**Subject Area:** *Human–Wildlife Interactions* publishes manuscripts on all aspects of human–wildlife interactions, particularly research articles in wildlife management, wildlife ecology, management applications, economics, and human dimensions. We encourage letters to the editor, opinion pieces, point-counterpoint articles, policy issues, and notes on research and new techniques.

**Research Indexes:** *Human–Wildlife Interactions* articles are included in Animal Behavior Abstracts, Aquatic Sciences and Fisheries Abstracts, Biological Abstracts, BIOSIS Previews, Current Contents, Directory of Open Access Journals, EBSCO, Ecology Abstracts, SCOPUS, Science Citation Index Expanded, Thomson Reuters' Journal Citation Reports, Web of Science, Web of Knowledge, Wildlife and Ecology Studies Worldwide, Wildlife Review Abstracts, Wilson's Biological and Agricultural Index, and Zoological Record.

**For More Information:** See complete submission instructions, journal policies, author page charge information, and submit manuscripts online at [digitalcommons.usu.edu/hwi](http://digitalcommons.usu.edu/hwi). Email [hwi@usu.edu](mailto:hwi@usu.edu) with inquiries.
