

## Needs Assessment Survey about FANR Career Information & Teaching Skills

Thank you for taking the time to complete this brief survey about your needs and interests pertaining to career information and teaching skills needed in food, agriculture, and natural resources (FANR) topics at your school. The researcher will use this information to determine professional development needs within FANR for Utah secondary education professionals. Please take **5 minutes** to complete the following questions to the best of your ability. It is very important for the success of this study that you answer the items truthfully. Responding is voluntary, and your responses to the survey will stay confidential.

### Level of Importance for Teaching/Sharing Information in the Areas of FANR at Your School
