The polls for voting on Student Body officers will be open Tuesday between 9 a. m. and 4 p. m. All students are urged to participate in the voting.

AGGIE SOCIAL CATALOG

Editors From All Parts of Country to Teach at National Summer Session

A variety of courses by a wide variety of groups of visiting educators is announced by the Summer Session catalog just off the press. Among the men and women prominent in their fields who will give courses at the National Summer School beginning June 12, 1929, are: Lee Emerson, Bassett, of Leland Stanford; Thomas A. Beal, of University of Utah; Jean Betzner, Columbia U.; Edwin B. Bruns, University of Missouri; J. B. Fitch, Kansas Agricultural College; Frank W. Hart, U. of New York; William D. Moriarty, U. of Southern California; L. John Nuttall, Brigham Young University; Birger Sandzen, Beloit College, Kansas; Lester Barnard, Utah State Supervisor of Grammar Grades and Junior High Schools; Mary Seaton, Morrill Palmer Foundation; Edith Bowen, Logan City Schools; Dr. Forrest E. Allen, Kansas State Normal; Leaf, Brigham Young University; Robert Zupke, U. of Illinois; Jessie Mae Agnew, Chicago; Lucy Bates, University of California; Osbourne McConathy, New York City; Spencer Young, Salt Lake City.

There are also four lecturers who will do special work in the course of the session: Edward Henry Neuman, of New York City; Society of Ethical Culture; C. N. Jensen, Utah State Superintendent of Public Instruction; and President George R. Thomas of the University of Utah.

In addition to this visiting faculty and lecturers, the resident (Continued on Page Two)

Former Aggie Students Receive Fellowships

Two former students of the college, Dr. D. H. Nelson and Dr. M. H. Fife have just recently received notices of their appointments to national research fellowships for the coming year. Dr. Nelson is doing his work at Wisconsin University. He is conducting research in the field of the living bacteria of the soil. Dr. Fife is working at the University of California. He is doing research with the nitrogen fixing bacteria of the soil.

The fellowships for which these two former students received appointments are among the best offered in the country. Hundreds of students apply for them and it is considered a great honor to receive appointment to them.

BETAS INAUGURATE FORMAL PROGRAM

The Beta Delta sorority gave its annual spring formal dinner dance last Saturday, April 13, at the Hotel Eccles. The affair was arranged in the form of a French Cabaret, with dancing between courses. The waitresses were dressed as French maids, in black dresses with white aprons, caps and aprons. French menu cards served as programs. Yellow roses decorated the floor, decorated the tables.

Miss Beth Thuermer's dancing entertained the guests between courses, with cabaret feature dancing.

Mrs. Helen Hyde, chairman of the committee on arrangements, acted as hostess of the cabaret, and was a host of welcome to the guests. Other members of the committee besides Miss Hyde included Hazel Thuermer, Mary Morgan and Anna Whitesides.

The following patronesses of the sorority assisted in the planning: Mrs. John A. Crockett, Mrs. Nellie B. Langston, Mrs. Sherwin Maeser, and Mrs. A. N. Sorenson.

Experiment Station Work Inspected

Dr. G. H. Coons, Senior Pathologist, Dr. Edmund C. Taylor, Jr., and Dr. Dean A. Pack, Associate Agronomist at all the offices of the Sugar-beet investigation, Bureau of Plant Industry, U. S. Department of Agriculture, made an inspection yesterday of (Continued on Page Two)

Peterson Retained As College President By Board of Trustees

At the recent annual organization meeting of the Board of Trustees of the college, President E. G. Peterson was reappointed to his position as president of the college. He has been president of the Board for many years. The Board was elected for another year. Other officers named continue in their positions. C. G. Adney as Vice-President, and the Board of Trustees. Other important matters which received the attention of the Board included approval of the annual budget, faculty appointments, the granting of leaves of absence, and the announcement of returning faculty members. The Board approved the annual budget which approximates \$800,000 for the fiscal year, July 1 to June 30. This includes the Experimental Division, the Branch Agricultural College, as well as the general department of interior instruction.

Sabbatical leaves were granted to Edmund Feiman, associate professor of engineering, Howard Maugman, director of the Branch A. C. and King Hendrick as professor of engineering. C. Henry Obernashley of the resident faculty was granted a leave of absence for one year. Professor Merrill, director of the B. A. C. Professor Obernashley will assume his new duties in August.

The appointment of Ariel Merrill as assistant professor in dairy management was confirmed. Professor Merrill is continuing his work at the college. Since his graduation he has done advanced work as Michigan University. He has also spent some time in the practical field. No other appointments were made at the meeting. The Board, but it was announced that several assistants and instructors would return from the various departments will be appointed later.

Announcement was made that several faculty members now on leave would return to the institution this year. Dean W. L. Wauless of the School of Commerce will return from a year's advanced study in Europe. Dean Ray B. West of the School of Engineering will return from a year's advanced study in his field at the University of California. He will return this spring. Professor E. Ricks, head of the department of history, will return after a year's study at the University of Chicago. Three faculty members have been appointed later.

Laura Bankhead Edits Bunk Issue

"Student Lies," the annual bunk edition of Student Life, which comes out on "A" day, will be edited this year by Miss Laura Bankhead. Contributions to this issue will be used for publication in the magazine. The issue is untruthfulness, the bigger the lie the better the chance for a contribution. The issue is published in the issue. Students are urged to contribute anything of this nature. The office of the magazine will not accept anything of this nature after next Monday, April 22.

Miss Bankhead suggests that students who are particularly adept at writing this type of article keep their eyes open for subjects which will do the trick. She has been drawing up, and the engineers are patiently awaiting Student Body Day to show their ability to supervise the construction of the college.

At this time, most students find themselves in the role of common laborers, the Engineers have ever had, and his technical training, and his understanding of construction processes.

Engineers to Supervise Court Construction

The members of the school of engineering, under the direction of Prof. E. B. Feldman, have been requested to prepare plans and specifications for the tennis court which will be constructed and presented to the College as the gift of the Senior class. The plans for the court have already been drawn up, and the engineers are patiently awaiting Student Body Day to show their ability to supervise the construction of the college.

At this time, most students find themselves in the role of common laborers, the Engineers have ever had, and his technical training, and his understanding of construction processes.

Professor Clyde Talks Over Radio

Professor Geo. D. Clyde of the Irrigation Department, lectured Tuesday evening on the subject of "Prospectively Water Supply for Utah, 1929." Professor Clyde has won two letters in football, four in basketball, and has won his fourth in track. He captained the basketball team for two consecutive years.

AG CLUB HORSE SHOW PLANNED FOR MAY

The date of the Ag. Club Stock Show and Horse Fair has been set for May 8. School will be dismissed at twelve o'clock, giving students and patrons time to visit the various departments of the display, which will be in the main building before journeying to the Adams field to witness the live stock display and horse show.

A sufficient number of horses have been procured from the Re-mount Service at Fort Douglas to take care of all students who wish to participate in the various events of the show. There will be bucking and fancy riding contests, for individuals and teams both men and girls, and the horse show committee urges that fraternalities and sororities organize teams of four to compete in these events. The horses will arrive here at least ten days before the show to enable them to use them for practice in the Capital building to use these horses will make arrangements with George Hendrick.

Worthwhile trophies will be awarded to the winners of the show. (Continued on Page Two)

Pulley and Zobel Win Next Year Scholarships

Dr. Greaves announces that two students of the Department of Bacteriology have been awarded valuable scholarships for the coming year. C. E. Zobel, who will receive his M.S. degree this spring, will continue his studies toward the Ph. D. at the University of California, Berkeley. Mr. Zobel is winner of the Thompson Scholarship, two of which are awarded annually to students each year. The scholarship this year is \$750.00, approximately \$100.00 more than it has been in the past.

