Championship Aggie Team Faces Stiff Competition From Improved B. A. C.

By defeating the B. Y. U. "Kittens" by a score of 19 to 7 and by scaping the Utah "Papoose" to the tune of 13 to 0, the Utah Aggie Freshmen once more reign as state freshman football champions.

Next Wednesday, Nov. 11, the Aggie Freshmen will battle the Branch A. C. as an Armistice day feature. The game should be a close tussle. The Branch Aggie claim to have the best football team in history having all ready defeated such teams as B. Y. U. reserves and Westminster Junior college.

Prof. Lindor, former Aggie athlete and at present, coach at B. A. C. has been instrumental in dealing credit for the way he has started and helped to promote football in the southern part of the state. When Lindor was at the B. Y. U. five years ago to coach football in southern Utah high schools and colleges were unknown. He had a hard time getting anyone to come out for football, but after a while he had developed what he thinks to be a "Championship" team.

The game next Wednesday will be the last to be played in the Aggie stadium this fall and again because his team is comparatively new and inexperienced.

See the 1931 champion Aggie Freshmen team. The Aggie Freshmen team will be very good material for the varsity squad next year are Gunderson at end, White at center, Start at fullback, Briggs at halfback, and Nelson at quarter back.

Much of the success of this year's freshman team is due to the clever work of Coach Reading and assistant Vossie. Coach Reading has established a record for himself.

FROSH WIN STATE BUNTING

Utah Aggie freshmen ascended to their second successive state football championship last Saturday when they bowled over the B. Y. U. Kittens to the score of 19 to 7. The frosh team was undefeated in 1931 to a just a week previous; therefore, the team is an undoubted kick over the bar to make the team.

Elmo and Ivan Smith

Contrary to the belief expressed from a Provo article in the newspaper during the last week, Coach E. L. Romney's new offense is one of his own variations added to the old model T formation used by Coach Aggie. Stage so many years back Stage more commonly known as the grand old man of football, was the first to use the model T formation and from him Knute Rockne added his variation of a shift into the wing back formations. Utah State Team Set on "Sweet Revenge"

(Continued from Page One)
City players. The two games that were lost have been in the last two years. The first in 1929 was lost by a 10 to 0 score. A conversion of the extra point would have meant a tie game. Last year, the Aggie football team literally mopped the earth with the Logan boys and this fact has so angered the Logans that they feel that nothing will stop them in returning the favor. The Brigham Young team feel that they stop the Aggies, that their season will be a success. They have lost a couple of games, but they would rather lose the Aggies than any other team in the conference.

These facts, together with the fact that both schools boast of excellent football players and machines should make the return game a very close one. The Aggie team has won many miles of the victory and the Aggie team has won many miles of the victory.

The Aggie team has won many miles of the victory and the Aggie team has won many miles of the victory. The Aggie team has won many miles of the victory and the Aggie
