## AGENDA

---

*Call to Order* – Matt Sanders

*Did have State USHE Conference. We will have several report outs over the next several months to help give out direction. The goal is to have those out by march so we can work on those in the spring.*

*Just a reminder for sub-committees we have December, January and February so anything for next catalogue year has to be approved by first Thursday in February. Anyone representing a College please let your curriculum and department heads know of the deadlines.*

**Approval of Minutes –[October 5,2023](#)**

Motion to approve- Committee was unable to open Minutes. They will be sent out again today and any concerns can be sent in by end of day.

**Course Approvals/Removals/Syllabi Approvals**

CI-AV-3100..... **Approved**  
Approved based on syllabus description.

**Bob Mueller second**

CL2-HIST-2730..... **Approved**  
Danielle Ross moved to Blanding for a year to custom create this course.  
Title of course may not transfer well. Recommend to incorporate that it is a writing class.  
Is the department continually prepared to have someone teach the Navajo lens proportion?

Part of what we need to tackle in Spring is some kind of rotation of Syllabi because courses like this that are unique will need to be tagged to look at.

**Scott Bates Second**

**New Business**

**Additional Items**
