hogenson of the Extension Division that the work of the boys and girls clubs in Utah is being used as a standard to judge club work throughout the northern and western states. The letter from G. H. Benson, in charge of club work in the section named follows:

"You will be glad to know that we are pointing with great pride to the splendid results which have been secured in Boys' and Girls' Club work in Utah for 1917. In fact, the figures from the different states indicate that the achievements in Utah are the best for the year 1917. In the light of what has been accomplished, and with the help of your able leadership for the coming year, may we not confidently look forward in 1918 for the State of Utah to hold her splendid record in food production and food conservation through club activities, to continue to be one of the greatest States in the Union, if not the greatest, in club achievement."

JUNIOR PROM. TO BE THE BEST EVER

SEMI-INFORMAL IDEAS PREVAIL

When the music starts on the night of February 21 at nine o'clock it is the fond hope of the Junior Prom. committee that it will usher in the best Prom. ever held at the college.

The Committee has been working hard on the arrangements for the Prom. The decorations will be the best ever. An orchestra composed of the artists of the town will play. The music will be the best possible. The well known and highly appreciated "delicious" refreshments will be served. The programs will be unique and new and will be highly fitted to serve as a souvenir of the event.

A large number of mistaken ideas concerning the Prom have been floating around school. The following explanation should serve to clear some of them up. The Junior Prom is given by the Junior Class of the college. It is an annual event and is probably the "swellest" event of the school year. As a rule the Prom is quite formal. This year however, it will not be so formal as in former years due to the condition of the times. Flowers will not be worn and it rests with the individual as to whether he wears a dress suit or not. The majority will not wear them. Don't get the idea that the Prom will be too formal for you. You are welcome and strongly urged to attend. The admission will be only fifty cents and for the same price that you pay to go to an Auditorium dance you can attend the grandest ball given at school. Dancing will begin promptly at nine o'clock. Come early and come prepared for the best time of your life.

PEOPLE ARE MOST DELIGHTED WITH ORCHESTRA

WAIT THREE HOURS BUT DO NOT REGRET IT

"It was WONDERFUL!" is the remark everybody made, while leaving the Minneapolis Symphony Orchestra concert at 12:30 a. m., today. Yes, and many of them had been seated three and one-half hours before the concert began, and to make it still more emphatic, an encore was demanded after the last number.

The tabernacle was jammed three hours before the orchestra people arrived with the finest people in Cache valley. The attention was wonderful. Not a soul left during the program.

Mr. Graham, the genial local manager, was sweating drops of blood during the long wait, and helped considerably by singing three songs. Mr. Clark's number on the organ was much appreciated. Even the jokes and war tax speech found a responsive audience. Mr. Otte's impromptu talk on the symphony was appreciated.

FIFTEEN MEN RECEIVE AWARDS

FROSH ALSO GET SWEATERS

Thursday next will probably see the official awarding of football trophies to the college and freshman teams. A portion of the college sweaters, heavy blue V necked ones with a white block "A" have arrived and are being worn by the football men on the basketball squad. All of the freshman sweaters are here and will be presented at the same time. College football men this year are unusually fortunate in receiving awards; already they have received the blankets donated by the Commercial Club through the activities of Harry Stoney. Besides these and the sweaters, they will also receive small gold footballs with blue A's and the name of the player on them. The tradition existing with the board of trustees that the men who beat the University receive gold footballs holds good this year. Hence the football. Men receiving awards in football for this year are:

Alvin Twitchell, "Andy" Mohr, "Pistol" Cannon, "Pat" Worley, "Vic" Larsen, Laura Crookston, "Lolo" Spencer, "Pesty" Jarvis, "Swede" Lindquist, Del Gardner, "Nig" Stiefel, Perce Hansen, "Stub" Peterson, Elmer Olsen and "Rasberry" Conkwright. The manager, Louie Rowe and Coach Watson will also receive gold footballs.

