Nominees Make Statements Of Policy; Democracy And Non-Factionalism in Favor

Pocock Favors Open Forum; Wilcox Would Strengthen Music Dept

New Plans Mentioned For Editing of Student Life; Buzzer Plans Laid

I stand for administration void of factionalism and of class, and for majority rule thru open forum. If I am elected I shall do my utmost to bring to the U. A. C. the best of the biggest and most satisfactory in its history.

LESTER POCOCK

GLEE CLUB TOUR GRAND SUCCESS

Club Wins Favor At Every Concert; Greeted By Large Audiences.

The policy of the U. A. C. should be uppermost in the mind of any student who is to serve the student body in any capacity. Having this policy of democracy we should strive to improve upon the work done by the student bodies of the past. We should not do this with a spirit of factionalism but with a feeling that our predecessors expect more of us. A few things that we have done in the past year to improve on the past is to encourage and lead more hearty support to our music department; their activities can be carried on to a greater advantage. In doing this we must give consideration to the other activities including athletic, dramatic, debating, etc. Activities that will attract girls should be encouraged to the fullest extent, as was debating this year.

In the expenditure of the students money we should give more credit to the interdepartment work and give them every thing that is possible in the form of reduced prices charged for tickets, drama, opera, lectures, dances, etc. In doing this week the big thing that should be kept in mind is that we are fighting for the blue and white.

FRANCIS WILCOX

I believe a Student Body President should consider himself the servant of the Student Body and should endeavor to comply with the majority of its wishes. I believe the interest of the student body to be above that of any group organization.

I stand for a fair and efficient administration.

DICK DAVIS

COLLEGE GIRLS LOAN FUND REACHES \$1000.

Addition Made Recently By Women's Faculty League Brings Total To 1000 Mark.

Last Saturday afternoon the U. A. C. Women's Faculty League gave a bridge party in the hotel ball room and the result was \$1000.00. At which 42 tables were sold, the money to be used for the girls loan fund which the league is sponsoring.

The afternoon was a delightful affair. The president, Edith Merrill, added to the amount that is already in the fund the proceeds for the party and the \$100 check previously added this year by the league and \$25 donation from the U. A. C. Women's Club, the money now available is \$1000.

The committee on arrangements were:

Miss Priddy Peterson, Miss Charlotte Kyle, Mrs. D. W. Pittman, Mrs. Ann Bullen, Mrs. W. B. Brown, Mrs. and Mrs. J. E. Griffin, Mrs. W. C. Wilcox and Mrs. Weston Vernon entertained a large number of the guests. The wives of the board members present were Mrs. G. H. Index, Mrs. Weston Vernon, Mrs. F. P. Chang, Mrs. C. G. Adley, Mrs. John E. Griffin, Mrs. A. P. Bishop and Mrs. C. P. Carson.

The above is a list of the Glee Club that recently returned from a successful tour of the southern states of the above. They are, from left to right, first row: S. Beecher, B. Hartman, B. Garner, W. Dickinson, R. West, A. Baker, S. Stare and J. Mahlen, second row: Thomas, Beecher, H. Glade, K. Appen, B. K. Farnsworth and O. W. Mooney, third row: M. Lemon, P. Mooney, A. L. Hunt, H. Webster, E. Finlayson, G. Gowers.

Three Students To Attend Provo Meeting

To better intercollegiate relationships in Utah, the third of the inter-student body representative meetings will be held at the Brigham Young University, Provo, this Friday. The editors of the three schools will meet to plan wherein the influence of the student press will be made a power in shaping student thought for better relationships. The problem of better student inter-collegiate on the field will be discussed. Plans will also be made to the student body officers of the other two schools to meet with them next week in the city of Salt Lake City.

The first night, they sang, in Fountain Green, and the people all turned the town over to them. Because of the small size of the city, a big crowd was impossible, but the people made up for that by turning all the receipts over to the club, and then giving them a dance.

The next day the fellows made a field trip. There, they advertised at the High School in the afternoon, and were rewarded at night by the largest audience in the entire town. There was scarcely standing room, when the program started. There, drama and "afternoon" they congratulated the boys heartily. (Continued on Page Three)

Alpha Sigma Nu Initiate Entertain In Student B.

The student body program last week was taken over by the new members of the Alpha Sigma Nu, new honorary fraternity. This is the first time they have appeared in student body but they expect to make this public appearance of the new members a tradition.

