JONES MADE STUDENT PRESIDENT

President Peterson addressed a large audience at the first Summer School Assembly which was held last Thursday in the Chapel. The election of student body officers was another main feature which disproved the old tradition that Summer School is without pep.

The program started with Mr. Wahen a previous student, singing "Somewhere a Voice Calling," to a small attendance. His appealing voice was widely heard through the hall for when Pres. Peterson arose to speak the lower floor was well filled and many looked down from the gallery.

President Peterson drove home the act of the need to retain the pure American Democracy and let no trend of Bolshevism overcome the teaching body. He said also that the present (Continued on Last Page.)

CAMERA TOURNAMENT Continued

Three prizes for the best pictures. Get your's in early. Cardon Jewelry Company will give one pocket Remo camera for the three best pictures of places of interest in Logan. The second prize, for the best picture of scenery in or about Logan, will be one 14x17 enlargement of any negative belonging to winner. Third prize, for second best picture of Logan scenery, will be one 8x10 enlargement of any negative of the winner. The time is extended to July 15. Start now. Take home the prizes. All negatives of prize winning pictures are to become the property of Cardon Jewelry Co. when prizes are delivered.

IMPORTANT TO FEDERAL BOARD MEN.

Word comes from H. Allen Nye of the Denver office that on June 17 representatives from all branches of the Board will be at Logan to act on extension of schooling, changes and transfers of men. They will have authority to make definite arrangements concerning these things while here. All men should see them, June 17.

DEPARTURE CONCERT GIVEN BY U. A. C. GLEE CLUB

Leaves Tuesday to sing at the National Rotary Convention

A wonderful opportunity to hear the U. A. C. Glee Club sing before leaving on their eastern tour will be presented to students and the public at the concert which will be held in the Logan Tabernacle Friday night at 8:30. This will be one of the best things offered in Logan this summer. A group of the finest talent in the state is collected in the Glee Club and a rare treat will be missed by anyone staying away. The club sang Tuesday at Salt Lake, will sing Thursday at Pocatello and following Friday's rendition will leave next Tuesday for Atlantic City, New Jersey.

The Glee Club has proved themselves to be a wonderful body of singers. Their singing at the Rotarian convention at Boise some time ago was so enthusiastically received that a campaign was started, which has been successful, to carry them to the national convention. The program Friday night will be the last before leaving Utah.

The Club will go directly to Atlantic city singing only on the train while enroute to the eastern coast. Arriving there it will join with the rest to make the convention city a place of wonderful entertainment for the Rotarians.

They will give no formal concert but will sing at the principle hotels and at the conventions. On Thursday night of the second week the best numbers among all the entertainers will appear in a general concert. The A. C. Club is scheduled to appear.

After leaving the convention there has been arranged an extensive program which will be nearly as important as the appearance at the convention itself. Numbers will be rendered at Washington D. C., Chicago, St. Louis and Denver. While at Chicago they will appear before the National Summer School of Music at the University of Chicago. Arriving at Salt Lake the citizens there will hear them at Liberty Park and Salt Air.

The members of the club are: Prof. C. R. Johnson, Director, 1st Tenors: A. E. Backman, E. J. Kirkham, R. G. Hill, Chas. Smith, Geo. Squires; 2nd Tenors: Elmo Coffman, Chas. Kears, C. J. Stringham, Clyde Worley; Baritone: Delmar Egbert, E. W. Robinson, Ardith Price, Wells Moffett, Ephraim Josephson; Bases: El Ray Christianson, E. G. Austin, Norvin Storrs, Hugh Harvey and Albert Southwick.

R. O. T. C. CADETS GO TO CAMP

Sixteen men of the R. O. T. C. will leave today for their summer training camps. Seven who belong to the Motor Transport will journey to Camp Holabird, Maryland, and nine to Fort Monroe, Virginia to the Coast Artillery school.