Mr. Hamlet Pulley is the recipient of a \$100 scholarship to George Washington University at St. Louis. Mr. Pulley has also completed the requirements for the M. S. Degree and will continue his studies toward the attainment of a Doctor's degree in Bacteriology and Biochemistry.

ADDITIONS MADE TO FRESHMAN CLASS

Professor Chester J. Myers, director of the freshman play, "Panic and the Sorcery," has announced that the play will be staged May 6, in the college auditorium.

According to Professor Myers, several additions have recently been made to the freshman class. Professor Myers is taking the part of "Bennett," which was originally assigned to Darrell Crockett. The new additions are: Louise Rowland, Davis, Laura Nelson, Erma Edwards, Verna Reeves, and Olivia McHugh have been chosen to be the members of the chorus. "Our Empire," has discontinued his work at the college.

South Cache Students Schedule Alumni Day

South Cache will hold its annual alumni day at the high school on Tuesday, April 23. The program and dance will be the main features of the day. Ray James with the assistance of Mona Bowen as associate editor and John M. Anderson as business manager will be distributed during the day. South Cache students will be excused from classes so that every one will be able to visit the high school during the day.

Worthington Contracts To Coach at Cyprus

Glen Worthington, one of the best all around athletes the Utah Aggies have ever had, has accepted a coaching contract at the Cyprus high school for next year. Mr. Worthington will be graduated from the college this spring and will assume his duties at Cyprus in September. A brief glance at the college, athletic achievements of Worthington have been outstanding. At the Utah State Agricultural College he has won two letters in football, four in basketball, and has won his fourth in track. He captained the basketball team for two consecutive years.

Official Ballot For The Student Body Elections

The order of the offices and candidates to be voted upon as they will appear on the official ballot have been submitted to Student Life by the election committee. The polls will be open to vote between 9 a. m. and 4 p. m. The candidates are listed below according to the order nominated:

President
RULON WALKER
JOE COWLEY
GEORGE JUDAH

Vice-President
HELEN HYDE
LAURA BANKHEAD

Secretary
SYLVIA CANNON
HELEN HANSEN
BUCK BUCHANAN

Student Life Editor
VON ROBERTSON
RONALD FLAMM
JAMES SCOTT

Buzzer Editor
ARTHUR MARBLE
CARL SHEPHERD
BILL BALLARD

Executive Committee
THELMA JOHNSON
DONALD CRUIKSHANK
POSTER MERRILL
MERLIN SHIPLEY
LEVI WYVERN
MELVIN BANKHEAD
Hazel TBEBBS
FAYN WILSON
FLOYD DAVIS

Cheer Master
JOE THOMAS
PEG BAKERHEAD

Song Leader
STERLING LARSON
KENNETH SHIELDS

New National Greek Letter Fraternity Chartered on Campus

The new fraternity on the campus which has been chartered for the last two or three weeks has now assumed a definite character and personality with the announcement that the local chapter will be a member of the national organization of Pi Delta Phi. The first chapter of Pi Delta Phi was organized at Huntington, West Virginia in 1912. It has grown until it now represents fraternal chapters all over the United States.

Students who compose the local chapter are: C. B. Yeates, Irvin Hawks, Arthur Wolfenden, Vernon Israelson, Lowell Jensen, Wallace Rollins, John Hale, Edith Hartwigsen, Park Caldwell, Merlin Griffith, Floyd Keller, (Continued on Page Two)

Periwig Club Stages Play Next Monday

Little Theatre will present the Periwig Club in Sean O'Casey's "Juno And The Paycock," on April 22.

This play, a favorite of Ireland's new playwright, was awarded the Hawthorne prize of \$1000 for the best imaginative literature of the year 1926.

In undertaking this offering the Little Theatre is putting itself up to-date and worthwhile things. The Boston Transcript says, "Sean O'Casey has been the phenomenon of these latter days at the Abbey Theatre." In addition to this the play was Broadway success.

The play has its setting in the slums of Dublin, on the Irish rebel-on Easter week, and the Black and Tan wars and the Free State. It revolves about conventional figures of Irish life, but continues with the Transcript writer:

"First off, Juno and the Paycock are to be a new tropical comedy. Juno Boyle herself is at once the most universal and the most original character in the group. The mother whose husband is an aimable sot, and whose children are alternately dependent on her and wayward beyond her control. There are moments of music-hall farce in the play, but most of them are beyond the likeness of Juno. They concern mostly the shiftless 'Captain Boyle' (he made one voyage on a barge to Liverpool), and his public house companion, the reckless Joker Doyle. These two are as much gutter-birds as ever were in an indifferent pair. Johnny is a crony shell of a man—haunted (Continued on Page Two)

PHILIPPINE TAKE PAGE TWELVES

Glen Worthington to Supervise "A" Day Program

Final plans have been completed for "A" Day which is to be observed on Wednesday, April 24. All male students will be expected to report to the Vigilance committee at 8 o'clock Wednesday morning in the faculty room. The committee, which for the benefit of those who might be tempted to sleep in — is composed of husky western and football stars, is instructed to check on attendance and prosecute delinquents to the full extent of the law. The students will be under the direction of their class presidents, Rex Dibble, Emerson Abbott, C. G. Judah, and Art Layton. The program of work is as follows:

Freshmen and sophomores of stadium where they will make a new practice field. Rakes, shovels and wheelbarrows will be necessary. Sophomores: To south hill back of engineering building, meaning art building and building by old amphitheatre. They will (Continued on Page Two)

College Superintendent Of Grounds in Hospital

Suddenly taken ill at Farmington while on an extension tour thru the state, Emil Hansen, superintendent of the college grounds, was rushed to the Dee Hospital at Ogden a week ago where he underwent a serious operation. The nature of the operation is not known although it was of such a serious nature that he had to be taken directly to the operating table.

Professor Hansen left Logan April 1 for a month's recuperation throughout the state to supervise spring landscape work and horticulture in connection with the Extension Department.

Professor Hansen has been connected with the college since 1914 when he became Superintendent of Grounds and Green-houses. In 1918 he became an assistant professor of Horticulture and in 1920 received a professorship in the same field. He has long been active in the landscape and horticulture fields and at present holds one of the executive positions of the state Horticultural Society.

GEORGE A. SMITH SPEAKS IN CHAPEL

"Intellectuality or mind training is important but it is not so important as moral training. The development of eternal happiness. Such was the theme of the chapel address, given Wednesday afternoon by Elder George Albert Smith of Salt Lake City one of the council of twelve apostles of the L. D. B. Church. The speaker quoted at length an article by Michael Pupin, in which the author has been comparing the universe is for a purpose and the purpose is for a purpose. The universe is for a purpose and the purpose is for a purpose. If science does not assist me to become a Christian then science is a failure."

Other numbers on the program were: "The new tropical comedy," Juno Boyle herself is at once the most universal and the most original character in the group. The mother whose husband is an aimable sot, and whose children are alternately dependent on her and wayward beyond her control. There are moments of music-hall farce in the play, but most of them are beyond the likeness of Juno. They concern mostly the shiftless 'Captain Boyle' (he made one voyage on a barge to Liverpool), and his public house companion, the reckless Joker Doyle. These two are as much gutter-birds as ever were in an indifferent pair. Johnny is a crony shell of a man—haunted (Continued on Page Two)

Rodeo Planned As Feature of Show

Lloyd Davis, Tone Winkie, and John Decker, rodeo committee for the Ag. Club Horse Show, have worked out a list of events that show promise. They have obtained a string of bucking horses from the famous Riches of these horses were used in the Box Elder County Fair and rodeo states are following known for their performing ability. They will have a number of bucking horses and a wild cow milking contest. Other events include a show-horse race, a cow-pony steeple chase, and a lasso race on horseback. A clown will entertain between the other events.

