WOMEN'S PAN-HELLENIC  
BALL POSTPONED  
BY REQUEST OF FACULTY

VOLUME XXVI.

# SUMMER TERM TO EMPHASIZE SCIENCE STUDY

Two Great American Scientists  
Booked For Courses in Geology  
And Botany.

SIX WEEKS TERM

Decision Result of Enthusiastic  
Reports From Graduate Students;  
Wide Research Range  
Offered.

Based upon the experience of the past four years the 1928 Summer Session at the Utah Agricultural College will feature the natural science subjects, geology and botany, according to Dr. James H. Lindner, director of the Summer Session. Two of America's greatest scientists will be in charge of the work in geology and botany. Dr. Henry C. Cowles, head of the department of Botany at the University of Chicago, and America's leading ecological botanist, will direct the work in his division and have charge of the field classes. Dr. E. B. Branson, head of the department of geology at the University of Missouri, will be the geologist in charge. Dr. Branson is thoroughly familiar with the West and has conducted the largest field classes in the country in recent years.

Offering is Inviting

The offering of the College for the 1928 Summer Session is very inviting.

Visiting faculty members besides Professors Cowles and Branson include Professor Frank W. Hart of the department of education at the University of California, and McCollum of Johns Hopkins University who will return to the College to give work in nutrition. Professor Lee Randolph, director of the California School of Pine Arts in San Francisco, Mrs. Wood Humann, (Continued on Page Three)

# Faculty Request Leads To Ball Postponement

Women's Pan-Hellenic Banquet  
Planned for Tonight, Called Off  
Until Indefinite Date.

Recommendation from the President's office has led to an indefinite postponement of the Pan-Hellenic Ball, sorority women's annual affair. The social event, which was held at the Palais D'Or Thursday, January 26, but it was decided that, because of the pressing epidemic of influenza, the party should be postponed until a later date.

Committees are at work and the plans for the banquet are being advanced. Those in charge are Laura Bankhead, chairman; Virginia Wardleigh, music; Alice Sessions, decorations; Barry Floyd, refreshments; Lucille Johnson, programs. Patrons and patronesses of the Ball are Dean Dancy, Dean and Mrs. M. L. Wood, Mrs. J. C. Lundstrom, President and Mrs. G. C. Peterson, Mr. and Mrs. Guy Cardon, and Dr. and Mrs. H. R. Metcalf.

The guests include all members of campus sororities and their partners.

Work of U. A. C. Students  
Included in State  
Art Show

A good representation of the A. C. third floor students will be included in the State Art Exhibit which will open Monday at the Logan high school. Professor Fletcher, Harry Reynolds, Herbert Bartlett and Harry Rogers will have pictures on display. Rogers and Bartlett being the only two students in the state whose work will be shown.

Otherwise the work will be that of professional artists, including Edward Evans, Miss Frances, Professor Harwood of the U. of U., Dr. L. C. Stevens, Dr. O. G. J. Henry Moser of this vicinity. Compared representation points towards a commendable record for the junior artists.

# Buzzer Notice

Manager Richard Stratford of the Pioneer Annual wishes to announce that all clubs, sororities, fraternities, classes and other organizations will be asked to send for the year book must see him no later than Thursday, February 1.

# Greek Letter Formal Comes Tuesday Feb. 8

Annual Balls, always dances that are eagerly anticipated, form the frame-work around which the social program of each college Student Body is built. The Fraternity, annual Greek letter formal that comes this year on February 7 in the Palais D'Or, is not least among these mileposts of social activity.

Daken Broadhead, chairman of the fraternity ball, is full of plans for the affair. With the cooperation of Harry Reynolds and the Art department, the downtown hall will be suitably decorated for the occasion. The insignia of each of the seven fraternities participating will be represented by letter designs worked into the decorations. A feature of the program is being planned for a part of the evening.

With Mr. Broadhead, who is a Delta Nu, are Alton Mangan, Phi Kappa Phi, and Melvin Burke, Alpha Delta Epsilon, to complete the committee on arrangements.

# Phi Kappa Wins National Cup

Campus Fraternity Triumphs  
Over Nation-wide Brother  
Chapters.

SECOND TIME

Local Chapter Wins With An  
Average of 86.25; Others  
Highest With 84.

