# HIGH SCHOOL PLAY TO BE HELD TODAY

## 500 Students Expected To Visit Campus; Committees For Day Are Appointed

The annual "high school" day will be held on May 5 this year at the college, according to an announcement made today by L. Lowell Romney, chairman of the faculty committee which is in charge of the day. Five hundred students from every high school in the state are expected to visit the campus, and part in the program being arranged by the committee, and witness the northern division track and field meet which will be held on Adams field on the afternoon of May 5.

The faculty committee in charge of the day which was appointed recently by President E. G. Peterson consists of the following: E. H. Ransom, Harry Oberlander, Joseph H. Jeason, Miss Catherine Cooper, Dean Charles Darrow, Howard Macdonald, Alice Newley, Cyril Hamann, and John S. Logan, and Prof. W. J. Vickers.

The program of the day as outlined by the committee consists of the following: 10 o'clock in the morning the committee will meet the train and take the students to the college; from 10:10 to 10:30 will be spent in registering and installing the visitors; 10:30 to 11:15, tour of the campus; 11:15 to 12:15, play; 12:15 to 1 o'clock, luncheon and refreshments; 1 o'clock to 1:30, in the afternoon, assembly at which winners of various scholastic and athletic contests will be presented with awards; 2:30, northern division track and field meet; 3:00, the day will be spent in the afternoon at the various athletic contests for the visitors to participate in have been arranged, including tennis matches, basketball, football, and other athletic events. Scholastic and literary contests are also being arranged under the direction of Professor Walter J. Vickers. A special (Continued on page two)

# FOUR TAGES OLDS PLAYERS TO BE MET NEXT YEAR

## Professor E. W. Robinson, The Father of An Aggie Faculty Member Succumbs

One of the most influential figures ever connected with the U. A. C. passed away Friday with the death of Professor E. W. Robinson, at 82, after a long illness. Robinson was a teacher at the U. A. C. for twenty years, entering as an instructor and working up to a professorship. He was also the first chairman of the debating council for most of this time. During the same years Robinson was a member of the faculty of the present city-college boulevard built twenty two years ago, and was very much interested in the college and its development. He was considered by the students at that time one of the best teachers in Utah. His degrees were extremely popular. He was a man of natural power and a very deep mind, and of excellent imaginative quality. The boulevard leading from the center of the city to the college is a typical example of his forthright and vision.

Prof. Robinson left the college to enter the state legislature where he served twice as speaker of the house. He was also very active in securing the state appropriation for the Smart gymnasium building, which was the result of his efforts, to supplement the gift of Thomas Smart. His name as speaker will be seen signed to the memorial tablet which hangs in the gymnasium hall today.

Prof. Robinson was a brilliant teacher and a man, who, in his day, at the college enjoyed a very deep respect and reverence in its development. He was considered by the students at that time one of the best teachers in Utah. His degrees were extremely popular. He was a man of natural power and a very deep mind, and of excellent imaginative quality. The boulevard leading from the center of the city to the college is a typical example of his forthright and vision.

# Amendment to onst... Be Presented to the Student Body Today

## Section Granting Minor Sports Letter To Rifle Team Members Will Be Voted On Soon

## Executive Committee Passes On Proposed Amendment; Shooting To Be Minor Sport

An amendment to the student body constitution granting minor sports letters to members of the rifle team was presented and passed in the regular meeting of the executive committee held last Saturday, April 12th. The amendment will be presented to student body today and voted on next Wednesday. The amendment provides that rifle shooting shall be made a minor sport and that the official award shall be a four inch block "A" with cross guns superimposed upon it. Eligibility for award as well as for rifle shooting is contained within the amendment.

The section to be added to the By Laws of the Constitution as presented by Jack Croft is as follows: Section 29.

Clause 1. Rifle shooting shall be made a minor sport.

Clause 2. The official award for rifle shooting shall be a four inch block "A" with cross guns superimposed upon it.

Clause 3. The winner shall be allowed to wear it on the left side of a blue jacket.

Clause 4. No award shall be given unless four intercollegiate matches are held.

Clause 5. No awards for rifle shooting shall be given unless the candidate has participated at least 25 per cent of intercollegiate matches during the year.

Clause 6. The eligibility for rifle shooting shall be the same as those for basketball and recommendation for the military department.

# Three Plays To Be Given In Logan Under The Auspices of Students

The Morton Olsen players will give three plays in Logan next year under the auspices of the student body of the college, according to a decision passed last Saturday by the incoming members of the executive committee and this year's committee. Two of the plays will be comedies and one will be of a more serious nature. They will be staged at the Logan theatre, according to present plans.

