COLLEGE FOUNDERS ARE HONORED IN SPECIAL EXERCISES T-DAY

Alumni To Raise \$50,000 Endowment Fund For The Library

FEEL NEED OF GREATER FACILITIES FOR RESEARCH AND ADVANCED STUDY

CAMPAIGN TO COVER
ABOUT FIVE YEARS

G. P. Barber Head

Is First Endowment Drive to
Be Initiated at The College

A plan to provide adequate library facilities, and thus relieve the present situation that militates against the most efficient work, particularly graduate work, being done at the college, is ready for projection, according to Dr. B. L. Richards, president of the U. A. C. alumni association. An organization is being perfected, the primary function of which will be to raise sufficient funds to make possible an adequate library for the Utah Agricultural College.

A committee consisting of Professors B. L. Richards, Ray B. West, P. V. Cardon, W. W. Henderson, and George Stewart was recently appointed by the Alumni Council to make definite plans for conducting a campaign to raise a productive endowment fund, the proceeds of which will be used for an adequate library for the U. A. C.

It is proposed to raise \$50,000 from the alumni as a minimum, and additional funds will be solicited from other sources. An effort will be made to raise the amount required in as short a time as possible but it is likely that it will take from three to five years.

George P. Barber, '21, has been selected by the committee for the position of executive of the Alumni Association and manager of the drive. Mr. Barber is at present teaching at the Box Elder High School, but he will devote his entire time to the interests of the endowment fund as soon as the high school closes in May.

It is interesting to note that while most of the large universities have endowment funds, this is a pioneer movement along that line at the college. The alumni at many institutions are expected to contribute liberally to the support of their alma mater. This Chicago University raised \$17,000,000 in one year; Cornell graduates contributed 40 per cent of the cost of maintaining that institution; Yale, Harvard, and Brown have large endowment funds. In the West, the College of Idaho at Caldwell, a comparatively small school, now has a \$100,000 endowment fund. In view of the fact that the college is expected to receive a large number of Aggie alumni for loyalty to their alma mater, a ready and generous response is expected.

It will not be necessary to use any of the funds obtained from alumni and other supporters of the endowment fund for the purpose of conducting the campaign. The \$5 library fee paid by students when registering this year, and which will be required for a number of years to come, will take care of all expenses incurred. Every cent contributed to the library fund will go into a separate endowment fund for the library. It is difficult to conceive of any similar amount of money realizing greater dividends. It is not likely that any institution ever had a worthier motive for conducting an endowment drive. The college has a better library, there is no other offer in sight, and the Alumni Association is ready to take the lead.

Lew Sarett, Author,
Poet of Wilderness,
to Speak in Chapel

Recently Resigned From Chair
at N. W. U. for Outdoor Study

Lew Sarett, day laborer, forester, poet, woodsman, guide, outdoors of civilization, college professor and author, will be the speaker in chapel services Monday, March 14, Sarett has been called "The Poet of the Wilderness." He is said to be "The romance of the Great West," and a lecture by him is considered an occasion long to be remembered by the people who have, so far, while inspiring entertainment. He is an expounder of optimism, disciple of the gospel of right living, and clean thinking. Only recently he resigned from his chair at Northwestern University, to devote more time to his writing, lecture and outdoor study. His subjects are "Many, Many Moons," "Songs of the Big Timber."

Student Life Awarded
Distinguished Rating

Student Life recently received a certificate from the National College Press Congress, held at the University of Illinois in November, saying in part that "This certifies that the Student Life of Logan, Utah, has been given a distinguished rating in the 1926-27 National College Press Congress Publication Contest."

In a letter to the Editor, the Director of the Congress, Lawrence W. Murphy, says:

"College and university publications of merit in every state and in the leading provinces of Canada, were awarded a distinguished rating in the National College Press Congress contest for 1926."

"Publications were judged for the purpose of determining their general merit on the basis of opportunity. The contest followed the 1926 meeting of the congress at the University of Illinois in November. The 1927 contest will be held at the University of Oklahoma in November 1927, under the direction of H. T. Herbert, director of the school of journalism at Oklahoma, and faculty adviser of the congress."

Aggies Meet Vandals Saturday Evening on Democracy Question

Monson and Benson To Oppose
Simmons and Montgomery

Utah Aggie debaters will oppose the University of Idaho fornicators team in the first inter-state debate between these colleges at the Logan Tabernacle Saturday evening at eight fifteen.

The meeting with Idaho marks the initial debate between the college and that institution as well as the formal opening of the U. A. C. inter-state debating schedule. The university of Idaho has an enviable record in fornication and with two experienced debaters, J. Gail Simmons and Warren J. Montgomery, the college can expect an unusually fine discussion of that momentous problem, "Is Democracy a Failure?"