For the second successive time the local chapter of Phi Kappa Alpha, the national social fraternity, has been awarded the scholarship cup that goes to the chapter having the highest scholastic average for the school year. The chapter winning the cup this year is the Phi Kappa Alpha chapter of the Utah Agricultural College, which has an average of 86.25. The next highest is the chapter of the University of California, which has an average of 84.41, and Vanderbilt University, which has an average of 84.25.

# Glee Orchestra Includes Eleven

Recent reorganization of the Glee Club Orchestra has brought together a deal of musical talent on the campus. Under the direction of Dean Baird, two orchestras will be formed, one of which will play at the end of a few weeks.

The dance orchestra instrumented with the following: Professor Rogers, reed; Professor Rogers, trumpet, trombone, drums, banjo, violin, bass, and piano. They opened rehearsals last week. The concert orchestra will follow the semi-classical. In accompaniment with the piano they will be 3 violins, 2 clarinets, 2 trumpets, trombone, alto saxophone, bass and drums.

As a Glee Club organization the concert will be active in localities off the campus.

# Professor A. N. Sorensen Guest At Tuesday Student Life Luncheon

Professor A. N. Sorensen of the College department of English was the guest speaker at the Student Life luncheon given last Tuesday in the cafeteria. After the luncheon, Professor Sorensen spoke for twenty minutes on problems relating to Student Life. A round table discussion of the campus situation followed. Editor Lillywhite presented a paper, followed by the professor's talk.

# Annual Staff Promised Free Dinner

Buzzer staff workers will be pleased to learn that they, as well as members of the Student Life staff, have occasional cafeteria privileges. Arrangements are being made for a buzzer staff luncheon to take place about February 9. Editor Lillywhite plans to have some distinguished after-dinner speaker present.

# NEW LIBRARY FOR ENGINEERS GIVEN START

Private Study Sanctum Located  
in Engineering Building.

180 VOLUMES

Clyde and Feldman Contribute;  
Science Books Removed from  
College Study Room to New  
Home.

All the engineering books and references that have recently been moved to the Engineering building where they will form the nucleus of an engineer's library. At the present time the library consists of 180 volumes of reference material, as well as 20 complete volumes of technical material dealing with engineering and closely related subjects.

The establishing of this branch library has grown out of the need of the engineering students for reference material that is easily accessible. Due to the crowded conditions in the College library this has not always been the case. The professors of the Engineering department feel that with the books and magazines within easy reach of all engineering students' research work can be more easily accomplished.

Professor George D. Clyde made the library the present of a complete two-year series of the Western Construction News. This collection is valuable in it contains every number of the magazine published since the first issue was put out.

Professor Clyde also contributed the Transactions of the American Society of Civil Engineers from 1922 to date.

# Five Days Left For Year Book Studio Visit

Five days of grace remain to those students who have failed to have their pictures taken for the Year Book. The deadline for returning proofs of pictures already taken, will fall. The yearbook studio is now open for the last five days of the year. The studio is located in the basement of the building. The studio is open from 10 a.m. to 5 p.m. The studio is open for the last five days of the year.

# Rogers Receives Bid To Join Japan-Touring All-Star Nine

Harry Rogers, junior, has been given a bid for the All-Star baseball team of Japan. It is reported. The All-Stars tour Japan and Hawaii next summer, writes Lee Self, manager of the club.

Rogers, one of the best baseball players on the campus, played shortstop on the Salt Lake All-Star team last year. He was named best pitcher of the non-trait team in the A. C. series during the spring quarter of 1927.

Rogers has been playing league ball for a number of years. He made his debut in the Copper League of Salt Lake when he was sixteen years old.

# Plan To Organize To Attend Meet

Fifteen delegates from the University of Colorado will attend the annual convention of the Rocky Mountain division of the national collegiate association.

Plans for the organization of a Rocky Mountain division of the national collegiate association were discussed at the meeting of the Student Life Association, which was held at Fort Collins, Colorado, February 3 and 4.

Rogers, one of the best baseball players on the campus, played shortstop on the Salt Lake All-Star team last year. He was named best pitcher of the non-trait team in the A. C. series during the spring quarter of 1927.