Those going to Camp Holabird are: Swen R. Bjorkman, Wm. W. Bowman, John F. Hayes, James R. Nelson, Eldon J. Rosengreen, Justus M. Stevens and James P. Taylor. The nine who handle the heavy guns at Ft. Monroe are: H. K. Bullen, F. J. Conway, Wm. B. Groesbeck, Waldo H. Holmes, H. T. Jones, F. C. Killpack, John A. Orm, F. B. Owen and Marion W. Wilson. The camp extends for six weeks.

ASS'T STATE SUPT. E. J. NORTON SPEAKS

Assist. State Supt. E. J. Norton spoke in chapel last Wednesday to a good audience of interested students. His object was to inform the teachers of the certificate requirements of the state. His outline was clear and ably assisted many students in making their choice of subjects to fit these requirements.

Mr. Norton compared the teaching of this state to others and showed that the requirements for the teaching profession in this state were of a higher standard than that of others.

The future of the teachers appeared as Mr. Norton expressed it, very promising, better salaries, and more pleasant conditions are the prospects of the teachers of the state.

Mr. Norton met a large number of students and assisted them personally in filling their needs.

SUPT. CHILDS TOMORROW IN CHAPEL

State Superintendent George N. Child will appear at Chapel tomorrow at 12:00 to address the Summer Student Body. His presence will be especially appreciated by the teachers attending school and he will have a message—as yet unannounced—which none can afford to miss.

Mr. Child will receive a hearty welcome to the Hill from A. C. students. As superintendent of the public instruction of the state he stands at the head of Utah's most renowned institution that of public education. This will be his first visit to the college this year and opportunity of hearing a message from him will not be granted again soon. Tomorrow at 12 in the college chapel.

AGGIES ATTEND ESTES PARK CONVENTION

The Rocky mountain student conference to be held at Estes Park Colorado will have four A. C. representatives. Mr. G. M. Wisley in charge of the "Y" work here, W. H. Bell president of the "Y" council, Marcus West it's secretary and Wilford Porter next year's editor of Student Life will attend. These men leave to-morrow for a two weeks stay.

This conference is an interesting feature and one which is extremely worth while in as much as it brings together for general interchange of ideas and for a pleasant time, representatives from the colleges of all the intermountain states. The object is specially to discuss college and "Y" problems. Wisley, Bell and West will represent the local "Y" and Porter, the student body at the student body presidents and editors conference.

Estes Park is a delightful place to spend a vacation and when not in convention the representatives will hold interesting outings. The park is a 90 mile drive from Denver and abounds in natural wonders which makes camping a keen sport.

GET ACQUAINTED

There's nothing more pleasant connected with school life than association with friends. To have a good talk with a friend is among the most keen and real enjoyments which one may experience. Let's get acquainted and be friends. This is the second week of Summer School and there still remains a large number who are total strangers to each other.

DR. PRESTON ATTENDS CLINIC AT DENVER

Dr. Preston has been away since Sunday, May 30, in Denver attending the medical clinic for Doctors in the public health service. He will be back to the campus Saturday, Miss Kunz the college nurse has charge of the work while he is away. The work in Denver will bring Dr. Preston in contact with all the doctors engaged in public health work in the intermountain region and he will no doubt receive many valuable suggestions to carry out at A. C.

On his return Dr. Preston will resume his duties as medical advisor of the student body. It is particularly urged that students know that the college has a medical advisory department for their benefit and Dr. Preston and Miss Kunz are at the service of any one in need of such aid. They are located now in their new quarters in the Smart gymnasium.

On the return of Dr. Preston from Denver Miss Kunz the college nurse will leave to attend Berkeley for six weeks post graduate work in Home Nursing. These are special courses given to public health and school nurses. She will resume her duties here at the end of the six weeks.

PROF. SORENSON.

Prof. Chas. G. Sorenson who for the past six years has been instructor in Zoology, leaves the college to engage in business at Idaho Falls.

Prof. Sorenson has accepted a position with a real estate firm and will handle their farm department. His work will be to manage a string of farms owned by the company. He is also in partnership with the manager of the firm in a 1200 acre dry farm which he will operate also. His office in Idaho Falls will be at 206 Shawne building.