THE AG. CLUB LINK MAKES APPEARANCE

The Ag. Club Link, the official publication of the Ag. Club made its appearance on the campus Monday. It is a four page sheet, neatly got up, well edited and very interesting to the type of readers for which it was intended. Articles by John T. Caine III, Dr. Hill, Prof. Arnold Miss Ravenhill on boys and girls club work and the vegetable garden make the paper a very pleasant lit-

FROSH TURN TO HISTORIC ART

Mumblings of the college play were heard in the hall by a passing Freshman. He said little, thought a lot, then wondered if there was any chance—wondered if he dared. He waited to hear more. All the while his desire grew stronger but his timidity was still annoying him. Days passed and he was convinced that he would try out. Then there was talk of different plays—"The Importance of Being Earnest," "Reforming Themselves" and "You Never Can Tell." He read the first play. It was just the play, but to knock all his dreams came the news that Freshmen were not to try out for the college play.

It soon leaked out that the Freshmen were going to have a play of their own and he covetously hoped the college play would not be "The Importance of Being Earnest." His hopes were realized.

The Freshmen held a meeting and two plays were read by Miss Huntsman. "You Never Can Tell," and "The Importance of Being Earnest." Opinions upon the two plays were given by several students. After some discussion and more tattling it was decided there was more than enough talent in the class to put on the former play. At any rate it was rumored that Wayne Austin had once been to the Pantages. Elsie Peterson and Gene Hindley had occupied seats at the Rex several times, others had seen the Peterson Cannon Barber performers and from all these sources of "pointers" they felt confident of some good material.

The class was delighted to put on such a play. Why shouldn't they? It was first spoken of as a college play. But the college dramatic club didn't put it over. It took the Freshman to put it on right.

Besides presenting such a high class drama and exhibiting the hidden talents of the Freshman class the class will accomplish an exceptional patriotic feat. The proceeds of the play are to be turned over to the Red Cross organization.

SERGEANT COMES

IS MAN OF MANY EXPERIENCES

Post Sergeant James McGrath whose coming was heralded in last issue, and whose presence became necessary by the increased vigor with which things in the military department are being pushed, has arrived. The Sergeant, a pleasant, chubby little man sixty years young is a man of many experiences, having seen service in the Sioux Indian campaign, in the Philippines, in Cuba, with the army of occupation and more recently in Texas on the Mexican border with the Quartermaster's department. He has also spent time in various parts of the country on recruiting work. Sergeant McGrath's work here will very likely be similar to that of Sergeant Collin's last year; assisting in the field work of the men and keeping track of the sloughers.

BOXING TO BE CONTINUED

Boxing classes, which have been suspended since the enlistment or disappearance of boxing instructor George Gilligan will be continued during the coming week. Arrangement will be made whereby an appropriation to carry on the activity will be received. Either "Bismarck" Anderson or Bert Lee will have charge of the work and students may again get rid of their surplus energy by beating each other up to their heart's content.

WILL WHIP B. Y. U. NEXT SATURDAY

HARD BATTLE IS EXPECTED

The Aggies will tangle with Coach Roberts' B. Y. U. five in the Smart gymnasium next Saturday, February 16. This will no doubt be a great battle from start to finish, as these two schools always enter the contest for blood. The B. Y. U. quintette, which has already been trimmed by the B. Y. C. and the U. of U., has strengthened materially since their last battles, and with the addition of two former stars, Simmons and Ralle, will put up a very formidable exhibition. Coach Roberts is saying very little, but we are aware of his generalship and know that he will have a fight together which will make trouble for the rest of the teams in the league from now on. They are practically eliminated from the championship race, but nevertheless, are out to win their remaining games, and the Aggies will need everything that they possess in order to come out on the long end of the score.

The Aggie spirit was better at the recent contest with the B. Y. C., but there is still room for great improvement. We'll need it in the next contest, so come on Aggies, let's go. We are on our way to another championship, and let's not let our support be the cause of our failure.

Aggies vs. B. Y. U. Saturday, February 16th. Smart Gymnasium.