# A. W. S. Meeting Monday

Next Monday at one o'clock all members of the A. W. S. will meet in the chapel hall. A special program has been arranged. All girls of the College are urged to be there.

# Myers Chooses Final Cast of "Icebound"

Professor Myers, dramatic director, has definitely decided upon the cast for the Theta Alpha Phi play, "Icebound" which will be produced March 8, which have been selected for parts are Olin Marler, Ben; Serge Bonson, Henry; Clark Gardner, Jim; Fred Hammer, Judah; Harold Smith, Doctor; Lisle Adams, Olin; Virginia Wardleigh, Jane; Gwen Rigby, Elsie; Thelma Fogelberg, Nettie; Marie Andersen, Emma; Ruth Smith, Sadie; Vivian Bailey, Hannah.

Members of the local chapter of the dramatic fraternity are desirous to make presentation of the play by the society an annual event.

# THE MELTING POT DATE DELAYED

Meinigtis Ban Halts Progress  
of Play Cast.

NEW DATE SOON

Logan High Dramatics Teacher  
Directs Players.

Contrary to previous announcements, "The Melting Pot," Community Players production scheduled for February 8, will not be presented at that time. Delay in the progress of the cast due to the recent spinning men's presentation of the appearance date of "The Melting Pot" will be announced soon.

Southwick, director of the Logan High dramatics department, is director of the play.

"The Melting Pot" will be number two of the four plays yearly produced under the auspices of the A. C. Little Theater. Four sub-organizations, Community Players, Periwig Campus Players, and Theta Alpha Phi, of the Little Theater produce one play each during the school year. "The Melting Pot" is the first of the series, was the offering of the Campus Players.

# Librarians Demand Reserve Book Order

Failure of Students to Observe  
Sign Up Law Draws Complaint  
of Study Hall Officials.

Complaints come from the study room officials that students are taking reserve books out of the library before properly signing for them. Such disorderly action is causing much confusion for both librarians and students. It should be clearly understood that reserve books may be taken from the library only after a p. m. each day except Saturday. Such reserve books may not be signed for an hour or two beforehand. They should be checked at the library's desk promptly at the designated time. All reserve books must be returned before 8:15 the following morning.

# Larsen, Nelson To Make Trip

Two representatives, rather than one, of Student Life will journey to Fort Collins, Colorado, and attend the annual R. M. L. P. convention that begins February 23. Such was the decision the student body executive council handed out last Monday.

Scott Nelson, editor, and Paul Peterson, business manager, of the campus paper, will represent the A. C. student news staff at the convention. They will be accompanied by two other representatives who will leave Logan February 1 and return about February 6.

At least three U. A. C. students are teaching part of their way to higher education. Al Morgan, besides handling instructor work at the college and carrying a full course of study, and serving on the student council, is teaching three classes daily at the Logan Junior High; Charles McDevore is making a name for himself with his teaching of mathematics and physics at the high school along with his regular teaching work.

Several new students of Aggie students will make the Provo trip for the dance.

Engineer Fletcher, freshman, made a trip to Ogden Saturday.

# FOURTEEN ACTS LISTED IN N.W.S. FOR THE BALLET

Kampus Kaprice to Be Presented  
February 27 as Co-ed  
Offering.

HARRY REYNOLDS, ART

Girls to Assume Great Share  
of Responsibility Attached to Show.

With the Kampus Kaprice cast now working toward a definite date, February 27, the A. W. S. will present their efforts in form of an annual vaudeville. The general committee, now: Louis Edwards, chairman, Louise Shepherd and Dallas Johnson. Harry Reynolds is in full charge of art work and set decorations for the various acts as well as in the estimation of materials and cost. Several general purposes are being considered for the Kampus but as yet there is no definite decision made.

The vaudeville will be put over in production from "The Bohemian Girl" worked up by Professor Gates' Opera Production class, a Russian act directed by Orpha Taylor, a male quartet and "The Lamplighters," an apocryphal dance portraying the life of the Parisian and "Shadows" under the direction of Mary Woodley, an artistic scene. "The Woodcock Yarn" directed by Willa Henderson and "Taxi," a funny one-act interlude.

