MEXICALI HYBRID PENSTEMON
Penstemon mexicali
These hybrid penstemons are long-blooming selections with mounded, bright green foliage. Tubular flowers in shades of pink, purple, red or white attract bees and hummingbirds. Reseeds. Zones: 4-10 H x W: 12-24" x 8-18"

MEADOW SAGE
Salvia nemerosa
Many selections of this tough and beautiful plant available from pale pinks to dark blues. Flowers form on dense spikes and attract pollinators. Zones: 3-8 H x W: 18-24" x 8-18"

SUNDANCER DAISY
Tetraneuris acaulis ‘Sol Dancer’
Small, ever-blooming perennial with tight mounds of small, grass-like leaves and yellow, daisy-like flowers on slender stems. Blooms all summer long. Zones: 5-10 H x W: 15" x 15"

KEY TO SYMBOLS

- full sun
- part shade
- full shade
- very little water
- low water
- moderate water

Note: water plants regularly after planting until root systems are well-established then reduce watering.
