PRESENT PAPERS

Goes to National Con. of Parent Educators.

Dr. Bert L. Richards, professor of Botany and Plant Pathology at the college left Tuesday morning for Detroit, Michigan, where he will take part in a four-day conference of the National Council of Parent Education.

Dr. Richards was invited to the conference to present the findings of some research work that he has been doing in Logan. He will give his findings in three papers as follows: "Research Need in Parental Education," "Parent Classes in Utah," and "Research as conducted in the Logan Seventh Ward."

As a director of the Seventh Ward Parent Teachers association, Dr. Richards with others, has been making an investigation into the home administration in the Seventh ward. The object of the investigation is to work out a discovery of the home administration, the observance of which will lead to a better home life. The investigation is being made with the home as the laboratory. The Research Council for Home Betterment, an organization which was established at the college two years ago, has also aided in the investigation.

The National Council of Parent Education was organized just last year.

Judge Ben B. Lindsey Tells "Why Kids Lie"

Judge Ben B. Lindsey of the juvenile court of Denver gave his lecture "Why Kids Lie" in the regular chapel service last Wednesday. Judge Lindsey began his discourse by saying that he valued greatly the opportunity to speak to a young audience like this, because youth may carry on the work of juvenile uplift.

The task he assigns to youth primarily is that of making the world a better place to live in; and he believes that if the older generation will do their part in this youth can be trusted to do its part.

Coming to the subject in hand, Judge Lindsey stated that all crime has its beginning in falsehood, and that the falsehood habit, has its beginning in extreme youth. For the reason, he held that parents should take particular care that their offspring form the right habits while they are young, and thus the great responsibility devolves upon the mother.

Judge Lindsey dwelt for some time upon the value of an approach in dealing with children and criminals. The arbitrary approach as he defined it consists mainly of fact, rather than of charity.

"All that is wrong with youth, the good judge said, is that they are on a cross examining spree."

Do not put your car on the road way which runs from the North entrance around the Main building and out north axis.

U. A. C. vs. Wyo. U. Saturday, L. H. S. Auditorium.

To Frosh Leavers

Let this be a final warning to all leavers of the college to cease wearing them on the campus. If you do not wear your trophy sweaters, you may, but—says Leaver, Aggie tradition dictates that only black A's may be worn on sweater awards on the campus. This custom of course does not apply to visitors from other schools, but only to students registered at the College. Forget all old letters, men, and go after an A.

FRESHMAN CLASS NOMINATIONS ARE HELD MONDAY

Owen, Morgan and Doty Up for Hectic Prexy Job.

With the purpose in view of nominating class officers for the present school year (1926-27), approximately 255 freshmen met Monday morning, in chapel, in their first class meeting of the year.

After a rather noisy general discussion of prospective nominees, the class of 1926 was called to attention by Student Body President, Frank Christensen, who, until the close of the meeting, acted as chairman of nominations.

President Christensen spoke briefly against the chronic wading of high school swimmers by students who have recently won awards in high school swimming, saying that it should now be the desire of every newly arrived student to forget his high school days and enter body and soul into the much more profitable swim of collegiate activities. He urged the wearers of the green "Tee" to get in and do things, to be good students, to be good citizens, to be good athletes, and to be good men.

Nominating speakers then commenced attention and the following ballot was accordingly drawn up:

For Vice President: D-Eta Heimergren, Lucile Blair.

For Secretary and Treasurer: Pat Larson, Jack Wynn, Alma Ford.

In accordance with suggestions made during the meeting, the actual election of class officers will be held next Monday in the chapel. Judges for the election are yet to be appointed, but it is certain that they will be chosen from among the students in company with three freshmen class members.

New Parking Ruling

The College desires to keep the roadway from the north entrance around the front and immediate rear of the main building open. No parking may be made in this driveway. All other roadways on the campus may be parked in.

Coming to the subject in hand, Judge Lindsey stated that all crime has its beginning in falsehood, and that the falsehood habit, has its beginning in extreme youth. For the reason, he held that parents should take particular care that their offspring form the right habits while they are young, and thus the great responsibility devolves upon the mother.

