

**iD** <https://orcid.org>

## GET STARTED WITH ORCID

ORCID provides a unique identifier that distinguishes you from other researchers and supports automatic links among all your professional activities.

Learn more by visiting  
[libguides.usu.edu/orcid](https://libguides.usu.edu/orcid)

## EASY AS...

**1 REGISTER**

**2 ADD YOUR INFO**

**3 USE YOUR ORCID ID**

## BENEFITS

Despite changes in name, affiliation, or language, your ORCID iD ensures institutions, funders, and publishers can easily identify and attribute your work to you.

Many funders and publishers already require you have an ORCID iD. Use your ORCID iD to auto-populate manuscript submission and grant forms with your info and save time!

# OPTIMIZE YOUR ORCID iD WITH THESE **6 TIPS**

**Add multiple email addresses so you never get locked out of your record.**

**Add all the names that you've published under, including in non-english scripts.**

**Add your work or education affiliation to Utah State University, including your start date.**

**Use the Search & Link Wizard to link your research outputs to your ORCID iD.**

**Use your ORCID iD every chance you get to support automatic linking between your research outputs.**

**Set up a 20 minute zoom appointment to optimize your ORCID record by visiting the link below.**