The seating capacity of the special platform was insufficient to accommodate the visiting musicians and some little time was consumed rearranging places for the orchestra.

Never have we heard the music of our national anthem played so well. The vocal response was not in keeping with the finished style of the music as interpreted by Mr. Oberhoffer's players.

All the numbers in fact, were rendered in a "never to be forgotten style" from the finest pianissimo to the great climaxes. Such coloring one hears only in great symphony concerts. It is almost beyond description. One must hear it. Many of the students will remember the theme in the second movement of the symphony "The New World," as being the one the choir has sung twice this year in chapel under the title "Massa Dear," a Southern melody. It was indeed interesting to follow the theme as it was worked out through the entire orchestra. Others will recall the song, "Dost Thou Know that Sweet Land" as the strain came in the first overture. And many noticed how Tschakovsky brought in the French national hymn in his Overture.

Cornelius Van Vliet, the cellist played only the second movement of his concerto and was heartily enjoyed. Both were well given and enjoyed by the audience. The "Moorish Dance" was a happy one and had to repeated much to the delight of everybody.

All in all the music was WONDERFUL. Mr. Oberhoffer conducts with a fine sense of artistic perfection. At no time did he call the attention to himself by eccentricities. His soul was the orchestra and through it he expressed his feeling, which raised the people to great heights of emotion and left them better for having heard. The committee responsible for bringing this attraction are complimented by everyone. The music will live with us for days to come.

Ed and Flo
Flo was loving Ebenezer—
"Eb" for short, she called her beau
Talk of tides of love—great Caesar!
You should see them—Ed and Flo.

Everyone Is Invited. No Flowers Will be Worn

THE HENDRICKS MEDAL

Utah, your city or town, needs public speakers. You will be worth much more to your community if you develop your talent along this line. To yourself you will add the joy of service and increase of salary.

Look back through history. Certain names stand out prominently for having done things; shaped the course of events: Burke, Pitt, Webster, Lincoln, Brooks, Curtis—such are a few of them. President Wilson is now, by his high utterance, adding his name permanently to the list of notables in this useful art.

Every community has a similar art, not so high in quality, yet a list of men whose ability to express their leadership has been the determining force in the community's progress.

The preliminary tryout for the Hendricks Medal for extemporaneous public speaking will be held in room 280 tomorrow—Friday.

At three o'clock a list of subjects from which the contestant chooses one will be tacked upon the door of room 226A at 12 o'clock. The judges for the preliminary will be the professor of English in the U. A. C., the professor of Public Speaking and one other member of the faculty. The speeches are to be eight minutes long.

LIVE UP TO THE SPIRIT OF THE TIMES

In a week the Junior Prom, the ball looked forward to in most colleges as the one grand spectacle of college social life, will be held. In many colleges the true purpose of college social life, that of promoting the social welfare of all, has been lost track of and all the balls and notably the Prom, have become mere spectacles where those who are better off financially may display their finery. The common student through lack of funds has been robbed of the social development justly his, all because of the habit of making the school socials spectacles instead of real socials.

It is to be hoped that the A. C. Prom this year will not be in the nature of a spectacle where only persons in full dress are proper and where ornate and lavish decorations belie the spirit of the times. We are living in abnormal days and every thought should savor of conservation and be directed towards winning the war. The Prom committee could do well to Hooverize in their decorations, in their refreshments and all. The Junior Prom, with other balls, should be a ball where nobody is out of place and where a spirit of equality and thoughts of the future are mingled with those of revelry.

A HEALTHY SIGN

A time honored tradition has it that whenever the B. Y. C. and the U. A. C. play basketball there should be an indulgence in fistfuffs. At one time policemen were given complimentary tickets to all games between the schools, so fierce was the rivalry between them. This year and last year, however, no policemen were necessary, for the spirit of rivalry, although perhaps no less intense than heretofore, manifests it-

self in a less brutal way. Healthy cheering on the part of both student bodies has given way to the old rough and tumble demonstrations between halves. Such conduct as the present is encouraging and reflects credit on both schools. It is the sign of health and a realization of higher standards in collegiate circles.