Is there such a thing as a true democracy? Many students of government are of the belief that in so far as the term democracy is used of all governments are more or less democratic. While some hold there is no such animal. But nevertheless the American people are disposed to look on their federal system as a real and ideal democracy. All this beside the point, we do have a democracy in a legal sense. Now the time has come when students of this problem will place before the public the real virtues and real objections to a democratic government. Saturday night the students and public will find out just how our democracy was worth saving or not.

Roland Monson and Serge Benson of the U. A. C. team will uphold democracy, while Idaho will hold out its failure of purpose.

An expert judge from the University of Utah will render the sole opinion and verdict of the debate.

Teams for other inter-state fornication contests are working in preparation for debate with Montana, Denver and the University of Southern California. Montana University will be our opponent at Missoula on March 24th.

Dr. E. B. Brossard '11
Finally Appointed

Edgar B. Brossard '11, former professor at the College, was recently passed on by the U. S. Senate after several months' delay. From this he climbed steadily to the position of Professor of Agricultural Economics and Farm Management which he held up to 1923.

In 1923 he began as Agricultural Economist on the staff of the federal tariff commission, and in 1925 received a recess appointment as commissioner. His nomination was submitted to the Senate for the first time in June, 1926.

"A" Day Committee
Named by Executives

The head committee for the annual "A" Day was appointed yesterday at noon by the Executive Committee. Lester Foscock was named general chairman, and Reed Rolles and Thelma Taylor are to be his assistants. Each of these will choose his own sub-committee.

According to president Frank Christensen, plans are being made to repair the long, south path, on the hill by removing the "cobblers," pavement will be put in from the Home Economics building to the street, the ground around the stadium is to be improved besides a general clean-up of the campus.

'27 JUNIOR PROM NEXT FRIDAY EVENING

SPANISH MOTIF OBSERVED
IN DECORATIONS

Johnson Chairman

New Booth and Lighting
Scheme Carried Out

Next Friday night, March the eleventh, 9:30 p. m. and the Annual U. A. C. Junior Prom, greatest of collegiate socials, most supreme of student parties, will happen at the same time. Active decoration work at the Tabernacle, scene of the ball, began last Sunday. While groups of 1927 classmates are working at the dance hall, other Junior committees will attempt to enliven the college halls with their ideas of "prom week" stunts.

Chairman Johnson of the committee states found in the prizes of the coming year. He assures us that on Friday night the Logan Tabernacle will totally disappear from sight and will be replaced by a new light and sound with all her charm, mystic appeal and romance entire. Truly if the several clever features, Prof. Reynolds' new lighting system, the novel decoration booth and the elaborate decoration scheme works out as planned, it is safe to predict that the student body will be subjected to a series of shocks, thrills, delights and surprises such as it can never experience in a lifetime of ordinary Junior promenade.

Perhaps the most important since desire of the 1927 committee is to introduce this ball as a democratic representative student body social. "College socials," rooted in tradition, are not required; the prom is meant for everybody.

Dancing begins at 9:30 and lasts until 12:30 or later. The Arcadian orchestra will play.

Student tickets will be on sale at the secretary's office on Wednesday afternoon at 2 p. m. till Friday 2 p. m. Students will find good facilities to secure tickets.

About twenty five couples attended and enjoyed the fun and refreshments. Major O'Brien established a reputation of being a great host.

Buzzer Contract Let; Six More Added To Personnel

Annual Will Be Ready For
Distribution About June 1.

The Dartagon Printing Company of Salt Lake City was awarded a contract for publication of the 1927 Buzzer. This company has a large staff of capable designers and decorators who will contribute toward the artistic success of the annual.

Several new members have recently been added to the staff. They include: Albert Jensen, who will have charge of classes and organizations; Albert Larsen, special writer and in charge of sports; Polly Rich, in charge of the tabular and policy leaves; Ernest Lee, Studio Manager; A. G. Cranney, official photographer; Emma Wilmore, Stenographer.

With the addition of the new members, the already fast progressing work is going on brisker than ever. Indications are that the Buzzer will be ready for distribution by June 1.

Orange Sport Exhibit in Horticulture Office

F. A. Harmon, '26, who is working at the Citrus Improvement Station at Riverside, Cal, has sent Prof. Jensen a box of orange trees. These sports on orange trees. These sports occur on branches of otherwise normal trees. Two types are represented, the Washington Navel and the Thompson Navel. All the samples are variation of these two. The most striking is the "Red Navel," which has around the middle is Thompson and the two ends are distinctly Washington Navel. Other variations are yellow, corrugated, pear shaped, green, streaked and blood red.

Students are invited to see this exhibit in the Horticulture office, Room 121, today p. m. and tomorrow a. m. This should be of special interest to students of genetics and plant breeding.