50 Cadets Compete for Berths on Squad

Over fifty R. O. T. C. cadets have signed as candidates for this year's rifle team.

Only two of last year's team members are eligible for competition this year. The team will consist of twenty-five members to be filled by new members. The old members are Edward W. Gills and Kenneth Smith.

Already challenges are coming in from other schools so it is the duty of all candidates to make the most army every available moment, as the final try-outs will be held within three or four weeks.

Fifteen men will be chosen for the team with five alternates. This making a total of twenty men to be on the team.

The annual will be open Thursday and Friday of the following two weeks unless present plans are changed.

Advice to roommates—get your free meals while you can. Dining will soon be over. You're welcome.

PAST CHOSEN FOR ARSIT PROTECTION

Judges Are Hard Put to Select Best Cast.

The cast for "The Gooze Man's High" the school play, was completed yesterday afternoon, when final tryouts were held.

Mr. Chester J. Myers, head of the Public Speaking Department and director of the play, announced the cast as follows:

Bernard Inagals Fred Hogan
Ennio Inagals Miss Ward
Noel Doby Fred Larson
Rhoda Miss Newman
Julia Murdoch Miss Morgan
Mrs. Bradley Damaris Sutton
High English Fred Johnson
Ronald Murdoch Mr. Walker
Lois Inagals (twin) Emma Green
Bradley Inagals (twin) Emma Green

Dagmar Carroll Miss Lyman
Mr. Kimberley Ted Carlisle
Lois Day Mober Elsworth
Nominating rites in the afternoon of Monday in Mr. Myers' office. The play will commence about five or six weeks in preparation.

Where, and at what date the play will be presented is at present uncertain.

Judges of the candidates for places were Mr. R. H. Moxley, head, Mr. Fred Hammett, Professor N. A. Pederson and Mr. Chester J. Myers. About forty students competed for the three roles, and it was only with great difficulty that a cast was finally chosen.

GEDDES DIRECTS SOCIAL SURVEY

CANVASSERS DUBIOUS

Under the supervision of Dr. Geddes, the students in Sociology are making a sociological survey of Logan. The purpose of this research problem is to ascertain the quality of the people, the tendencies toward Centralization in localities, the size of families, and the number of men and women. Each of the facts ascertained will be the positive value in the study of local sociological problems. The body of information gathered will form a basis for further work in the department of Sociology.

Those who make the survey will have to determine the number of families, the household, and prisoners, belonging at each home. This kind of information furnishes data for forecasting a basis for further work in the department of Sociology.

Another interesting problem to be studied is the concentration of population problem. The early "Mormon" idea of settlement was to equally distribute the population. The information which is being gathered shows that the population has shifted from the earlier distribution. Closely connected with this phase is the development of local centers: civic, social and business.

Students in direct charge are Frederickson, West, Welch, and Leishman. Our canvassers are now endeavoring to secure in life and soul, and insurance before they start collecting the data.

BULLETIN

Ag Club meeting will be held Monday, Oct. 25, at 1:00 p. m. in room 250 of the Livestock Building.

Debating Managers. Applications for managers of debating must be handed to Student Body President before Monday, Oct. 25.

Student Body Department Heads. Editors and managers of Publications, class presidents, president and vice-president of the A. W. A. C. and all other managers and assistant managers of departments in Student Body, meet in R. B. office Tuesday, Oct. 26th at noon.

R. M. C. DEBATE LEAGUE DISCUSSION

According to Dr. W. J. Vickers, Chairman of the debating council, a proposed Rocky Mountain conference debate league is under discussion.

Such a league would include Denver U., Colorado U., Colorado A.C., Wyoming U., and Montana. It would be a substitute for Interstate debating in California and the Eastern States.

Discussions would be out down by championing long trips and debating three or four schools in Colorado on one trip.

Dr. Vickers who has received his letter from Stanford last week is desirous of placing the U. A. C. on the highest level in debating.