JUST A REMINDER

With some students there seems to be ever present a germ which at any time is apt to affect them, with the result that there is a reversion to the high school type. This reversion manifests itself either in nad and boisterous rushing about the halls; throwing of snowballs or flinging of the fire bell. The latter, however, seems to be the favorite pastime of the youths. Whenever overcome by one of these spasmodic fits of exuberance he rushes over to the fire bell and clangs it to his young heart's content. Then he strides away happy, until another fit comes on him and he must again relieve himself when he again goes through this or some other antic. The purpose of this note is not to smother any exhibition of spirit; for Delty loves us, it is surely an admirable trait when expended in the proper direction. We merely wish to remind students that a certain dignity should be attached to college students and that a repetition of the wolf story may occur if the fire bell is persistently toyed with.

In keeping with the spirit of these economical times the Junior Promenade Committee has decided that no flowers will be worn at the Prom this year. All flowers will be checked at the door. The expense of the Prom will be kept as low as possible without sacrificing quality. The Junior Prom has always been the best ball of the year and it will be this year. It is not the aim of the committee to cut down to such a degree that the distinction and spirit of the Prom will be injured but we do aim to bar any needless expenditures. Some students have the mistaken idea that the Prom is an invitational affair and that it will be too "swell" for them. This is a false impression. The Prom is as much a school ball as our afternoon dancing matinees. Everyone is invited and every student is expected to be there.

DRAMATIC CLUB IS BANQUETED

Last night at the Bluebird the Periwig club gave their annual banquet in honor of the Dramatic club. Twenty guests were present. During the evening Miss Sara Huntsman introduced the following speakers, N. A. Pedersen, Bervard Nichols, Dr. W. E. Carroll, Thatcher Allred and Arno Kirgham, who responded with toasts on the "Dramatics of the Future," the "Periwigger's Part," "Dramatics of the Past," on the "By Products of Dramatics," and on "Managerially Speaking." The Periwig club is sponsor of dramatic endeavor at the college and has a membership of five this year with Lowry Nelson as president.

DEBATING

Triangular debate will be held on February 22d. The U. A. C. affirmative meets the U. of U. negative in Logan, and the U. A. C. negative meets the B. Y. U. in Provo on the same night. The debaters are now expending every effort in preparation to meet these schools.

Arthur Fife, L. H. Hatch and Geo. H. Hansen debate the U. of U. and L. M. Sorensen, Russel Croft and L. S. Ballif debate the B. Y. U.

THE AG. CLUB LINK MAKES APPEARANCE

(Continued from Page one)
The publication, its aim is to connect up the high school Ag. Clubs with the college that we may eventually have their members for real Ag. Clubs. Lucian Mechem, the editor, announces that there will be three more issues. If the copy at hand is a fair specimen of future Links the Ag. Club Link will fulfill its purpose in drawing students to the A. C.

OSCAR L. LUNDSTROM

Oscar L. Lundstrom, a former student of this institution, died at his home in the Seventh ward, Tuesday. Oscar was the finest type of a young man. He was always active and alert, taking advantage of all opportunities. He returned from a mission last winter on account of ill health, and has been a sufferer ever since. The student body wish to express to his family its heartfelt sympathy.

COMMITTEE TAKES IMPORTANT ACTION

SEVERAL CHANGES ARE INSTITUTED

At the meeting of the executive committee yesterday action was taken which may result in many changes for the better in school activities. Committees were appointed to investigate the advisability of making awards for dramatics and kindred activities and to determine the nature of the awards; to draw up plans for the creation of an athletic council such as is found in other schools. This latter feature is one which has been of some concern to students inasmuch as results with the present system have been unsatisfactory due to a division of authority between the student body, executive committee and the faculty athletic committee. It is planned to have one committee composed of faculty members and students which will have full authority over athletics.

Besides these important measures it was decided to have installed in some suitable place (probably the library) a trophy case for athletic trophies. Another item of business was the appointment of a greeters committee to greet the high school boys who come to town for the basketball tournament in March.