Mears Wants to Meet Possible Post Grads

Mr. Elliot G. Mears, Professor of Geography and International Trade in the Stanford Graduate School of Business, is planning to visit the college on Wednesday, March 9, to hold a series of meetings with students—scientific and technical, as well as liberal arts majors—who are looking forward to taking graduate work in business either at Stanford or elsewhere.

Mr. Mears is himself a graduate of the Harvard Graduate School of Business Administration, was for four years, first an officer of the Foreign Service Division, and later as American Trade Commissioner in the Near East.

Mr. Mears may be contacted in room 121 Main Building the day of his visit.

Utah Club Leaders on Campus this Week For Annual Sessions

The 48 Club Training School conducted under the direction of the Extension Service opened yesterday at the college with 125 adults and high school students representing 21 Utah counties in attendance. P. P. Champ, chairman of the Agricultural Extension Service, and W. G. Waterhouse, Asst. state club leader from California, are also present to take part in the activities and observe the progress of the work.

Chairman D. P. Murray is in charge of the school which will be in session until next Saturday noon.

Daily department sessions of Poultry, Swine, Home Management, Crops, Sheep, Dairy, and Poultry club train leaders in the organization and direction of the local clubs and also in club demonstration work.

An entertainment committee composed of Miss Arden Odell, Mr. J. C. Hansen, Mr. Walter E. Smith has arranged a rich and varied program of amusements to extend throughout the week. Last night a drama was presented in the 5th ward hall under the direction of Mrs. Ruth Mendenhall. A complete program, a two reel movie, followed.

As a stunt night will be followed by a banquet for the remainder of the week. Daily recreation periods in the gymnasium have been planned and organized play will be taught by Professor Joseph Jensen and Miss Gowans.

The large attendance indicates a wide spread interest in rural club work in Utah and may also mean that the Utah clubs are out to win again the western division trophy.

Sixteen members were initiated into Alpha Kappa Psi National Business Fraternity last Thursday evening at the Bluebird. The initiation was followed by a banquet. Clyde Stratford, banker of Brigham City, and Dr. W. L. Wanless, Dean of the school of commerce, gave talks. The following are the new members: Seth Blood, Dora Broadhead, Reed Blood, S. E. Cranney, Merrill Johnson, Frank Morgan, Lloyd Theurer, James Underwood, Norman Smith, Richard Stratford, Elvin Evans, Gus Rowe, Geo. Martindale, J. T. Stewart, Wendell Phillips, and Arthur Layton. The above named new members, inducted all through the last Wednesday night, succeeded in the role of cooks.

BOBBAT-IGER GO TO DECIDE R.M.C. BASKETBALL FLAG

Montana Seems Best
Even Though on Foreign Floor.

Because a whistle blow one minute too late about a week ago it is Montana State who is to decide the Colorado College, Tigers at Colorado Springs this Thursday, Friday and Saturday.

The Bobcats would enter the final playoff hour favorites were it not for the fact that Colorado referees are prone to call fouls and free throws more freely than Western officials.

The Tigers have the advantage of being on the home floor also. Each school test out the same team which won its division last year.

It seems to be somewhat of a Utah flub even though the schools represented are in Montana and Colorado, for both schools and five Montana players are from the Pacific state.

Montana has without doubt the best segregation to its school and perhaps the Western Division, since championship first began. In winning from last year's conference champions three and four times they established themselves as undoubted favorites even though the exact strength of the Tigers is unknown.

Peterson Wins R. M. C. 135 Pounder Title

Only Utah to Take a Place
in Colorado Meet.

Newell Peterson, Allstar Utah Aggie, met men was the only Utah grappler to take an event in the annual Rocky Mountain conference held where he was held in Boulder, Colorado last Friday. Two other home winners, Pratt and Walters from the Logan school, were entered in the competition but failed to qualify. Pratt Peckard left with the Aggie goal to win the light weight class, but was defeated from competing. Pratt, however, after a while holding a workout at Ogden, this was to be Peckard's first trip on an Aggie team. He was a letter man last year.

The contests at the meet were marred by the injury of Gilchrist, heavyweight, met with a broken shoulder, who suffered a broken shoulder in his go with Pratt of Wyoming. Gilchrist, who was unable to continue and Pratt was declared the winner after seven minutes of wrestling.

Winners in other divisions follow:
115 pounds—Clark of Teachers' college won the decision from Sandy of Colorado Aggies, 15 minutes.
125 pounds—Dow of Colorado university won from Larson of Brierley Young university in 15 minutes seconds.

125 pounds—Peterson of Utah

Undefeated State Champions

HAWLEY WORTHINGTON NIELSEN MARTINDALE

Although their march toward a second conference basketball championship was halted in the final minutes of their fourth contest with Montana State, the five gentlemen above won another honor, nearly as great, and won it in a manner which seems better to have been recorded. They defeated each of their Utah State rivals in four separate games for a state title, without a loss on the books. Many of the contests were close, but experience, team work, and final punch pulled the Farmer boys out with a few points margin in all eight.

