Volume XXII. Friday, May 9th, 1924. Number 30.

We believe that a policy devoid of factionalism should govern the administration of student affairs.

We believe that it is the right of the student body to know every procedure of its officers and executive bodies in the exercise of their official duties.

We believe that a primary election at which all but two candidates for every student body office are eliminated would be a desirable system to adopt.

TO OUR HIGH SCHOOL VISITORS

Student Life takes this opportunity to welcome the high school graduates and students from northern Utah and southern Idaho who are visiting us on the occasion of the Second Annual High School Day. The visit of these students has become a distinctive and important feature of the college year. It is desirable that the day prove to have educational value in the exercise of their official duties. In an effort to obtain this fortunate result it is customary to extend every hospitality of the institution to the visiting students.

We should like you to become acquainted with us. You have partially completed your high school career and stand at the entrance of your higher education. We have at the Utah Agricultural College a spirit of democracy and industry which is invaluable in college life. We have the problem before you of choosing the college from which you expect to graduate. Take this opportunity to investigate us from this standpoint.

We are proud of our institution, we glory in its traditions and position. We welcome you on the occasion of your visit and we hope to have the pleasure of greeting you as fellow Aggies next fall.

AWARD DAY

In another section of this issue of Student Life is to be found the list of those students who have achieved distinction during the past year in the various branches of student activity. Awards for all activities listed will be presented in the special chapel today. This is one of the most unique and important caper exercises of the year. The significance of the honor chapel is greatly enhanced by the presence of so many visiting students. The impressions which they receive of the students receiving awards are such as can never be forgotten. It is here that these visiting high school seniors are fired with the determination to enter college and achieve success. It is also here that students new in school are forced to recognize the accomplishments of those who have been.

It is distinctly an honor to receive an award at such a time. It is not merely a mark of high mentality but a mark of those finer points in character which a college education is intended to develop. An award is not beyond the reach of any college student if they are determined to have it. Today's chapel will be convincing evidence that an award is worth while.

Vicinity of Cache Valley Rich in Entomological Specimens

Cache Valley and vicinity immediately surrounding including the glacial lakes in Logan canyon and near River Bay just west of Brigham City furnish some of the best ground for the collection of entomological specimens to be found anywhere in the United States, according to James G. Needham, professor of biology and entomology of Cornell University.

Dr. Needham was a special lecturer at the Utah Agricultural College summer school last year. In a statement from Dr. Needham just received by Prof. Ira M. Hawley, director of the department of zoology at the U. A. C., Dr. Needham says:

"that he has never found better opportunities for collecting entomological specimens. Dr. Needham has traveled extensively throughout the United States and has made collections in practically every state in the Union.

His statement will be particularly interesting to the students of zoology who expect to attend the "National Summer School" this coming summer. Dr. W. C. Allen, professor of zoology at the University of Chicago will conduct two courses in his field during the first six weeks of the summer quarter. A junior college course includes an outline of the main facts and principles of animal biology with special reference to evolution, heredity, embryology and the bearing of biology upon human life. The other to be at the senior college grade, will discuss the origin and evolution of animal communities and will include a study of animals in their native habitat.

Local Fowl Breeding To Be Encouraged

Professor Alder of Poultry Department Investigates Egg Laying Content

A vigorous effort to encourage Utah poultrymen to breed their own fowls and hatch a larger part of their chicks will be made by the Department of Poultry at the Utah Agricultural College according to Professor Byron Alder, head of the department of poultry husbandry at the institution. This effort will take the form of an egg-laying contest to begin on November 1, says Professor Alder, who declares that the foundation of the poultry industry of Utah is somewhat unsafe at present due to the fact that it is based on imported chicks to renew the flocks.

"Much difficulty has been experienced this year by many of the poultry raisers in getting their chicks due to the quarantine against the foot-and-mouth disease in California," says Professor Alder. "Most of the 1,000,000 chicks that are shipped into Utah each year come from that state."