The State question will be decided by the next meeting of the league which will be held soon after Oct. 1st.

FORMER MEMBER OF THE ARSIT

Mrs. Lois C. Hayball Always Ardent Booster

Mrs. Lois C. Hayball, wife of H. H. Hayball of Logan, died on the morning of October 12th, at Manhattan, Kansas, where she had gone to visit her daughter, Mrs. Coral Adams.

Graduates, students and faculty members of our institution will remember Mrs. Hayball first of all as being one of the most vigorous boosters the college has yet known. Indeed, she spent a good portion of her more mature years in actual service on the U. A. C. Board of Directors, which position she held until 1921.

Just a short time previous to her death, Mrs. Hayball presented a large portion of her carefully selected and private library to the college, a gift which we, as students, appreciate fully.

We need mention the second of her gifts to the Logan High School, given annually to the best Home Economics student, only that we may once more recall her fine interest in the progress and advancement of learning at the U. A. C.

DOCTOR C. F. AKED

Dr. C. F. Aked D. D., L. D., D. noted pastor of Winthrop A. M. Church, Los Angeles, will be the speaker at the next meeting of the White Treeum circle, a week from Wednesday, Nov. 2.

This nationally famous preacher was born at Nottingham, England, and graduated from Indiana College. In this country he graduated from Brown College in 1867, and served as pastor of the White Treeum circle in Los Angeles in 1922. He was pastor of St. Helena and Redlands, in England in 1888-90, and in Pembroke chapel, Liverpool, from 1890 to 1907. He is a successful speaker, a brilliant thinker, and a man of persuasive eloquence. He lectures on current events, or literary and historic themes.

Dr. Aked speaks on the following subjects: "A Preacher at the Play," "Prophecy of the Dawn," "Alcohol and Gladiators."

The rush season is over. Many a look back himself out of a good week back Tuesday morning to the basement and light a former that had been kept warm the previous week by some unrepentant "A.W.C." It is good practice, though, and many a man that has never known what the work end of a broom of axe was for till he happened to find one of work.

FIRST S. B. DEBATE PAYS COLLEGE A VISIT

W. L. Walker, '08, Initiates First S. B. Fee.

After having won for himself a prominent place in the world of affairs, W. L. Walker, efficiency expert, consulting engineer, vice-president and assistant general manager of five great commercial houses and dozens of the college, came back yesterday to greet old friends and to visit the campus of his alma mater. Mr. Walker, a graduate of 1908, bears the distinction of being the first Student Body President of this institution.

The College up until this time had effected no particular Student Body organization.

Altho, a pioneer in this local field of student leadership, Mr. Walker proved to be a most up to date intellectual president, while in office. President Walker was able to introduce the compulsory Student Body feeling an idea that has since been adopted by nearly every school in the country.

After receiving his bachelor's degree in 1910, Mr. Walker graduated with the college as an instructor in chemistry and mathematics. Later he entered the Graduate Business School at Harvard, where he was graduated from there in 1914.

Entering a Boston firm as an accountant, he shortly became head of the engineering department. Later, as a consulting engineer, he set up in business for himself. In 1922, he joined the University of Massachusetts, was organized, and Mr. Walker took a position with these people. Today he is vice president and assistant general manager of the Massachusetts department of the same company. He has been able to make up his mind with pride and satisfaction upon the brilliant achievements of our first Student Body President.

MOUNT MAGOG HIKE SET FOR WEEK-END

All Aggies who are going on the hike to Mt. Magog next Saturday should sign the paper posted on the chapel door before the close of the day. The Aggie hike will leave the front of the main building promptly at six o'clock a. m. and return at about six p. m. Three buses will be used to visit Mt. Grove, White Pine Lake, and Mount Magog. Mount Magog is the highest peak in this range of mountains.

Aggie students will be glad to see the top automatically become a full fledged member of the Aggie Rumble. All members of the Student Body are eligible to go if they have two good legs and want to try them out, bring your dinner, a canteen, and a kodak, and we'll meet you on the front steps Saturday morning at six.