This year A. W. S. has taken the thing almost entirely on their shoulders for the first time and find it a really stimulating task. Each of the acts will be short and of a novel variety. The evening for the Kampus vaudeville will be announced later.

# Gov. Dern, Staff to Attend Cadet Annual Formal

Governor Dern and his staff, and an officer from Fort Douglas will be the guests of honor at the Annual Military Ball which will be given at the Palador on February 11. Several hundred country boys have been issued to guests not included in the student body, and a general invitation is given to all.

# Dartmouth Paper For Club System as Substitution

Hanover, N. H.—(I.P.)—The club system should be substituted for the national fraternity system at Dartmouth is the belief of the Dartmouth undergraduate daily, which has been carrying on a campaign for reform in the fraternities on the Dartmouth campus. Says the Dartmouth:

"We do not think that membership in a national fraternity is doing anyone any harm, but we think it is useless and foolish. If the fraternities in this college were to exist, they would still be the house for social purposes. There would be a party organized at Carnival for the club. There would be a party organized at the club, which, in the end, is all that a fraternity can provide. It is absurd to pretend that a national fraternity can guarantee friendship."

# Art Display Taken North Saturday Jan. 25

Pictures from the Art Department will be taken to Preston Saturday, Jan. 25 where they will be on display for a time. In addition to work of Professor Fletcher and several other students will be representative work of: Herbert Bartlett, Harry Rogers, Floyd Peterson, Kenneth Wisom and probably others.

# No Idle Moments For These Chaps

At least three U. A. C. students are teaching part of their way to higher education. Al Morgan, besides handling instructor work at the college and carrying a full course of study, and serving on the student council, is teaching three classes daily at the Logan Junior High; Charles McDevore is making a name for himself with his teaching of mathematics and physics at the high school along with his regular teaching work.

# Juniors Name March 9 as Date For Annual Ball

Reed Bullen, chairman of the 1928 Junior Prom announces March 9 as the date of the annual Ball. Invitations will be sent out about the middle of next month. Because the Junior social will be held in the Palais D'Or dance hall this year, the decorations committee finds itself confronted with a real difficulty. The hall management refuses them permission to decorate on the walls or ceiling; all that remains for them is a lateral booth arrangement. In order that the deficiency in decorations may be equalized, the committee is considering a possible distribution of favors to each guest.

As yet what the theme of the Ball will be is undecided.

The general committee assisting Mr. Bullen with the dance plans consists of: James Underwood, Ella Benjoni, Peggie Hansen, and Faye Pedersen.

# A.C. GRAVE MEETS AGGIE STUDENTS

Wyoming University President  
Speaks in Chapel.

"FLAT WHEELS" TOPIC

Listeners Applaud Speaker's  
Treatment of Subject.

Arthur Groswood Crane, president of the University of Wyoming, held a lecture addressed to the students in chapel yesterday.

His theme covered "Flat Wheels" of the Human variety concerning the human character, the balance of personality. The stunner, lance uncovered in his subject was all-inclusive.

Crane, who is prominent as a public speaker took out his Phi D. at Columbia. He built and organized the State Normal School of North Dakota acting as President for some time. He still retains a place on the North Dakota State Board of Education. Being an educator, he has also been closely associated with the physical reconstructive problem as a result of the war. Dr. Crane has held his present position since 1922.

# Bear River High To Hear Aggie

By a request of the Bear River High student body, a group of Aggie students will present a program before the students of the Tremonton school soon, either February 23rd, or 24th, has been decided upon. The date, The High School students may send a delegation to take over one of the U. A. C. student body assemblies by the name of the Bear River High school. These charge of all student body programs, including such entertainments as that planned for the Bear River High school. Horstene Swenson, chairman, Al Morgan, and Bonnie Adamson.

# U. S. Secretary Lauds College Agronomy Director

During the past four years, Dr. George Stewart and the members of the Agronomy Department have interested themselves in promoting the agronomy program and adequate control of the public domain, that vast area of land in the United States comparatively undeveloped and unimproved.

Dr. Stewart is the author of Utah Experiment Station Circular 49, "This Public Domain of Ours," and has been carrying on a campaign for reform in the fraternities on the Dartmouth campus. Says the Dartmouth:

"We do not think that membership in a national fraternity is doing anyone any harm, but we think it is useless and foolish. If the fraternities in this college were to exist, they would still be the house for social purposes. There would be a party organized at Carnival for the club. There would be a party organized at the club, which, in the end, is all that a fraternity can provide. It is absurd to pretend that a national fraternity can guarantee friendship."