GIRLS ACTIVE IN WAR WORK

TWO SECTIONS DOING RED CROSS WORK

The Red Cross girls of the 16 o'clock section are now busy at work for the Red Cross Bazaar of Cache county which will be held February 22 at the Auditorium for the purpose of raising funds to carry on Red Cross work.

Various individuals are furnishing the materials and A. C. girls are making up articles: children's clothing, underwear, towels, aprons, etc. However many of the girls are furnishing materials as well as giving their time.

The Gym. section meet from 4 to 5:30 Monday and Wednesday. They are all making their fingers fly on bandages.

Although the Red Cross work is entirely a personal matter it is the duty of every girl to affiliate herself with either of the two sections. All should join and do their bit.

DOUBLE AWAKENING

A querulous investigator of the Benedicts social in progress at the home of Mr. and Mrs. Arthur Fife the evening of February 11 became composed after receiving some rather terse explanation:

"Taint the 'Ome Dramatic Club?' Inquired the questioner from Mr. Boberg who was entering the gate, 'funny they didn't re-arse across the road in the church, eh?'"

"No" retorted Boberg, "it is the Home Domestic Club. They meet in church on Sunday."

Boberg had bidden good evening to the crowd and having gone just a short distance he suddenly returned to get his wife. Seemingly he had forgotten for the moment that in married life one walks in double file.

FRESH TURN TO HISTORIC ART

(Continued from Page one)
Is it any wonder everyone is looking forward to spending the evening of April 6th in Nibley Hall?

College Calendar

February 14—Sorosis entertains at Sorosis house.

February 15—Science Club meets. Beta's entertain in Women's gym. Tryouts for Hendricks medal.

February 16—B. Y. U. vs. Aggies in Smart Gym.

Theta's annual Valentine party.

February 21—Junior Prom.

A NEW DEPARTMENT IS OPENED AT THE U. A. C.

From now on in this institution we will have a new department known as the "Date Bureau." The purpose of this department is to arrange dates for the students for the various functions.

Any one wishing a date hand in your name, age, complexion, color of hair and eyes and the officers will do their best to see that you are supplied with a partner.

The department is ready to receive applications for dates for the Junior Prom. Offices in Student Life office and Secretary Coburn's.

WONDERFUL WELL DISCOVERED

Reid Jerman has made an extensive study of the ground water possibilities of Lasalle Valley, Texas and in his report to Geology V class this morning he openly stated that all ground-water tests in that section give a high percent of alcohol.

All members of the class seemed to be deeply interested in a further development of the water resources of the section. Indications are that water-stock will run pretty high in the Lasalle Valley before long. Those who might be interested please see Mr. Jerman as the stock is going fast.

NOTICE

Handball members meet today, Thursday, at 1 p. m. Handball court. Very important tournament starts Thursday afternoon. Your last chance to get in.

An editor received this letter from a fresh youth:

"Kindly tell me why a girl always closes her eyes when a fellow kisses her."

To which the editor replied: "If you will send us your photograph we may be able to tell you the reason."

Get busy boys—remember the Prom.

All out for the game Saturday, the "U" beat them—so will we.

Preston Wright and Gean Austin are Alpha Delta Epsilon pledges.

The College play is over, next comes the Freshman play, April 6.

The marriage of Horace Argyle, '14, and Edith Cluff, is announced.

Pi Zeta Pi announce the pledging of Riley Jennings and Carl Magleby.

Florence Nibley is again with us after a two months visit in California.

Make your dates now for the Junior Prom., Feb. 21st, just a week from tonight.

Lora and Lavon Bennion are again on the campus after a touch of smallpox vaccination.

During the last week letters were received from Ralph Smith, Lee Dean and Bill MacLaren.

Phi Kaps held initiation for R. S. Tanner, D. C. Taylor, Reid Warnick Saturday. W. H. Jones is a new pledge.

Miss Horsburg of the Home Economic department was a dinner guest at the Theta house last Sunday.