Sixty cents per head will cover all expenses.

Irvin Hull, Clyde Smith Receive Scholarships.

Irvin Hull, graduate of last year in the school of commerce and business administration, has received a \$500 scholarship to the University of Chicago, where he will be studying in his major. While at college Mr. Hull was an outstanding student having received honorable mention in his freshman year and a scholarship "A" in his senior year.

It is because of this record that he received the honor. Mr. Hull was a member of the Sigma Chi and Alpha Kappa Psi fraternities.

John J. Smith, another graduate of '24 has received a teaching fellowship to the Agricultural College of the University of California, where he is doing research work on his masters degree. He is a member of the Delta Nu Fraternity.

We will wager that there are more phone calls going out from Student life office each day than from any other office in the world. We serve some—hundred to 1000 letters for the hour of the hour.

FARMERS CLASH WITH COYBOYS IN CRUCIAL GRID BATTLE SAT.

Team Leaves For Laramie Today—The Lineup Changed Again With Schools Still at Quarter—Grid-Graph in High School Aul. Saturday.

A. W. S. FROLIC WELL ATTENDED

Season Start Auspicious

The A. W. S. ball given last Saturday, was a decisive "good start" in our Aggie scheme.

The decoration scheme was one of autumn. Rose colored streamers were festooned about the sides of the ceiling the walls were made attractive with displays of roses and gold oak leaves. The whole gym "looked on a rose from the deeply tinted light-shades. Two couples were transformed into lounge players, and a third corner was made more popular of all by an old corner well supplied with punch and nuts.

The Aradonian orchestra "played the dance music.

The council and their partners received the guests with a warm welcome. The party were: Dean, Charlotte Vance, President and Mrs. E. G. Peterson, Mr. and Mrs. F. P. Champ and Mrs. W. W. Verner, Mr. and Mrs. A. G. Lindstrom, Mr. and Mrs. J. C. Walters, Dr. C. Hodge.

Ruling On "I" Grades

The Faculty wishes to announce that a ruling has been passed at the meeting of October 15 to the effect that henceforth any student failing to complete his work in any course and thereby receiving an "I" grade will be allowed to make up that grade within one calendar year following the recording of the "I". If not made up within the specified time the "I" will become the permanent grade. Those students who have received "I" grades in the past will be given one year to make up those grades.

Dean of Agriculture Will Speak to Ag. Club

Prof. Elmer Dean of the school of agriculture will speak to the Ag. Club Monday, Oct. 25. Prof. Dean has many things he would like to discuss with all students interested in agriculture. He has several problems to present to them, to be solved or to receive thought.

Some business to be brought to the attention of the agricultural students concerns the annual Ag. Club ball and the publishing of the Ag. Club Link. The official organ of the Ag. Club.

Due to the failure of the secretary and treasurer elect of this year to return on Monday a new member has been elected Monday to fill the vacancy.

At meeting will be held Monday at 1:00 p. m. in room 250.

EX. COM. MEETS; VACANCIES FILLED

The Student Body executive committee at its weekly meeting elected Geddes Wright as a commissioner to fill the vacancy left by Stanley Christensen.

Games played away will be played by play upon the grid graph. The game was decided Sunday. It was admitted for next week, others will be played twenty-five cents. The winning game will be played on the grid graph at the Logan High School.

George Harris was elected manager of sports and dramatics. Lloyd Thoms was chosen as his assistant. David Halseth was selected as assistant manager for track.

Nance for Debate Manager will coordinate the next meeting.

HEAD "FRATERNITIES" ED. PAGE

Five Cents Per Copy. NUMBER 4.

Student Body Directors Meet

Student Body President F. C. Christensen announces that there will be a meeting of all class presidents, student body officers, student body managers and their assistants, athletic managers and assistants, editors and their associates, and the A. W. S. president and vice president in the Student Body office at noon on Tuesday the 26th.

By calling such meetings of directors of Student Body affairs occasionally, President Christensen expects to coordinate the departments, bringing them to function more as a unit.