# The Wonder Grows

American college and university enrollment has increased 25 per cent in the last five years according to tabulations by Dean Raymond Walters, of Swarthmore, published in School and Society. The increase from 211 million in 1911 to 264 million in 1916, according to the approved list of the Association of American Universities. The larger colleges showed the greatest increase. The number of students in California and Columbia continued to hold the lead in enrollment.

# GIRL ORATORS MEET B. Y. TEAM FRIDAY NIGHT

Aggie Debaters to Face Negative Provo Trio.

7:30 AT HIGH SCHOOL

Negative Logan Force Clashes  
With Utah University Team.

Interstate debates in which the U. A. C. B. Y. U. and U. of U. members participate, are all scheduled for Jan. 27th and Feb. 2. The girls' classes, for which all arrangements are complete, will be held Jan. 27th, and the affirmative team, composed of Eldora Alder, Donna Benson and Verda Sterland, will meet a negative at 7:30 p. m. and a negative team composed of Laura Bankhead, Mrs. Gwen Clark and Vera Green, will meet the U. of U. affirmative in Salt Lake.

Of this squad, two members have had previous collegiate experience: Mrs. Gwen Clark, debating for her fourth year at the U. of U. and Laura Bankhead, a last year's letterman. The other debaters have had previous experience in high school.

The question now discussed is: Resolved: "That modern installment buying should be condemned." The girls, under the direction of Miss Kyle and Dr. Vickers have all done well so far this year, and it is expected that a good showing will be made.

The debate council has not yet announced the men who will represent the College in the interstate debates. The selection of the teams and final arrangements will be printed in the next issue of Student Life. The girls are urged to attend these debates.

# Whittier School New Teacher Training Lab.

Logan City Board Signs Over  
4th East Prep School to U. A. C. Education Department.

After a period of intensive investigation by the board of education, the Utah Agricultural College has decided to take over the Whittier school as a teachers training school. In a recent meeting with Dr. H. K. Merrill and Superintendent Louis A. Peterson, of the board of education, officials of the U. A. C. signed a contract to the effect that, beginning next July first, the Whittier school of Logan City will be under the direct supervision of the U. A. C. school of education Dr. Saxer, of the school, and Professor C. E. McCollum, at the head of the department, will provide actual training in a public school. The new students who are graduating from the College with the purpose in mind of becoming teachers will be housed in the Whittier school.

President E. C. Peterson is well pleased with the selection of the Whittier school as a training laboratory. He is heartily in favor of the movement, on foot and stated that his opinion is: "This provides the College with almost ideal conditions for the purpose."

# New Heating Plant Work Progressing Rapidly

Work on the new heating plant for the College is going ahead even faster than was anticipated. An additional story of Logan City to the present plant providing accommodations for the engineer and fuel storage, and the new heating plant, which has been installed and power and conveyors are to be installed. The new heating plant will be for new gravity cast bins and a large ash bin. The whole building will be repaired and in either way brought up to date.

When the work is completed the plant will be ample to care for the needs of the institution for ten or twelve years. It will be slightly in comparison with the unfinished structure which has been in existence for about twelve years.

# No Student Life Next Week

Because of a need to keep within the allotted budget, of the absence of both editor and manager, of the Student Life, the publication of the paper will be suspended for one week. The only associate editor is on probation, there will be no Student Life next week.

Number 16 of the campus sheet will appear February 9.

## Under The 'A'

Edna Thorsen spent last week end at her home in Bear River City.

Donald Bradshaw spent the week end at his home in Wellsville.

The Zeta Chi sorority announces the pledging of Mary Henderson and Grace Crook.

Slate with the crowd at Dan-sante every afternoon and evening now open.

Mr. A. Eckersell, of Idaho Falls, spent Friday of last week visiting his daughter Ondeyn.

Beta Beta announced the pledging of Ovella Brown, Beryl Bown, and Lureo Gardner.

Helen Stevens has returned to school after spending the past week at her home in Ogden.