The incoming members of the student body met last Saturday with the members of this year's committee to discuss the question which has been known to their attention. The recent visit of the business manager of the players to the college, President John E. Logan, and the student body voted the acceptance of the plan.

# DR. S. P. CADMAN TO LECTURE ON MAY 5th

Dr. S. P. Cadman, an eminent Brooklyn writer, will lecture at the Logan theatre on May 5th. This will be the closing number to be given under the auspices of the Logan theatre. His writings are "The Victim of a Crime," "William Owen," "A Biography," and "Charles Darwin." Dr. Cadman's subjects for this season are: "The Two Worlds," "The Mind," and "The Mind of the Mayflower." The boulevard leading from the center of the city to the college is a typical example of his forthright and vision.

# College Granted Chapter of Pi Delta Epsilon, National Journalistic Fraternity

## Petition Submitted By The Student Life Staff Members Is Accepted at National Convention

## Seven Students And Two Faculty Members On Charter List; Will Be Installed May 10

Recognition in a journalistic way came to the college last Saturday when the Grand Council of Pi Delta Epsilon at the annual convention held in Boston, Massachusetts, granted the petition of a group of U. A. C. students for a chapter of the national honorary collegiate journalism fraternity. The chapter which will be formed at the college will be installed about May 10, according to telegraphic communication received by William Vernon, Jr., editor of Student Life, last Sunday morning.

The charter members of the chapter which will be installed next month include: President E. G. Peterson, Professor D. E. Robinson, Wilfred D. Porter, Miss Hendricks, Weston Vernon, Jr., Preston M. Neilson, Malcolm H. Merrill, Verle F. Croft, and John S. Logan.

Pi Delta Epsilon is a national honorary collegiate journalism fraternity, established in 1904, which has had two years experience on the staff of a recognized college publication. It is the largest of the largest fraternities of its kind, having over thirty-five chapters at most of the prominent colleges of the United States including, Columbia University, University of California, Dartmouth college, Carnegie Institute of Technology, University of Michigan, Bowdoin college, University of Utah, University of Arizona, Colorado Agricultural College, Johns Hopkins University, Union college, University of Toronto, Canada; University of Wisconsin, University of Minnesota, University of Illinois, George Washington university and Vanderbilt University.

CHARTER MEMBERS ACTIVE. All the charter members of the fraternity have been active in college journalism for several years. President Peterson was editor of Student Life in 1924-25, when the paper was first published. Verle F. Croft is now at the head of the publicity department at the college, was editor in 1916-17; Wilfred Porter was editor of Student Life in 1920-21 and again in 1921-22; King Hendricks was editor of the paper last year and in addition was active in four-year activities, being the college's first four-year member of the national fraternity.

Dr. S. P. Cadman, who is one of the charter members, is at present lecturer, theatre editor of Student Life this year, has been active in journalism at the college for several years and is a member of Alpha Kappa Psi fraternity and Psi Kappa Phi.

PETITION SUBMITTED IN MARCH. The petition for a chapter of Pi Delta Epsilon at the U. A. C. was submitted to the national convention in March, 1924, and was accepted.

After the charter members, letters of recommendation were included with the petition, and the chapter was recommended by the national convention.

# College Play To Be Given TODAY EVE.

## "Twelfth Night" To Be Presented Under The Direction of Miss Dunn H. S. Auditorium

On next Monday evening April 21, the College Play cast will present the Shakespearean comedy "Twelfth Night" under the direction of Mrs. Madam Dunn. "Twelfth Night" is one of the most commendable, entertaining and easily understood of Shakespeare's plays. It is very few times to the interpretation of amateur actors in a much greater degree than is true of the majority of classic plays.

The plot of the "Twelfth Night" is easily followed. The entire course of the play is replete with intensely humorous situations. The characters are roughly divided into two groups, the serious and humorous. The action of the two groups is intertwined and the result is delightful.

The presentation Monday night will mark the second effort made in recent years to produce a Shakespearean play with local talent. The first effort "Midsummer Night's Dream" played last spring was decidedly successful. Fright indication is that "Twelfth Night" will be equally successful.

Rehearsals have been held daily for the past two weeks. The members of the cast are getting the hang of their parts and the result is that even the rehearsals are enjoyable.

It is probable that no more able group has ever represented the college in dramatic work than is the present cast. The majority of them have had a wide experience in amateur dramatic efforts.