These officers will thus serve as a sort of cabinet.

SOCIETY**Bridge Party Held
By Sigma Theta Phi**

Sigma Theta Phi entertained at a bridge tea at the Bluebird Saturday October 16 at 2:30 p. m. The hall was attractively decorated in autumn colors. At five o'clock a dainty luncheon was served to one hundred and forty guests during the luncheon, Misses Lugh Edwards, Edythe Johnson and Melba Thornley entertained with several musical selections. The arrangements were in charge of Drue Elison, Norma Hansen and Veda Mason.

Naoma Broadhead will represent the home economics club of the school at the Home Economics convention to be held in Salt Lake on Friday and Saturday.

The alumnae association of the Sorosis sorority entertained at a costume party Monday evening in honor of the active members of the sorority. Games, stunts and sorority songs were features of the evening. Refreshments were served to fifty members. A gift was presented to the active chapter by the alumnae.

Ray West, Carl Sheffield, Arnold Hunsaker and Clare Budge were dinner guests at the Delta Nu house on Monday.

Arlita Holm and Melvina Haffaker were dinner guests at the Theta house Sunday.

Stewart Starr, Alma Gardner and Alma Budge left Tuesday morning on a deer hunting trip.

Florence Childs, an Aggie Theta, is visiting at the chapter house this week.

Thursday evening the Delta Nu Fraternity entertained 30 "rushes" at a stag banquet, followed by a dancing party at the Hotel Eccles.

Prof. Vickers gave an interesting talk on fraternity pledging, at the "stag" Vernon Stevenson, Mrs. Woods and Clarence Nelson, Beta Theta Pi's of the U. of U. Stanley Christensen, a Beta pledge, and George Spencer were special guests of the evening. Leo Olsen was in charge of arrangements.

Afton Robinson, Aggie and Sorosis of two years ago has received a pledge pin from the Gamma Phi sorority at the U. of U.

Miss Norma Watkins, Aggie and Sorosis of last year was a campus visitor last week end. Miss Watkins is teaching in Jordan High School.

The Home Economics Club entertained Thursday evening at the home of President E. G. Peterson in honor of the girls registered in H. E. Miss Naomi Broadhead, president of the club presided. The program consisted of a piano duet by Donnetta Cox and Edna Madsen, a talk by Miss Moon on "The Advantages of belonging to the club," colloquy, Melba Thornley, Ora Packer gave a report on the Home Economics convention held in Minneapolis. Refreshments were served to the sixty six present.

The Phi Kappa Iota dinner guests during the past week were: Armand Dorco, E. C. Melton, Ervin Lindquist, Ezra Owen, Ernest Gard, Carl Madsen, Thos Madsen, Kenneth Vauderhoff, Herbert Griffin, Alvin Morgan, Dick Stratford, Alvin Evans, Edwin Carlisle, Perry Stewart and Otis Marlor.

Clarence Nelson, a Beta Theta Pi of the U. of U. visited the Delta Nu chapter house Sunday evening.

The Phi Kappa Iota fraternity entertained at a cocktail and dancing party Tuesday evening at the Hotel

**The
Ivory Tower**

This football business is getting more serious all the time. About Thanksgiving time we might know who is on the main team. Some hard games are facing us, almost an insurmountable schedule. Wyoming must be beaten.

An article appearing in last issue of Student Life told about the Antiviolence recipe of Fraternity men. Not taking this serious one frat thought maybe a little malt, hops and a certain time of playing in a barrel, is was served at a party and the rushes became dihyranbic. All is told in rushing and love.

Next Wednesday will be a day when the Freshman reach the pinnacle of their college careers. They will become associated with their football idols, and get some new friends. In this Sophomore year they will realize a frat is not the sublime thing they once thought, but just a necessary thing in a series of educational mediums.