Helen Hyde was the guest of Margaret and Anne Pearson at their home in Brigham last week-end.

Erma Lloyd, a student of last year, is resuming her studies at school. She is living at the Sorosis Chapter house.

Saturday evening this sorority held final initiations for the following girls: Donna Benson, Lucile Oleson and Cleone Rose.

The Thetas will entertain at a banquet in honor of their pledges Thursday at the Bluebird from seven till nine o'clock.

Ruby Stringham Evelyn Crockett, Rozanna Lee, Helen Pett and Patricia Parker were dinner guests of Helen Hulme, last Sunday.

Leah Mourtson, a senior and Zeta Chi of last year, will be a guest at the chapter house this week. She is coming to attend the Pan-Hellenic ball.

Ellis Doty and Sterling Larson each put on a pair of skills Sunday at Richmond and went for a refreshing ride behind an old batted car chartered from one of their neighbors.

Several members of the Phi Kappa Psi Fraternity entertained the girls from Sigma Theta Phi sorority last Tuesday night. The group spent the evening socializing, and preceded the party a howling success.

Norman Jensen spent last week end in Brigham, visiting his family.

The Sorosis Sorority announces the pledging of Rozanna Lee, Lillian Hogan, Martha Stringham, and Blanche Boudreau.

Keith Sanger, Norman Jensen, "Dutch" Cannon, and William Ballard have been Sigma Chi "goats" for the last five days.

The Gamma Xi Gamma sorority girls have moved into their new home at 136 West First North. Mrs. George Lemon is acting as mother.

The Sigma Theta Phi sorority announces the pledging of Vera Calder, Maxine Bagby, Maurine Bee, Ruth Cranney, Ethel Holmgren, and Olive Crane.

Earl Jensen, an Aggie who is not attending school this summer, has been living at the Sigma Chi Chapter house since his sister contracted Spinal Meningitis.

Milton Rigby, former Aggie, is now studying dentistry at the University of St. Louis. His brother Merle Rigby is studying in the field of zoology here at the A. C.

Stanley Doyle, Elmer Farrar and Arden Geddes were three Aggies who played basketball at the U. A. C. basketball games at Salt Lake last week. The boys returned to Logan Sunday afternoon.

"Wes" Pocock is a visitor at the Phi Kappa house. Wes has been selling life insurance in Salt Lake for some time. He is working with the Inter Mountain Life Insurance Co.

The Dancing Party which the Alpha Gamma Phi fraternity scheduled for last Saturday was postponed because of quarantine. It will be held during the fore part of February.

Hilvia Clawson, Beatrice Allen, and Cecile Peterson, Aggies from Hyrum who are staying at Logan, "bitch" it out in true fashion during the week days and spend each week end at their homes.

Those who have acquired the best in education, deserve the best in automobiles. Get the best in education at A. C. U. and the best in automobiles at BATH MOTOR Nash Distributors, Logan Utah.

Eldon Gardner, Logan High senior, who is doing part freshman work at the college, merits the distinction of being the only Aggie to take four units of high school and six hours of college work at the same time.

Three Phi Kappa and two Phi Kappa living on 4th North, were visited and relieved of some of their belongings between 7 and 11 a. m. on Tuesday. A new overcoat, suit, two watches, and a traveling bag have turned up missing.

The Sigma Chi final initiations were held a week ago Friday for the following men: Hunter Hadie, Wayne Robb, "Ted" Anderson, and "Ed" Benton. It cannot be said that the men for whom the evening was planned enjoyed the full ceremony.

Kenneth Robinson, Delta Nu alumnus who is working in Hollywood at the present time, is writing titles for various film productions. His work has received high commendations from critics. Two of the shows for which he has written titles were recently shown in Logan, and one of them, Colleen Moore's production, "Her Wild Oat," has received especial mention for its clever titles.

Thursday of last week, the Sorosis entertained members of the Football Squad at their annual banquet. The Hawaiian idea was carried out in decorations and in entertainment. The toast carried on the idea of reporter of the trip. Polly Rich, Toast Master, Bonnie Adamson, Orpha Sweeten, and Thelma Peterson responded with toasts. After the banquet the guests were entertained with Hawaiian music and dances.