These amateurs are a delightful variety and Leonard Croft preserves admirably the dignity and seriousness of the comedy. Miss Madam Dunn is superb in her characterization of the Duke Orsino. Donald Smith and Don Hayward are the roles of Sebastian and Antonio in an evocative manner. Marian Everett as Sir Toby and Verne Croft as Sir Andrew have been especially commendable work in their interpretation of these two comic characters. They have been ably supported in their scenes by Gladys May as Maria, La Voie as Lady Olivia and Walter Gase as Fabian.

Superintendent Olson Ryan has been aiding in the direction of the play. Mr. Lyford has accepted the Industrial Fellowship offered each year by the Iowa college of Wisconsin and will attend the University of Wisconsin at Madison, Wis., where he will work in the pathological department doing research work on the pea root fly. He will leave here in time to begin his summer field work on May 15. During the next winter he will do considerable laboratory research and will be in the laboratory for his Ph.D. after completing his relationship which will last only one year at the college.

In his practical work at the Wisconsin university, Mr. Lyford will be affiliated with the most eminent pathologists in America. His master's thesis will be on the pea root fly and his degree this spring is on a pea disease.

Mr. Lyford was valedictorian of his graduating class of 1922 and has been an assistant in the botany department since that time. He has been awarded a Ph.D. for his master's degree in plant pathology. He has been president of the botanical club of the University of Wisconsin and is a member of the Phi Kappa Phi fraternity.

Mr. Lyford has accepted the Charles J. Lundberg Research Fellowship and will be located at the Missouri Botanical Garden in St. Louis. He will do his work under the auspices of the Shaw School of Botany of the Washington University which is connected with the botanical garden. Only five students are granted this fellowship in the United States each year and a student of the college has been awarded it.

# Glee Club Warbles At Ogdon Convention And Is Enthusiastically Received

Last week the glee club was the guest of the Ogdon Rotarians at Ogdon. The trip was a success from the standpoint of both the glee club members and the Rotarians. At every performance the glee club was supported and entertained with the same spirit that Ogdon displayed toward our football team last fall.

The program was carried out as follows: The glee club left Logan early Friday morning and arrived in Ogdon, decked in floating whippers. They immediately went to the morning session of the Rotary convention where they sang first. In the afternoon the glee club sang and had luncheon at the Kiwanis club and then returned to the hotel. They sang again at the afternoon session of the Rotary convention. Following this, the glee club had a very successful evening at the Ogdon Rotarian hall where they sang and had luncheon at the Kiwanis club.

**AMENDMENT TO CONSTITUTION**  
(Continued from page one)

**SECOND ATTEMPT**  
This marks the second attempt to pass such an amendment. Last year it was placed before the executive committee and much excitement was evoked. The opposition at that time, however, was too strong to permit its passing so it did not come to the vote of the students. Thus far it has met with less opposition. This year, then, it is now passed, the executive committee and will be submitted to the individual votes of the students for final settlement.

**RIFLE SHOOTING POPULAR**  
Much interest has been shown in rifle shooting during the past season. The girls rifle team has had many of the larger institutions throughout America and has in most cases counted up the larger score. Further popularizing rifle shooting and intercollegiate matches is the object of the supporters of the proposed amendment, which would grant minor sports letters to the members of the men's rifle team and the girls' team.

## INSIDE CAPTAIN 1925 BASKET TEAM

### A Stellar Aggie Guard Named Leader of Quint Next Year; Has Brilliant Record

At a meeting of the 1924 Aggie basketball squad Monday afternoon, Howard Woodside was elected captain of the quint for the 1925 season. His election to captain of the Aggie team comes as the climax to his three years of consistent work under Coach E. L. Romney. Woodside will play his fourth year of varsity ball next year, having played guard on the Aggie quint for three successive seasons.

He began his athletic career at the Logan high school, playing football, basketball, and participating in track events for the school. He was a member of the Grizzly Rocky Mountain basketball championship team in 1921, which also captured the state title in that year. He played high school after the basketball season was over in 1921, and registered at the U. A. C. That fall he played football for the Aggie team and made the basketball team. He is well known in all circles for his steady playing at the wing position, having been a member of the 1921 Rocky Mountain football championship team, which Coach Romney produced.

Nationally has the captain-elect had a brilliant athletic career at the college, but he is prominent in student body executive committee for next year. He is a Logan man, being a son of W. Woodside, 221 North Second East street, of this city.