Registrar Bell Attends Conclave

W. H. Bell, assistant registrar, left last Sunday for Seattle, Washington, where he will attend the National Registrar's convention held Tuesday, Wednesday and Thursday. He will also attend another convention before returning.

Mr. Bell expects to return early next week.

Philippine Student Writes on Problems Of Native Land

By A. S. Vargas

Having been approached and asked by Americans concerning the limitations of Philippine products coming to United States, I feel it is my duty as a loyal citizen of the Philippines, to express my views relative to the reaction of the Filipino people regarding the tariff question on Philippine products.

At the hearings of the ways and means committee, February 1929, Mr. Vicente Villamor, Filipino lawyer and economist, has this to say:

"The appearance at these hearings of Filipino and Americans jointly in defense of the Philippine cause proves once again that nationally and internationally there exist an identity of interests between United States and the Philippines."

"The privilege accorded to Filipinos of being heard by committee of Congress in the formulation of legislation and policies affecting them is a reminder of the fact that the Philippines are a member of American Commonwealth of States, Territories, and Possessions, and that carries with it the right of the members are sacredly equal as they are equally sacred."

"To create the simple and vital but oft forgotten fact that the free entry of Philippine products to the United States is reciprocated by the free entry of American goods to the Philippines."

Weber Students To Visit Campus

In accordance with a joint invitation of the Utah State Agricultural College and the Weber College, the national scholastic Student Body and faculty of the Weber College will make a pilgrimage to Logan Friday, April 26, when the visitors will be introduced to the students, the faculty and general Aggie environment.

According to President Leonard Judkins of the Weber College, the visitors will arrive Friday morning and will be met at the airport by a group of students. The Weber College will give a program, after which a social hour will be held. The program will be sponsored by the student body complimentary to the visitors. The Weber College president of the Aggie Student Body states that on the same afternoon tennis teams from the Ogden and Salt Lake colleges will compete on the local courts.

Pi Delta Epsilon Issues Student Life

Next week's issue of Student Life will be managed by Pi Delta Epsilon, the national scholastic honor fraternity. In addition to the usual campus, social and scholastic news, the journal will feature an entire page of editorial and special articles.

The men who contribute to this page are experienced in the various branches of journalistic work and will offer a variety of subjects. Among those who will contribute are President E. G. Peterson, Professor F. R. Arnold, Russell Hess and Wilford D. Porter.

Co-eds Participate In Show Work

A recent trip to the woodwork department disclosed several of the fairer sex lustily swinging hammers, wielding saws, and polishing are bits of furniture. The writer learned that those girls have quite an influence over the campus, and are making larger this quarter than any spring quarter in the past; there is a fine spirit around the department, and the present work is being turned out. The instructors announce they are planning an exhibit of some of this work.

PERIWIG CLUB PUTTING ON AN EXCELLENT PLAY NEXT MONDAY EVENING IN THE COLLEGE AUDITORIUM. JUNO AND THE PAYCOCK BY O'CASEY IS THE NAME OF THE PRODUCTION.

Seville, Skanechy, Tuddenham, Richards and Sorenson Receive Consideration

At the last meeting of the Faculty Miss Verda Dowdle was elected as the student representative for the Periwig Club for the Class of 1929.

Verda is an honors student with a major in Entomology and minors in Zoology and Modern Languages. She has been in residence with the club, since the Philippines has no representation with voice and vote in Congress, members of that body who are dealing with the Philippines may forget their congressional constituents and function as national legislators for that noble political entity known as the United States of America whose territory extends to the other side of the globe."

From these statements of Mr. Villamor it is not surprising that views frankly and publicly, inasmuch as we are under the American flag, a flag which stands for peace, liberty and equality, I believe whatever steps Congress may undertake to dissolve now the political conditions, would be done in such a way that both American and American will be justified.

Should Congress fail to legislate in accordance with the wishes of the Filipinos and Americans, then the only solution is for these two nations to dissolve now the political bond that binds these countries. By doing this Philippine people can establish their own government and will meet the satisfaction of the Filipino people. In the last analysis, the satisfaction of a governed is the test of a good government."

Preparations Progress For High School Day

Preparations for High School Day, the colossal drama enacted upon the Utah State Agricultural College Campus, are well under way. Committees have been appointed to handle the various details of the event. The High School Day will be held on Friday, May 3, and will be a day of high school students from all over the state.

Webster Students To Visit Campus

In accordance with a joint invitation of the Utah State Agricultural College and the Webster College, the national scholastic Student Body and faculty of the Weber College will make a pilgrimage to Logan Friday, April 26, when the visitors will be introduced to the students, the faculty and general Aggie environment.

According to President Leonard Judkins of the Weber College, the visitors will arrive Friday morning and will be met at the airport by a group of students. The Weber College will give a program, after which a social hour will be held. The program will be sponsored by the student body complimentary to the visitors. The Weber College president of the Aggie Student Body states that on the same afternoon tennis teams from the Ogden and Salt Lake colleges will compete on the local courts.

YOUR LIBRARY, WHERE AND HOW?

In chapel two weeks ago Dr. Pedersen addressed the Student Body on "Your Mite Toward the Library." He pointed out that the Library is to be the student's building and they should give their opinions about where it should be built and how. Student Life wishes to urge that Dr. Pedersen's advice be seriously considered. It will be recalled that he asked the students to consider the mite of thought on how the building, which is to be the heart of the College, should be planned, and where it should be placed. The Board of Trustees and the building committee do not wish to have all the responsibility of saying where and how our Library is to be built. They feel that the Student Body ought to have its opportunity to take an active part in the founding of this long needed addition to the College.

What are your ideas about the location of the Library—should it be where the Experiment Station now stands, overlooking the city as does the Main Building; should it be under the hill on the corner opposite the Home Economics Building and near the street or should it begin the fourth side of the Quadrangle and stand at the East side of the Campus? This question, you can help answer. Also you have your opinions on what class of structure it should be. Keeping in mind the amount of the appropriation, \$175,000, what kind of building can be erected that will speak the soul of the school? If it is to be the heart of the College, its architecture must portray the soul of the College; what kind of a building will teach to strangers who come here the wholesome life and spirit that prevails? This new Library must be to the Utah State Agricultural College what the John R. Park Building is to the University of Utah and the Gates Memorial Library is to the Brigham Young University. And since it is to be your Library and the heart of your College it is only fitting that you should be considered in the planning of it.

LOST AND FOUND ARTICLES

Among the minor yet significant problems that confront the Student Body is that of lost and found articles. In the past this has been handled in a more or less haphazard fashion so that students finding articles have had little encouragement to return them. Articles that have been returned to various places such as Student Life office and the Secretary's office have not all been recovered.

In view of these facts definite provisions have been made to have all found articles turned in to the office of President Peterson. There a record will be made of where each article is found and the name of the finder. At the end of thirty days all unclaimed articles will be returned to persons finding them.

Let it, therefore, be definitely understood that students are expected to return all found articles to President Peterson's office, and those who have lost articles should come here for them. The plan is one which should lend encouragement to honesty around the College and should relieve finders of articles of any suspicion that in turning the articles over to a definite bureau they are merely being placed into the hands of illegitimate owners. Because a number of valuable articles have disappeared around the Campus of late, Student Life is particularly anxious to see the students support the newly instigated movement by cooperating wholeheartedly with President Peterson's office.