Prof. Sorenson did his high school

GRADUATE GETS COUNTY AGENT JOB

Heber Morrell a graduate of this year's class has accepted the position of County Agent of Logan County Idaho. "Hebe" made a record as an athlete student and good fellow while in school.

"Doug" Cannon needn't worry about a position, he is too big to be overlooked. He's in Salt Lake at present.

"Bus" Croft has his headquarters in Ogden.

BULLETIN

Assembly will be held at 12 o'clock tomorrow.

State Superintendent G. N. Child will speak in assembly.

Hear the nationally famous A. C. Glee Club, Friday night 8:30, Logan tabernacle.

Total registration first week 280 students 41 more than last year.

The chorus meets Monday, Wednesday and Friday at 12; for half an hour. One hour credit each term.

and college work here graduating in 1914. Last summer he studied in his particular field at the U. of California and the summer of 1916 at the Marine Laboratory of the U. of Washington at Friday Harbor, Washington.

Penny Wise---Pound Foolish Separator Buying

Many buyers of cream separators are tempted to save \$10.00 or \$15.00 in first cost by buying some "cheaper" machine than a De Laval.

In practically every case such buyers lose from 10 to 50 cents a day thru the use of an inferior separator. That means from \$36.50 to \$182.50 a year. It should always be remembered that the cream separator saves or wastes in quantity and quality of product, and in time and labor, twice-a-day every day in the year.

Moreover, a De Laval Separator lasts twice as long on the average as other separators. There are De Laval farm separators now 28 years in use.

Twice a Day---Every Day in the Year

The best may not be cheapest in everything but it surely is in cream separators

Campus Activity

"Come on in the water's fine." So says Coach Jensen of the Physical Education department. There's nothing so refreshing on a warm day, after a game of tennis, the climb to the campus, or when the brain cells seem fagged than a plunge in the A. C.'s big swimming pool. It's not a patent medicine for heart trouble, rheumatism or curvature of the spine but it will relieve brain fever, jagged spirits "that tired feeling" and make one get back to the "grind" fit to fight.

Take an interest in it and see what fun it is. Feel the pep it gives. The coach will arrange classes and meets. Try it and you'll get along swimmingly.

Tennis prospects are fine. All those who wield a wicked racket or want to learn the game there are four excellent cement courts just loafing around aching to get you on them.

There's no doubt that it will be the peer of games on the campus this summer. Mr. Khan's diminutive figure will be seen out and after two years representing the college in inter-Collegiate games with many years' experience he knows the game thoroughly. He will be more than glad to meet any champion of the game. In fact he issues a standing invitation for any one to come out and play with him.

Men and woman don't let the courts be idle. Contests will be arranged and a final tournament played. Knock the elusive balls about.

KAHN WINS TITUS MEDAL.

Thursday of last week the college's steady, little racket swinger, clinched his hold on the Titus medal in tennis by winning from Wilford J. Merrill in the finals. The score remained 6-2; 7-5. He had previously won the semi-finals from Bert Smith 6-2, 6-3.

GLEANINGS.

First Student—How do you arrange to meet Rebecca since her father objected to you.

Second Student—Easy got work with the gas company.

First Student—Yes.

Second Student—Meter in the cellar.

If music be the food of love play on; give me excess of it.

—Twelfth Night.

Velina H.—What is the shape of a kiss?

Bob G.—Give me one and we'll call it square.

Dimes carried loose in your pocket Are sure to find a way out.
ut dimes put away, a dime a day Are sure to help you out.

Seniors, seniors, I've been thinking,
What a grand place this would be,
If, when you have used your text books,

You'd bequeath them all to me.
—EX.

Traffic Cop—Come on; what's the matter with you?

High school boy (driving Ford)—I'm well, thank you; but my engine's dead.—Sacramento X Ray.

Mother (reprovingly)—When I was young, girls never thought of doing the things they do today.

Daughter—Well, that's why they didn't do them.

THE GODS PRESERVE US

Student to biology professor: "Where will I find you next hour, sir?"

"Oh, I'll be in the museum among the rare specimens."
—Blue and Gold.

A policeman loaded for duty went out and came in with a man charged with being lit up. He was leveled before the eyes of the court but after a short time the judge said—discharged.