## SUMMER TERM TO EM-PHATIZE SCIENCE STUDY

(Continue From Page One)  
well known dancing and recreation specialist, Professor Hollis Dunn, head of the department of music education at New York University, and Professor Lester Bjornson of the State Department, One or two others will be added to this list.

Nationally Known Figures  
Among the lecturers who will appear on the summer lecture program are: Walter Richard Eaton, one of the outstanding dramatic critics and literary figures in the country; Dr. Edward Howard Griggs, C. J. Galpin, economist with the United States Department of Agriculture; Professor Levi Edgar Young of the University of Utah, and President P. D. Farrell of Kansas State Agricultural College. Two other nationally known lecturers will be added to this program.

The will only a six weeks Summer Session at the Utah Agricultural College this summer. Instead of the usual twelve weeks session divided into two terms.

"Why is it that a red-headed woman always marries a meek man?" "She doesn't. He just gets that way."

Paul Greenwood, Sandy Utah, has discontinued school.

Allan Cannon spent the week end at his home in Fielding, Utah.

Rebecca Nelson spent the week end at her home in Arimo, Idaho.

Delone Valentine went home to Brigham City over the week end.

Louise Kerr spent the week-end at Tremonton visiting her brother Mercer.

Cleve Milligan was absent from school last week on account of sickness.

Meet your friends on roller skates at the Dan-sante, afternoons and evenings.

"Boots" Pearce and Ernest Howley spent last Saturday and Sunday in Salt Lake.

Vernon Larson, Smithfield, was absent from school the latter part of last week on account of illness.

Delta Nu fraternity announces the pledging of Ed Jensen, Harrison Davis, Sherwin Webb, and Cliff Nelson.

Melvin Burke of Honeyville and Harry Bahen of Paradise spent Saturday and Sunday at their homes.

Dave Haight and Dave Hurren were two Aggies from the Phi Kappa house who saw the Salt Lake games last week.

Aunt Joe, Theta House Mother, spent Sunday in Salt Lake visiting her niece Thelma Peterson, a former Aggie and Theta.

Weldon Hammond spent the greater part of Saturday and Sunday sking on the eastern foot hills. He says it is great sport.

Durrell Hughes is back to school again after having been absent for a week on account of a quarantine in Mendon, his home town.

John Christensen, freshman, resided in Logan during the past two weeks while being initiated into the Delta Nu Fraternity.

Among the faculty members who attended the Aggie-Utah basketball game last Saturday were President Peterson, Secretary Berntson and Milton Merrill.

The Alpha Gamma Phi fraternity held an election of officers for the coming year, Wednesday, January 25. New officers will become active two weeks after their election.

Lee Christensen who has been in Denver, Colorado at the national stock judging contests held there recently, returned to Logan last Sunday.

Landall Merrill, Delta Nu alumnus was a visitor in Logan last week end. Landall is going to the University of Utah, where he is working for a lawyers degree.

The Delta Nu Fraternity wishes to announce that the following men were pledged by them last Thursday: Harrison Davis, Clifford Nielsen, and Sherwin Webb.

Leroy Starr, U. A. C. graduate of 1926, and Delta Nu alumnus, was a visitor at the fraternity home over last week end. He came from Ogden, where he is teaching school, to spend several days with his two brothers, "Sparky" and "Twink" Starr.

Final initiations were held at the Delta Nu Chapter house last Thursday night for eight new pledges of the Fraternity. The eight men who have successfully finished "coating" are: John Christensen, Joseph Day, James Scott, Alton Saver, Leornard Olsen, Cleve Gudmundson, Franklin Richards, and Asa C. Snakman. About thirty-five men were at the house for the final.

## U. S. SECRETARY LANDS COLLEGE AGRONOMY DIRECTOR

(Continued from Page One)

vice, the present Forest Service fees would be too high for the less desirable grazing land that constitutes the public domain. Hence the problem resolves itself into a type of control for the area, the adjustment of trading fees, and the appointment of at least part of these fees to the state.

That Dr. Stewart's efforts have borne fruit, is attested by the following letter from W. M. Jardine, Secretary of Agriculture, to Dr. Stewart:

Washington, D. C.  
January 3, 1925  
Dr. George Stewart,  
Utah Agricultural College,  
Logan, Utah.