NEW NATIONAL GREEK LETTER FRATERNITY CHARTERED ON CAMPUS

(Continued from Page One)

Newell Shaffer, Delos Watkins, Wayne Larson, Ray Harvey, Jack Subal, Harold Anderson, Earl Frampton, Thomas Walker, Grant Murdock, A. Yeates, Vernal Seasmans, Levi Meyers, James Roof, Paul Broberg, Marcus Griffin, Rex Feltner, Dukes Richards, Lewis Lloyd Berdane Bails, Lamont Hodges, Ira Clark, Leland Stephens, Irving Frost, Kenneth Finney, Loren Fowler, Albert Harris, Frank Carter, Clark Orme, Herschel Mason, Delbert Smedley, Chester Stallings, Rolla Rich and H. G. Hanson.

The Pi Delta Phi has secured a chapter house on First North. The members are going to start work getting it in shape Saturday so that they will have the advantage of a fraternity house almost at once.

PREPARATIONS PROGRESS FOR HIGH SCHOOL DAY

(Continued from Page One) drama presented will be arranged by the school represented by the cast. Appropriate awards have also been worked out for winners in athletic contests, under the supervision of Coach Romney.

EXPERIMENT STATION WORK INSPECTED

(Continued from Page One)

the cooperative work under way with the Utah Experiment Station. The direct supervision of this work is with Dr. C. M. Tompkins, Assistant Pathologist who has been stationed at the college by the Office of Sugar-beet Investigations since October 1928. Besides inspecting the work already under way, the visitors considered plans for further cooperation with the Utah station. It is expected that in the near future a formal agreement will be effected, which will provide for cooperation in sugar-beet breeding. This work will be done in connection with the Salt Lake City headquarters of the federal office of sugar-beet investigations.

PROFESSOR CLYDE TALKS OVER RADIO

(Continued from Page One) water that will flow in our body affairs. They streams, Professor Clyde and his cooperators have measured the snow cover in the mountains in various sections of the state and the talk was prefaced from these measurements.

Dr. J. H. Linford, director of the Utah Agricultural College Summer School, and Professor Walter Weltl will have next week's half-hour program in charge. Professor Weltl will present two of his students who will sing several vocal selections. Dr. Linford will make a number of brief announcements regarding the coming Summer School session. The half-hour program is conducted by the U. A. C. each Tuesday at 1:15 o'clock, over the K. B. L. broadcast station.

CAMPUS CLEANING WILL BE IN PLACE ON WEDNESDAY

(Continued from Page One) also take down the fence that separates the old college property from the new corner lot. They will need rakes, shovels and wheelbarrows.

Seniors will work on their own project—that of putting in two tennis courts east of the quadrangle. Only shovels will be required.

The Faculty will clean the campus north of the walk leading from the gym and around back of the gym. Lunch will be served at 12 o'clock back of the cafeteria. Delinquents will also be publicly ducked at this time. At 12:30 a program consisting of stunts, musical numbers, etc., will be given on the quadrangle. At 1 o'clock the Fresh and Sophomores will engage in their annual kangaroo rush, and at 2:30 everyone will be at the stadium for a big track meet between Captain Callie Blues and Captain Worthington Whites. Inasmuch as these same teams met recently with a final score of 68-67, there should be plenty of excitement, and competition.

On Wednesday night at 9:00 there will be a big FREE, DATE-LESS dance at the Palais d'Or. Further announcements will be made concerning the dance. As a concession to the weather bureau, the committee makes the announcement that in case of storm, activities will of course have to be postponed. If the 7:30 bell rings on Wednesday morning, activities will continue as usual; if not, the boys will work for work.

PHILIPPINE STUDENT WRITES ON PROBLEMS OF NATIVE LAND

(Continued from Page One) the palladium of American just at the college for the past four years during which time she has maintained an average grade of 94.2 percent.

Besides her regular studies she has assisted as a laboratory instructor in the elementary courses of Zoology and Entomology and during the past year has been a part-time instructor in the Zoology department.

Verde has taken an active part in student affairs. She was a charter member of the Utaoza Club, has served as reporter for the Student Life, is a member of the Short Story and Emyrean Clubs, and is now vice-president for the Cosmopolitan Club. Her home is in Newton, Utah, where she received her grammar grade and junior high school training. The remainder of her secondary education was completed at the South Cache high school where she graduated in 1924. Other candidates for the valedictory in order according to average grades were: Therna Seaville, Sigurd Skandby, Evelyn Tuddenham, Pearl Richards, and Fred C. Sorenson.

SUMMER SCHOOL CATALOG LISTS GREAT LEADERS

(Continued from Page One) faculty has arranged a comprehensive group of short courses in all fields, ranging from advanced work down to Junior College instruction.

There are provisions made for recreation of various sorts, including informal receptions, musicals, lawn parties, etc., and field trips and excursions will be conducted by classes in Botany, Zoology, and Geology into the nearby mountains.

A special feature in connection with the school is the teachers' bureau that has been organized. This will enable teachers seeking employment and school superintendents to get together on teaching situations.

PERIWIG CLUB STAGES PLAY NEXT MONDAY

(Continued from Page One) with terrible apprehensions of the shell-shocked and mentally incompetent. Mary is a bit saner, but hardly happier. She is out on strike. She decks her hair with a ribbon and deserts her beau from the slums to go walking with a smooth spoken schoolmaster.

A popular cast of the Periwig players under the direction of Dr. N. A. Pedersen, have been working hard in the preparation for this production, and it bids fair to be one of the most popular of the present Little Theatre season.

AG. CLUB HORSE SHOW PLANNED FOR MAY EIGHTEEN

(Continued from Page One) awarded individuals and teams in each event. Also an excellent trophy is being secured for the best individual local horse shown at the fair, this is to be a specially saddle animal. Those wishing detailed information concerning entries for this event inquire of Pres. Bankhead, George Henderson, or Ed. Reading.

BULLETIN BOARD

LOST—Pair of glasses on campus. Finder please return to S. L. office.

The Cosmopolitan club quarterly luncheon will be held on April 21. The committee in charge states that arrangements are being made to have a speaker from the University of Utah as chief entertainer.

The Engineers, working in connection with the Forester's club will present two one-reel films next Monday in the Engineering auditorium. The films pertain to power, and should be of interest to a great number of students.

Dr. George Stewart will talk to the Experiment Station staff on "Genetic Indications as to the Manner in Which Evolution Takes Place." Thursday, April 18th in the Faculty room at 1 p. m. The faculty is invited to attend.

A diamond setting was lost on the northeast side of the quadrangle during the week. If anyone finds same and returns to President Peterson's office he may receive a \$20.00 reward.

Students—Here's How

If you are earning your way through school, stop worrying about the high price of tuition and the other concurrent expenses. Hundreds of other students, as our summer salesman, have faced the same problem and returned to school in the fall after making sums ranging from \$400 to \$2,500. And here's how! It's simply like higher education—you have to work hard to make the mark. If you are willing to write us for further information. No investment required.

Little Things

By John T. Caine

Assuming that school prepares people for living, what are the qualities that will help one to be successful?

Are indifference, disorder, bluffing, and cheating assets to life?

Let us see what may be advantages:

1—Health—secured by clean, vigorous habits.

2—Good judgement—high ideals made practical by clear thinking and allowance for human frailties.

3—Honesty—not merely being square in financial matters, but striving to be just in estimating our own, and other people's qualities.

4—Sincerity—not piety, not any taint of hypocrisy, but trying to appreciate what is right, and to act it consistently.

5—Courtesy—that delicate sensibility to human emotions that leads one to act not merely not to offend, but also to please by doing the right things, without officiousness or tending.

6—Efficiency—not doing just what is required but, conscious of possible improvements, modestly seeking for better and more effective ways of working.

7—Service—if employed by someone to work with such interest as to advance his welfare and give one's own efforts the character that make one's help desirable.