"There is no reason why most of these chicks could not be hatched here if more of the poultry raisers were interested in the breeding of fowls and in the hatching business. In order to arouse greater interest in poultry breeding and the hatching of a better quality of chicks the Utah Experiment Station has decided to conduct an egg-laying contest to start on November 1st, 1924, and to continue for one year.

"An egg-laying contest is of considerable value to the poultry industry of section or state where it is located. It stimulates an interest in the breeding of fowls for high production, by providing an opportunity for friendly and official competition of the productive merits of the different strains or breeds of fowls, and makes it possible for the poultry breeders to have their fowls tested in an official contest. All records of the contest are reliable and are of untold advertising value to the breeders of high producing strains.

The plan at present for the first year is to have the contest buildings large enough to accommodate only 50 pens of ten pullets each with one or two extra alternate pullets in each pen. The housing conditions will be made as nearly ideal as possible and the birds will be fed as usual.

to get the highest possible egg production. Each pen will be doubly given for the leading hen and also for the leading pen at the close of the contest. All birds will receive the same care and all will have an equal chance to win.

"The poultry men who may enter in the contest should think as to do so as soon as possible. To make a good record in a contest of this kind the pullets should be carefully selected and given the best of care during the growing period. Rearing, vigorous, well developed pullets are necessary at the start of the contest to stand up under heavy production for a full year.

"It is a sufficient interest among the breeders of the several purposes for a section of the contest may be reserved for them."

HENRY CAVENDISH, 474-10, English chemist and physicist, of whom Bob said, "He was a fellow who had been in the most learned of the rich. His last great achievement was his famous experiment to determine the density of the earth."

He first made water from gases

Henry Cavendish, an eccentric millionaire recluse, who devoted his life to research, was the discoverer of the H and the O in H₂O. In fact he first told the Royal Society of the existence of hydrogen.

He found what water was by making it himself, and so became one of the first of the synthetic chemists.

Cavendish concluded that the atmosphere contained elements then unknown. His conclusion has been verified by the discovery of argon and other gases.

The Research Laboratories of the General Electric Company have found a use for argon in developing lamps hundreds of times brighter than the guttering candles which lighted Cavendish's laboratory.

Lieutenant Russell Maughan Will Carry Silk Flag On Next Coast To Coast Flight

When Aviator Russell Maughan makes his next attempt at a daylight coast-to-coast flight, he will carry with him a silk flag upon which are the letters U. A. C.

Lieutenant Maughan is a graduate of the Utah Agricultural college. Last year he offered to carry an emblem of his Alma Mater with him on his next flight. The institution gladly accepted his offer and asked Prof. James Snow, head of the department of textiles and clothing at the college to make a banner for Lieutenant Maughan to carry. Prof. Snow has just finished this banner and it is being forwarded to Lieutenant Maughan today.

It is all hand made from heavy blue and white silk. Following Lieutenant Maughan's flight it will be placed permanently on display at the institution.

Summer School Receives Praise In "New Student"

A current issue of the "New Student," published fortnightly by the National Student Forum, of New York, carries an article describing in detail the Utah Agricultural College National Summer Session.

In editorial comment upon the article the following statement is printed: "The list of names secured by the Utah Agricultural college for its National Summer School simply staggers us. These educators are, without exception, nationally famous in their respective departments."

E. A. C. WOMEN'S LEAGUE ENTERTAINS TOMORROW

(Continued from page one)
The afternoon party begins at 2:30. A silver tea will be given in the evening at which a one-act, "Ev or Yarn" by Alice Gerstenberg, will be presented with the following cast of characters: Miss Iva Made Dun, Mrs. A. C. Sullivan, Mr. C. B. Johnson, and Mrs. Swirling Harris. The drama will be followed by a musical. Tables will also be provided in the evening if desired. The evening's performance begins at 8 o'clock.

It is important that reservations for tables be made as soon as possible. It would also greatly facilitate the work of the committee on arrangements if those who expect to attend in the evening would notify the committee in charge. These are Mrs. Weston Vernon, Mrs. L. M. Hawley, Mrs. E. G. Peterson, Miss Charlotte Dancy, Miss Charlotte Kyle, and Mrs. H. W. Pittman.