The executive committee should be commended upon the fairness in which it considers applicants for managerships and other positions. Generally, the best man wins. One lamentable fact which I am sure was overlooked was the choosing of an executive committee at last meeting. Students placed candidates who in the race who were best fitted for the position last fall. Only one man of the three who were running neck and neck was placed in nomination by the council. Make it was a mistake, but certainly men who were placed in nomination by the students should get some consideration from the governing council.

Eccles in honor of rushes. A stag banquet at the chapter house followed the dance and was featured by talks by Professor George H. Cain and William Burnett, songs by Delmar Eckert and selections by the Bluebird orchestra. Thirty members of the fraternity and twenty-five rushes were present. William Geddes was in charge of arrangements.

Harold Williams, a Phi Kap of last year is a Phi Delta Theta pledge at the U. of U. this year.

The Zeta Chi announce the pledging of Alta Hirst.

Gayle Pond, a Beta graduate of last year was a visitor on the campus Tuesday and Wednesday. Miss Pond has been teaching Home Economics in Payson High School.

The Epsilon fraternity entertained their rushes Monday evening at the Hotel Eccles at a dancing party. Ray Baid was in charge of arrangements.

Wednesday evening the Pi Kappa Alpha fraternity entertained their rushes with a dancing party at the Hotel Eccles followed by a stag banquet at the chapter house. Fraternity songs and cheers were the features of the evening. Mr. Matley was in charge of arrangements.

Lewis Roland, Frank Morgan and Stewart Starr, Delta Nu's motored to their respective homes in Salt Lake Nepal and Springfield last week end. While so near Provo and being loyal Aggies they attended the game. They returned Sunday evening.

We have some splendid pianos for rent. Thatcher Music Co. (Advertisement)

FRATERNITIES

(Continued From Page Two)

pieness from membership in a fraternity, and few of them would forego the social experience that a fraternity offers.

The Fraternities are, I believe, less necessary and valuable. It would be futile and unwise to attempt to do away with them. Rather let us have more of them, many more of them, more than enough to go around. And let them cease fooling themselves. Let them recognize themselves for what they are, social organizations. They gain nothing by masquerading as honor societies, and they lose much.

Finally, let them look to their ideals. They are rich in tradition, they are great in numbers, they are powerful in college circles. They have every reason to be fine. The men who created the first fraternities raised the standard high; their dreams were splendid, their ideals noble. The fraternities can do no better than look back to their first brothers for guidance and light. If they will dream once more those dreams which gave birth to the fraternities and if they will strive to reach the ideals which they were founded, they may—who knows?—become what they now hypocritically pretend to be, honor societies. They may become brotherhoods in fact as well as name—truly fraternal, truly fine.

COUGARS STARTLE BY HOLDING LOGAN ELEVEN TO SCORELESS TIE

Both Teams Lose Chances to Score—Provo Outplayed—Romney Shifts Lineup—Hawley Stars as Thomas is Overwhelmed.

Following their unexpectedly close victory over Colorado College, the Aggies were held to a scoreless tie by B. Y. U. last Friday in a game which was a moral victory for the Cougars. Parsons, of the Denver Post, predicted an Aggie victory at about 27 to 6. He was 33 points off, but so were the Aggies, apparently. Romney played Yoncos at quarter, Smart at half, Snyder guard, Hamilton center, and Lutz end, and made several substitutions in the line, but failed to find a scoring combination. Both the Aggies and Cougars had several chances to score; B. Y. U. when Collins got up after being downed and ran 55 yards to the ten yard line before being overhauled by Gilman, just before the half ended, and the Farmers when a poor punt by Collins was recovered by Lutz on the B. Y. U. 15 yard line.

The Cougars lost their chance when the Aggie line held for downs, and the Dark Blue failed to score when a B. Y. U. lineman filtered through and deflected Thomas' drop kick from the goal posts.

The Aggies ought to have won, however, is shown by the fact that they made ten first downs to Provo's four. Time and again Hawley, who played magnificently, kept the ball to within scoring distance, only to have incomplete passes or fumbles or fumbles prevent a touchdown. Thomas, ace of the team, was too close to get away often. Collins, in addition to catching Collier's drop, he could make a touchdown caught a twenty-yard pass the other day, one completed out of nine attempts. Othman, as usual, was the "king of the line."