8—Putting one's soul, calmly and consistently, into one's part in the responsibilities of life as an individual and as a member of society at large; being consistently loyal to oneself, one's community, state, and nation, by acts more than by words.

Four years of training must have a positive effect on after-life—not the assigned lessons alone—but the conduct of the person in his home, on the streets, in social contacts, everywhere; but especially in the character of his thinking.

Myrtle Dudley was the guest of Eva Haroldson at dinner Sunday.

Florida is a national leader in winter-grown crops. Here's a field of snap beans.

Here's a challenge to young men who plan to make farming a business

TO the serious-minded young man, especially to the graduate or under-graduate of agricultural colleges, there's a challenge in Florida's unbounded agricultural possibilities which offers an opportunity to exercise knowledge and skill for real profit in farming. Business men, you know, expect to make money. If you are one who plans to make farming a business—profitable, full of joy of achievement—you need the story about Florida.

Poultry and citrus fruits are big money producers in Florida

Silver Springs, the world's largest, a year-round scenic attraction. Glass bottom boats ply the crystal-clear waters.

Investigate!

There's no better way of spending your summer vacation than loading up the car for a camping trip to Florida for personal investigation of this state's many agricultural opportunities. You'll enjoy a vacation unlike any you've ever had. It won't cost a lot—but it may mean much to you in planning your future. Be sure to send for facts about agricultural subjects you are most interested in. There's a handy coupon below.

UNDER THE "A"

Delbert Lamb, former Aggie and student was a campus visitor last Saturday.

Zeta Chi sorority pledged Nina, Leta and Velma Jensen Saturday, April 13.

Edna Bachman is much improved after a serious appendicitis operation performed last week.

Dear Student Body: Don't forget your cash for some candy on "A" Day.

The Beta Delta sorority announces the pledging on April 13 of Mae Hillstrom and Hortense Allen.

Mrs. Leone Henri, a former Aggie and member of Zeta Chi sorority, was a campus visitor Saturday.

The Zeta Chi sorority entertained for rushes at a "Zeta" party at the Aggie home Thursday evening.

Virginia Crockett, Truth Taylor, Orpha Sweeten, Lind Johnson and Mr. Sweeten drove to Ogden Sunday to see "Broadway Melodies" and "Sunny Boy."

Maude Price, who will be remembered as a former Aggie and Beta, was a guest at the formal dinner dance of the sorority held last Saturday night.

Ivan Smith left Tuesday night for Salt Lake City. He plans to remain in the capital city a couple of days before journeying to Chicago, headquarters of the National Amateur boxing crown.

Weldon Burnham and Ronald Flamm have been doing some very creditable work, during the recent political campaign, on the posters and slogans you have observed around the halls.

The following have been appointed managers of the Freshman play: Kyrnell Hickman, business manager; James Philmore stage manager and Bob Hatfield, property manager.

The patronesses of the Beta Delta sorority entertained the active chapter at a bridge luncheon, given at the chapter house on Thursday, April 11. Special prizes were awarded to Marguerite Sill and Mary Briggs.

On Saturday night, April 27, the three Theta Alpha Phi chapters of Utah will hold their annual banquet at the Hotel Roberts in Provo. A very representative group from the College chapter have planned to attend.

A new attraction at the U. A. C. dormitory has been the purchase of a radio which has been placed in the reception room. Many happy musical hours are now spent listening to the splendid programs over the air.

Professors Calvin Fletcher and Harry Reynolds have a collection of twenty-five paintings on exhibit in the Biogeloy Hotel at Ogden. The exhibit is under the supervision of Mr. and Mrs. F. C. Ruffert, who say these paintings have caused a great deal of favorable comment.

Vernon Budge, Donald Cruikshank and Glen Worthington motored to Salt Lake City recently to attend the opening night of W. C. Floyd's play, "The Wooden Kimono" at the Playhouse. They also visited the Alpha Tau Chapter of Pi Kappa Alpha before returning.

Mrs. Harry Parker and Helen Hulme entertained at a bridge luncheon Saturday in honor of Patricia Parker who has just returned from Washington D. C. Sixteen guests were seated at the luncheon table which was decorated with flowers and a guest prize was awarded to Mrs. Rulon Johnson and a guest prize to Fatty.

How's your sweet tooth? Yes, I thought so. Just ready to eat up pounds of candy aren't you? Well, just hold your own until Wednesday. You know that "A" Day, and we'll sell you some honest to goodness, home-made candy, just like mother used to make. Oh, you want to know who's bossing the job? Why, the Phi U. girls, so come prepared. P. S.—I forgot to tell you another good point about the sale. It is that you can buy it in any size, shape, or form—I can in boxes, by the bar, or otherwise, such as 5 for 5 cents.

The last meeting of the year for the short story club will be held Thursday, April 23, at 7:30 o'clock at the Sorosis house. Election of officers for next year will be held, and a Short Story program will be furnished by Anna Marble and Lucille Cardon. All members are requested to attend.

Candy Girl! Candy Boy! A rare treat, on "A" Day.

PETERSON RETAINED AS COLLEGE PRESIDENT BY BOARD OF TRUSTEES

(Continued from Page One)
on sabbatical leave. Professor W. W. Henderson, head of the department of zoology, will return after a year as head of the new L. D. S. Institute. A raise in rank from instructor to assistant professor was granted to C. J. Myers of the English department.

Grace Pond spent the week-end visiting with her parents at Grace Idaho.

Thora Jones spent the week-end in Salt Lake City visiting with her mother.

Mignon Domgaard visited with her sister at Brigham City during the past week-end.

George Bishop visited the Pi Kappa house last Saturday before accompanying Howard Tanner to Salt Lake City.

Merschel C. Mason a student in the school of arts and science is the proud father of a boy, born April 5. Boy and mother are doing nicely, rather proudly.

Helen Hersley and Mr. and Mrs. Ariel Merrill were dinner guests at the Sorosis house Friday evening. Mrs. Merrill was formerly Miss Edith Foreley, a prominent Aggie and Sorosis. Mr. Merrill was also an Aggie and a member of Delta Nu.

Among the large number of Pi Kaps that journeyed to their homes for the spring vacation were "Don" Cruikshank, Glen Worthington, "Erp" Sheffield, Howard Bonemarte, Golden Stoker, Howard Williams, Eliza and Ivan Smith, Carl Belliston, Odell and Delos Thompson, and Wayne Holmgren.

Dean Dancy, Nora Starr, Mignon Domgaard, Evelyn Syme, Marjorie Taggart, Jerry Hansen, Mary Mattson, Wanda Garrett, McHugh, and Elizabeth Robinson were at the Dora during the recent vacation and supervised the spring cleaning and re-decorating.

Main Street was startled last night by a paper airplane, a reversion to type, as whittops, buckboards, etc. thundered, clattered, and squeaked up and down the thoroughfares.

"It was good enough for my father. It's good enough for me," was the cry, and out came the horse-drawn vehicles.

The event was the Sigma Chi hard times party, an annual affair. The group donned their oldest clothes and their best dispositions and made "Whoopee" Burial and baled hay furnished timely decorations. Covers were laid on the laps of about eighty guests.

At the last meeting of the Alpha Kappa Psi, professional business fraternity, five men were voted upon as pledgees, announced Merin Shipley, secretary of the local chapter. These men are: Leo Bickmore, Emerson Abbott, Don Cruikshank, Vern Byron and Ferris Jones. They will be initiated next Tuesday evening.

Alpha Kappa Psi, which was organized by the New York University, came to the campus in 1922. Its purpose is to encourage research in business and financial fields.

