PENNANT WEAVERS FALL HARD WHEN STRUCK BY FARMERS HOOP FIENDS

Aggies Give Thrilling Exhibition To Regulars On Bench
Fourth Victory Out of Six Games For The
Big Blue Team

On Friday, Mar. 2, the B. Y. U. soopers, blue changes suffered a setback on the long, low, and hard hands of our Aggie crew. The game was a whitewash affair from the beginning, and although "Cy" Hansen tipped the ball from center rather consistently, the "Y" caused a sensation by catching 3 points in their favor before the Blue and White went under way. The lead for the hoovers was a walking hover, and dwindled to nothing, and then to a minus quantity before the game was concluded. After the Aggie score stood that it could not be scored, for at the end of the half our team was down 3 points in a 2-14 score.

Both teams came back determined, in the final period, the Aggies to hold their lead, and the Change to humble us hooligans. The Aggie evidence had the greater determination, for despite the fact that the score was tied once in this half at 14-14, the "Y" never took the lead, although they reduced the 6 points advantage held by the Aggies 5 minutes into the final game to a score of two point margin at the end of the game. They were not scoring any more than were the Aggie, and at any time both teams missing some easy ones, and again in bring the score down by spectacular long losses for counts.

The game was featured by the clever play of both teams, the ball being worked up and down the floor only to change hands when it reached dangerous territory. Schuch was responsible for back up the "Y" combinations early in the game, and to its speedy floor work during the entire game is due a lot of credit for the "Y" defeat. When the game was playing forward position for the first time, having been substituted for Robinson player, was exceptionally brilliant game. Just a little nervous at first, but gradually settling into the job, he made splendid work of it, and he easily playing a lively, incisive floor game, gathered a finger, not to their difficult one. He showed great spirit and deserves a place with the regulars instead of a bench warming job.

As for Hammond, it is conceded by all critics that he is the peer of the best in this State. He is always on the job and whenever a point is needed, or a man is needed to help the fall one down under the other, easy basket "Cy" is there. He doesn't miss all the honors heaped upon him. Of late he has been playing like a champion, and he is the greatest player on the guard line ever developed in this school, and that's saying a lot when consideration of such men as "Buck" Harris and others is taken into account. He is a real basketball player, and a real basketball player.

"Sam" Harris was also on the job, and he was a real basketball player. In fact the Aggie guards kept the Provisors so far away from the basket that they were compelled to depend a great deal upon long shots for their scoring.

In winning this game the Aggies made a 4 victory out of the first six games played with the B. Y. U. These games are the ones played in the last 14 days under the other, easy basket "Cy" is there. He doesn't miss all the honors heaped upon him. During the seasons of 1918-19 and 1919-20 the game was played between the two schools each year, the second game scheduled being cancelled in both cases due to the flu epidemic. In 1919 the teams clashed on the "Y" floor, the Aggies winning by 23-21 score. In 1920 they played on the larger A. C. floor and the Aggie again triumphed by the score of 34-27, the largest score of

Who's going to win the big chair seen to the Presidency winning the best points in the Cross Country race?

An official "A" with the letters "C. C." will be awarded to the man who first crosses the tape in the Cross Country race.

Couch Twitcheil of the B. Y. U. has secured his first track car. The track athletes at that school will start indoor work immediately.

The Aggies won an easy victory over the Provo C. C. basket school on Feb. 24. Score 45-15.

The B. Y. U. has issued a challenge to the Utah basketball champions, for a game to decide the champs of the two states. The challenge has not been accepted yet.

"Chic" Hart won the Cross Country last year in the record time of 12:1. The same course will be used in this year's race. Hart also won the cross in 1921, having led the field in 1920.

Track meet was expected to start outdoor work Mar. 15. They will be able to utilize last year's "beast" in this work, providing the color is fresh. These underclothes will be worn under, not over the track suit.

Keep in mind that the three high point winners in the Inter Club Track meet will receive medals presented by the Carden Jewelry Co. The high point man gets a gold medal, at 24d, silver and red, bronze.

Football noon meet in the gym, next Thursday.

All ball, the Provo! On March 1, when they defeated the Hyrum A. C. in the first game by the score of 38-22. The disciplines played a lot of games from the first, and were never hindered in the scoring. They were on the edge of the end. Their passing was exceptionally good, and they made several long shots. Siegfried and Lehighman played good football for the Provo while Varr and Anderson were the Hyrum stars.