The Aggie will lose Cyril Hammond, Lorraine Ivins and Harvey Kirk from the basketball squad by graduation this spring. With Woodside, Baker and Saunders of this year's regulars returning to school, Coach Romney's prospects, however, are not so dim.

### Father of Students Dies When Struck By Falling Limb

R. H. Pike, 61 years of age, the father of Milton Pike and Ish Pike, was killed last Saturday when the limb of a tree which was leaning over, fell and struck him on the right temple. Milton and Ish Pike are prominent seniors this year. Milton being active in R. O. T. C. circles and Ish in the home economics department. Mr. Pike is well known in this area as a teacher, rancher and farmer, having been one of the early settlers of Idaho.

"Do you hear from your son at college very much?" "No, he doesn't get into trouble very often."

## Hyrum Mortensen Wins Gold Medal in Interclass Meet; Anderson Second

Hyrum Mortensen, captain of the Utah Aggie track team this year and winner of first place in the 100 yard dash last spring, won the gold medal given by B. T. Carden for the second time by piling up 23 points in the interclass meet held at Adams field last Saturday. Sterling Anderson won the silver medal given to winner of second place with 16 and 1-3 points, while Jack Croft won the bronze medal with a total of 12 points.

The winners of the meet, Mortensen, Croft, Kirk, Ivins, Wood, and Webster piling up 51 points. The freshman team composed of Stevens, Smith, Hickman, Collett, Ellis, Crowther, Jeppson, Hunter, Fiedler, Geddes and Bailey, won second place with 44 points. The juniors team was composed of Webster, Anderson, West, and Gosnell, while Lant was the sole representative of the sophomores to place in any of the events.

**MORTENSEN WINS 4 EVENTS**  
Mortensen, who is the gold medal for the second time by winning four firsts and one second place. He won first in the 100 yard dash, the 250 yard low hurdles, the high hurdles, and the discus, and won second in the 220 yard dash. Anderson repeated his performance of last year by winning first in the 220 yard dash, first in the 440 yard dash, second in the shot put, second in the 100 yard dash, and third in the pole vault. Croft and Webster ran a close race for the bronze medal, Croft scoring 12 points and Webster 11. Webster won the bronze medal last year while Croft won the gold medal two years ago.

Four men of last years team have returned to school were out of the meet for various reasons. Malcolm Layton, Cliff Baker, "Butch" Knutson and Frank Thompson did not compete. Layton and Thompson are injured, while Baker and Knutson were killed away.

Kirk ran a pretty race in the 880 yard dash, winning in 3 minutes and 5 seconds. Wells Collett, a freshman surprised Coach Ramsey by walking off the mile race, outdistancing Edwin Wood and A. Ellis. The race between Croft and Mortensen in the high hurdles was a thriller. Mortensen won by inches. Grant Hunter, another freshman, showed up well in the broad jump, winning 35 feet and 6 inches. Frank Stevens, a freshman, won the shot put, leaving the ball 35 feet 6 inches. The freshman team composed of Geddes, Stevens, Hickman, and Grant Hunter, surprised the onlookers by winning the half mile relay.

## Girls' Tennis Tourney To Be Conducted

An interclass tennis tournament for the women of the school will be held at the college next week under the direction of the Girls' Athletic club of the college. Nineteen entries have been secured by the girls already from the various classes comprising the best female talent in the school. Play was to have begun this week, but the lackluster weather has made necessary the cancellation of this week's matches. Further entries will also be made this week.

The following girls have entered in the tournament: Freshman, Yvonne Schaub, Anna Hansperger, Missa Hansperger, Adelaide Page, Owen Page, Edith Howell; sophomores, Grace Bennett, Edna Peterson, Ruth Schaub, Hazel Senter, Lucile Green, Juniors, Flora Amundsen, Vera Strang, Alice Peterson, Dora Eklund, Florence Cable, Nellie Chandler; and Seniors, Naomi Barlow.

Intense interest in the sport is being evinced by the women of the school. Special hours will be set aside during which the women will be allowed the use of the five courts on the U. A. C. campus. A number of the girls in the interclass tennis tourney will undoubtedly enter that annual time medal tournament which will be held in May to determine the winner of the medal given each year to the women's single champion of the U. A. C.

## Tennis Tournament Center of Interest; Aggie Team Fast Getting in Shape

The weather conditions last week added a great impetus to the spring tennis tournament. The result was the elimination of sixteen men in the first round of play. The second round matches have also been played and the semi-finals and finals will be played off this week if weather conditions permit.