The school of home economics scored another hit this week when LuRee Gardner, who graduates in that field with a major in foods, received a contract to teach in the Cedar City High School. It is not often that a student, even a graduate, gets a contract without plenty of rustling around, especially when that contract comes from the home town. Not only is LuRee Gardner's document from her home town, but she admits that it is one of three she had to choose from.

Miss Gardner came to the College from the branch institution two years ago where she was the tub in the home ex. wheel during her prep days. She is now a member of Phi Upsilon Omicron, the national home economics fraternity, a Beta and one of the best liked hostesses of the Practice House.

Millie: Well, shall I return the engagement ring?
Vine Reeves: No! don't bother I'll just have the next installment statement sent to you.

Exchange Notes

To be popular we must dress up if the following article from the Purple Exponent is to be believed.

"College boys must spruce up and starch up if they would win the favor of the modern co-ed," says Elmore Glyn. She maintains that "it is reflected as much by the dandyism, by the personality, or expressed in a different way, clothes are the responsibility of the 'It' in one's personality."

"Madame Glyn continues by saying that slovenly dress, slovenly collar, carelessly socks, general careless attire add the index of a spissiness personality that will not interest the women. A well-pressed suit, a proper shine, and a neat haircut tend to raise the man's morale while also making him interesting to the women."

Wives may be modern, but not too much so is the opinion of men at the University of Wisconsin, the result of a recent survey shows. Girls who are interesting are preferred to the pretty ones. They may smoke if they wish, but according to many, they may not if they smoke anything unfeminine. The girls may pet, but not indiscriminately the women.

As a rule, the boys prefer the girl who seems interested in them, and does not assume the indifferent attitude. But they dislike the girl who chases after them.

Wichita, Kan.—What is believed to be an unprecedented feat in the medical profession was performed here recently when Guy Ward, 24, a former student of Washington college, underwent an operation for brain tumor, which took five hours to complete, died twice on the operating table and lives to tell about it.

Twice during the operation, Ward's heart stopped beating, but skillful work on the part of the surgeon returned life to him. He will recover, it is believed.

The University of Washington Daily—Most students think better than women students at the University of Minnesota. Five per cent of the men have perfect teeth while but one per cent of the women have perfect teeth.

The Minister President of an Eastern college says his generation of everything that the youth of today does but kept quiet about it—a somewhat tardy confession.—The Columbia Missourian.

The human brain is a wonderful organ. It starts working the moment we get up in the morning and doesn't stop till we go to class.

Bud Shields

Perhaps it is not entirely out of keeping for the Utah Aggies to take this opportunity to congratulate our friends the B. Y. U., on the success of its phenomenal swimmer, Bud Shields. Some time ago Shields was entered in the National A. A. U. swimming meet at St. Louis, Missouri. He succeeded in winning first place in the 220 and 440 yard dashes to win high individual scoring honors in the national conclusion.

Congratulations to the Brigham Young University and Mr. Shields!

Vocabulary
Prof: I say your tabular air container has lost its rotundity.
Motorist: I don't quit.
Prof: The cylindrical apparatus which supports your vehicle is no longer inflated.
Motorist: But—
Prof: The elastic fabric surrounding the circular frame-work whose successive revolutions bear you onward in space has not retained its roundness.
Small Boy: Hey, mister you've got a flat tire.

Frosh Tracksters Stage Meet With Wasatch Academy

The Aggie Frosh were given an excellent opportunity to show their wares in the dual track meet held between the Frosh and the Wasatch Academy last Monday in the U. S. A. C. stadium. The meet was carried off very well and the Aggie team, as a whole, displayed ability better than the ordinary. According to Coach E. L. Romney, the Frosh received some valuable experience in this meet, and will doubtless profit considerably thereby.

What Our Candidates Need

W. D. McIntire
A few of the things a candidate would find helpful if he seriously wishes to be elected:
Kyrnell Hickman's self-confidence.
Clarice Webb's smile.
Emerson Abbott's shoulders.
Alan Palmer's devil-may-care-ness.
Joe Cowley's deliberation.
Von Robert's ten-gallon hat.
Arvil Starke's mustache.
George Larson's placidity.
Ronald Flamm's exuberance.
Land Johnson's loquacity.
Erma Lloyd's business-like air.
Aivon Nelson's smoothness.
Cyrus Greave's smoothness.
Ruth Mattson's complexion.
The Smith twin's gentlemanliness.
Orpha Faylor's Siren ways.
Laura Nelson's eye-roll.
"Dolly" Keast's enigmata.
Allan Cannon's poise.
Arthur Marble's righteousness.
William Morrell's simplicity.

Coach Milton Merrill urges that all men entered in the Spring tennis tournament play off their matches just as early as possible.

All organizations interested in entering a baseball team in the inter-organization meet are requested to get in touch with Coach Sterling Anderson.

TRACED STEADILY INVADE UTAH COURTS TODAY

Intercollegiate Tennis Season Opens On Utah Courts Today

Merrill Names Delegates To Represent College In Initial Tennis Encounter

Late Spring Handicaps Mentor in Choosing Squad

Coach Milton Merrill and five Utah Aggie tennis players left for Salt Lake this morning when the Farmers will open the 1929 season against the University of Utah. The Aggies will be represented by Dennis Cannon, John Christensen, Myron Brencley, Alton Saker and Joe Cowley.

The Aggie mentor announced that he will probably line up Cannon and Saker on one doubles team and Brencley and Cowley on the other. John Christensen will likely be assigned the responsibility of the lone singles match. To play the second singles matches Cannon and Cowley appear to be the most likely candidates. Of the five men named to compose the Aggie force in the initial match are former lettermen. Cannon, Saker, Christensen, and Cowley performed on the team last season while Brencley is a letterman of several years ago.

Due to the late Spring Coach Merrill has by no means had sufficient time to select his charges officially but because of the previous experience of the above named men they were ordered to act as the initial battle. Other men who are showing up to good advantage on the Aggie team are Myron Swinard, Oswald Christensen, a former letterman, Kenneth Vanderhoof, "Doc" Limebaugh, and several others. Oswald Christensen is an Aggie letterman of many years ago and has not been active for a number of years but is taking the game seriously again and is apt to press someone for a position as soon as he rounds back into form. Limebaugh is a player from Pleasant Grove who has figured with the State Farmers and junior championships in past years. "Doc" is essentially a doubles player and he will work into a doubles combination as the season progresses.

When the Logan delegates step on the Utah courts Friday afternoon they will have had the advantage of only one week of conditioning. Under the beginning of this week the courts at the Utah Aggie fair have not been dry enough for the candidates have been compelled to stay inside and be patient. However, the Loganites realize that the tie changes have been under the same handicap and that they should oppose the Loganites as well as the Utah Aggies. Just how Merrill will line up his charges will not be known until the Utah lineup has been announced at the afternoon of the meet.

Word from the Utah camp has it that Coach F. P. Farnes, Jr., Captain Jack Irvine, Dave Freed, Ray Forsberg, Wallace Stegner, and Harold Smith.

Senior Girls Win Swimming Meet

The inter-collegiate swimming meet for Aggie co-ed swimmers, held last Friday in the College pool, was won by the Senior girls with a total of 52 points. The Sophs placed second with 20 points and the Juniors third with 18 points.

Pernicy Lenkersdorfer, Senior, was the outstanding performer of the meet, winning 20 1-4 points. Cleone Passey, Senior, won second place in individual honors by winning 16 1-4 points. Geneva Schaub, line performer, won the Junior class, won third place with a total of 15 points.

The judges were Mrs. Lucille Owen Clark, Miss Myra Nelson, and Harrison Parker. Mrs. Katherine C. Carlisle was official scorer. Miss Lena Edwards was official of the meet. Miss Cleone Passey, W. A. A. swimming manager, had charge of the events.