Important Announcement

To Regular and Occasional Theatregoers

AFTER an exchange of many letters and telegrams with the famous theatrical firm of Selwyn and Company, I take great pleasure in announcing that I have definitely arranged for the presentation at the Theatre, Monday Evening, MAY 19, of their great production of CHANNING POLLOCK'S WORLDWIDE DISCUSSED PLAY, "THE FOOL," which has recently closed triumphant engagements in Los Angeles and San Francisco. "THE FOOL" IS CONCEDED TO BE THE OUTSTANDING DRAMATIC SUCCESS OF THE CENTURY AND ONE OF THE MOST POWERFUL DRAMAS EVER WRITTEN. "THE FOOL" brought new dramatic records to the New York, Boston, Philadelphia and Chicago theatres, running for thirteen consecutive months in the Metropolis and daily matinees were given to accommodate the great crowds, while in other cities it has broken all dramatic records. Productions are now in preparation for the play in London and Sydney, Australia.

"THE FOOL" has been endorsed by hundreds of CLERGYMEN, STATESMEN, BUSINESS MEN, AUTHORS AND EDITORIAL WRITERS and its presentation here will undoubtedly be the supreme dramatic event of the season.

EARLY RESERVATIONS ARE STRONGLY ADVISED AS HOUSE WILL UNDOUBTEDLY SELL OUT EARLY.

PRICES FOR "THE FOOL" WILL BE 50c, \$1.00, \$1.50, \$2.00 AND \$2.50—PLUS TAX.

MAIL ORDERS will be filled now if accompanied by check or money order and self-addressed stamped envelope enclosed for prompt return of tickets.

NORTHERN DIVISION HIGH SCHOOL TRACK MEET TRUCK MEET TODAY

NORTHERN DIVISION HIGH SCHOOL TRACK MEET ON ADAMS FIELD TODAY AT 3

Plans for the competitive athletics between the high schools of the Northern division, have already matured and will be carried out today beginning at 10 o'clock. Back of the gymnasium in the horse shoe pits the teams from Logan High, Preston, South Cache and North Cache will compete in both dashes and single matches. At the same time on the tennis courts the championship of the northern division will be decided. Coach J. H. Jones will have charge of the horse shoe contests and "Cy" Hammond will officiate in the tennis matches. Last year Logan High won the state championship in tennis.

The track meet which will top the day's activities will be held on Adams field at 3 o'clock. For the past two years the College has also held the Northern division track meet and have been granted the privilege of assuming the responsibility again this year. The point winners of each event will be given ribbons by the college. Five places will count as follows: 5, 4, 3, 2, and 1.

The athletic department decided that as no official record had been kept for the northern division, it would be well to originate the record book last year of that the record book, have something to strive for. At the meet held May 16, last year on Adams field the following were recorded and named winners:

Logan High—7:15; Preston High—14:12; South Cache—24; North Cache—15.
Northern Division High School Records: 100 yard dash, Benton, Logan High 14:11; mile run, R. Hart, Preston High 5 minutes 3 seconds; broad jump, Ballou, North Cache, 10 feet 10 inches; 220 yard low hurdles, Benton, Logan High, 28:41; shot put, Adams, Logan High, 33 feet 10 inches; 440 yard low hurdles, Logan High, 24 feet; discus, Black, South Cache, 99 feet 7 inches; 880 yard run, R. Hart, Preston, 2 minutes 12 seconds; high jump, Cannon, Logan High, 5 feet 4 inches; javelin throw, Merrill, Preston High, 110 feet.