A statistical resume of the game is reprinted below. It will be noted

GREENE REACHES TENNIS FINALS

One finalist has been decided in the fall tennis tournament and the other will win his way through to the end of the week.

Nathan Greene will represent the upper half of the bracket and his opponent will be either Cardon or Plummer or Petersen.

There was doubt for a while whether Greene would be eligible because of insufficient registration, but the matter has been satisfactorily arranged.

That Provo was outplayed in every department but that of passing.

STATISTICS OF THE GAME:

UTAH AGGIES	
Number of first downs	10
Yards from scrimmage	182
Passes attempted	9
Passes successful	2
Passes intercepted	3
Number of punts	14
Penalties inflicted	5
Yards lost from penalties	45
Fumbles	3
B. Y. U.	
Number of first downs	4
Yards from scrimmage	135
Passes attempted	12
Passes successful	3
Passes intercepted	13
Number of punts	1
Penalties inflicted	1
Yards lost from penalties	35
Fumbles	1

The B. Y. U. has never tied or beaten either Utah team before.

The contest was moved ahead a day from schedule in order to be

played at the annual home-coming day of the church school.

FROSH SMASH 13-0 VICTORY FROM TIGERS

Sparks, Jensen, Judah Star as Tech Falls in Year's First Contest.

Playing straight football from the opening whistle to the closing gun, Coach Walt Hall's Utah Aggie green-liners defeated the Idaho Tech Tigers, 13 to 0, in a game played on the Hutchinson field at Pocatello last Saturday afternoon.

The first score was made in the third quarter when a blocked Tiger punt, recovered by the Logan backs, gave them the ball on the Tech five yard line, from which point Jensen, fullback, carried the ball over the line for a touchdown. The other score came in the last period when Sparks, Frosh fullback, arduous crossed the goal line following a series of terrific line bucks. Judah kicked goal.

Neither team had the advantage during the first two quarters, although Sparks made a brilliant run for two. The Aggies' tackling throughout the game scintillated. During the last two quarters their weight and experience began to tell and their offensive play resulted in the two scores mentioned before.

The tussle was the first real game of the season for each eleven. They lined up as follows:

Idaho Tech	U. A. C. Frosh
Tate	J. Lillywhite
Powell	A. Lillywhite
Carmody	Hammond
Robins	Gardner
Gower	Judah
Campbell	Sorenson
Hurt	Reeves
Robertson	Call
McKerill	Hummaker
Sell	Sparks
Thompson	Vanderhoff

Officials—Referee, Obermyer; umpire, Bentley; headlinesman, Peterson.

The Sportsmanship Code of Walter Camp

As a result of the nationwide campaign for honor to Walter Camp, Father of American Football, the Sportsman's code, followed by this great sport throughout his life, has come into the hands of Student Life. Believing it to be as good as any ever set down in print, we are reprinting it as a guide to all who may wish to be good sports.—(Editor's Note).

THE CODE
Plays the game for his side;
Keeps to the rules;
Keeps a stout heart in defeat;
Keeps faith with his comrades;
Keeps himself fit;
Keeps his temper;
Keeps modest in victory;
Keeps a sound soul, a clean mind and a healthy body;
We all play the game to win but we play it with these ideas in mind.
We hope that spectators engaged by the game and suggest they cooperate to maintain clean football.

TEACHERS TRIM MINERS IN ONE-SIDED TILT

Led by Pete Brown, flashy half-back, Colorado State Teachers, last Saturday defeated the Colorado Miners, 26 to 7 in a one-sided tilt at Golden. The sensational Brown proved to much for the Miners, scoring four touchdowns and making three runs of 45, 65 and 67 yards during the course of the struggle.

WOMEN'S SPORTS AT WYOMING

The University of Wyoming at Laramie has registered six hundred women in its physical education department this year.

Handball, hockey, soccer, swimming, tennis and volleyball will be offered to the young women of the university. These activities will be followed by tournaments between classes, groups, and individuals.