Sporting Staffs Choose All-Division Teams

The sporting staffs of Student Life and at the student publication at Montana State College got in touch with one another recently and cast their votes for all-division basketball team. From our own idea that of the Montana State representative we are proposing the following team for the 1927 season, hereby setting a record we believe, with their right, consecutive wins.

Back chose both Bredon and Glyn for guard positions on their team. We are substituting Sanders for Bredon for we believe the best game of the Aggie met showed him as a far more reliable defensive man than the Bobcat, who was judged a trifle more numerous. Inasmuch as only one game was played by the two leading teams to Utah that came to B. Y. U., no player on either of those two teams has been seriously considered for our first choice. Although Ward outscored

swimmers from the Utah Agricultural college placed second in the Western division of the Rocky Mountain conference last Tuesday at Provo, D. Y. took first place, and Utah University third.

Although the B. Y. U. paddlers won a decisive victory on points, they were pressed in every race. Out of seven events, four seconds were shattered and one was lost.

Phillips and Olsen were the outstanding performers for the local boys. Each shattered the collegiate record in the 200-yard free style. Phillips, also, tied his own record in the forty yard event. Coach "Buck" Romney's charges won the Aggie tank to early lead in the relay, but were overtaken near the end of the second lap. The race was closely contested when Phillips nearly overtook Shields, premier Provo tank artist, in the final lap.

The Aggies took six points in the 40-yard free style. Phillips, A. C. led all the way, the real race coming when Harris of the B. Y. U. overtook Olsen near the finish of the race for second place.

The 100-yard free style went to Olsen of the A. C. Phillips and Olsen started out neck to neck, but Phillips lost his peace near the finish, as he was passed by Harris of Provo, Olsen negotiated the distance in 1:02 1/2, breaking the record made by Phillips.

Barrows placed third in the fancy diving, Crockett took third in the 25-foot style, and Hawks, in the preliminary, placed first. The conference meet will be held in Salt Lake, March 11.

The summary:
160-yard relay—B. Y. U. (Hawley, Harris, Booth, Shields), first U. A. C. (Olsen, Larson, Crockett, Phillips) second, Utah (Norton, Burton, Edwards, Waite), third, Time, 3:24 1/2. (New record.)

Fancy diving—Christopher (B. Y. U.), first, 36.25; Wright (A. C.), second, 34.10; Barrows (U. A. C.), third, 31.10.

40-yard free style—Phillips (A. C.), first, Harris (B. Y. U.), second, Olsen (U. A. C.), third, Time, 2:15 seconds.

100-yard backstroke—Shields (B. Y. U.), first; Sanders (Utah), second; Booth, third, 1:42 1/2. (New record.)

220-yard free style—Christopher (B. Y. U.), second; Crockett (U. A. C.), third, Time, 2:24 1/2. (New record.)

100-yard free style—Olsen (U. A. C.), first; Johnson (B. Y. U.), second; Phillips (U. A. C.), third, Time, 1:45. (New record.)

Starter, Charlie Welch.

Colorado College Grabs Eastern Title

The basketballs of Coach Albion Twichell, mentor of Colorado College athletes, won the eastern division championship by defeating masterful day in the choice game of the West.

After trailing the State Teachers during the first part of the season they rallied to the front to overtake them in the crucial game of the schedule. Those basketballs have gained an upland battle and were their success to hard work and clever tutelage. Guard guarding has been one of the features of their play and the backbone of their strength.

According to record, this team should give a good account of themselves in the championship series. Phone 151 for Smaggy Service. Spurns the Cleaner. Adv.

CASABO CAGERS TAKE IT AT PROVO

Final Games Find Aggies State Champs.

The Utah Agricultural college basketball team closed the 1927 season in Provo last Friday and Saturday nights with 44 to 28 and 42 to 35 wins over Coach Eugene Roberts' Brigham Young Cougars, but was unable to close the one game gap which existed between them and Coach "Buck" Romney's charges won the Rocky Mountain title last year.

In Friday night's tilt the Aggies started out like a hot iron and played a great floor game but were unable to reach the hoop. The Logan team led, 25 to 15, at the half, but was forced to the limit to retain that lead in the closing minutes of the game. A short time before the game ended, Martindale and Nielsen were ejected from the lineup with the score only 35 to 39 for the Aggies. However, Martindale and Nielsen put the game on by sinking field goals.

In Saturday's encounter the Farm boys took its only lead in the first half and looked like a winner in a walk-away. However, the Cougars again started to rally to come within two points of the lead soon after the second half began, at which time they were trailing 22 to 10. However, the attack was halted and Martindale and Sanders eased shots to put the Aggies in the lead, never to be loaded.

In both battles Martindale and Worthington starred for the Aggies. Martindale, who scored 24 points, was a real hand of ball for the team.