And One Singles

The tennis enthusiasts who witnessed the matches between the Aggies and the Y. Y. last Friday were certainly treated to a real high class intercollegiate exhibition in Y. Y. won three out of the five contests played, but only after fifteen sets consisting of one hundred and forty games had been played. The Aggies won one doubles match and one singles play off. Howell and Hammond in the feature match of the day took the crack Dixon-Alles team into camp in three straight sets, 6-2, 6-2, 6-2. The Aggie team played very well taking the aggressive from the start and were especially apt at kills and placements while at the net, which presumably found the Provo crew out of position. In the first set Dixon won both his serve, controlling the game and won and he and Allen started out with a two game lead in the second set only to have the Aggies win the combination "egg" six straight games. Howell and Hammond showed both at serving and receiving while Dixon and Allen were strong at the service line.

In the other doubles match, Hammond and Greenleaf defeated Dick and Vernon 6-2, 6-2, 5-7, 6-2. This Aggie team displayed its best tennis in the third set, after it had sampled the Cougar crew's two great to overcome and their steady playing finally pulled them across with a victory.

In the feature singles match, Lee Buttle, downed Joe G. 6-3, 16-8, 4-6. As the scores indicate, the match was close and very exciting. Howell's strokes at the net were especially commendable while Buttle's consistency on the defense was the most notable feature of the match. After a close first two games, Buttle took the first set in straight games but had considerable difficulty in disposing of all his opponent in the second set. Each won his service up until the eleventh game, when he forced a tie-break.

Provo, led with a win only to be duced with a win by Buttle. Cowley then won the fourth and fifth sets (fourth and fifteenth and lost the sixteenth, seventeenth and eighteenth. The third match was also here fought, many of the games being decided a number of times.

In the first play off match in singles, Buttle lost to Howell 7-5, 6-4. "Cy's" losers were going good in the first set and had Dixon considerably worried. However, Dixon's steadiness was not to be outdone and he returned victories winning the next two sets by a very close margin.

Bill finished the tennis day by defeating Hunter Manson a 7-5, 6-2. He led in the singles play off, after the first set, Bill had things pretty much his own way and added a second singles victory to his list this year, having previously beaten Bennett of the University.

Today the B. Y. Y. meets the U. of U. Monday the Aggies and the B. Y. U. at Provo, and next Friday the University requires meet the Aggie team.

The University has won two matches, the B. Y. U. has won one and lost one, and the Aggies have lost two, but it's a long time that has no turning.

**LUCILLE OWEN HAS
HIGHEST AVERAGE**
Lieutenant M. E. Wilson has compiled the scores for the entire season both for the Men's and Girls' Rifle Team and the final tabulation shows that Miss Lucille Owen tops the girls, having qualified in the high five in 9 out of 12 matches with an average of 95, which is remarkable taking into account the three positions, kneeling, sitting and prone.

In the Men's record it is found that three tied in qualifying, the most number of matches. They are G. Kennard, Donchamps and O. Moore. Each has qualified in 7 out of 7. Kennard's average for the season is slightly higher than those

Titus Medal Contest To Begin Next Week

Howell, Cowley And Vernon of
Aggie Tennis Team Are Like-
ly Contenders

The high life of Aggie tennis within the school was reached Monday when it became known that competition for the Titus medal would begin next week. The competition for the Titus medal is an annual event and usually proves to be a fitting climax to the Aggie season sport. All except one who have previously won the medal are eligible to compete in the tournament and all desiring to do so should get their names into Mess. Rich as soon as possible. Neither Hammond nor Rich are eligible for competition, "Cy" having won the medal some five years ago and "Miss" in his freshman year. This leaves Howell, Cowley and Vernon of the Aggie team ready for competition and also places Thomas Brumby, Olsen, Taylor, Parkinson and Greene as likely challengers. Last year Bill Merrill won the silver medal and this year the winner is expected to be Howell, Vernon and Cowley. The College has enough tennis devotees to furnish some hot competition and the winner who ever he may be, will by no means have a "bed of roses." As the players are rounding up their equipment, frequent off day matches will be further spurred and the tournament should be a very interesting one. According to the manager, the schedule will be posted about Tuesday or Wednesday.

Bill Golden, formerly of the Logan high school, ran a beautiful race in the 440-yard dash, beating the Aggies, his teammate, by a close margin.

Don Baker and Harry Clark ran neck-and-neck in the 220-yard dash until about six yards from the finish when Clark led.

