
¶ Having burnt several ounces of myrrh, frankincense, branches of the aloe, a few bays, a seagull feathers, we perceived the faint outlines of an APPARITION, light & wavering at first, it seemed to draw substance from the heavy, foetid smoke, so that soon there appeared to be an almost palpable column of dimly glowing light in the corner of the room nearest the book case ...

Obstinate creature! Speak!

I want popcorn.
I want a naked friend to play with all over.
I want a great many cigarettes.
I want to read the Greek, Latin, Sanscrit & Chinese classical writings.
I want ice cream.
I want the rest of my library.
I want a piano, an organ, a