I see you had a new girl last night Oh, no, that was my old one painted over.

Satisfy Your Taste For Good Things

Delicious bread, rolls, buns, cakes, pastry made to please the student's taste. Good things to eat—made clean. Visit our Sanitary Bakery.

You are Welcome.

ALSTON EDITOR OF SUMMER EDITION

Ray L. Alston is official pen pusher and proof reader of this Summer School edition. The appointment came when Dr. J. H. Linford and Prof. D. E. Robinson made the recommendation to the president whose signature made it effective.

Alston has had high school paper experience and was on the editorial staff of Student Life. He will graduate from college next year. Whenever not in classes he can usually be found in the office with reams of paper before him writing up notes or "chasing ads."

The aim of the Student Life summer edition is to provide a means of student expression and the editor welcomes any suggestion or written article from any member of the school which will further this aim. Have keen personal interest in the paper not only because it contains the school activities and gaities but because you helped put them in.

Alston is also assistant to Prof. D. E. Robinson in the Publicity Department.

LOVE SONG.

By Will Lou

My love is like a habit-forming drug—
Like whisky, that heartens a man.
Like opium, that brings sweet dreams;
Like champagne at a banquet;
Like a bottle of wine at a picnic;
My love is like a habit-forming drug.
The more one has, the more one wants.

UNDER THE "A".

Katherine Hatch again meets us at the fountain.

Miss Vio Ross from Richfield comes to the hill for the summer.

We welcome Blanche Worley back from her southern tour of Springfield, Payson and Salt Lake.

Miss Ruby Osmond a graduate of last year is a welcome addition to the campus.

Helena Jacobs has returned from Preston to complete her work at the college this summer.

Alphonzo Thourm has come to the A. C. summer school. Mr. Thourm is a University of Utah star in athletics and their next year's student body president

Mr. Fred Braithewaite is instructor for the summer in Art. Since graduating from this school he has had the art department in the Branch A. C.

Adeline Barber our excellent vice-president of the past year is staying to complete her college work.

It is good to see Lettie Rich back, smiling over the library desk.

Mr. Eden Lorentzen from Wasatch Hill will complete his work at the college.

Miss Lucy Andrus registered this week. She was last springs beauty contest winner and is next year's student body vice-president.

Jones Made Student President (Continued from page one)

time is the show down and urged those who have chosen teaching as their profession to stay with it. The temporary attractions of better financial gain in other fields should not lead real teachers from the school.

The election of officers was spirited. The successful candidates to survive above the intrigue, lobbying and railroading were Hyrum Jones for President and Chairman of the student body executive committee, Elma Miller as Secretary and Len Fish, Josephine Clark and Louise Bird members of the committee. These form a live quintet to handle the school functions.

GLEANINGS

Katherine, looking at Gladys' ring—When is it coming off?
Gladys—It isn't coming off another is coming on.

Miss—"Can you prepare any foreign dishes Nora?"

New Cook—Sure I can Mum. French pays, Spanish inyons, and Orish pitaties.

SUMMER SCHOOL PARTY.

It was about 8:30 p. m. when Director Linford took his stand just inside the gymnasium door Saturday evening.

Weird sounds were issuing from the east side of the hall announcing the fact that a three piece orchestra was already "tuning up." A few enticing notes must have slipped out into the night air, for a crowd began to accumulate, one at a time or in small groups until one could easily have gotten the impression that something was going to happen.

Then quite unexpectedly something did happen, the orchestra left off "tuning" and struck into a real tune. Old enough to be familiar and young enough to start things going. The boy's who came out to face the music didn't have any trouble finding partners, and there was plenty of floor space with a guarantee against bumping shoulders.

Professor C. R. Johnson in behalf of the girls succeeded in rescuing a few bashful stag's from their retreat in the hall, and even danced every-time himself to show his good fellowship. The girls who lost in the keen competition for partners, chatted on the side-lines and partook of the punch with remarkable good cheer. Everybody had a regular good time, and with the entire student body to support the parties and join in the fun, there is no reason for any of them to be any thing but a complete success.