Results of the events: 100 yds. crawl (speed), Lenkersdorfer, Sr. 1st; Karen, Soph, 2nd; Peder Schaub, line performer, 3rd. 200 yds. crawl (speed), Lenkersdorfer, Sr. 1st; Karen, Soph, 2nd; Eck, Soph, 3rd.

100 yds. crawl (speed), Lenkersdorfer, Sr. 1st; Karen, Soph, 2nd; Eck, Soph, 3rd.

100 yds. crawl (speed), Lenkersdorfer, Sr. 1st; Karen, Soph, 2nd; Eck, Soph, 3rd.

100 yds. crawl (speed), Lenkersdorfer, Sr. 1st; Karen, Soph, 2nd; Eck, Soph, 3rd.

Hilltop Chatter

— JOE COWLEY

SENIORS GIVE TENNIS COURTS

One of the most commendable forward movements that has been on the campus this year is the new undertaking of the Seniors—the construction of two new tennis courts. While the seniors will not be the sole contributors to these additional facilities, they are making their gift to the College by advancing the major portion of the funds required to build them. The work involved in the building will be done by the students as one of the outlined projects for "A" day next Wednesday.

The College has for a long time been badly in need of a couple of just such things. For a number of years the facilities for tennis players on the Hilltop have been inadequate. Consequently when the beautiful spring weather has been ushered in and enthusiasm for the sport has been kindled in the hearts of rackets wielders their desires have been thwarted. It is not uncommon for a player to walk onto the tennis courts with the intention of playing a match and to have to wait an hour or so before a vacant court is at his disposal. Time is too valuable for the College student to idle away in such a manner, and furthermore a person is compelled to wait perhaps an hour for a game his desire to play diminishes.

The lack of tennis facilities has been an urgent need for a long time. The Senior class is to be congratulated upon taking the initiative in the construction of two additional courts.

TENNIS SLUMP

It has been just about one month of Sundays since the Utah Aggie tennis team won a championship of any description. For the past five years the Farmers racket wielders have been struggling in the state and conference races without results. Prior to that time the Utah Aggies, represented by such stars as Westley, Lloyd Hammond, Bill Merrill, and Mose Rich, were successful in winning titles in both state and conference circles. But when those luminaries severed their connections with the college the Aggies were left with a scanty roster of material, and ever since then the Farmers have been holding the sack.

In 1925 Lund Johnson started his career under the Aggie colors and was able to hold his own with the best intercollegiate to-morrow players. However, the Aggie captain's four years of participation was null as far as winning championships were concerned because adequate support from the four other cogs in the machine was lacking. Johnson has fighting the battle by himself.

Last year the Aggie hopes took on an optimistic flavor when it seemed that Coach Merrill had an allotment of material which could play on even terms with the best in the state. But again the Farmers failed to deliver. Every match of the season went to the opponents only by a narrow margin.

When the season opens this afternoon—Aggies vs. University of Utah—the Loganites will enter the battle with a fighting chance. And with a few favorable breaks they will be able to hold their own. However, the Cougars appear to be favored at present to repeat with a state championship. But the Aggies are starting the campaign with a stiff upper lip.

1st: M. Cannon, Sr. 2nd: Peder Schaub, line performer, 3rd. 200 yds. crawl (speed), Lenkersdorfer, Sr. 1st; Karen, Soph, 2nd; Eck, Soph, 3rd.

100 yds. crawl (speed), Lenkersdorfer, Sr. 1st; Karen, Soph, 2nd; Eck, Soph, 3rd.

100 yds. crawl (speed), Lenkersdorfer, Sr. 1st; Karen, Soph, 2nd; Eck, Soph, 3rd.

100 yds. crawl (speed), Lenkersdorfer, Sr. 1st; Karen, Soph, 2nd; Eck, Soph, 3rd.

BLUES REGISTER ONE POINT OVER WHITE TEAM

Myers And Worthington Turn in Outstanding Performances

Captain Vosco Call's Blue outfit registered a sensational win over Glen Worthington's White charges in a dual track and field meet in the Aggie stadium last Saturday afternoon. The final count being 68 to 67. Coach E. L. Romney divided his candidates into two squads early last week and had them compete for the purpose of giving his charges the "once over" in preparation for the opening inter-collegiate meet of the season which will take place tomorrow afternoon in Provo. Due to the unfavorable weather conditions which had prevailed previous to the gathering no outstanding marks were registered in the meet.

Results of the meet follow: 100-yard dash—Myers (B.), first; Ruon Eames (B.), second; Les Stewart (W.), third. Time 10.2.

220-yard dash—Myers (B.), first; Stewart (W.), second; Delos Watkins (W.), third. Time 24.4.

440-yard dash—Myers (B.), first; Willard Geddes (W.), second; Eames (B.), third. Time 54.8.

880-yard dash—Charles Dunn (B.), first; Owen Jacobs (B.), second; Rollins (W.), third. Time 2:19.

1 mile run—Gunderson (B.), first; Jacobs (B.), second; Harris (B.), third. Time 5:24.

High hurdles—Worthington (W.), first; Miles Bowen (B.), second; Delos Thompson (W.), third. Time 17.47.

Low hurdles—Worthington (W.), first; Thompson (W.), second; Noel Hacking (B.), third. Time 2:20.

80-yard relay—Won by Blue (Noel, Gillespie, Eames, Myers). Time 1:40.

100-yard relay—Fred Deschner (B.), first; Ed Jensen (W.), second; Reed Shields (W.), third. Time 1:40.

Discus throw—Clive Remund (B.), first; Worthington (W.), second; Thompson (W.), third. Distance, 108 feet 2 inches.

Javelin throw—Ren Smith (W.), first; G. Larson (W.), second; Willard Geddes (W.), third. Distance, 173 feet 8 inches.

Hammer throw—G. Larson (W.), first; Delos Watkins (W.), second; Wilkins (W.), third. Distance, 102 feet 2 inches.

High jump—Belliston (W.), first; Gunderson (B.), tied for first; Vosco Call (B.), and Bowen (B.), tied for third. Height 5 feet 6 inches.

Broad jump—Ren Smith (W.), and Miles Bowen (B.), tied for first; Niles Christensen (W.), second; Thompson (W.), third. Distance, 22 feet 6 1-2 inches.

Logan Business Men Award Distance Aces

The Logan business have for a number of years been sufficiently interested in the encouragement of their own athletes to contribute numerous prizes to the winners of the annual cross-country races. The eighteen winners, their awards and those who gave the awards are listed below.

Owen Jacobs, Oxfords and socks given by College Boot Shop.

Arden Gunderson, Shirt and tie given by Thatcher clothing.

Arthur Woffinden, Shirt given by Levens Hub.

Wrestling Captain

Dean McAllister

Youthful Artist Named Captain Of Mat Team

Dean McAllister is the newly elected captain of the Utah Aggie wrestling team for next year. In place of Ned McBeth was elected in last issue of Student Life. The real reason for his election was a misunderstanding and the write-up which appeared in Student Life last week was a serious mistake.

McAllister, the grappler upon whom honor was bestowed by his team-mates, has been a member of the Aggie wrestling team for the past two seasons. Both last year and this he won the western division and intermountain U. championships in his weight.

These achievements mark him an outstanding man on the mat. Last year, when McAllister was a freshman on the Aggie team, he wrestled the season schedule undefeated.

This season his record was marred by only one defeat. In McAllister the Aggie grapplers have a highly capable leader for the 1930 campaign.

