'STUDENT LIES' GETS OFFICIAL CENSURE

Editors Note: The following comes from the president of the student body under the signature of the president of the student body.

In view of the low tone, utterly unworthy of the college, expressed in the "Student Lies" column of the "Daily Statesman" on May 1, the student body has voted to discontinue the column. While this decision is not a censure, it is a statement of disapproval. It is the policy of the student body to maintain a high standard of conduct in all its publications. It is the policy of the student body to maintain a high standard of conduct in all its publications. It is the policy of the student body to maintain a high standard of conduct in all its publications.

The college grants to its students the right of free expression of thought and opinion. It is the policy of the student body to maintain a high standard of conduct in all its publications. It is the policy of the student body to maintain a high standard of conduct in all its publications. It is the policy of the student body to maintain a high standard of conduct in all its publications.

The first annual Utah State Intercollegiate Tennis Tournament will be held on the Utah Aggie courts May 17. This is the same day that the big State track and field meet is held in the Aggie stadium.

STATE STATEMENTS

By CON HARRISON

FROSH SHOW UP
A group of Utah State freshmen traveled Provo last Saturday and carried away more than a bona fide share of honors in the B. M. C. freshman track and field meet, which is held as a part of the annual B. Y. U. invitational meet.

Beattie, Brasher and Young made a clean sweep of the 100 yard dash, and Beattie and Lewis finished first and second in the 220. Brasher brought himself a gold medal with his first in the 440 in record breaking time, and in the 880. Russell Rich then stepped in for seconds in the 1600, and half mile. Ferguson then took his turn and wound up with first in the high and low hurdles. Lewis, Young, Brasher and Beattie brought a successful afternoon to a close by taking the mile relay at 3:22 to break the record.

No field events are listed at the freshmen meet or the state meet, would have undoubtedly held the upper hand with such men as Campbell, Coss, Moensinger, Drysdale, Childs and Ferguson performing.

SETS WORLD RECORD
Dan Beattie, C. A. C. athlete and holder of the conference shot put record of 47 feet, 6 inches in the 1930-31 season, set a new world record in the shot put at 47 feet, 6 inches.

Last Saturday at the annual University of Colorado athletic meet, Dan Beattie set an even 68 feet to establish a world record in the shot put. The average shot put mark is 66 feet 10 inches. Beattie's shot, 47 feet 6 inches, is the longest shot ever recorded in the Olympic athletic club, three times the shot of 15 feet 6 inches. Beattie is the champion of the A. A. C. games in Denver last summer. He is not eligible to compete in the state meet.

CHRISTIANSEN WINS
Jack Christiansen, leader of last year's region one net honors, again single handedly took the second place to Warren Watts, three years ago in the same meet, walked away with the "Y" invitational tennis meet last year by winning all of his matches in straight sets.

Jack halls from Logan high school and is competing today for the Regional singles crown again. Jack went to the state meet last year, but was unable to win a seven set match in the semi-final round.

Cooly and Stewart, also of Logan high school, were the doubles crown, which they won last year.

Both of these boys are Juniors at the local high school. They stepped into the meet last year and took the championship away from Hill and Needham, of the same school, who were the defending champions. Cooley and Stewart reached the quarter-final round in last year's state meet. With all three Region teams in the defending their titles today, a number of good matches should be in the air.

TODAY'S MEET
Logan finished champions, Davis and Ogden high school seem to stand out as the most probable winners of the regional track and field meet. Of the three years this meet has been held, the Grizzlies have carried away the top honors twice and last year to repeat.

Some real thrilling and close races should develop on the track today in the 100, 220, and 440 yard runs. Humphreys, last year's 100 yard dash winner, is still in competition. His time however is much slower than this year and a real fight should ensue between Humphreys (Logan), Hawkins (Hawkeyes), and Ogden (Hawkeyes). Burton (Provo) and Seash (Logan) in both the 220 and 440 yard runs. Lewis, now at Utah State, won the 440 yard run last year, losing out Humphreys by the tape.

Burton (Davis) and Lee (Bozeler) should turn a thrill in the 440 yard event. Burton is a brother of the runner in the Burton former "U" middle distance man. He is captain of the Davis squad and won the 440 at the meet last year. Lee of Bozeler won the 440 yard relay last week, losing out by inches, but breaking the relay mark at 3:23 seconds.

State Intercollegiate Tennis Tournament Invade Ute Camp For Dual Meet Tomorrow

Utes Favored To Assume State Track and Field Lead

BY OTIE MEET

Accompanied by a rather large contingent of fans, the Utah State team will leave for Salt Lake City on Saturday to enter the annual dual meet with the powerful University of Utah track team. Although this will be the season's opener for the Utes, the Aggies were successful in scoring a close victory over the B. Y. U. Cougars—last year's conference champions.

The Aggies at best have very little chance to score more than a few points. However, practically all freshmen will be matched up against a host of experienced men nearly all of whom were on the Utah team last year. The Aggies are determined not all they have into every event and give the Utes plenty of competition. The Utes are expected to take the most points, but some extremely close races are likely to be the feature of the meet.

Defending champions are in good for a number of points in his particular event. Coach Ferguson is not inclined to give work him for the sake of a few points, but rather save him for later season prospects.

Def. Utah State javelin heavy and almost certain first place man, has been called to his home to assist in the family business. It may be possible for him to return to the state meet, but that is not certain.

The officials of the meet are Elmore and Dr. Groes. The prospects look none too bright for the Aggies, with a squad of fighting determined men, an exceptionally good meet can be assured.

Archery Course to be Installed Next Year
Shooting at a target with bow and arrow is a sport that has been around for centuries. It is one of the oldest sports in the world.

Among the new sports that Utah State has inaugurated this year is archery. Although it is a new sport, it has been around for centuries. It is one of the oldest sports in the world.

Next year, this work will be included in the regular P. E. program and any student that cares to take it will be allowed to. The archery course is being installed in the gymnasium. It is a sport that has been around for centuries. It is one of the oldest sports in the world.

Women Outdo Men At Northwestern
Chicago—"Hats off to the girls!" was said statistically at Northwestern University last night. The average earnings of the 1930-31 season were \$115.20 of \$120.70.

The men didn't do so well. The average earnings of the 1930-31 season were \$89.46, totaling \$23,000.

According to the dean of the University of Wisconsin, the women's earnings are the highest in the history of the sport.

Wild West Rodeo
Lawrence, Kan.—For the entertainment of the university and college coaches who will attend the eighth annual Kansas rodeo on April 18 and 19, Dr. Forrest C. Smith, director of the division of physical education, has arranged a rodeo which will be staged in the opening night of the rodeo. The rodeo will be held in the arena of the University of Kansas stadium, which seats 38,000.
