# Spirited Campaign Clos- es For Annual Election When Winners are Announced

(Continued from page one)

he served as a reporter for the *Lit* and was always noted for his diligence and his dependability. During his high school he was successful in having some of his short stories in the *Lit*, and was a member of the sophomore class.

Three students were elected to represent the student organization on the Executive committee, Glen Cowan, John Logan, and Peter H. Johnston. Johnston received the highest number of votes of any candidate for the committee. His cross appeared opposite the name. Logan is an industrious worker who manages to take high marks in all his studies. He was a member of the *Lit* and was a member of the Executive committee by the departure of Terry King. Mr. Logan was elected to fill the place. He is very prominent in his views and knows the workings of the executive body thoroughly.

"May the best man win" is the slogan which put Peter H. Johnston over as a senior member of the committee. He has demonstrated his ability as an executive as manager of sports and athletics for the past year. The college play, "Life and She," under his management played two nights a full house. Johnston is a member of the Common. Ag. and Perseus clubs. Literary Editor of the *Lit*, a member of the Men's Pan Hellenic, winner of a scholarship "A" for one year and received honorable mention the two following years.

Glen Cowan justifies his election as a member of the Executive committee by his splendid work he has done since the year on the *Lit*. From his position on the Junior Prom committee, as a member of the staff, then as chairman of the First music committee and as chairman of the athletic union. He is a representative from the Phi Kappa Lota Fraternity and the Men's Pan Hellenic Council. As members of the Athletic Council, three lettered men were elected: Steve Harris, Joe Magahan, and David Logan.

Joe Magahan hails from the B. Y. who he acquired the foundation for his athletic prowess which has been so evident since entering this institution. During the war Joe was a member of the 155 Field Artillery football team which won distinction through the west. Steve Harris, entering college he has won his letter. David Logan two years and has been a member of the basketball squad for two years. Next year he will be a senior and with his thorough knowledge of athletics backed by a national reputation he should be a valuable member on the Athletic Council.

"Claude (Shanty) Lindsay, hails from Idaho and is a graduate of the Victor Normal High.

During his high school career he was known particularly for his athletic ability, winning letters in all the major branches of sport. He played basketball, football, two years, track, two years and baseball two years and served as athletic manager for two years. Besides capturing a basket ball and track team one year each.

This is his first year at the A. C. and he has made a flying start. He started with the Frosh Football last fall and was one of the best basket ball guards in the state until he was forced out by an injured foot. He spent the winter of 1917-18 in the Frosh basketball team. He was a member of the Frosh football squad in 1917 and 1918. He played on the basketball team in 1917, 1918, 1919, 1920, 1921, 1922, 1923, 1924, 1925, 1926, 1927, 1928, 1929, 1930, 1931, 1932, 1933, 1934, 1935, 1936, 1937, 1938, 1939, 1940, 1941, 1942, 1943,