Francis Wilcox, president of the new organization, gave a short speech outlining their activities for the coming year. Dee Davis acquired his audience with his newly selected members of the Alpha Sigma Nu, new honorary fraternity. This is the first time they have appeared in student body but they expect to make this public appearance of the new members a tradition.

Mary Browning Is Elected Pres. of A. W. S.

The annual spring elections for A. W. S. officers held last week resulted in Mary Browning being chosen president for the coming year. Mrs. W. C. Wilcox, vice-president, and Ralph Cloughier, secretary.

Miss Browning will accompany the present president Rita Haines, to the national A. W. S. convention to be held at Eugene, Oregon.

The convention is held alternately in the East and West and is alternately national and local.

The program for this year's convention has not yet been received, but consists of prepared constructive programs, and round-table discussions on such topics as honor systems, the "big sister" movement, vocational guidance, and various individual campaign problems.

Seniors In Home Ec. Visit State High S.

The Senior class in Home Economics, studying methods of teaching, made a delightful visit, on visiting some of the Utah high schools.

The first visit was made to Granite High, where Miss E. Lindquist, a former Aggie, is head of the Home Economics department. Under her supervision a delicious luncheon was served to the girls.

The same day they visited Wood Dale High where they were met by the beautiful, well equipped buildings and visited the textiles and food departments.

LAST FORMAL PARTY ELABORATE

Womens Pan Hellenic Ball Scores Big Success Decorations Very Nice

The last of the big formal parties of the year passed with the Pan Hellenic Ball given in the Smart Gymnasium last Saturday night. The gym was attractively decorated to form a winter garden. The ceiling was of drap with large bits of lattice and flowers in the center, and four smaller ones in each corner. The walls were of green lattice with trailing vines.

Refreshments were served from two corner houses, and the other booths were made of very cleverly constructed material. The music for the dancing was by Carl W. Wood's orchestra (twelve) and the music for the dancing was by Carl W. Wood's orchestra (twelve).

The patron of the party was President Mrs. E. C. Peterson, Dr. and Mrs. F. L. West, Dr. and Mrs. N. A. Peterson and Dean Charles Dancy.

The committee on arrangements was composed of Mrs. Edna P. Baker (Continued on Page Four)

Five Men Nominated For Student Body Pres. Pocock, Wilcox and Davis Chosen

Edith Smith And Lu- cille Owen Nominated For Vice - President.

Allred and Harward To Contest Position For Student Life Editor.

The positions for nominees for president of the student body for the coming year were most keenly contested in the nominations held yesterday afternoon. Five men were nominated and the elimination votes were closely contested.

The men who entered victories, and whose names will appear on the official ballot next Wednesday were Lester Pocock, Francis Wilcox and Dick Davis.

PETERSON WINS
ROMNEY'S BOOK

Cooperation Given As
Important Thing To Be
Gained From Athletics

Harold Peterson is the winner of the student life contest for this week. His article on "This most important thing to be gained by participating in college athletics" is clear, concise, and well written. We agree with him that cooperation is certainly an important thing to gain by competing in athletics.

Coach Romney was well pleased with the articles submitted. In fact, competition was so keen that he was at a loss to decide upon the winning article. Unfortunately, no girls entered the contest but some very fine work was done by the fellows. L. L. Merrill, Rex Birch, A. S. Gardner and William Robert wrote especially interesting articles.

Mr. Peterson's article follows: Cooperation, or the ability to team with your associates is to my opinion, the most important thing to be gained from competition in college athletics.

In the daily routine of athletics over individual who has the interest of the team at heart must make it an obligation to see that his fellow players are successful. Even though a spectacular performer he must work for the success of the team. In contests where one receives the knocks of his opponents and rubs shoulders with his comrades he must and inevitably will acquire that force of cooperation.

Throughout life the dominating characteristic of the successful individual or nation is this word: cooperation. The final achievement received by the ego is small, because if he cannot work he cannot advance far in serviceability which should be the ultimate aim in life.

And finally, who has never come from an athletic contest without

WHY HAVE A
COLLEGE PLAY?

Miss Jones Will Give
Book to Author of Best
Answer to Question.