The favorites, Don Parkinson, Joe Cowley, and Charles Olson came through both rounds, but are going to meet up against some stiffer competition as the tournament progresses. The results of the first and second rounds are: Joe Havert defeated Don Parkinson; "Bid" Lawson defeated Elmer Juckett 6-3, 6-1; Sergio Benes lost to Merrill Darley; Joe Cowley defeated La Phene Peterson 6-3, 6-1; Lorraine Trina lost to Harold Peterson 6-3, 7-5; Charles Harris received a default from Wallace Cole; Quigley won from Wilson Hammond 6-3, 7-5; Charles Olson defeated Jack Croft; Croft defeated by Peter Dalziel; Peter North defeated Fred Thomas 6-3, 6-4; Greens won from Harris by default; Milton Merrill defeated Milton Brechler; Grant Packer defeated by L. Roy Wilson; Malcolm Merrill defeated to Wendell Budge; Duke Cranney received a default from Le Roy Wilson; Charles Olson defeated Floyd Thomas 6-3, 6-4; Parkinson defeated by L. Roy Wilson; Darcy 6-0, 6-7, 6-1; Budge defeated Quigley by default; North received a default from Dalziel; Greens defeated by Brechler; Budge defeated to Packer and Cranney defeated to Olson.

In the semi-finals Parkinson meets Cowley; the winner of Peterson and Harris meets Budge; North and Brechler; and Packer plays Olson. Although a great many of the matches have been played, there nevertheless some good tennis is being played in during the early rounds. In the seniors, as in the case of Cowley and Parker, Parkinson and Dalziel; and Olson and Thomas were close. The closing rounds of course being out of the team of the tournament should produce some classy tennis and furnished some real excitement.

**AGGIE TEAM PRACTICING**  
The four letter men of the Aggie tennis team last year, Rich, Howell, Hammond and Vernon have been out since their early release in preparation for the coming doubles matches. The blue and white racket wielders have been working offensively in doubles and together with Howell and Hammond will bear the burden of the double events. The singles player of the team will likely be picked from the more likely prospects in the tennis tournament.

U. AND R. V. T. STRONG  
The Aggie in order to retain their state championship again this year must be in excellent shape for the four coming matches. The blue and white racket wielders have lost Merrill and Elder of last years team and their vacancy will be quite difficult to fill. On the other hand the university is considerably strengthened by the advent of Mel Gallagher who because of ill health was forced to remain idle last year. The B. U. C. V. C. team which won the intercollegiate tennis championship last year at Salt Lake. The Aggie squad no doubt has the best doubles combination in the state in the personages of Howell and Hammond who won the city, state, and national tennis championship last year and represented this section in the national tournament in the east. Rich and Vernon as the other double team are proving a formidable combination. Rich was with Merrill last year, and was

## BASEBALL TOURNAMENT OPENS NEXT THURSDAY

### Eight Teams Entered in Sack and Diamond Meet. Benos Have A Strong Team

Pate smiles unkindly on Aggie baseball activities which have been and are at the present time held back by the weather conditions. Try as he might, Moss Rich, head of the intercollegiate baseball series, seems unable to combat successfully with nature and has taken the only course open to him, that of letting nature win its course. Every thing was in readiness for the opening of the league last Monday but it appears that Thursday is the most logical date in which to initiate the national pastime at this institution this year.

Eight teams have entered the race and are ready to start any minute. The Benos were one of the first to start things going and according to manager Jimmy Jorfs have a good chance to top the championship. The Battalions company, freshman, sophomores, A. C. Club and Commercial club have entered teams.

Following are the managers of the respective organizations: Commercial Club—Jack Ford; A. C. Club—Mikell Jorfs; Benos Club—Pawley Jorfs; Company A—Bill Geddes; Company B—Norm Christensen; Company C—Tommy Laak; Sophomore—Bert Harward.

The field is already being drafted and leveled and should be in good condition for Thursday, when the league opens officially according to Rich.

The schedule will be posted today in order that the "22" get a line on the opposition.

Before the league opens a meeting will be held by the various organizations to discuss the different organizations to discuss the rules of play. This will probably be held Wednesday afternoon.

## HORACE KOTTER OPERATED UPON

Horace Kotter, a senior student, was operated upon last Saturday evening at the Carle valley hospital for appendicitis. He is recovering with marked rapidity according to the attending physician and will probably be back to school within the next two weeks.

Mr. Kotter will graduate this spring. He is a member of Student Life staff and one of the charter members of Pi Delta Epsilon, a chapter of which was recently granted the college.