Delta Nu initiated Marian and Leonard Jordan, Lester Holland, Wilford Jensen and Ephraim Josephson, Saturday evening.

When the Prom comes off next week, let's not have a thousand and one stags again like we have had at the other dances. Loosen up, fellows and take the girls.

Wick Stephens, Professor Hoggson and Goldie Faux of the extension division have left to attend the convention of leaders in boys and girls club work at Washington.

The Theta Ball, scheduled for March 17 will not be held this year. Owing to the cry for Hooverism it was thought unwise to hold it this year. Money allotted for the ball has been given to the Red Cross.

Thetas have sent out invitations for their annual Valentine party. The party will be held at the sorority house this year and promises to be the equal of any social event of the year. Fifty invitations are out.

Asael Palmer, president of last year's senior class writes from Box 305 Calgary, Alberta, Canada, inquiring about the old A. C. Ase is in charge of agricultural experimental work for the Canadian Pacific Railway, being connected with a million acre project being put under irrigation.

NOTICE

One of the regular School of Commerce lectures will be given Thursday, February 14 at three o'clock in Room 280, President E. R. Owen of the Commercial Boosters Club will lecture on "The Personal Qualities Demanded by Employers of Men." All Commercial students are required to attend. All others are invited.

SCIENCE CLUB TOMORROW
The Science Club meeting Friday, February 15 Prof. Henderson will discuss "Recent Thoughts on the Cosmological Theory." An interesting lecture assured those who attend.

WEEKLY BUNK

GOSH HECK FELLERS

Hebe Meeks had an unpleasant
encounter with the ice while school-
er riding the other night. These
ventilated clothes sure are cool,
aren't they, Hebe?

Some of the party dresses at the
K. K. K. dance must have cost \$10
—they had a V in front and a V in
the back.

K. S. Browning is enjoying an
injured leg which he received
while schooner riding, but he is
happy, he had to miss classes for a
week.

George Eccles wishes to announce
that he has turned poet and any one
wishing poetry apply to his secre-
tary between the hours of two and
three next week.

Miss Erna Jit will lead in a round
table discussion of "Fusser" Way-
man and Vern Blonquist at the The-
ta house tonight.

Speaking of insects, how's your
aunt?

A rumor has it that the Amighty
was called on to inspire the B. Y. C.
hoopsters to defeat the "mighty
Aggies." They didn't get the inspir-
ation.

Last Wednesday eve Fat Watson
entertained the eleven other mem-
bers of the dirty dozen at a deligh-
tful party. The evening was spent
in smoking, playing 21 and eating.
The eats were hard to take as Russ
Croft got tired and took them off
the stove too quick. However,
nothing was left and it is a cinch
bet that Coach Watson will have
something to say to his little bounc-
ing brother when he finds his two
boxes of cigars a negative quantity.

Perce Hansen had a poor night.
He smoked four cigars at the party
and took nine home.

Anyone wishing to entertain the
dirty dozen leave a note to that ef-
fect in the Buzzer office.

Andy Mohr don't spend his
nights any more. He passes them
on the steps of the Fourth ward
meeting house. We are indebted to
Worley for the above bit of news.
We don't know how Worley found
out unless he was in the near vic-
inity.

Jack Hale is going to wear Swede
Lindquist's dress suit to the Prom
if Swede doesn't go.

A little soft music Spicker.

Can you imagine Clem Hayward
getting sore and saying "son of a
gun."

Cute little Lizzie Murphy, pres-
ident of the Ladies' Truck Driver's
union, will sing at the next chapel.
Her offering is entitled "We Took
Pa's False Teeth to Help Pay Off
the Mortgage."

Trolly Nichols says he is getting
so thin that when he sits on a dime
you can still read in "God we trust"
on it.

Get your date for the Junior
Prom.

Junior Prom. Feb. 21. Smart
Gym., at 9 p. m.

She will have a date for the Prom
tomorrow!

Why not ask her for that Prom
date now?

No flowers will be worn.