Why have a college play? Miss Jones Jones is going to present a book to the person who writes the best article on the subject. Students, why should we have a school drama? Or, perhaps you think we shouldn't. Wherever way you think, express yourself and perhaps you will be the lucky person who wins Miss Jones' book.

Many more students tried for parts in the college play than there were places to fill. Possibly this fact tends to show that many people are intensely interested in dramatics. Then surely those persons will be anxious to give their reasons for thinking that school plays are desirable.

Maybe some people couldn't write from the point of view of those participating in the play. Tell them the fun of being in it. Or, is it so hard training for those who follow dramatics as a career? Does dramatics function as an education, as a co-educator in group cooperation?

Others should be able to give the viewpoint of the person who thoroughly enjoys watching other people act.

New students are participating in each contest, but surely there are more people with writing ability, than could write interesting articles. As you write remember that the best article is always clear and concise.

Feeling the influence of cooperation, or perhaps admitting the team work of the victor? How often do we condemn the individual because he doesn't "pass the ball" or "wait" to act.

So with athletics, so with life, it is cooperation that makes it what we are.

Over the mountain by a mile

Year after year, plucky explorers try to climb Mount Everest, the world's highest peak, 29,141 feet high.

With a G-E supercharger feeding air at sea-level pressure to the engine, an airplane pilot can go far higher. Lieut. Macready has reached 34,509 feet over Dayton, Ohio. He would have soared over Mount Everest with more than a mile to spare!

The tasks attempted for centuries in almost every form of human endeavor have been conquered with the aid of electricity, with more than a mile to spare.

The impossible today will be accomplished by men and women now in college. The scientist and engineer are doing their share. It remains for men and women entering upon their life's work to profit by the new opportunities that are constantly appearing in every profession and vocation in the land.

Supercharger is a turbine air compressor, which revolves as fast as 41,000 times a minute. The highest speed ever achieved by a commercial machine. It is this which makes the General Electric supercharger, which can build the big turbines that supply electric light and power.

If you are interested in learning more about what electricity is doing, write me at present LOW AERIAL, containing a complete set of their accomplishments.

ELECTIONS
Election for student body officers for the coming year are to be held next Wednesday. The candidates are chosen and the thing now remains to be done is to make their acquaintance, get acquainted with their policies and their qualifications, and then cast a vote for the man who in the opinion of the voter is best qualified for the job.

The sooner one chooses his respective candidates and begins working to "put them over" the better will be their chances of coming out victorious. Speeches for the candidates will comprise the larger part of campaigning during this election. There, then, rest on your laurels and give your support to the chosen candidate.

There is yet another phase pertaining to elections that must not be disregarded. Campus tradition demands false pretense. One may win the election but if it is accomplished under false pretense it is in many respects worst than defeat.

Finally, remember to cast your vote in the student body office next Wednesday.

NOMINEES MAKE STATEMENTS OF POLICY

(Continued From Page One)
If elected for Vicepresident, I will do my part to make 1925-26 the people's year that the U. A. C. student body has known, by keeping up the Argus tradition and ideal of democracy, devoid of factionalism. I will further set forth every effort to get for the students the maximum activities for their student body fees.

EDITHA SMITH

If elected to the position of Secretary of the Student Body, I shall devote myself freely and conscientiously to the accomplishment of the following objectives:

1. To keep a careful record of all proceedings of the student body, which shall be readily accessible to all students.

2. To give an accurate report of the same to the editor of Student Life.

3. As a true student representative, to maintain the office at its highest efficiency.

4. To keep up the ideals of democracy in the Student Body.

LEAH MATTHEWS

If enough of the students feel dis-

posed to vote for me for Secretary of the Student Body, I shall do my best to perform the required duties of the office and to discharge the duties at the proper time.

EDITH MERRILL

In the event that I am elected to the position of Editor of Student Life, in the coming election, I shall do all in my power to improve Student Life by:

1. Making Student Life more truly a portrayal of Student life and activities.

2. Believing that every student, attending the U. A. C. makes certain accomplishments which entitle him to some publicity in Student Life's columns. Because of this it should be possible to mention each student's name in the Student Life at least once every year.

3. Making the front of Student Life a news page.

The news printed on this page will consist only of news which is happening or is going to happen and not of news which has happened secretly and has not all of its interest.

A large portion of the front page will not be occupied by chart reports which are neither news, nor

(Continued on Page Three)