Each team made a clean sweep in one event, the Cougars winning all three places in the shotput and the Aggies all three in the broad jump.

The summary:
100-yard dash—Anderson, Aggies, won; Baker, Aggies, second; Pearson, "Y", third, time 19 3/4 seconds.
220-yard dash—Baker, Aggies won; Anderson, "Y", second; Pearson, "Y", third, time 23 3/4 seconds.
440-yard dash—Golden, Aggies, won; Anderson, "Y", second; Van Leuvan, "Y", third, time 47 1/2 seconds.
880-yard run—Rich, Aggies, won; Greenleaf, "Y", second; Manson, "Y", third, time 2 minutes 5 3/4 seconds.
Mile run—Thompson, Aggies, won; Waterford, "Y", second; Wood, Aggies, third, time 4 minutes 49 seconds.
Two-mile run—Whitney, Aggies, won; Richards, "Y", second; Collett, Aggies, third, time 10 minutes 15 seconds.
Five-mile run—Thompson, Aggies, won; Collett, "Y", runner's score record by 5 seconds.
Shot put—Howard, "Y", won;

TWINS VICTORS IN TANK EVENT

Minna And Anna Ramsperger
Win First And Second in
Contest

In the girls' individual swimming contest held at the Utah Agricultural college Wednesday afternoon, Miss Anna Ramsperger, a freshman at her first place with 18 points for her credit. Her twin sister, Miss Anna Ramsperger, won second place in the meet with 17 points; Miss Lucille Owen was third with 14 points; Miss Vesta Schaub, fourth, with 12 points; Miss Loretta Clayton, fifth, with 10 points; and Miss Josephine Broadhead, sixth, with 8 points. Miss Lucille Owen and Miss Anna Ramsperger each gained 2 points, while Miss Alice Jenkins registered one point in the meet.

The individual swimming contest, which drew much interest from the first swimmers at the college, is the first of its kind to be given under the direction of Miss Catherine Cooper, instructor in physical education for the women of the college. Girls entering the meet were allowed to swim on four events. Five points were given for first place, three for second and one for third. The results of the meet were as follows:

20-yard dash: Minna Ramsperger, first; Lucille Owen, second; Vesta Schaub, third.
80-yard stroke for form: Loretta Clayton, first; Minna Ramsperger, second; Lucille Owen, third.
Back stroke for form: Loretta Clayton, first; Lucille Owen, second; Lucille Owen, third.
Running dive: Minna Ramsperger, first; Josephine Broadhead, second.

Optional dive: Minna Ramsperger, first with back knife dive; Lucille Owen, second, with side dive.
Tug-of-war: Anna Ramsperger, first; Vesta Schaub, second.
Push ball race: Anna Ramsperger, first; Vesta Schaub, second.
Plunge: Vesta Schaub, first; Lucille Owen, second.

Plus dive: Minna Ramsperger, first; Josephine Broadhead, second; Alice Jenkins, third.

STATE TRACK MEET COMING TO LOGAN SATURDAY MAY 17

AGGIE RELAYSTERS TAKE DUAL MEET FROM Y-THREE STATE RECORDS BETTERED

Henry Webster, intercollegiate pole vault champion of Utah and the Rocky Mountain conference, was defeated in actual competition for the first time in his life in the event Saturday in a dual meet between the Utah Aggies and the Brigham Young university.

The Young of the B. Y. U., with a vault of 11 feet 5 inches, won the event while Webster came second. Webster's record is 12 feet 1 1/2 inch.

The Aggies were successful in winning the meet from the Youngsters, emerging on the long end of an 82 to 55 score. The Aggies have also secured a win over the University of Utah tracksters.

Three state records were bettered Saturday and although they will not stand unchallenged as they were not made in a state meet, they indicate that competition is to be keen this season. Byron Whitely Aggie distance man, shattered his own record in the two-mile run by five seconds. He covered the distance in 10 minutes 23 seconds. The former mark was 10 minutes 28 seconds.