Flowers are barred.

She will be delighted to go to the
Junior Prom.

Doughnuts and cider will not be
served at the Junior Prom.

No, I wouldn't wear Gym. shoes
at the Prom.

It isn't considered good form to
wear flannel shirts and corduroys
either.

DINGLINGS BRING CACHE VALLEY FLAG TO A. C.

DEFEAT RICHMOND A. C. 49-24

The Dinglings brought home an-
other championship to the A. C.
when they defeated the Richmond
A. C. Tuesday evening at Hyrum by
the score of 49-24. The Richmond
team was only in the game a few
minutes and after that all one could
see was the Dinglings and the
referee. Captain Andrus of the
Dinglings was the star of the
game. He had a poor night and only
got four field baskets, 11 out of 16
fouls and held his man to one
basket. "Fat" also made a great hit
with the local girls on the dance
floor. As many of the players took
so well at Hyrum, it is probable that
special rates will be given on the
Interurban next Sunday evening.
Cyril Hammond the Dinglings' good-
looking center played a wonderful
game getting five field baskets and
holding his man to one. Spencer and
Jorgenson had little trouble getting
a basket whenever they felt like it
and if they had been left in the en-
tire game the score would have
been much larger. Ferguson at
guard also played a good game. Af-
ter the game training rules were
suspended and the boys were allow-
ed to dance to the fine music furn-
ished by the Silver players. The
Dinglings feel slightly slighted to
think that the students didn't bust
up school Wednesday and have a
matinee dance. It doesn't seem right
that the first team should have a
dance for beating the U. of U. and
the Dinglings should receive no
recognition whatever after winning
the Cache valley championship.
George Eccles led the Aggie rooters
in hoots and jeers.

AG. CLUB GETS EVEN

DANCE IN THEIR OVERALLS
AND APRONS

Too bad isn't it that such ripping
good times should be confined to
the Home Economic girls and Ag.
Club Boys only.

The rest of you really should have
seen them last Friday night in the
woman's gym. for when farmer
boys abandon white shirts and stiff
collars for overalls and flannels,
and when girls forsake ruffles,
superfuous dignity, and pink
powder for white aprons and
genuine gentility, one is bound to
have a good time, you know.

Apples and ice cream cones were
in abundance, straw was in a corner
and good cheer was everywhere.

The boys are not going to insist
that this party as a "return engage-
ment" to the girls was in any way
better than the recent one given by
these ingenious young ladies to
these same farmer boys, but they
do insist that it was a jolly evening,
well spent with more rural simpli-
city, hilarity and due propriety than
usual and less camouflage.

NOTICE

Owing to the absence of Mrs.
E. G. Peterson, the Faculty Women's
League reception for the girls will
be postponed until sometime in
March.

But be sure and be at the Prom.

Dave says (in the Utah Chron-
icle) that our chances of win-
ning the second game with the U.
are mighty slim. Pretty good. Eh!
What!

Dave must have got in bed too
late.

They're about as much chance of
winning from us as there is of not
seeing "Pistol" at the Prom.

Sure "Pistol" will be there.

He's chairman and handles the
dough.

Why can't we have the snow and
ice cleaned off the north steps of
the Main building, before some one
falls and breaks their neck or
something?

THE NEW DE LAVAL CREAM SEPARATOR

Will Give You

Greater Capacity, Longer Wear,
Better Service, Bigger Value

THE bowl of the New De Laval has greater capacity for a given
size and a given speed than any other. The experience of
thousands and thousands of users has proved that a De Laval
will outlast and outwear any other make.

Look well to service when you buy a cream separator. That
means more than anything else. That should include not only a

good working and reliable machine, but
the right sort of attention and interest on the
part of the seller, not only at the time the
machine is set up but as long as you continue
to use it. De Laval service is well known.
You can depend upon it.

Value depends upon the amount and qual-
ity of service the separator gives you—what
you get out of it. You get more value for
your money when you buy a De Laval, be-
cause it will give you more and better service
than any other separator.