Although the Provo has not won many games they have given valuable service by being on hand every night to put the varsity through the paces. They go through the grid of 2 or 3 hours duration against the Hyrum men and never flatter. They always manage to keep the game on the jump to keep the upper hand.

Somewhere it seems to be the lot of the Hyrum men to be bettered during their first year of athletics, but they say the foundation that helps acquire in other years the goal of their dreams.

Another difference between death and taxes is that death is a personal, not an annual.

MEXICAN ATHLETICS

Our weekly song hit entitled: IF YOU WANT TO HAVE A HOLY CITY, DATE YOUR STREETS WITH DOUGHNUTS.

Mary had a rihad pup
With long and shaggy hide.
The wrenes were delicious
When the little doggie died.

Another weed in the garden said
The young man as he threw his
cigarette into the cabbage patch.

Pull—You say she had coal black eyes?
Mall—Well, I say the fire in them.

CAN YOU BEAT THIS?
A spey old fellow 118 years old
died the other day and the 'natives'
killed him.

Low Larsen (talking to her dad's
pup):
Hush baby
Don't you cry
You'll be a sausage
Bye and bye.

If point made Pearl White, what
made John Brown.

How does the fishy snore squint
Who never has a can
Take out all the clever skirts
On money that is keen.

She—What's St. Ymas doing?
He—It's the one's you do with
a trained nurse.

Paul Wheeler is so polite that he
takes off his hat every time he talks
to a girl on the telephone.

AT THE BARBER'S HALL (M)
(Confused under)—Let me see you
to a sheet.

IN THE SEWING CLASS
Can you hemstitch?
I should say so.

ON THE YELLOW DRAGON
There are 624 wheels on our

We hear that they are reversing
the law in France, and now nearly
deadly as boxing, because no one ever
got hurt by it except one foot who
was not coming to watch one
and caught cold.

I saw a talkative eagle in the park
the other night who believed that
"alises were the language of love."

"This is a grave action," said the
official as he climbed into the elec-
tric chair.

We have two seasons in Logan,
Winter and August and August
is so short that it doesn't do any good.

Mill—She has a pretty figure.
Pond—Yes, I or S.

Professors To Study In California Next Year

Prof. N. A. Pedersen and F. D. Daines. Granted Leave of Absence—Both To Study At Berkeley

Prof. N. A. Pedersen and Prof. F. D. Daines have been granted leave of absence for one year from the College. Professor Pedersen is at present head of the English department. He came to the U. A. C. as an instructor of English in 1919 and in 1921 following the death of Prof. Christian Larson became the head of the department. He will leave in June he will be able to attend the University for two summers and one winter and return to the U. A. C. at the beginning of the fall semester of 1923. He has not yet decided upon his course of study but it will be in the field of English and Literature. A man to fill Professor Pedersen's place for next year has not yet been found.

Prof. F. D. Daines came to the college in 1913 assuming the head of the History department. The same year he is going to attend the University of California and will probably leave the college in the fall. Professor Daines, who will take Prof. Daines place is not yet known.

Neither of the men intend to work for degrees but merely desire to become more efficient in their departments. The policy followed in granting these leaves of absence gives the college a high standing because of the fact that it encourages faculty members to keep up with the world.

They vote to support some particular one of the contestants.

The candidates are so evenly matched that, as certain parties have suggested, it is really hard to decide just who to vote.

Miss Worley is one of the representative women of the college and was chosen vice-president of the student body. She is well known and has a charming personality. In the contest Miss Worley's vote will be a part in college dramatics and carries her with skill. Miss Allen is a student and belongs to the Sigma sorority.

Miss Allen hails from Canada and is one of the most attractive women at the A. C. always pleasant and has a smile for everyone. She is a part in college dramatics and carries her with skill. Miss Allen is a student and belongs to the Sigma sorority.

Click! Click! It is known to everyone in college by his athletic achievements, playing end on our foot ball team and is a speed wagon in the long distance runs. He suffered the 1921 Bruise, is on the attendance and scholarship committee. Click graduated this year and belongs to the Sigma Alpha fraternity.

"Thatcher" Alfred is a Periwig of note having won several college prizes in which he carried his role in a manner which predicts future Clincher. He was a communications officer in the army. Thatcher graduated this year and is member of the Phi Kappa fraternity.
