AGGIES FIRST CONTEST WITH B. Y. U. JAN. 23

Competition Bids To Be As
Keen As Ever Witnessed In
Smart Gymnasium

From all appearances the opening basketball games of the season between the local farmers and the Provo College should be the most thrilling of the season. January 23-24, should bring two of the best teams together that have ever competed on a basketball court. Fans remember the contests of last year in which these same teams put up some of the prettiest brand of ball basketball.

Last year the Provo side won the Rocky Mountain and state championships in the boys' sport, and their chances should be made the state champions this year because of the fact that of the five players on last year's team have returned and are strengthened by the addition of several new men who are anxious to show their new abilities. Several numbers that they possess the stuff necessary for college competition.

Experience has no priority on the Aggie farm, however, and the Coagars are here to find it a difficult task to lift the weight of play from the heads of the hoop farmers. The squad this year has had several additions and an increase in size and will be made up of ten men, who are players in most as well as names. When men in more important and three more will be added before the Coagars arrive to take the floor in their first barnstorming trip a week from Friday.

UTAH HOOP TEAMS BOAST CLASSY CAPT.

Woodside for Aggies, Collett for The University and Howard for Y. Form Strong Trio

This season will see three or the best veteran basketball ball stars of Utah leading the position as captain of their respective teams. Never before has three men of such ability been teamed in one year to lead their teams.

Woodside of the Aggies is playing his fourth year of varsity basketball and from present indications it will be his last. The Aggie captain in his fourth year, has been known for his fighting spirit and all around basket ball ability and should make the farmers a real captain. Thel Collett of the University at Utah, is an all state men, playing center, Collett, earlier in the season, announced his intention of leaving school this year. The first of the court, Collett, has been, however, and last year are going to see one of the greatest veterans in the state in the person of Collett.

"Bob" Howard is captain of the Coagars five and is playing his fourth year. Howard is a guard and is a guard to no small ability and is a most dependable player. Fans are here to find it a difficult task to lift the weight of play from the heads of the hoop farmers. The squad this year has had several additions and an increase in size and will be made up of ten men, who are players in most as well as names. Boulder, Colorado Breaks Even In Hawaii

Boulder Has 13-0 Victory Over Navy But Loses To U. of Hawaii With a 13-0 Score

An added feature of the football activities at the University of Colorado was a trip to Hawaii during the holidays at which time the Boulder side broke even in a two-week engagement. The navy all stars held the Boulder aggression, to the tune of 43-0 while the University of Hawaii was able to get the Colorado 22-12. This trip was one more step in placing football of this region in the line of light. Critics throughout the country are coming to realize that the Rocky Mountain conference carries some thing besides a name and when Walter Camp was two long men recognition have not dented his staff. To a photographer on account of the trip.

Wrestling Possibilities Begin Work In Gym.

With the beginning of the indoor season, wrestling has taken on a more serious aspect here at school. Coach Nelson is out with the boys, long time teaching them a few of the pointers he has gained through long professional experience. There are quite a large bunch of willing workers, and they are working around the mat.

College Freshman Squad Defeat Ogden

Aggies Use Two Complete Teams—Merits of New Players Uncovered

Basket ball made its in sports or athletic debut into Ogden last Friday afternoon when the Ogden High school team were defeated by our freshman squad. The game, which started at 8:30, was quite interesting, much good basketball being played. A large number of students watched, the games—many more than were expected—and all were rewarded with a clean, fast game of ball.

The Aggies used two complete teams during the game with the result that several likely players were uncovered. Ogden 22-12. The second half with the starters, which entered the game, Ogden was entering the game, Ogden was entering the game, Ogden was entering the game.

Wade and Wolf, Ogden forwards played a very good game, the former was high point man with seven goals from the field and two from the free line. He along with Nelson, Stanley and Lindon accounted for all but two of the Aggie points. Nelson played very creditable floor game, mixing very well. Linford was undoubtedly the best guard on the floor.

A feature of the game was the great number of fouls called due to lack of knowledge of the strict rules now in force.

FOUR LAST YEAR'S MEN AND THREE ENTIRELY NEW MEN ARE CHOSEN

The first great task of the basketball season has been met by Coach Romney. It is that of picking the squad that will represent the Aggie in varsity competition. The task has been a real one this year because of the fact that the major portion of the varsity material available is of practically the same caliber. There are but a very few men who are outstanding over other men for one position. Coach Romney has made some definite selections for his squad of men. Three vacancies are understood to be filled in a day or so by five eligible men. All able to do the goods. The men that have been picked are Captain Woodside played his fourth year in varsity ball for Aggies. Sanders, a player of strong at guard and running mate of Woodside. Baker, who was mentioned in the first position very creditably, picking from his past showing as a guard.