SMITH DEPARTS FOR NATIONAL BOXING JOUST

Aggie Candidate Conceded Excellent Changes in Chicago Meet

Ivan Smith, 147 pound amateur champion of the Inter-mountain division, left Logan Tuesday for Chicago where he will engage in the National A. A. U. Boxing Tournament. He will be met in Salt Lake by Arnold Magdiel and Geo Becker, 135, and heavy weight champions, respectively, who will also take part in the national joust.

Ivan left Logan in perfect condition and in his workouts just before his departure was showing plenty of zip and class. George Nelson had charge of condition during the Aggie training and is very satisfied with his results.

According to the Aggie trainer, Ivan has a wonderful chance to draw down first place and a diamond studded gold medal emblem of the United States championship.

Smith will arrive in Chicago Sunday and will continue his workouts until Tuesday. The tournament will open Wednesday and will continue four days.

Paul Larson: "What is a ten-letter word meaning hold up?" Cy Graves: "Til bite. What is it?" Paul: "Suspenders."

ZUPPKE TO LEAD SUMMER SCHOOL COACHING STAFF

Renowned Mentor Marked By Wide Knowledge of Game And Dynamic Personality

Coach Robert Zupke of Illinois, who will be at the Utah Aggie coaching school this year during the entire week of June 10, has come rapidly to the front and though not very old is already regarded as one of the most important influences that the coaching field is giving to the game of football. Before beginning his present position at Illinois Coach Zupke was a high school coach and he made such an enviable record during the high school years that Illinois, long a second rater in the Big Ten conference, employed him.

Zupke went to Illinois sixteen years ago. Before that Illinois didn't know what a championship resembled, but from that time on they have been up in the running practically every year. During the sixteen year period the Illinois huskies have either won or tied for the Big Ten title seven times, and they play football in that conference too. Only Michigan has an edge over Zupke in games won and lost during that period and the Michigan margin is just by a single game, the 3-0 victory brought up this year. Northwestern, Purdue, and Indiana have never won more than one game against the Illinois team. Chicago, with long time rivals of Zupke, has won four games in the period against 10 for Zupke with two losses.

Zupke's record for the period reads 94 victories, 28 defeats, and seven tie games.

Contributes Features

The great Illinois coach has contributed a great many of the present features to the game of football. He was the first to use the huddle, and like it or not it is being used more and more by teams all over the country. He is the greatest exponent of the real end-rush in football and he is continually, Zupke is usually regarded as the first coach to use the screen pass.

The Illinois coach used to favor the shift a little, but since the dead spot rule he has given it up. He uses either one or two wingbacks, and stresses both power and deception in his attack. He gives plenty of attention to the line, and he is a master of deception. He has uncovered a lot of talent in his day, but the boy who got the publicity was "Red" Grange.

Grange, Zupke has had many football players, but he has never had one that attained the reputation of this one, and that probably is for any coach in the country.

First Round Tennis Matches Played Off

With the first round matches of the Boys tennis tournament played off the matches are attracting a little more interest. While the first round games brought forth a few closely contested games, in the main the matches were easy.

The variety went from last year's round robin to the present round robin. The winners in fine shape. The winners of the first round matches were: Land Johnson, John Christensen, Carl Davis, Glade Limebaugh, Paul Larson, Duane Cannon, and Ewart Swinard.

Tom Chambers, K. V. Peterson, Mitchell Hanson, and Fred Hodgson.

Although there will doubtless be a few bright spots in the second round matches, the real competition will be shown in the third round winners contest for the semi final positions. Just what will be the result of the tournament will be a matter of conjecture.

Willard Geddes, who had been ever such men as Lund Johnson, Christensen, Duane Cannon, and Alton Saker, who will more than likely furnish some championship games to the winners of the tournament.

While the second round matches, there is still a possibility of a few major upsets. However, the fans are keeping their eye on Glade Limebaugh, who has had himself in the high school tournament last year.

Dick Romney Places Thirty-five Delegates In Field To Uphold Farmer Colors

Cougars Represented By Galaxy Of Seasoned Veterans

Mexican Athletics

By PEG BANKHEAD

Prof: Geo give me a sentence using the word, "diadem." Bob Judah: "People who drive onto the railroad crossings without looking diadem eight quicker than those who stop, look, and listen."

Heeza Nut: Didn't some moron propose to you before I married you? Heeza Nut: Yes. Heeza: I wish to heaven you had married him. Heeza: I did.

Pedecue: Did you ever have more money than you knew what to do with? The Beevee: I don't remember; but I must have had or I wouldn't be married.

Alkali Ike: Foot happened to that tenderfoot stranger you had here? Texas Pete: Poor feller, his second morning here was brushing his teeth with that foamy paste and one of the boys told him he had rabies and shot him.

Vern Budge: Marg, do you know the difference between the bus and a taxi? Marg Smart: I'm afraid not, why?

Well, I guess we just as well ride the bus then. A prominent soap and perfume manufacturer announced a contest for an advertising campaign. The winning slogan was: If You Don't Use Our Soap, For Heaven's Sake Use Our Fortune.

The rain, though raining every day. Upon the just and unjust fella Falls chiefly on the just because The unjust has the just's umbrella.

Sheik: Want a ride North? Sweet Young Thing: How far are you going? Sheik: I wouldn't care. S. Y. T.: Give my regards to Santa Claus.

Her: I maintain that love-making is just like it always was. Him: How do you know? Her: I just read where a Greek man sat, and listened to a "liar" all night.

Mrs. Reading: Harry, did you get that loaf of bread I sent you for? Mrs. Reading: What, closed at the hour of the day? Harry: Sure, there was a sign on the door that said, "Home Baking."

Frosh: What's that thing? Joe Thomas: A megaphone. Frosh: Oh, for crying out loud! Joe: Yeah.

Porter: This train goes to Buffalo and points east. Old Lady: Well I want a train to Syracuse and I don't care which way it points.

Some Barquet. A countryman went to see a large city and before retiring in his hotel room, asked the clerk about the house for meals.

"We have breakfast from 7 to 11, dinner from 12 to 5, and supper from 6 to 8," explained the clerk.

"Look here," inquired the farmer, in surprise, "When am I going to find time to see the city?"

Peg Hanson: Do you believe in survival of the fittest? Pearl: I don't believe in the survival of anybody, you know damn well keep in business.

Pearl: Mamma, if I get married will I have a husband like papa? Mom: Yes dear.

Pearl: And if I don't marry? Mom: Yes dear.

Pearl: Mamma, we women don't have much chance in this world, do we?

The state and conference discussion records held by Bill Cox of Utah, who was broken by George Corbett of B. V. who bettered both marks in trout at the "Y" field last week. Mark Reeve of the high jump, who showed the shot in record-breaking distances in practice, while events that Rowe, another "Y" phenom, are entered are none too secure.

Aggies In Shape

The Aggie mentor stated during the week that his charges were in first class condition. Under early season circumstances but feels that the majority of the Utah Aggie team are seasoned veterans while a large number of the Farmer aspirants lack experience and stand quite badly in need of lower training.

Coach Romney believes that during the next few weeks, however, the Utah Aggie team will be in shape on May 11th, that the Aggie team will prove its calibre. By that time the Logan mentor will know more about the Utah team has to depend on for the state and intermountain conclaves.

Right now the Farmers appear to have the edge. The Aggie team, especially strong in the javelin throw, broad jump, pole vault, high and low hurdles and the 440 yard dash. Glen Worthington is considered a safe bet for the first place in the 120 yard high hurdle race. He is also expected to give Owen Rowan the race of his life in the 220 yard obstacle race. Last year the Aggie phenom was overpowered by the margin of a few inches, and Zeus feels that the Utah Aggie team is capable of beating the Logan rival. In the javelin throw the Aggies expect to win high points. The Utah Aggie team is expected to give Owen Rowan the race of his life in the 220 yard obstacle race.