DOPEY FOOTNOTES ON GRID HEADLINES

Upsets Galore Fool The Football Wiscareers.

Despite the absence during the first half, of Hankin, who was thought to be their whole team, the Colorado Aggies slipped a 7 to 0 beating over on Denver U. last Saturday in one of the most sensational games ever played in the Rocky Mountain region.

Although outplayed in nearly every department and outscored until the final six minutes of play, Glen Davis, Aggie quarterback, put the Farmers on top with a sixty-one yard return of a punt, for touchdown. Annet converted the decisive point just before the gun.

In virtue of this victory over the powerful Denver team, coupled with the six games played by their outstanding rivals, Utah Aggies and Wyoming, Colorado Aggies are now favored to repeat as conference champions.

Although the U. A. C. was held to a scoreless tie by B. Y. U., the Aggies' goal line is the only one they've crossed in the conference. Their real test will come Saturday against Wyoming, which is still reckoned to have one of the strongest teams, although held last week to a 13-13 tie by Colorado U.

The U. of U., traditional Aggie rival opens its season Saturday with Colorado U. in Boulder, inasmuch as the Aggies' and the U's week end opponents have played to a tie, comparative scores may in a measure indicate comparative strength.

The tie game against the Utah Aggies will not affect their claim to the championship, if they win all their remaining games, unless Colorado Teachers remain undefeated, which is considered extremely unlikely. The Aggies meet all the other undefeated teams save Montana State, which is indubitable for the title because of too brief a schedule.

NATATORS PLAN ACTIVE SEASON

Nineteen men have reported to Coach Walter Hall for preliminary workouts previous to the organizing of the Aggie tank team.

Six of the men, Wendel Phillips, Gerald Crockett, Percy Harrow, Al Larson, Mel Starnod and Lee Olsen are letter men. Harrow won his letter last year in diving, the other three in the dashes, two years ago.

With these men, as a coach, Hall should be able to form a first class swimming team. The dashes will probably be represented by Crockett, Phillips and Olsen. Each of the latter two broke the state record last year in the forty yard dash.

Other men out for places on the team are M. Suzuki, Conrad Barrett, Myron Baker, Morris Glover, Math, As Richards, Sterling Richards, E. R. Hunt, Lee Guyman, Parsons Hacking, Dennis Lewis, Victor Pratt, Kenneth Vanderhoof, Herbert Griffin and Lillywhite.

Light workouts will be held until after the football season is over, then regular training will begin.

There are about twenty-five Webster (B. Y. C.) now at the college. The Club fosters debating and writing. It undoubtedly has a place on the Aggie campus. Every Webster of last year, now at the college, was at the Ogden game, some score of them. They have life.

FROSH GRIDDERS TO APPEAR TWICE IN HOME GAMES

Sport fans of the U. A. C. and Logan city will have the opportunity of seeing two first class grid contests, in addition to the Varsity-Colorado Teachers tussle, as Coach Walter Hall has been successful in billing home games with the Weber Normal college of Ogden and the University of Utah frosh.

The first home tilt for the Aggie green-liners will be with Weber on November 5. This battle will undoubtedly be a fierce one as the Weber gridders form a powerful combination and they have already won several games with comparative ease. Last Saturday they rolled up a heavy score of 67 to 0 against the Montana Normal of Dillon, scoring at least two touchdowns in every quarter.

The "big little" game of the season, however, will be played on the 15th of November. At that time the gridders representing Utah will clash with the Farmer progression. This battle promises to be a keen one as the two elevens always put up a great fight when they lock horns for gridiron supremacy. The Red-devils downed Hall's men last year and if advance does indicate anything the Aggie milk-liners will fight stubbornly to grab the honors this year.

The following freshmen are showing good form in their daily workouts: J. Lillywhite, Hammond, A. Lillywhite, Gardner, Judah, Sorenson, Reeves, Call, Humaker, Sparks, Vanderhoff, Clark, Welch and West.