Dear Doctor Stewart:  
As the New Year opens, I want to extend to you my cordial good wishes and to express not only my appreciation but that of the Department of Agriculture for your deep interest in the forest problems of the United States.

These problems are complex and difficult, and your counsel and assistance have been of marked value. I shall look forward to their continuance during the future.

Sincerely yours,  
W. M. JARDINE,  
Secretary.

(Weekly Comments on an Editorial Column Limited to Sports, Arts, International and Local.)

By HARRY  
and OTTIS PETERSON

Jerry Smith, Ute freshman, went mad early in the second game against the Aggies and started coasting from any position on the floor. With out the aid of Mr. Smith, it is hard to say just what the Utes would have done.

## NOTICE

HAND IN APPLICATIONS FOR VARSITY TRACK MANAGERSHIP TO MERRILL JOHNSON, BEFORE 12 O'CLOCK MONDAY, JANUARY 30.

Hard workouts are in order this week at the gym. With no games, Coach Romney is apparently making use of the time to teach the boys all they have forgotten about basketball, judging from their first appearance, this won't hurt them a bit.

With the Utes series transferred, Logan should get the full of basketball. During the last two weeks of the season, there will be three series of two games each in the Smart Gym.

The Farmers should take a majority of these games. By that time they will be in good condition and playing on their own floor things will look bad for any opposition.

Utah will play the last series of the season here. Ah, how sweet is revenge! Already the boys are beginning to look forward to it.

Gene Roberts has developed an other good team at Provo. With material that is none too good, he has put forth a typical Roberts' team: fast, short-playing and fast-guarding. There is getting to be some real competition in the conference this year.

Just the same we do wish "Fat" Hawley had chosen an athletic career. The big boy's career was certainly felt in Salt Lake.

Speaking of athletes, another hole that is hard to fill is that left by "Hot" Sanders. Well it may be two to one that he has a good defensive at South Cache if nothing else.

Yale's varsity swimming relay team has established eight world's class international records in the backstroke and breast stroke relays, ranging from 600 yards to one mile.

The Chamber of Commerce-American Legion stadium committee of Ogden has approved preliminary plans for the building of a proposed \$60,000 stadium. Construction will begin in the next bowl east of the city, at once.

The Montana State Bobcats have rather a monopoly on the scoring at the end of the first half of games, with Thompson leading the group at forward with 22 points and his teammate, P. Ward, right behind him and leading the centers with 12 points. Nielsen, who is supposed to feed the ball to the Aggie shooters, leads the Aggie forward with ten points although Worthington at center is high in the Aggie with 15 points to his credit. Martindale is in first place among the guards with a score of twelve. Ward of Utah also has 12 centers to his credit.

Dallas Richens, Aggie heavy-weight wrestler, is temporarily out of the running, with his broken left arm in a sling. Richens and Bill Smith were wrestling when the accident occurred. Smith it is reported applied a hammerlock too forcefully on his opponent.

Much after the manner of the Seventh Day Adventists, we patiently await the day when the wrestling man will come forth from the laundry. Then we will have a real wrestling man.

Hawaiian waters are abundant with fish, but the secret of their habitat is in the keeping of obdurate fishermen long since dead.

"Attacks upon the football rules committee are not new. Discrepancies in the rules are not new."

Three Weight-Classes

Glenn Eversen, Emerson Alford, and Ken Eversen, all of the Aggies, will be in the light-weight class.

Wade, who is supposed to feed the ball to the Aggie shooters, leads the Aggie forward with ten points although Worthington at center is high in the Aggie with 15 points to his credit.

Martindale is in first place among the guards with a score of twelve. Ward of Utah also has 12 centers to his credit.

Dallas Richens, Aggie heavy-weight wrestler, is temporarily out of the running, with his broken left arm in a sling. Richens and Bill Smith were wrestling when the accident occurred. Smith it is reported applied a hammerlock too forcefully on his opponent.

Much after the manner of the Seventh Day Adventists, we patiently await the day when the wrestling man will come forth from the laundry. Then we will have a real wrestling man.

Hawaiian waters are abundant with fish, but the secret of their habitat is in the keeping of obdurate fishermen long since dead.
