Author Name(s)
(hereinafter referred to as the "Work," which includes any submitted supplemental materials and data).

As publisher, USURF requires that the copyright owner(s) of the work (or a duly authorized agent) ("Licensor") agree to and sign this License. If the Work is not published by USURF, this License is null and void.

1. In consideration of the opportunity to present the Work at the conference and/or in consideration of publication of the Work by USURF, the Licensor hereby grants to USURF the irrevocable, nonexclusive right to publish (including, but not limited to, online publications), reproduce, distribute, transmit, display, store, translate, create derivative works from, and otherwise use the Work in any form, manner, format, or medium throughout the world and in any language. These rights are subject to any applicable US law, including, but not limited to, export control, secrecy, etc.

2. Ownership of the copyright of the Work shall remain with the Licensor, subject to the rights granted in paragraph 1.

3. The Licensor warrants and represents that the Work is original, that all the facts contained therein are true and accurate, and that the Work has not been published elsewhere and does not infringe upon any copyright, proprietary, or personal right of any third party. If the Work contains any material that is owned or controlled by a third party, Licensor certifies that he/she has obtained permission for its use (please attach evidence of this) and that any such material is clearly acknowledged within the Work.

4. Licensor further warrants and represents that to the extent that the Licensor's right and ability to grant to USURF all rights in paragraph 1 above is or might be limited by an organization policy or institutional restriction, Licensor has obtained a waiver of such policy or restriction from the applicable university or institution.

5. By signing this License, Licensor warrants that he/she has full power to enter into this License.

6. This License shall remain in effect throughout the term of copyright in the Work and may not be terminated without express consent of both parties.

7. The validity, interpretation, and implementation of this License shall be governed by the laws of the state of Utah, United States of America.
