- students continue to work
- outsource instruction to academia
- university credit for courses
- networking opportunities
- access to diverse curricula
DL consortium strengths

- Meeting university member goals
  - reduce program development costs
  - reduce program development time
  - course development support
  - collaboration opportunities
  - access to experienced, motivated students
Non-Virtual & Virtual Classrooms

It’s like comparing apples and... pears
DL = Flexibility
It’s not your grandma’s distance learning
2 Main Paradigms

...and infinite variations
